Full name at birth: Jennifer Elizabeth Broadstreet

Current name: Jennifer Broadstreet

Birthdate: May-21-1993

Report Start Date: May-28-2020

YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 5 and lasts until age 33

This is a chaotic time full of unexpected events and changes. Entering life with a 5 first Period Cycle often means a less-than-stable family and/or school environment. This can give rise to an obstinate, rebellious streak. From an early age you may have trouble keeping reality and fantasy separate. As a child and young adult, you may be perceived as "different." You are drawn to social interaction, but there may be times you feel you do not fit in well.

You are adventurous and more than once attempt a feat that is clearly dangerous. You are easily bored, and perhaps find refuge in some form of overindulgence. It may take you longer than most to find stability and a goal.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Jennifer, your Second Period Cycle is 3 and lasts until age 60

The middle part of your life is a time of heightened self-expression and social support. Abilities you possess in the arts, especially in writing, acting, or dance, are enhanced.

You are more social than you have been in the past, and others are attracted to your charm and charisma. Although this is a time of maturing, you feel as though you are becoming mentally younger and more creative. Staying focused on practical goals may be challenging.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during

this period that you have the greatest degree of power and self-expression.

Jennifer, your Third Period Cycle is 22 and lasts for the rest of your life

This cycle carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs. You commit yourself entirely to the work at hand. For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward. You possess an ability to make a lasting contribution to the well-being of humanity.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Jennifer, your First Pinnacle Cycle is 8 and lasts until age 33

Jennifer, under the influences of this Pinnacle, you will have greatly enhanced talent for dealing successfully with business and finances. This is a time of material growth, a time of expansion and reward. It is the cycle of harvest. The 8 Pinnacle also increases your personal power. You have sound judgment and vision. In fact, this is the basis of your financial success. People sense your power and effectiveness. They defer to you much more easily and look to you for answers. This makes it easier for you to use power without having to be a bully or force your way through situations. They perceive your able-ness and want to join you in your vision. Others have faith in you.

You will be able to organize large enterprises. Problems do not threaten you so much as provide a challenge. You yourself sense your enhanced personal powers and feel a growing sense of stability and centeredness. You will be capable of influencing matter in an almost magical way. As a result, you are extremely goal oriented, moving toward the realization of your dreams with confidence and clarity. Your challenge during this period is to maintain a hold on your human and spiritual values. You must remain balanced between heaven and earth. There will be enormous temptations to make money and status your only priorities, excluding the more human or immaterial matters entirely. This will undoubtedly lead to losses. You are being tested and instructed in the real value of money -- it's natural place in life. If money is placed on a high altar, overshadowing all other facets of life, you will become its slave. If you are balanced in your approach to money, and have proper perspective, this can be a truly rewarding period, both materially and spiritually. That is the true promise of the 8.

The number 8 symbolizes the balance between the finite and infinite, matter and spirit. It offers a great opportunity to grow.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Jennifer, your Second Pinnacle Cycle is 7 and lasts until age 42

This is a period of inner development and soul searching. Jennifer, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along. During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Your desire to study in all forms -- reading, self-reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge. Your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Jennifer, your Third Pinnacle Cycle is 6 and lasts until age 51

Under this Pinnacle you will be very involved with family, friends, and your community. You will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well. Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. Jennifer, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world. You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Jennifer, your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits. Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Jennifer, your Fourth Pinnacle Cycle is 9

This is a period in which you must identify with some larger project or goal that is bigger than you, Jennifer. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well-being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community. As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world. Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching. In short, you are highly idealistic. You will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 27 and 28 is F

This is a period of much soul searching and spiritual growth. This year will find you intuitive and sensitive, but possibly less clear about what you want from life, doubting old and established ideas and patterns. Your assignment is to turn inward. Meditate, and contemplate your feelings and options.

There will be hard work and responsibility, both at home and at work. You may tend to play the martyr during this time if you feel you are sacrificing too much. This could be an avoidance of responsibility more than an act of genuine, selfless love. There will be many opportunities to help and give comfort as others come to you for guidance and a shoulder to cry on. Give - and find a balance for your needs during this period.

YOUR MENTAL TRANSIT

The Mental Transit is based on your middle name

Your Mental Transit for age 27 is B

The B transit can make you more emotional and shyer than usual. You have a strong need for love that can leave you prey to emotional love affairs. You should also be mindful of potential issues with your health, especially those related to your nervous system. This period requires getting plenty of rest. Be receptive and listen to the advice of others.

Your sensitivity and diplomacy can bring advancements in your career and relationships; others are attracted

to you and want to help in your endeavors.

Your Mental Transit for age 28 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 27 and 28 is R

You have deeper understanding and insight during this transit. It is a time to deal with money, power, and authority. You have an opportunity to elevate your financial status and personal growth. This is a period where you are likely to meet the best and the worst. You must exercise caution in everything you do and every decision you make. Be aware of your surroundings.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age 27 is 8

This is a period when business and career affairs dominate your agenda. A new opportunity will unfold to you and you will have to give yourself to it entirely to make it work. It is a time of progress and much personal power, but the demands of the time are equally large, thus requiring careful planning and attention to detail.

All business matters -- including personal economies -- will come under sharp scrutiny. You will likely have more money than during previous years, but, conversely, you must be more careful with it. A new start can be made. You sense the need to grasp it. But you also are aware that it must be treated with great care. Therefore, be astute in all your business dealings. Major mistakes can be made if you are not careful, and they can affect you for some years to come. It is a time of cautious use of power. You are being asked to develop wisdom in all your dealings. Balance -- in areas from your mundane affairs to your eminently important relationships -- is the key to your success. Keep a tight control on your bookkeeping, while providing strong leadership and gentle guidance to your family or close associates.

It is also a time when old issues -- especially debts from the past -- surface with a vengeance, making it necessary to pay the piper before further progress can be made. The irony is that while you have greater resources, there are often equally large demands made of you.

This is a time, too, when you will realize that you are a survivor. No matter what difficulties you have experienced in the past, this is a period when you can regain a sense of progress in career matters. You will feel that you are doing important work, and will be richly rewarded for it.

Your Essence for age 28 is 2

You must learn to cooperate with others in order to accomplish some greater good. This is not a time to lead, but to follow. You must be content to draw your guidance from the environment and those in positions of greater power. You must maintain your own center, but avoid arrogance, rigidity, and stubbornness. The more you insist on your own priorities, the more resistance will you meet. This is a period of partnerships. Your success depends on your

ability to work with others.

You will be extremely sensitive and intuitive. Your powers of understanding will be at an all-time high. These abilities will give you the insight you need to perceive subtle changes in people and situations. You will therefore be better able to adapt to changing circumstances.

Your intuition makes it possible to accomplish great tasks, even though you may not be in a leadership role. The reason: you instinctively know how to react to change, and to gently advise people to go in the right directions.

Your role as an advisor or confidant is the key to your success during this period. You are learning the lesson of interdependence. You will also come to know how valuable you can be in a more passive role. It is a period to serve, to be the helper, the assistant. Your ability and willingness to work with others will be tested and rewarded. It is essential that you listen. Be shrewd in your evaluations of others and of situations, but do not enforce your judgments directly on people.

Your sensitivity will make it necessary for you to seek out harmonious and peaceful environments. Be careful of the health of your nervous system. You can become anxious more easily during this period. Therefore, seek out people you trust; share your deeper feelings; allow yourself to be supported by friends and loved ones. Keep your spirits high and avoid depression.

Music plays an important role during this period. Any musical talent you possess will be enhanced. You even possess a certain physical grace that can emerge in dancing, athletics, or simply walking down the street.

In your passive, centered way, you will be charismatic and attractive to others. People will sense your fine intuition and sensitivity and seek you out for private talks. Be loyal to friends and partners. Remain strong inwardly and flexible without. In this way you will avoid the obvious difficulties and remain on your path to success.

This is a period of accomplishment through gentle persuasion.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2020 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year cycle for 2021 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality after your birth day in 2020 is 8 and 3

An 8 Essence in a 3 Year is particularly favorable for creative endeavors. The enthusiastic, imaginative 3 should bring plenty of opportunities to implement your creative, innovative ideas. However, to manifest that creativity you will need to make a determined effort to stay focused and disciplined. The 3 is known to be scattered and often finds it difficult to stay with the project at hand. This will be much easier next year when the disciplined, efficient 4 comes into play (the perfect complement to an 8 Essence).

This Duality is not as ideal for business, career, or finance, which could be especially frustrating. The conflict stems from your Essence lending a highly motivated, progress-driven state of mind while the influence of your yearly cycle provides situations more suited to fun and relaxation. Both numbers are highly energetic, but one is focused and serious while the other is scattered and playful. All this energy could inspire you to take on too much, which could result in getting very little accomplished.

Relationships, including romance, are favored thanks to your charismatic, approachable 3. You should also find it easier to resolve disagreements and let bygones be bygones.

The greatest asset this cycle brings is undoubtedly your enhanced creativity and the ability to express ideas. Your practical, results-oriented attitude will also be invaluable. Your challenge is to bundle and focus these

qualities toward realistic goals. You have an opportunity to manifest something worthwhile this year but focus and discipline will be needed to complete the picture.

Your Duality before your birth day in 2021 is 8 and 4

Jennifer, when you read the chapters on your 8 Essence and 4 Personal Year, you probably noticed they are well matched. Very few number combinations are this favorable.

A 4 Personal Year gives you a significant grip on practical matters, details, and managing your time efficiently. As your Personal Year number, it will deliver events and circumstances that will benefit from these no-nonsense traits. Your Essence brings out the visionary in you and adds considerable business savvy. It gives you an ambitious, results-oriented state of mind. This is clearly a great team. Both numbers are practical and anxious to get to work.

This is a period of opportunity, but there is a caveat: success will depend upon your courage, determination, and effort. A soccer player may have the lineup and support needed to make a goal, but it will still take every ounce of effort and focus to score. Fortunately, energy and a focused mind are part of your 8 Essence.

During this period of progress in your career and other practical matters, you have the potential to make a long-time dream come true. However, as favorable as this cycle is for work and business, it is not as harmonious in romance and other personal relationships. This is because the cycles that affect both your mindset and the circumstances around you are driven to achieve practical goals. This could leave your loved ones feeling left out, so you may need to make an extra effort to consider their needs. Also, avoid making dramatic changes that affect close relationships without first giving serious forethought.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for May-2020 is 3

The month of May is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to others than usual and may receive some interesting proposals.

Your Personal Month for June-2020 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Your Personal Month for July-2020 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

Your Personal Month for August-2020 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

Your Personal Month for September-2020 is 3

Your creativity is at an all-time high. You find solutions and discover new ways to improve old methods. You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work. You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Your Personal Month for October-2020 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care of. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month for November-2020 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month for December-2020 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

Your Personal Month for January-2021 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month for February-2021 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your

interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Your Personal Month for March-2021 is 7

Jennifer, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters.

Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month for April-2021 is 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Month for May-2021 is 9

This month may introduce some emotional turmoil due to a relationship gone awry. A friend or co-worker has let you down. Your trust has been damaged, and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness. You may want to remember that you are not without fault. It allows the anger and disappointment to turn into understanding and forgiveness, even if the situation cannot be saved. As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

Your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern to you. Look to next month for some insight into that aspect of your life.
