About Your Relationship Profile

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report is more critical or even harsh compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

Tony and Elizabeth, I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

Life Path

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Tony, your Life Path is 10/1

You are a born leader. You insist on your right to make up your own mind; you demand freedom of thought and action. You have drive and determination. You don't let anything, or anyone, stand in your way once you are committed to your goal. You assume the responsibility to be the protector and provider for those you love. You demand respect and attention and become irritated and even domineering when important things do not go your way. You need to feel in command of important undertakings, and resist supportive roles (for more about your Life Path number, see you Personality Profile)

Elizabeth, your Life Path is 16/7

You are the searcher and the seeker of the truth. You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown and finding the answers to the mysteries of life. You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together (for more about your Life Path number, see you Personality Profile)

Your Life Path's Compatibility is 10/1 and 16/7

Tony and Elizabeth, your compatibility in this area of the chart is unpredictable. Some relationships between a 1 (Tony) and 7 (Elizabeth) thrive, while others hardly stand a chance. The initial connection in this combination is usually intellectual □ on a level where you relate and have plenty to share. Tony's brazen attitude toward traditional concepts, a willingness to get off the beaten path, and an open and unconventional mind makes for a great intellectual partnership with Elizabeth. Elizabeth likely realized at an early age that she was "different" in some way. The 7 is intensely curious, challenging things others take for granted. It digs at and upends old concepts and understands the complexities underlying conventions the rest of us accept as the norm.

Although your attitudes differ in the way you approach life - Tony in a more aggressive, confrontational way and (Elizabeth) in a more introspective manner, you are both happy to venture into new, strange or unknown intellectual and spiritual territories. Both free thinkers, your differing perspectives create a spicy, captivating relationship.

It is in matters of the heart, feelings, and emotions where you might encounter trouble spots. Neither of you is eager to expose your inner self. You are both private, sensitive and vulnerable, and don't wear your heart on your sleeve. You, Tony, because you recognize strength and endurance as your in-born assets, and Elizabeth because you are comfortable keeping some distance from others.

The quality needed to help your relationship grow on the deepest level is emotional courage. Allow yourselves to be open, sensitive, receptive and vulnerable. This requires faith in your partner but, more importantly, faith in yourself. Both of you, but particularly Elizabeth, may be tempted to go the other way, becoming cynical and unreachable. Watch out! The consequences of such a shift can be seen in the trail of broken relationships.

Expression

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Tony, your Expression Number is 16/7

You are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher. You are driven by a desire for knowledge and truth. Your fine mind offers insight into the veiled mysteries of life. You also possess a considerable amount of perspective (for more about your Expression number, see your Personality Profile)

Elizabeth, your Expression Number is 20/2

You have a great talent for working with others; you possess tact and refinement. You have a highly developed intuition. This provides you with insight into personalities and situations. Therefore, you act with tact and subtle persuasion. You possess a kind of radar, avoiding the landmines within another's personality, yet bringing out their goodwill. In difficulties, you tend to persevere and steadily erode the resistance. You are like a gentle wind that shapes the rock (for more about your Expression number, see your Personality Profile)

Your Expression's Compatibility is 16/7 and 20/2

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than yours. Tony and Elizabeth, you have a surprising relationship. Rarely do people with such different characteristics express even the slightest interest in each other. But when they do, the partnership is worth every effort. You almost certainly met under unusual circumstances, perhaps when you were both outside of your normal environment (I am guessing Elizabeth, the 2, initially reached out to Tony). Once these dissimilar numbers (and personalities) get close enough, the result is often an exchange of energy that welds the relationship for life.

Potential pitfalls in this combination are generally experienced at the beginning of the relationship. There could be many challenges, including the inability to relate to your partner's way of thinking, feeling, or expressing emotion.

Elizabeth's approach to love is soft and gentle, idealistic, romantic, emotional, and innocently childlike. Tony is less emotional and expressive - like a precious jewel, it requires a great deal to earn his love. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen Tony's love. At the onset of the relationship, this was probably the biggest hurdle to overcome. Tony is not likely to trust love that comes easily, and Elizabeth doesn't understand how responding to something as natural as love should be so difficult.

Sometimes, a relationship with this combination occurs after the partners have known each other for some time, when trust and understanding have been established (and before either considered a romantic relationship). A romance based on this solid foundation, balanced by pure sentiment on one side and wisdom and spiritual understanding on the other cannot help but succeed.

If you can accept and respect one another's differences, this will be the glue that binds your unique relationship together □ a bond that you could say is

almost unbreakable.

Heart's Desire

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end. You might say that it is in the flow of your breath that you express your deeper self.

Tony, your Heart's Desire is 17/8

You want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers (for more about your Heart's Desire number, see your Personality Profile)

Elizabeth, your Heart's Desire is 17/8

You want success in its fullest meaning -- wealth, power, and material comforts.

You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers (for more about your Heart's Desire number, see your Personality Profile)

Your Heart's Desire's Compatibility is 17/8 and 17/8

Tony and Elizabeth, the fact that you both have an 8 in this part of the chart indicates you are well suited to support one another's endeavors, as well as start a venture together. You are both visionaries with imagination and a talent for business. However, you are also both driven to be in charge, and you don't like to surrender control. This may cause competition at times, which could lead to jealousy or anger. As long as you direct your strongly competitive natures against other forces, you have a good chance of a long and happy relationship, with the potential for financial prosperity as well.

The 8 is a good number for business, but its tendency to risk everything in pursuit of a dream could bring either tremendous success or total failure. No other number is willing to ride a financial roller coaster like the 8. You will need to keep an eye on each other in order to prevent extreme risk-taking.

Tony and Elizabeth, the biggest danger for your relationship arises if financial problems become sizable. Being financially strapped will negatively impact all other areas of your life, including romance. People who share the 8 are driven to achieve material success. It is important that you follow your heart and your intuition in the pursuit of success - that is the nature of the 8 - but it is equally important that you keep enough of your assets safely set aside to avoid serious problems.

Both of you understand the need for authority, particularly when it comes to

raising children; however, this may lead to you be more controlling than most parents, which could be another source of trouble. When both parents have an 8 in this part of the chart, they tend to create environments where children are given everything they need (including plenty of love), but this is often accompanied by too much control, causing them to rebel.

It is important that you understand your authoritative nature, and recognize that your partner - and children - have their own paths to forge.

Personality

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature.

It's the outer layer of your personality, the part you feel more or less comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually much narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Tony, your Personality is 17/8

You appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources. You radiate confidence. People defer to you because they sense your sureness and effectiveness (for more about your Personality number, see your Personality Profile)

Elizabeth, your Personality is 12/3

You are highly attractive. Many men with a 3 Personality are usually handsome; women often strikingly beautiful. Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party. You are extroverted and optimistic (for more about your Personality number, see your Personality Profile)

Your Personality's Compatibility is 17/8 and 12/3

Tony and Elizabeth, the 3 and the 8 carry very different traits which are compatible in some areas but not in others. Elizabeth (the 3) brings a creative, inspiring, uplifting and somewhat scattered energy. Tony (the 8) is more ambitious, goal-oriented and focused. Although you take differing approaches, you are both energetic and capable of turning dreams into reality. Quite often, this combination is seen between business partners or long-time friends who start a business together. In that environment, Elizabeth would be the initial creative source, while Tony would be the visionary. Together, you could do very well.

You are both good communicators. Elizabeth has the ability to clarify an issue with a sense of humor and pinpoint precision, and Tony takes a more practical approach by taking bold, decisive action. This part of your chart suggests you complement each other in many ways and are quite compatible. But, just as in any other number combination, there are areas where challenges may arise.

Tony is ambitious, practical, dedicated to accomplishing his goal, and capable of sustained effort for a long period of time. Elizabeth also has the energy and drive needed to make things happen but has a tendency to drop a project when it is no longer interesting or when another project seems more important. This could irritate Tony, who feels that anything less than total commitment to a set goal is unacceptable. Elizabeth, on the other hand, will sometimes feel that Tony's priorities are too connected to his own needs and expectations. Where

Tony is focused and demanding, Elizabeth is more easy-going. Tony believes the purpose for setting a goal is to overcome the obstacles one is bound to encounter. Elizabeth feels comfortable trying something new (or scrapping the project) if the first or second attempt doesn't seem to be working.

More often than not, the 3 and the 8 get along quite well. In the end, the issue comes down to respect. You likely have such different views about what is important in life, you will need to accept each other's needs and expectations.

Maturity Number

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life. Your Maturity numbers are described in detail in your Personality Profiles.

Tony, your Maturity Number is 8

Success and material reward are important motivations for your actions. Tony, you believe in effort and are very goal-oriented. You can dominate and impress others with your vision and common business sense. You are a born manager and organizer, your subordinates usually like you. Leadership and authority are obvious, but it is wise not to be too forceful, demanding and dominant. You are a good judge of character with an uncanny ability to sense other people's strength and weaknesses. There may be a tendency to abuse this talent, all eights have to be wary of greed and ruthlessness. Your ability to sense where someone else is "coming from" is much better served with your natural counselor's instinct.

Many eights, although being an advantage in the business world and a help in the quest for success, may make life pretty hard too. Many tests and frustrations have to be overcome and, most important, the proper balance and

perspective regarding spirit and matter has to be attained.

Tony, you need a family to be proud of, and status to feel rewarded. You may tend to showing of your wealth and success.

Elizabeth, your Maturity Number is 9

Warm, generous and compassionate, you would do well and be quite happy in any undertaking that not only supplies you with a decent living but also is for the good of all. Elizabeth, you are artistic, the nine is responsible for many of our creative geniuses, however these talents are often suppressed, sometimes coming to the surface at middle or old age. You have a strong desire for insight and universal knowledge. You are emotional, your feelings are not always sensible, and they too are often suppressed. You can get caught up in dreams and ideals without being practical but with enough fire and enthusiasm to attract support. Your oratorical abilities save many a situation. You are driven to do your own thing and are quite independent.

Your Maturity's Compatibility is 8 and 9

Tony and Elizabeth, this part of the chart reveals two numbers at opposite ends of the spectrum. The 8 and 9 have almost nothing in common and are not considered compatible, yet they are often strongly attracted to each other. Interestingly, this attraction can remain compelling and fresh for many years because there is always something new to discover in each other.

A go-getter with big dreams and expectations, Tony (the 8) has a good chance to turn many of those dreams into reality because he is highly motivated and willing to put forth enormous effort to reach a goal. It is the nature of the 8 to direct energy toward accumulating wealth and power, so for Tony, this is natural and healthy.

Elizabeth is equally focused but driven by completely different priorities and

motives. The 9 in her chart is motivated by the work itself and the way it affects the lives of others, rather than financial gain or material success. The 9 will rarely find happiness or achieve success if motivated by worldly desires; Elizabeth finds personal reward when driven by humanitarian motives.

Obviously, your priorities are as different as night and day, yet both are as they should be. You will often find yourselves at opposite sides of a discussion and will rarely agree when it comes to practical matters. For a happy relationship, you will both need to recognize and respect your differences. If you take each other for granted or begin to feel you can predict and control your partner, your relationship will be in trouble. The keyword in this relationship is respect. As long as you respect each other, disagreements - of which there will probably be many - will not weaken your foundation.

Your Yearly Relationship Forecast

People change, sometimes dramatically, sometimes subtly.

When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Tony, and Elizabeth, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

Personal Year

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead.

Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birthdate to birthdate.)

There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process.

The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Tony, your Personal Year in 2018 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Elizabeth, your Personal Year in 2018 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the

drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year's Compatibility in 2018 is 6 and 2

Tony and Elizabeth, no two cycles are so fully connected to the heart as the 6 and the 2. This is a combination that generally has only two likely outcomes ☐ one quite favorable and the other decidedly not. There is rarely a middle road for this pairing.

Fortunately, the influence of these cycles tends to lean toward the favorable.

It is very likely you will experience major disagreements during this period, and the way you handle them will make all the difference. It will be important for you to respond to each other from your heart rather than a rational, analytical approach. You might view this cycle as a spiritual and emotional trial. Underlying emotional issues often surface under this combination, sometimes during an argument that (at first) seems superficial.

Elizabeth's cycle should find her mainly focused on her own issues. The 2 tends to amplify emotions, so she might experience anxiety, inner turmoil, or self-doubt, which could make her more needy than usual.

Tony, you will also be strongly affected and ruled by the heart, but in a different way. You are more likely to resolve issues by bestowing generous expressions of love. This is probably just what your partner needs - unless you discount or ignore the reason(s) behind her discomfort. We all want to be taken seriously, even if our reasoning is somewhat superficial. If hearts clash and logic is on vacation, the result can be damaging.

Your key words for this period are commitment and honesty, along with taking each other's emotions seriously. Elizabeth should try not to exaggerate them, and you should guard against patronizing.

Tony, your Personal Year in 2019 is 7

This is a period of much self-reflection, analysis, and inner growth. The journey now is inward. You will feel a need to spend more time alone to contemplate your life and those close to you. The questions that pursue you are the fundamental ones of life: Who am I? What I am doing? Why am I doing it?

Your environment or milieu will seem more aggressive than during previous

years. This is more a function of your heightened sensitivity and intuition. This will naturally drive you deeper within yourself, causing you to ferret out the important issues that have directed your life to this point.

In order to deal effectively with those around you - especially family members and co-workers - you will have to refine your expression in all respects. Don't push people too hard, lest you damage close friendships unnecessarily. This is not a time for being extroverted or aggressive. This is a time of introversion and deeper self- understanding. Be gentle with yourself and those around you. Think carefully before making important decisions. Be cautious when making major changes.

It is a wonderful time to study and to specialize in one particular field. Your ability to think deeply and clearly is at an all-time high. Indeed, your mind is your best tool. You are attracted to the great books, new realms of study, and higher learning. You have the ability to focus and concentrate. You can penetrate below the surface of subjects, to see the inner workings of yourself, others, and life around you.

Avoid becoming cynical and skeptical. Don't be too intellectual, lest you leave your heart behind. This is a time of deep spiritual and psychological integration. The head and the heart should be working together, not opposing each other.

You will likely discover what you most enjoy doing now. Follow these urges; study areas that you have long neglected but wanted to pursue. The inner-self guides you during this time. Listen carefully to its advice.

Elizabeth, your Personal Year in 2019 is 3

Your ability to express your self will reach an all-time high. Any talent you possess in the arts -- especially in writing, acting, or other performing arts -- will be greatly enhanced. This is a period of success through personal creativity. You have much opportunity to advance yourself and career through your own personal expression, charm, and creative talent. This is a social time, filled with much fun

and friendship. You will feel lighter, fresher, and more alive than in previous years. It is as if life has relieved you of a burden, allowing the more creative, upward, and joyful energies to flow more freely.

People are naturally attracted to you. They sense your joie de vivre, your spirit, and creativity. Your challenge is to focus your heightened creativity on a worthwhile task. Discipline is essential. Choose a goal worth reaching. Pour your energies into something that will last. In this way, you will emerge from this period having accomplished something worthwhile and learned to harness your creative abilities. If you fail to focus, you will likely spend your opportunity and creative urges on loose talk, superficiality, and socializing.

This is an emotional period. The upward, heart-centered energies are peaking, bringing with them many old emotional issues. You can easily exaggerate the importance of an unkind word or react too emotionally to a troubling situation. In short, you need perspective now.

Elizabeth, you are in a highly volatile period, making you highly creative, sensitive, and given to emotional mood swings.

You are highly romantic and given to fantasy. There can be many wonderfully romantic times; however, it is important to avoid being swept away by your fantasies. Do not fail to see people for what they are.

This is a time when you will learn the value of your personal expression, and your own uniqueness. It is a time of personal accomplishment and advancement.

Your Personal Year's Compatibility in 2019 is 7 and 3

Tony and Elizabeth the 3 and 7 bring together two very different cycles. Your numbers are polar opposites in the influences they deliver. For Elizabeth, things should lighten up like the sun breaking through after days of overcast skies. Your 7 indicates you will experience a serious period of self-awareness and discovery.

These differing moods could make communication difficult, which might be frustrating. Elizabeth's light-hearted, playful disposition may have trouble relating to your pensive and perhaps even pessimistic outlook (and vice versa).

To offset this concern, do your best to acknowledge and respond to one another's concerns. Express your love, reach out, and give each other room to explore individual interests.

Elizabeth needs to understand that the quiet, introverted mood affecting you is temporary and necessary. You should try not to be irritated by her upbeat attitude, which may appear superficial to you.

This cycle combination can have a negative effect on relationships. If you feel that you are approaching a danger zone, share your feelings as promptly and honestly as possible. Although you will both be affected by your individual cycles, you are likely to be more strongly impacted.

Do your best to support each other during this period and remember, cycles are temporary by nature. Patience and tolerance are the key words for both of you.
