ABOUT YOUR RELATIONSHIP COMPATIBILITY PROFILE & FORECAST

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.

I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Anthony, your Life Path number is 5

The key to your personality is freedom. You love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life.

You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Freedom and a need for adventure sometimes is not properly controlled by those born with this Life Path, causing problems with drug abuse, overindulgence in food or sex, or generally abusing the gift of life. You are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog.

You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance, the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire.

Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The

flexibility and durability of your body will promote security and confidence within you.

You yearn for freedom and self-employment attracts you powerfully. You should eventually work towards settling on one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find your friends and colleagues supporting and promoting you on the road to success.

Josephine, your Life Path number is 4

You are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily. You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career- you seek to establish a solid foundation.

Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. . It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

You can handle money carefully and like the security of a nest egg. Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Anthony and Josephine, your Life Path Compatibility is 5 and 4

Anthony and Josephine, yours is a challenging combination. Josephine likes routine and predictability, while Anthony prefers change and the unexpected. The numbers 4 and 5 are opposites in many ways. Interestingly, this is often the root of the

initial attraction. Josephine (the 4) is drawn to Anthony's daring, adventurous, dynamic and energetic life. Anthony admires the control and discipline Josephine displays.

This combination often creates a dynamic relationship - comparable to a roller coaster ride. Due to these extreme differences, your relationship will require mutual love and acceptance that is strong enough to weather your differing likes and dislikes, including your lifestyle preferences. Trying to change your partner is futile – your needs and desires are simply too different. Josephine must accept the fact that Anthony is not predictable and will never be happy living a highly structured life. Anthony needs to make peace with Josephine's need for an organized and controlled environment.

Differences will be noticed in other areas as well. Anthony is sensual and feels comfortable around others. He is social and has an adventurous side (even a wild streak). Josephine can be social but prefers to keep a certain amount of distance. When choosing company, she is probably more discriminating and tends to hold on to protocol longer. Although as a rule Josephine is more conventional and careful, she can reveal an extroverted, even outrageous side given the right occasion.

When it comes to opinions, you may find yourselves on opposing sides more often than not. Josephine needs a somewhat structured connection to life, even its spiritual side. Anthony's inner world is more imaginative and changeable. Josephine may be willing to accept rules and regulations that Anthony enjoys breaking. These examples should not be taken too literally; you are complex individuals with additional influences in other areas of your chart that could modify these aspects. Suffice it to say you will encounter differences in your personalities and your approaches to many issues.

Interestingly, this combination can be powerful, exciting and long lasting. The key to success will be in not taking yourself or your concepts too seriously - something Josephine in particular, may need to work on. Maintain a sense of humor and keep in mind that opinions are just that, with relative values. Focus on enjoying each other's company; combine your strengths and build on your differences.

Your polarity has the potential to create a dynamic, rewarding relationship. With tolerance and openness, you can build a healthy relationship where Anthony's dynamic, adventurous spirit and Josephine's discipline

and methodical approach live happily side-by-side.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Anthony, your Expression is 7

You are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher. You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

Anthony, you need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general. The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist. You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and

contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

You have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

Josephine, your Expression is 3

You are optimistic, inspiring, outgoing, and expressive. People see you as cheerful, positive and charming; your personality has a certain bounce and verve that so powerfully affects others that you can inspire people without effort. All of this upward energy is a symptom of your tremendous creativity. Your verbal skills may well lead you into the fields of writing, comedy, theater, and music.

Yours is the number of self-expression -- rich in imagination and spirit. But you have to be careful not to scatter your talents. Your bane is that you often lack discipline and order in your life. Avoid becoming a "happy-go-lucky" spendthrift, escaping responsibility and commitment. You must learn to concentrate and focus. These are the keys to your success. You have great potential in the arts and areas that requires creative solutions to problems. You are able to perform leaps of imagination, providing unconventional ideas as if they suddenly descended from above. Hard work and focus, however, are the foundation for a successful future.

Though you possess great verbal skills, your mind tends to see life as pictures rather than in words. You have the ability to think abstractly.

Creativity is a sensitive faculty that is often suppressed in childhood. If you lack the confidence to pursue your ideas, you may divert your abilities into a scattering of trivial pursuits. To overcome this problem, you must make a choice. You have to limit your field of vision and the number of activities you engage in and bundle your energies into a single thrust. Focus your life; choose the area that you love the most and commit. There, you will find success. And a great deal of happiness.

Love, romance, and money are within your reach. You are aided by your friends and admirers. Often people appear out of nowhere to help you in key situations. Anthony, you have to learn to accept the involvement of others in your life. You are not a loner, nor are you particularly independent. You are social -- you need an

audience and the support of others to fully realize your abilities.

On the down-side, you can be superficial, moody, and intolerant. You are emotional and sensitive, sometimes presuming criticism where none was intended. You can also be jealous and gossipy. Beware of becoming cynical and sarcastic. These traits can suppress your natural creativity. Be goal-oriented. This is a practical, step-by-step approach to your larger ambitions. You possess the natural abilities to attain a high degree of excellence.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Anthony and Josephine, your Expression Compatibility is 7 and 3

Your combination of numbers in this part of the chart is particularly interesting. The differing natures of the 3 and 7 can make a relationship last for two weeks or help it remain exciting and powerful for a lifetime. If your relationship is stable and has existed for quite some time, you may well remain soul mates for life. If the relationship began recently and has already experienced considerable ups and downs, you might be in for a very rough ride. It is also quite common for this combination to turn from romance into a deep friendship soon after a romantic fall-out.

Josephine (the 3) has a restless, energetic, unconventional mind that happily explores the boundaries of creativity and originality. Like a kaleidoscope, the mind of the 3 easily changes color and shape and enchants those around it. However, the 3 also prefers to stay on the surface, keeping things light and upbeat.

Anthony (the 7) has a much more serious, but no less unconventional way of viewing life. He is an untiring

seeker of truth and understanding, who finds great satisfaction in quiet moments of contemplation and soul searching. Anthony thrives on the clarity and realizations that come from moments of inner/spiritual enlightenment.

Although you have very different intellectual styles, you are both unconventional and not afraid to wander off the beaten path. You also differ in your needs and interests – but they are not incompatible. In fact, it is precisely your uniquely different intellects that make this relationship lively and interesting. To use an analogy, the 3 is like the sparkling, excited, playful child, and the 7 is the wise, more serious teacher. You complement one another and lend each other something you are not able to give yourselves. Josephine brings an upbeat attitude and an intuitive, easy-going faith in life, while Anthony offers a taste of the beauty found in exploring the deeper aspects of life itself. Like the sun and the moon, each in their different way, you supply light, energy, and comfort. If you can accept your differences (and not compete) you should be able to live in great harmony.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Anthony, your Heart's Desire number is 8

You want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate

amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

Josephine, your Heart's Desire number is 1

Your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure. You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others. This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do. You rarely look back once you have decided.

You possess intelligence and wit. You are keenly insightful and are good at evaluating the abilities of others. You are supremely individualistic. In your manner and dress, you like to project your own unique persona. Consequently, you don't mind being controversial, and can even enjoy the attention and impact you have made on your surroundings.

You dislike routines, or anything that limits your freedom and independence. Whenever you commit to something you truly love, you are tenacious in your ability to endure difficulties and overcome obstacles. You are highly responsible; you hate passing the buck. You possess remarkable willpower and a strong drive to succeed. You are always looking for innovative ways of doing things.

Because you seek to be the boss in any endeavor, you tend to dominate others. If you are not careful, especially in dealing with your subordinates and family, you may become ruthless in your decisions and behavior. You can also fall victim to impatience and intolerance, particularly if you grow conceited or

superior.

You are the pioneer and the ground-breaker. You love the foreground, the hot-seat of responsibility. You have all the talents to succeed. If you maintain balance in your life, allowing others full expression of their thoughts and abilities, you will easily rise to the top of your chosen field and realize your ambitions.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

Anthony and Josephine, your Heart's Desire Compatibility is 8 and 1

Your respective numbers make you both strong-willed and somewhat stubborn people. It could often feel like there are two captains on your ship, whose conflicting viewpoints can lead to discomfort at best or explosive arguments at worst. A willingness to compromise is extremely important for your relationship.

You both have good business instincts, which could result in successful shared endeavors (although Anthony most likely has the greatest talent for managing financial affairs). Should you decide to work together, make sure to keep your responsibilities separated to avoid potential conflict. Whether in business or your personal life, you will need to have faith in each other's abilities and respect your independence. With both of you preferring to do things your own way, this may not be an easy task. Neither of you easily allow the other to dominate, nor do you feel comfortable as the other's subordinate. Keep in mind Anthony has a need to see material results and reward, while Josephine is more interested in the satisfaction that comes from a job well done.

The fact that you are both quite sensitive behind your strong, self-reliant facade makes you vulnerable to being hurt by insensitive comments and arguments. Your keywords for a successful relationship are communication and compromise.

Although you probably take different approaches at times, you also have much in common; the 1 and the 8 are considered very compatible numbers. One positive aspect is your love of shared experiences. If you can be sensitive to the needs of your partner and communicate openly, you should be able to enjoy a rewarding relationship sharing the many interests you have in common.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Anthony, your Personality number is 8

You appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources. You radiate confidence. People defer to you because they sense your sureness and effectiveness. You also exude a kind of controlled benevolence. People sense that you are generous, once you are convinced of the worthiness of the cause.

It is important for you to dress well. You radiate a kind of raw power and able-ness which needs to be refined and enhanced by your clothing. You may even dress a bit flashy, but that will not harm you. Quality is among your highest priorities and should reflect in your clothing. Although most eights have a strong constitution, they can be prone to indigestion, ulcers, and heart disease due to their reckless eating and drinking habits and their propensity to be workaholics.

Your Achilles heel is your capacity for an egocentric attitude. The negative side of your personality can cause you to be ruthless, greedy, and intensely lonely. Conversely, you can be spontaneous and excited. You are essentially warm and jovial. In your heart of hearts, you want everyone to be as excited and as happy as you. Those who are around you often sense this. Your coworkers and employees usually like you.

Josephine, your Personality number is 2

Anthony, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Try to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

You are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break. Exercise is important to your appearance and to promote the level of strength you radiate.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement. The opposite sex is attracted to your gentle and attentive nature yet senses the passion beneath your surface. You have sex appeal.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Anthony and Josephine, your Personality Compatibility is 8 and 2

Josephine is drawn to Anthony in part because Anthony has great inner strength and the kind of personal power that could lead to worldly success. Capable and goal-oriented, Anthony is a force to be reckoned with.

Anthony is attracted to Josephine largely because He recognizes in Josephine an emotional and inner/spiritual wealth that has likely remained dormant in his own life, at least to some extent. Josephine experiences life on many levels. she knows the heart and understands the power of emotions. When brought together, the innate qualities of the 2 (Josephine) and the 8 (Anthony) can produce a rewarding, balanced

relationship.

This is a combination with the potential to survive long-term, however, there is also the possibility of miscalculating your strength as a couple. The relationship between the 2 and 8 is sometimes based on the 'illusion' or assumption that the partner will never change. Josephine admires Anthony's strength and believes it will always be there. Anthony is attracted to Josephine's romantic, emotional nature and expects it to be unwavering. But there will be times when strength will falter, and the heart will seem to lose interest. However, remaining alert and responsive to each other, and not allowing issues to fester can overcome these challenges.

Every couple must accept the changing nature of relationships, that they ebb and flow over time. The key for success in yours is to recognize each other as whole, complex individuals, seeing beyond your first impression and your partner's most distinctive characteristics. Josephine must love and accept Anthony's strengths and abilities, as well as his weaknesses. Anthony needs to realize Josephine is more than the gentle, romantic, accommodating partner He first fell in love with.

Few combinations tend to give birth to relationships based on misperception as often as the 2 and the 8. But remember, this is just one aspect of your chart. You both have many other qualities to bring to your relationship. Combine your respective strengths and you should have a rewarding, long-lasting relationship.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Anthony, your Personal Year cycle for 2020 is 9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts.

On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual.

There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Josephine, your Personal Year cycle for 2020 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Anthony, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Anthony and Josephine, your Personal Year's Compatibility in 2020 is 9 and 7

Anthony and Josephine, you may feel somewhat distant from each other during this cycle, as you are both likely to feel emotions that are not easily articulated or understood. Although you share the need to be more inwardly focused than usual, your experiences will probably be quite dissimilar.

Josephine is seeking clarity, understanding, increased self-awareness and growth (although this may be somewhat subconscious). You will also have an inward focus, but on a more practical and emotional level.

The 9 could make you feel less confident than usual, so doubts and questions are likely to arise.

Although Josephine will also share this questioning state of mind, she will probably feel stronger and more capable than you do. You are likely to feel more vulnerable than normal. Josephine can be a much needed source of strength for you during this period. You may not expect answers, but you could probably use her emotional support. Although you may need the closeness Josephine can provide, be aware that she will also need more time alone than usual.

This is a learning cycle for both of you, with the potential to leave you stronger spiritually and emotionally.

Anthony, your Personal Year cycle for 2021 is 1

Be ready for major changes. You will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals. This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold. You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done. Be open-minded, organized, and focused. Avoid distractions and procrastination. You are at a crossroads. You will need courage and a clear head to stay on the right track. This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

Josephine, your Personal Year cycle for 2021 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking

through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Anthony and Josephine, your Personal Year's Compatibility in 2021 is 1 and 8

The combination of 1 and 8 is excellent for inspiring both of you to get busy. Anthony, you will be pursuing goals and Josephine will be discovering them. You are both treading on a path of progress and the potential for financial improvement (although with an 8 in the picture, Josephine should be on guard against getting involved in get-rich-quick schemes).

The gap between these cycles is considerable and has to do with your different inner/spiritual paths. This may become particularly clear during this period, which could create problems for your relationship. Much of this is likely to be inconsequential (so a useful bit of advice is to ignore issues that are not significant). Usually, to maintain a healthy relationship you need to talk about your differences. However, there are occasions when it is better to avoid touchy subjects and accept that you are individuals with differing opinions and approaches. This is a time to ignore your differences and simply enjoy one another's company.

You are both going through cycles that strengthen your position materially; during this period your best approach is to focus on that. As to contrasts in your intellectual or spiritual viewpoints, it may be best to let sleeping dogs lie.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Anthony, your Personal Month for May-2020 is 5

May brings many changes and ideas that start you in a different direction. You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration. You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time. You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. You need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

This month brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Josephine, your Personal Month for May-2020 is 3

The month of May is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to others than usual and may receive some interesting proposals.

YOUR MONTHLY RELATIONSHIP FORECAST

Anthony and Josephine, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for May, 2019 is 5 and 3

Anthony and Josephine, this is one of the most compatible of cycle combinations. You both have numbers that deliver enhanced energy and dynamic growth.

This is a period to play off of your partner's energy and enjoy each other's company. Your ability to communicate should also be enhanced. This is considered a healing cycle, because it is known to impart less stress and more flexibility to the body and the mind.

There is little negative to say about your combination other than the inherent danger of having too much fun. Quite often the 3 (and especially the 5) invites elements of risk into their search for the new and exciting. Focus and discipline could be concerns as well. Be mindful to remind each other to slow down if things begin to get out of balance and be careful not to attract people whose influence is less than desirable.

Anthony, your Personal Month for June-2020 is 6

This month brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up

your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

Josephine, your Personal Month for June-2020 is 4

June may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment. Your energy level is high, and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details and need you to reach out to them.

Your Personal Month's Compatibility for June, 2019 is 6 and 4

Anthony and Josephine, this cycle combination offers several opportunities for you to improve many aspects of your life. Your traits and influences complement each other very well.

This is a time of shared effort with Josephine focusing on the practical aspects and you on the heart and health of the relationship. Your energies are aligned and enhance the positive qualities found in the 4 and the 6. This cycle has the potential to deliver progress, financial growth, and more involvement in your community. It is a good time to combine forces to reach a common goal.

Normally, very few negative influences appear with this combination. Even a tendency for Josephine to become irritated or angry more quickly can be lessened by your ability to comfort her. And she is able to bring a different kind of comfort - that of stability and security - as her focus is very much on improving the material aspects of life.

Anthony, your Personal Month for July-2020 is 7

July represents a time of insight and awareness. You start to realize the magnitude of the deep inner changes that are taking place, and this fills you with a combination of fear and excitement. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come. Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition and have faith in yourself and your Creator.

Anthony, your career and finances are not priorities, except when they relate to plans you may have for the future. This is a time to prepare for the long-term, not to reach for immediate rewards.

Josephine, your Personal Month for July-2020 is 5

July is a time of unexpected events. Be flexible, especially in thought. Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur. New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day. Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

Josephine, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Your Personal Month's Compatibility for July, 2019 is 7 and 5

Anthony and Josephine, this is considered one of the most healing and loving cycles. Although the 5 and 7 are very different, they get along extremely well.

Josephine is undergoing a time of change and dynamic energy. You will probably be a bit more withdrawn than usual, focused on who you are and where you are going.

Although your cycles tend to influence you very differently - externally for Josephine, and internally for

you - these aspects thrive on one another. Anthony, your introspective exploration will probably be attractive to Josephine at a time when she finds little that feels subtle or mysterious. And Josephine's charged energy and inspiring attitude should have a positive effect on you when you may need a connection to the outside world.

It is possible, however, that Josephine could perceive your subdued attitude as meaning something is wrong. If so, let her know everything is okay. During a 7 cycle, the last thing you want is to be drawn out of your contemplative space - you would probably find it annoying and intrusive.

Allow for your differences - just being together is all it takes to make this a wonderful period of closeness and appreciation.

Anthony, your Personal Month for August-2020 is 8

August brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance. Use any extra income you might have to pay off your debts. You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change or starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

Josephine, your Personal Month for August-2020 is 6

With August comes stability and quiet. There is recognition and respect at work, but also the possibility that someone else takes credit for your effort. Apply yourself diligently. Responsibility and duty rule this month. There is financial gain, probably from a source other than work.

Your family and friends need your love and attention; give of it freely. Especially give your time and advice to a younger person. There is a lot of love that surrounds you this month, but you may not be aware of it. Your attention is focused inward and you may want more time alone than you actually have. Maintain

balance. The people close to you need attention and you should be there for them. Your spouse or romantic partner requires much of you this month, too, and your relationship with deepen as a result.

Your Personal Month's Compatibility for August, 2019 is 8 and 6

Anthony and Josephine, although they are quite different, your cycles are very compatible. You should both experience progress in your career and other practical, material endeavors. This is a favorable cycle with the potential to bring progress and possibly a financial windfall.

On a personal level, you will probably be more involved with each other as well, albeit in very different ways. Josephine, the 6, will be focused on matters of the heart, so she should feel strongly committed and eager to make you happy. Her cycle will focus on home, family, friends, and practical issues.

Anthony, your 8 will awaken leadership skills and ambition - even within the relationship. This could pose problems, because your tact and sensitivity may not be as keen as usual. You are taking more control over your life, which is an integral part of this cycle, but you must be careful not to carry that attitude into your relationship. Josephine needs your love, not your leadership. Focus your ambition on goals and your heart on the relationship. though they are quite different, your cycles are very compatible. You should both experience progress in your career and other practical, material endeavors. This is a favorable cycle with the potential to bring progress and possibly a financial windfall.

Anthony, your Personal Month for September-2020 is 9

This is the month when your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you. You are making progress in hidden ways. You feel insecure about the future, but you rightly know that these changes have to be made. There is a lot of

adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

Josephine, your Personal Month for September-2020 is 7

Now, more than ever, spiritual growth and self-discovery are highlighted. If you have not been fully aware of this inner search during part of this year, there is no escaping it this month. Dreams will be intense, and you won't be able to shake them when you wake up.

You will find yourself staring into space more often than usual. You are withdrawing and may experience some loneliness as a result. You are questioning a lot of things that you had been taking for granted. You think about your life and the direction it is taking. The mysteries of life and death (without being morbid) occupy your mind.

You are mentally sharp and flexible, and you easily keep up with any demands that come your way. Your career, finances, and other mundane aspects of your life occupy a relatively smaller place in your life, this month. Without avoiding your duties, you can let these areas take care of themselves until early next month.

Your friends and family are less demanding. Romantic ties can be surprisingly strong, however. You have a real desire to share your innermost feelings with the person you are attracted to, revealing a side of yourself that has not been available in such intimacy before.

Your Personal Month's Compatibility for September, 2019 is 9 and 7

Anthony and Josephine, you may feel somewhat distant from each other during this cycle, as you are both likely to feel emotions that are not easily articulated or understood. Although you share the need to be more inwardly focused than usual, your experiences will probably be quite dissimilar.

Josephine is seeking clarity, understanding, increased self-awareness and growth (although this may be somewhat subconscious). You will also have an inward focus, but on a more practical and emotional level. The 9 could make you feel less confident than usual, so doubts and questions are likely to arise.

Although Josephine will also share this questioning state of mind, she will probably feel stronger and more capable than you do. You are likely to feel more vulnerable than normal. Josephine can be a much needed

source of strength for you during this period. You may not expect answers, but you could probably use her emotional support. Although you may need the closeness Josephine can provide, be aware that she will also need more time alone than usual.

This is a learning cycle for both of you, with the potential to leave you stronger spiritually and emotionally.

Anthony, your Personal Month for October-2020 is 1

October is a month of new beginnings, new people, and renewed energy. While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. You may meet someone who becomes a permanent fixture in your life.

Josephine, your Personal Month for October-2020 is 8

October brings reward and recognition. Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small-scale sample of what next year will bring.

The eight cycle is a rewarding time, but there are two important sides to the way it is delivered. On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

Your Personal Month's Compatibility for October, 2019 is 1 and 8

The combination of 1 and 8 is excellent for inspiring both of you to get busy. Anthony, you will be pursuing goals and Josephine will be discovering them. You are both treading on a path of progress and the potential for financial improvement (although with an 8 in the picture, Josephine should be on guard against getting involved in get-rich-quick schemes).

The gap between these cycles is considerable and has to do with your different inner/spiritual paths. This may become particularly clear during this period, which could create problems for your relationship. Much of this is likely to be inconsequential (so a useful bit of advice is to ignore issues that are not significant). Usually, to maintain a healthy relationship you need to talk about your differences. However, there are occasions when it is better to avoid touchy subjects and accept that you are individuals with differing opinions and approaches. This is a time to ignore your differences and simply enjoy one another's company.

You are both going through cycles that strengthen your position materially; during this period your best approach is to focus on that. As to contrasts in your intellectual or spiritual viewpoints, it may be best to let sleeping dogs lie.

Anthony, your Personal Month for November-2020 is 2

You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life.

You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there. Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

Josephine, your Personal Month for November-2020 is 9

Your heightened inner awareness and the long inner growth-process you've been working on this year now reach a kind of completion this month in the form of realizations and insights that in turn improve your self-confidence and faith in the future.

At the same time, this is a period marked by emotional ups and downs as you are releasing old concepts, responsibilities, and relationships that you've outgrown. You are doing some inner-house cleaning which reflects in work as well as personal life.

Your career may seem somewhat stagnant. You are looking for new opportunities and challenges, but not much will be forthcoming until late this month or early next month. You should take it slow; perhaps even take some time off for rest.

There will be an opportunity for you to become involved with a good cause, which will prove both personally and professionally rewarding. In the long run, it may even help you financially.

As for money matters, this is not a good time to take chances or spend money on major purchases.

Some of your relationships with friends and relatives are being put to the test. You have grown and changed over the past year and may be a little out of touch with some of the people with whom you were close. In addition, you have become more discriminating about whom you wish to spend time with.

Sometimes, the 9 Personal Month brings a personal loss. You may have to let go of an old relationship or even someone you regard as a teacher. Romance is also in a make or break period. If the relationship has real substance, there will be some emotional turmoil, but the bond will only become stronger. If the relationship isn't strong, this will become very clear and cause a permanent break.

Your Personal Month's Compatibility for November, 2019 is 2 and 9

Anthony and Josephine, this cycle may help you determine if your relationship is founded on real substance. Although your experiences will differ, your numbers indicate you are both facing a period where emotions rule.

Anthony, you might be somewhat self-absorbed and emotional (about pretty much everything). Vulnerable and sensitive, you will also be more finely tuned and able to recognize what is real and what is not. For the heart to see clearly, protective layers need to be removed, which may leave you feeling more exposed and vulnerable than usual.

For Josephine, a different but no less emotionally charged period is reflected in her 9. Josephine is also

searching for answers, but her questions are less concerned with the relationship than they are about choosing the best path to take as she approaches a crossroad. Although this is a very important cycle for her - a time of growth and choice - it is likely to be a period with many ups and downs.

As you work through your individual issues during this cycle, you may find you are able to support one other in only the most basic sense: you can reassure each other of your love.

If the relationship has real substance, you will move through this time with flying colors. If it doesn't, you should have a better understanding of the way your relationship will weather periods when your individual needs and objectives are at issue.

Anthony, your Personal Month for December-2020 is 3

It's time to lighten up. Be playful, enjoy yourself. Don't take things too seriously. It is time to recharge your batteries. There will be ample opportunity for social events and you should take advantage of that. Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax. You are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Josephine, your Personal Month for December-2020 is 1

December brings renewed energy and enthusiasm. Your career makes a big step forward. There is financial reward, promotion, and possibly a transfer that brings a welcome change. You will be introduced to someone or several people who are important for your career and can positively influence your future.

While this month brings you and your relatives and friends closer together, the feelings are also intensified and your relationship with some of these people is in a very fragile state. There may be some outbursts of long suppressed feelings that have to be dealt with. Relationships of all kinds - family, friends, and co-workers - tend to be somewhat unstable during this time.

If you are single, romance may become an important ingredient of this month's experience. You may meet someone new and this person will be an intellectual and spiritual challenge.

The attraction will be based less on physical appearance than on curiosity: there are profound differences between you in point of view and lifestyle, which is fascinating on some level. You learn from this person

and, like looking into a mirror, you discover a lot about yourself and the changes that have taken place on a very deep level during the course of this year.

Your Personal Month's Compatibility for December, 2019 is 3 and 1

Anthony and Josephine, this is one of the most compatible cycle combinations. In fact, your personal numbers ensure future cycles will most likely continue to be harmonious. A gap of two will always be maintained between your numbers which, as a rule, is a good sign. Your next cycle will be 2 and 4; the period after that will be 3 and 5, and so on.

For this period, Josephine will feel like she woke up refreshed from a long nap and is now raring to go. Her energy level should be higher than usual; she feels strong, capable, and not in the mood to be held back by anyone or anything. Josephine's 1 brings dynamic energy and the desire for progress.

Anthony, you also experience a dynamic period, but with less focus and more play. Your energy is directed toward creativity, self-expression and relaxation. Although there will be work to do, it may not be the top priority.

Normally, the only potential for discord in this combination comes from noticing (and judging) your differences. Josephine might feel you are irresponsible, and you may not be in the most serious of moods which could irritate her. To maintain harmony, Josephine will need to recognize that this period represents an important and needed break for you, and you will need to respect her need to stay focused on her goals.

Anthony, your Personal Month for January-2021 is 2

January is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind. It's a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism and back again. This is to be expected when you go through the kind of deep and personal transformation brought on by a change of long-term cycles; the last year of the previous nine-year cycle and the first year of the incoming nine-year cycle. This period is invariably accompanied by many small and large changes.

Your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may

well meet someone who will touch your heart deeply. Friendships intensify and can be very comforting and healing.

You will likely find yourself being more helpful and involved in the lives of others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others. You will be tactful and capable of creating harmony where there was turmoil. At times, however, you may be overly sensitive and not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

Josephine, your Personal Month for January-2021 is 9

January marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight. Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing. Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships. For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. You are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

Your Personal Month's Compatibility for January, 2019 is 2 and 9

Anthony and Josephine, this cycle may help you determine if your relationship is founded on real substance. Although your experiences will differ, your numbers indicate you are both facing a period where emotions rule.

Anthony, you might be somewhat self-absorbed and emotional (about pretty much everything). Vulnerable and sensitive, you will also be more finely tuned and able to recognize what is real and what is not. For the

Anthony, your Personal Month for February-2021 is 3

February brings reasons for optimism, there is a sense of promise and new beginnings in the air. You see your direction a little clearer, which causes you to lighten up and become more social, especially during the latter part of the month. Your upbeat attitude draws people, as well as support, often from unexpected sources.

A new project or business venture ignites your excitement, energy, and motivation, all of which you manage to communicate clearly to others, thereby motivating them. This is a time for ideas and plans more than action. The actual work does not start until next month, which is fortunate, because focus and discipline are not your strongest qualities during most of this month.

You are quick-witted, and your sense of humor is alive and brighter than it has been for some time. Take time out for leisure and relaxation. Recharge your batteries, you will be burning plenty of juice next month.

Romance is exciting and promising. Your charisma and self-expression are improved, and you feel more comfortable talking about your feelings, your expectations, and your dreams.

Josephine, your Personal Month for February-2021 is 1

This February things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions. Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the

year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Your Personal Month's Compatibility for February, 2019 is 3 and 1

Anthony and Josephine, this is one of the most compatible cycle combinations. In fact, your personal numbers ensure future cycles will most likely continue to be harmonious. A gap of two will always be maintained between your numbers which, as a rule, is a good sign. Your next cycle will be 2 and 4; the period after that will be 3 and 5, and so on.

For this period, Josephine will feel like she woke up refreshed from a long nap and is now raring to go. Her energy level should be higher than usual; she feels strong, capable, and not in the mood to be held back by anyone or anything. Josephine's 1 brings dynamic energy and the desire for progress.

Anthony, you also experience a dynamic period, but with less focus and more play. Your energy is directed toward creativity, self-expression and relaxation. Although there will be work to do, it may not be the top priority.

Normally, the only potential for discord in this combination comes from noticing (and judging) your differences. Josephine might feel you are irresponsible, and you may not be in the most serious of moods which could irritate her. To maintain harmony, Josephine will need to recognize that this period represents an important and needed break for you, and you will need to respect her need to stay focused on her goals.

Anthony, your Personal Month for March-2021 is 4

Now is the time to deliver and show yourself and everyone around you, that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on all the details. March is also a time when your ability to plan and organize projects is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities, and yourself. It's time to move; to make things happen. Do not procrastinate. Do not avoid work or effort. Slacking would be a serious mistake.

March can also be a little frustrating because so much of your energy will have to be directed to repetitive and routine duties and activities. However, in spite of the detail-oriented, plodding feel, this is a time that brings opportunities and real progress. This could even be a breakthrough time when you overcome an obstacle, real or perceived, that has dogged you for a long time.

It may be a little surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getter's approach and your can-do mentality. You may find yourself in demand.

Josephine, your Personal Month for March-2021 is 2

March demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact. Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Your Personal Month's Compatibility for March, 2019 is 4 and 2

Anthony and Josephine your cycles carry many similarities and a few differences. For Josephine, this is a time of growth through networking, work relationships, and consolidating plans. Anthony, you will focus on work (extra effort) and probably a fair amount of frustration.

The focal point for both of you should be your career, projects, plans, and your future. Your relationship should not pose much of a challenge, although you may experience times when you don't seem to

communicate or share as much time together as usual, even that you are pulling away from each other a bit. Although it is always important to address relationship concerns promptly, during this project related cycle you may find there isn't time to do two things at once.

However, this is only one side of the coin. Although you may feel somewhat separated during this period, on a more subtle level you have the potential to form a deeper sense of yourselves and your relationship.

Your 4 inspires the need to find stability and comfort. It is a time to place things where they belong and to establish boundaries. The heart rules Josephine during this cycle, so her emotions are likely to be strongly felt and quickly expressed. These aspects complement each other. While you work on the practical side of the relationship, Josephine can help move it to a deeper level.

Anthony, your Personal Month for April-2021 is 5

As explained earlier in your January forecast, this year and last combine to bring about major changes. That also includes changes in many practical areas of your life, and April brings many of them to the surface. There can be a change of residence or office. Travel, sometimes quite unplanned, is very likely.

April could become quite a dynamic and hectic month, but also adventurous and exciting. Consequently, this period requires flexibility, and a willingness to accept change. You have to adapt, respond quickly, and embrace change as opposed to fighting it. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises. There is a sense of randomness and a lack of control which, to many of us, is frightening. No need to worry, many of these changes, once accepted, will actually streamline your life and make progress easier.

Your ability to promote yourself and your ideas is also enhanced. You will find that you have an uncanny talent to be in the right place at the right time this month. You will be able to advertise your talents and abilities at work as well as at social events.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline or you may see much of your energy wasted. Unless you manage to concentrate and apply yourself, you may realize at the end of this month that you did not get a lot done.

Romance and social activities may tempt you to be self-indulgent and perhaps irresponsible. Be careful not to let this month's vibrant energy get out of hand.

Josephine, your Personal Month for April-2021 is 3

The events of this month inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year. It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground. The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month. In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Your Personal Month's Compatibility for April, 2019 is 5 and 3

Anthony and Josephine, this is one of the most compatible of cycle combinations. You both have numbers that deliver enhanced energy and dynamic growth.

This is a period to play off of your partner's energy and enjoy each other's company. Your ability to communicate should also be enhanced. This is considered a healing cycle, because it is known to impart less stress and more flexibility to the body and the mind.

There is little negative to say about your combination other than the inherent danger of having too much fun. Quite often the 3 (and especially the 5) invites elements of risk into their search for the new and exciting. Focus and discipline could be concerns as well. Be mindful to remind each other to slow down if things begin to get out of balance and be careful not to attract people whose influence is less than desirable.

Anthony, your Personal Month for May-2021 is 6

Love, romance, and commitment play an important role whenever a 6 Month teams up with a 1 Year. There is the possibility of a new relationship, the birth of a child, or marriage. It is a month of responsibility, unselfish giving, and a willingness to devote time and energy to the needs of others. Domestic and community matters move to the foreground and have to be given priority. Sometimes, this combination of numbers causes long slumbering discord between couples to surface and be dealt with.

This is a time when the heart rules and emotions run high. It can cause both extremes -- either deeper commitment and more lasting love, or separation and divorce. Honesty is essential to a positive development of the month. You may find yourself tempted to take the easy way out in some awkward situation, perhaps by lying or being secretive. However, that is likely to backfire and can become ugly and destructive, particularly during this month.

In general, this is a good time for career and financial matters; promotion is possible, as is a windfall in the form of an unexpected tax refund or an old debt paid back. This sequence of numbers is also more likely to resolve legal issues or other matters that pit you against large institutions, corporations, home owner associations, or some other faceless entity.

With so much energy dedicated to the heart, to love and emotions, it may seem that your sense of justice, your honor, and your moral values are tested more than once. Don't let opportunities to make a stand, or to right a wrong, slide by. Few feelings are more devastating than regret.

Josephine, your Personal Month for May-2021 is 4

May is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well. You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Your Personal Month's Compatibility for May, 2019 is 6 and 4

Anthony and Josephine, this cycle combination offers several opportunities for you to improve many aspects of your life. Your traits and influences complement each other very well.

This is a time of shared effort with Josephine focusing on the practical aspects and you on the heart and health of the relationship. Your energies are aligned and enhance the positive qualities found in the 4 and the 6. This cycle has the potential to deliver progress, financial growth, and more involvement in your community. It is a good time to combine forces to reach a common goal.

Normally, very few negative influences appear with this combination. Even a tendency for Josephine to become irritated or angry more quickly can be lessened by your ability to comfort her. And she is able to bring a different kind of comfort - that of stability and security - as her focus is very much on improving the material aspects of life.
