ABOUT YOUR RELATIONSHIP PROFILE

This report analyzes the personalities of both individuals to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report is more critical or even harsh compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage overall than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

Tonia and John, I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

Please note we use gender-neutral language when addressing individuals in our relationship readings. To some, using the singular "they," "them," and "their" may sound awkward, but we believe words matter. We aspire to include everyone.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Tonia, your Life Path number is 6

You possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on. Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear.

You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life. You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others -- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well-deserved reward. You try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed but must learn to discriminate between those you can help and others who are made weaker by your care. After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

You are blessed with musical talent, as well as in the visual and performing arts. However, your creativity

may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents.

This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields. You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

John, your Life Path number is 4

You are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily. You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career- you seek to establish a solid foundation.

Precise, tenacious and persevering, you have great potential for success, but only after putting out effort and overcoming the limitations you so often encounter. Justice and honesty are sacred to you. You are reliable and dependable, a cornerstone in the community.

Though not an idealist, you are willing to work for a better world in a realistic way. However, you can be rigid in your ideas and sometimes too quick in judging your fellow man. You are loyal to those you love and work well with others. . It is important that while being part of a team you have your own responsibility and well- defined task, you perform better when your responsibilities are not overlapping with those of others. You have to be careful not to be bossy and rude. You possess rare discipline and perseverance and not everyone can keep up with you.

You can handle money carefully and like the security of a nest egg. Your love of work often leads you into a career early in life. Because of your methodical nature you can easily become rigid and stuck in convention. You can also be overly cautious when changes are necessary, this can cause you to miss opportunities that present themselves. You must cultivate flexibility in your character. You are well suited for marriage and often become a responsible loving parent. However, anything that violates your profound sense of order, such as separation or divorce can be a shattering experience for you. You easily become obsessed and even vengeful, seeking your own definition of justice.

You are courageous and a true survivor. You are a builder and the foundation of any enterprise. Your hard work and practical, traditional values pay off to provide you with the rewards you seek and deserve.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Tonia and John, your Life Path Compatibility is 6 and 4

Tonia and John, it is uncommon for these two numbers to "fall in love." Although they carry common traits (they are both practical and highly responsible) they are rarely interested in one another. The 4 and the 6 are both family-oriented numbers, with a keen sense of community and loyalty, but they tend to compete where you might expect them to be supportive. This is only one area of your chart, so there are other influences to consider that could mitigate this competitive aspect, but it will quite possibly be the hardest to overcome at the onset of your relationship.

However, if support prevails over competition and you do become involved in a romantic relationship, it will usually be a strong, comfortable alliance - the kind of relationship others view as indestructible. If you can accept your differences, you have the potential to be the "perfect couple".

You share important priorities: your home, children, friends, stability, and security. You are both loyal and protective of each other and those you care about. It is in your approach to life and the way you express yourselves that you are quite different. While John (the 4) relies on structure, discipline, and control to protect and care for others, Tonia relies on warmth, sacrifice, and forgiveness. John is much less flexible and may, at times, feel that Tonia is too soft and lenient. Yours is an example of a relationship typically characterized by the disciplinary father and the soft mother, or vice versa.

People around you may have the impression that John is rigid and less loving, while Tonia is pure love and gentleness, however this is not an accurate perception. John's love is no less powerful than Tonia's - it is just less openly expressed. John will fight for and sacrifice just about anything to protect Tonia, the children, and anyone else who is part of their life.

Some danger exists if your differing attributes become too magnified. John's need for discipline and structure could become too much for Tonia, suffocating and limiting their ability to express love naturally and without anxiety. Tonia's willingness to be generous to a fault (and possibly be taken advantage of as a result) might lead John to lose respect for them.

Your loving natures can help you weather such conflicts and differences. Stay focused on your love, commitment, and shared values. If you can talk openly about your concerns, and respect each other's individuality, you have the potential to maintain a strong lifelong relationship.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Tonia, your Expression is 8

You have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry. You are a realist and a visionary planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. You can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

John, your Expression is 3

You are optimistic, inspiring, outgoing, and expressive. People see you as cheerful, positive and charming; your personality has a certain bounce and verve that so powerfully affects others that you can inspire people without effort. All of this upward energy is a symptom of your tremendous creativity. Your verbal skills may well lead you into the fields of writing, comedy, theater, and music.

Yours is the number of self-expression -- rich in imagination and spirit. But you have to be careful not to scatter your talents. Your bane is that you often lack discipline and order in your life. Avoid becoming a "happy-go-lucky" spendthrift, escaping responsibility and commitment. You must learn to concentrate and focus. These are the keys to your success. You have great potential in the arts and areas that requires creative solutions to problems. You are able to perform leaps of imagination, providing unconventional ideas as if they suddenly descended from above. Hard work and focus, however, are the foundation for a successful future.

Though you possess great verbal skills, your mind tends to see life as pictures rather than in words. You have the ability to think abstractly.

Creativity is a sensitive faculty that is often suppressed in childhood. If you lack the confidence to pursue your ideas, you may divert your abilities into a scattering of trivial pursuits. To overcome this problem, you must make a choice. You have to limit your field of vision and the number of activities you engage in and bundle your energies into a single thrust. Focus your life; choose the area that you love the most and commit. There, you will find success. And a great deal of happiness.

Love, romance, and money are within your reach. You are aided by your friends and admirers. Often people appear out of nowhere to help you in key situations. Tonia, you have to learn to accept the involvement of others in your life. You are not a loner, nor are you particularly independent. You are social -- you need an audience and the support of others to fully realize your abilities.

On the down-side, you can be superficial, moody, and intolerant. You are emotional and sensitive, sometimes presuming criticism where none was intended. You can also be jealous and gossipy. Beware of

becoming cynical and sarcastic. These traits can suppress your natural creativity. Be goal-oriented. This is a practical, step-by-step approach to your larger ambitions. You possess the natural abilities to attain a high degree of excellence.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Tonia and John, your Expression Compatibility is 8 and 3

Tonia and John, the 3 and the 8 carry quite different traits which are compatible in some areas but not in others. John (the 3) brings a creative, inspiring, uplifting and somewhat scattered energy. Tonia (the 8) is more ambitious, goal-oriented and focused. Although you take differing approaches, you are both energetic and capable of turning dreams into reality. Quite often, this combination is seen between business partners or long-time friends who start a business together. In that environment, John would be the initial creative source, while Tonia would be the visionary. Together, you could do very well.

You are both good communicators. John can clarify an issue with a sense of humor and pinpoint precision, and Tonia takes a more practical approach by taking bold, decisive action. This part of your chart suggests you complement each other in many ways and are quite compatible. But, just as in any other number combination, there are areas where challenges may arise.

Tonia is ambitious, practical, dedicated to accomplishing their goal, and capable of sustained effort for an extended period. John also has the energy and drive needed to make things happen but tends to drop a project when it is no longer interesting or when another project seems more important. This could irritate Tonia, who feels that anything less than total commitment to a set goal is unacceptable. John, on the other hand, will sometimes feel that Tonia's priorities are too connected to their own needs and expectations. Where Tonia is focused and demanding, John is more easy-going. Tonia believes the purpose for setting a goal is to overcome the obstacles one is bound to encounter. John feels comfortable trying something new

(or scrapping the project) if the first or second attempt does not seem to be working.

Often, the 3 and the 8 get along quite well. In the end, the issue comes down to respect. You likely have such different views about what is important in life, you will need to accept each other's needs and expectations.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Tonia, your Heart's Desire number is 2

You want peace and harmony in all aspects of your life. You want to devote your life to someone or something. You fall in love easily. You are extremely sensitive and emotional. You can be sentimental, and you cry at sad stories. You need friends and society. You appreciate the refinements of life. You desire comfort and security. You have refined taste and can be a connoisseur. You love music and possess a good deal of musical talent. Your sensitivity is a symptom of your highly developed intuition. But you must learn to trust it.

You are a gentle soul and shy away from confrontation if possible. You experience a battle within when you do not believe you can handle a situation; this may have a paralyzing effect on you. You prefer to give in when you should assert yourself. You must learn to be more decisive. Very often, you are afraid to use your own power in the face of someone else's aggressiveness. You incorrectly perceive yourself to be in a weaker position; you may ultimately give in merely to avoid a fight. Conversely, you are extremely diplomatic and tactful. You like to accomplish things through quiet persuasion. You dislike force.

You must fight uncertainty and doubt. You need to develop confidence and a willingness to stand up for what you believe to be right.

You function best in a supportive role, guiding the more public person in quiet, unobtrusive, yet essential ways.

John, your Heart's Desire number is 3

You love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion. Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down.

You have a gift for self-expression and are drawn to the verbal arts -- writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit. If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

You need discipline to make full use of your abilities. Too often, you may scatter your energies in many

directions, beginning projects that are never finished and never really succeeding in anything. Your success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

You have the potential to live a very full and successful life thanks to your talent for artistic self-expression. The key to your success is a balance between the creative forces and self-disclose.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

Tonia and John, your Heart's Desire Compatibility is 2 and 3

Tonia, with the sensitive 2 as your number, you may find it difficult to handle criticism and confrontation (which has the potential to make you hold a grudge). Just the opposite, John's 3 gives them the innate ability to allow negative comments to roll off without doing much damage. This does not mean John cannot be hurt, but simply that they do not allow such things to spoil the day. These differing approaches regarding emotional issues could create conflict between you.

Sometimes a little tactless, John might speak before thinking, not realizing the effect their comments will have on Tonia. However, when "little things" grow into big emotional issues in which even John is strongly affected, John will respond passionately. Although John tends to be less affected by criticism or an emotional exchange, they have less control of their emotions. This might lead to expressing anger and sharp words that could hurt Tonia, damaging the relationship.

Tonia might respond with a few angry words but will more likely just withdraw. If this happens, a hard kernel of resentment wrapped in confusion can develop and sometimes remain hidden for a long time. Since Tonia may not always think clearly when emotions are in play, and may walk away from confrontation, they could eventually become so discontent that it would take everything John has to bring them back.

On a positive note, the combination of 2 and 3 is very passionate and strong. If John keeps verbal impulses under control, and Tonia has enough self-confidence to handle occasional criticism, the relationship has every chance of bringing lots of love and joy to your life.

Often, the combination of 2 and 3 in this area of the chart enhances both parties' creativity. The sense of harmony and rhythm associated with the 2 merges beautifully with the creative powers of expression so native to the 3. Your relationship can be strengthened enormously by sharing creative interests.

Keep in mind that beauty and love are the foundation of your relationship. The key to weathering your differences is to discuss issues openly and frankly, with tact and sensitivity as soon as they arise.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Tonia, your Personality number is 6

You radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who need comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence. You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You can also become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.) You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste. You are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

John, your Personality number is 9

You have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others. Many actors, dancers, and other performers have a 9 Personality Number.

You are elegant, graceful, and charismatic. Many admire you. You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world. Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing. You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Tonia and John, your Personality Compatibility is 6 and 9

Tonia and John, all numbers divisible by 3 have several things in common. Primarily, they respond to the physical, emotional, and spiritual needs of others. The 6 (Tonia) expresses this in the love and care shown to

family and friends. The 9 (John) directs its attention to the greater good - to humanity at large.

When the 6 and 9 are found between romantic partners in this part of the chart, compatibility is automatic. Both of you are self-sacrificing, giving, and caring people. Tonia is more practical, John more idealistic, but your motivations are similar.

One attribute you share is your sense of justice; both the 6 and the 9 have a strong awareness of right and wrong, this could lead to one or both of you getting involved in politics or becoming activists or advocates for a cause. Unless you happen to be on opposing ends politically, this trait could further strengthen your bond.

Creativity and an eye for beauty are other aspects you have in common. Oddly, this is often a source of trouble for this combination. There will be times you have similar views when it comes to decorating, for example, but you will also often differ. When it comes to creative matters you will both have strong opinions. In the event of a disagreement, you will need to compromise (something you are both quite capable of doing).

Although you are generally highly compatible, there are areas where you are likely to clash if certain negative traits are not acknowledged and kept under control. Although this is not common in your combination, it is something to be aware of. John, although idealistic and self-sacrificing, the 9 has the potential to become arrogant and self-righteous at times. Recognizing the relative value of your concepts and ideas may not be your strong suit, which could lead to putting others down if they do not share your (elevated) viewpoint. If this tendency is combined with extreme religious belief the 9 can become a negative influence on others, even destroying a relationship with the most devoted partner. Accepting that the 'truth' as we understand it is still limited allows us to have compassion and tolerance for others. The 9 is the least prejudiced of all numbers, so the likelihood of this being an issue is not high. But, as with all human traits, its dark side tends to be the direct opposite of its light side.

Tonia, although your 6 is considered the most loving of all numbers, it has a dark side as well. The 6 can become intolerant and angry, often without a clear cause. Irritation and anger can fester, just waiting for the right opportunity to appear. The 6, although sincere, can also be intrusive and meddlesome to an uncomfortable degree.

Tonia and John, the negative side of the 6 and the 9 are rarely displayed, but you will need to be mindful to prevent them from spoiling what is most certainly one of the best relationship combinations around.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Tonia, your Maturity number is 5

There is no slowing you down as you enter maturity. Your influence grows as you become more dynamic and versatile. You now begin to realize your lifelong goal of freedom. There will be travel and adventure, exciting and unexpected events. Your originality, creativity, and verbal abilities grow stronger. You will become interested in areas you never before considered. You may tend to become restless and impatient. You may quickly lose interest or become bored with projects that progress slowly. Perseverance is tested, especially because you may find it easy to abandon things that no longer hold your interest. You will have to work to maintain your concentration, discipline, and focus. Do not scatter your energy over to many interests. This is especially the case with people who have several 5s in their chart, especially among the core numbers.

For those with few fives, the increasing ability to adapt to change and the willingness to take risks provides much spice to life.

John, your Maturity number is 3

As you mature, you will find yourself becoming increasingly extroverted and optimistic about your future. Your self-expression and creativity improve markedly. You may become inspired to take up some type of artistic endeavor, such as writing, acting, or music, if you are not already involved in one of these areas.

Your ability to communicate will substantially improve. You are naturally more fluent and may find yourself dressing with a certain flair. Be careful not to fall victim to superficial appearances or chasing after glamour and extravagance.

With a 3 Maturity Number you can look forward to a pleasant and social latter part of life. Your attitude will be increasingly positive, and your popularity will rise.

If you already have several 3s in your chart, especially in your core numbers, you may tend to scatter your energies and take your responsibilities less seriously. If you have few 3s, or are missing 3s entirely, you will experience a great relief from the tension and seriousness of life. You will be more relaxed and capable of enjoying life.

The 3 Maturity Number is a blessing in the latter part of life. It promises enjoyment, close friendships, and much happiness.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Tonia and John, your Maturity Compatibility is 5 and 3

This is an excellent combination, but because the partners are so compatible, they sometimes enhance each other's less-desirable traits. John is upbeat, expressive, creative, and playful, but not always focused or practical. Tonia is dynamic, social, and adventurous, with a tendency to overindulge. If you share a home, you will have little trouble creating a living environment and a lifestyle suitable to both of you.

You both communicate well, and your verbal skills make you a popular couple. In fact, one of the things that could trip you up is your popular, social nature. Either one of you (especially John could become jealous of the other). You both thrive on taking center stage and enjoy the spotlight; this has the potential to create a competitive atmosphere.

John, Tonia may tend to say impulsive things that are hurtful or suddenly allude to a problem you were unaware of. You may need to read between the lines, however, because they may not address it directly. A similar issue could arise from John's susceptibility to skim over deeper issues, especially those that are emotional. Tonia needs to be aware that, even after years together, John may not easily reveal their deeper feelings. If you are not observant, either of you could be experiencing inner turmoil without your partner being aware of it.

Generally, the 3 (John) and the 5 (Tonia) get along very well. John is drawn to Tonia's dynamic, exciting personality; Tonia enjoys John's wacky sense of humor and upbeat nature. This is a good combination that can last a lifetime. If problems arise that jeopardize the relationship, it will likely be due to the lack of deep, personal communication. Both the 3 and 5 tend to keep emotional issues on the back burner instead of dealing with them directly. Once the turbulence eventually reaches the surface, it is often too late to heal the discord that has festered.

Tonia and John is it essential that you confide in and pay attention to each other. Watch for subtle signs of unease or anger and deal with it immediately in an open, direct, and compassionate way. It is the key to sharing an inspiring, creative, lively, happy life.
