## **What the Diamond Chart Reveals**

The Diamond is one of the oldest number-based methods of divination and perhaps the most powerful tool numerology has to offer. It reveals the chain of cause and effect that connects your physical and non-physical planes. It tells us how your experiences, choices, and priorities in the physical world affect your internal/spiritual growth, and how, in return, this insight affects the quality of your life on the physical plane.

Each Diamond pattern consists of four numbers. The first is called the Challenge. Your Challenge is a lesson or test that, once learned, will benefit you for the rest of your life.

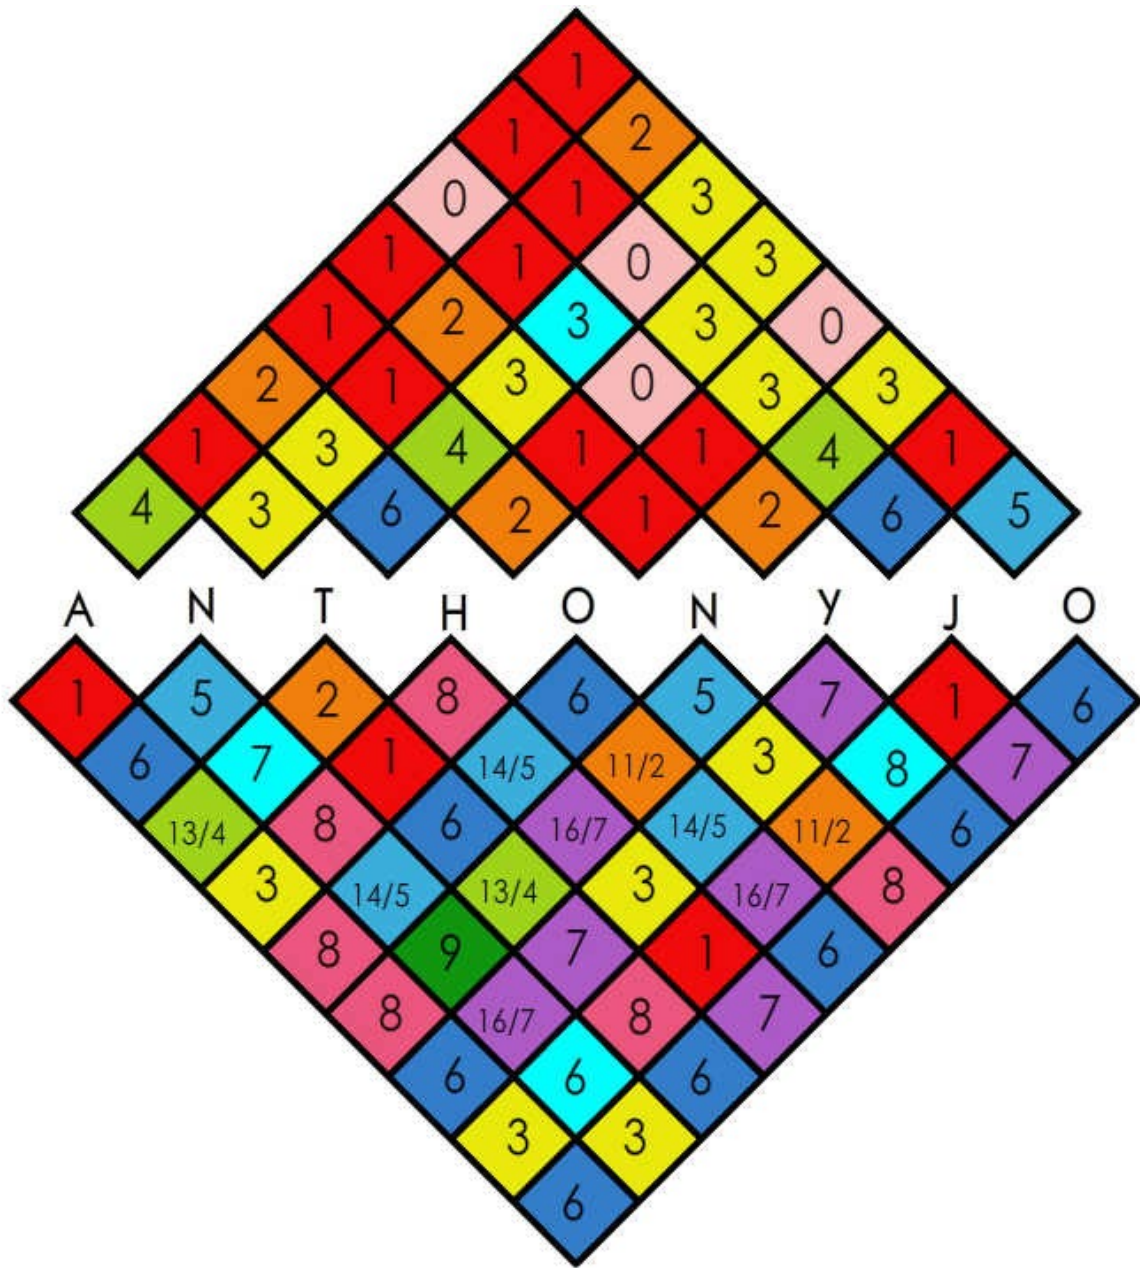

The second number is the Root or Cause and explains the underlying reason that particular lesson has emerged. The third number, the Recommended Action (also called Action Key), gives advice on the best approach for a successful outcome. The final number - aptly named the Outcome - reveals what the likely result of your efforts will be, and how it might affect your future.

With the exception of ages 0 through 7 and 75 through 81 we experience two Diamonds per year from birthday to birthday. These two Diamonds are equally important and tend to fit together as if working on one helps us understand the other.

Although most Diamonds are in place only for one year, it's not uncommon for one or both Diamonds to repeat the following year. Often one number - usually the Challenge number - lasts for more than one year, while the other three numbers change. Finally, a number that is the Cause one year becomes the Action Key for the next. The Diamond's structure is complex but also logical and beautiful.

A word of advice: getting the most out of your Diamond requires some measure of self-reflection, not unlike the I Ching. I recommend that you read it more than once, then let it simmer. You may be surprised at the amount of insight you gain.

**Anthony, your First Diamond Challenge for age 40:**

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

## **The Meaning of Your 3 Challenge**

Anthony, the first number in your Diamond pattern is 3. The goal of this challenge is to enhance your self-expression through confidence and courage in all areas of your life, not just the creative or artistic avenues. It starts by understanding the magnitude of your potential, not the least of which is your imagination.

Your inner world should be a dynamic place, where realizations, feelings, hopes, dreams, discoveries, ideas, expectations, and yes, sometimes failures and disappointments, come and go, changing and enhancing you in the process. No supercomputer can hold a candle to the speed and reach of your mind, much less the power of your imagination. However, similar to a computer, it needs an operator to guide it to its full potential. That operator is you, and the more confident and comfortable you are at accessing and using your creativity, imagination, and analytical powers, the more successful you will be in life.

It takes courage to go against the grain, to make up your mind and follow your instincts - it's much easier to conform. But in order to be true to your unique potential you must, by definition, find YOUR voice. This challenge inspires you to expand your vision, find that voice, and express your individuality.

## **Your First Diamond Cause**

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

## **What Your 7 Root Cause Reveals**

The second number in your Diamond pattern is 7. Your search for deeper understanding has moved to the foreground over the last few years. Some of this may have been only marginally conscious. You may not, for example, have been going to a place of worship more often, or been reading metaphysical or intellectual books on Life's Big Questions. On the contrary, if you are a religious person, it is possible you have been performing outward

expressions of your faith less often, yet have been pondering the issue of religion or spirituality more intensely.

How much of this transformation has taken place consciously may vary, but a 7 in this position points to an increasing desire to understand things on a deeper level.

### **The Recommended Action for Your First Diamond**

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

### **The Meaning of Your Diamond's Recommended Action of 8**

Anthony, this Diamond suggests a need to draw from your own strength, muster your personal power, and present yourself with authority. It is a period to be decisive, take charge, and act on your gut instinct and common sense with as little hesitation as possible. This will allow others to feel your confidence, motivation, and directness as well. It is a time of opportunity, especially in the areas of finance, business, and career.

As you move forward with this challenge, it is just as important to maintain balance in your personal life. Be aware of your inner needs and higher ideals, and don't sacrifice your dreams.

The 8 brings authority, power, confidence, and accountability, but it also seeks balance between the material and immaterial domains.

### **The Potential Outcome of Your First Diamond**

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome.

### **What It Means To Have An Expected Outcome of 6**

Anthony, a 6 in this position indicates strengthened ties with your family, friends, and community. As you exit this Diamond, you likely feel closer to

people you care about, and you may find your sense of responsibility and loyalty has improved. The 6 inspires commitment and a stronger sense of belonging. You may feel a renewed sense of purpose, more at ease with your emotions, and less inhibited about expressing your feelings.

**Anthony, your Second Diamond Challenge for age 40:**

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

### **The Meaning of Your 1 Challenge**

The first number in your Diamond pattern is 1. This common challenge is likely to repeat more than once during the course of your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 — and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity — the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. You have the opportunity to become more secure in your self-worth, and the acceptance of your true self, which in turn can lay the foundation for contentment. (We experience our reality as separate from other people which, in part, is what makes us individuals. Sometimes, however, events or circumstances amplify the distance we feel, creating a sense of separation and loneliness. Although it is not possible to merge fully with another person, we have the ability to experience a shared reality and unbreakable bond, without losing ourselves in the process.)

### **Your Second Diamond Cause**

The second number in your Second Diamond reflects the underlying cause of a distinct challenge you will face this year. It is the catalyst that sets things in motion, the cause of the issues confronting you during this period.

### **What Your 16 Root Cause Reveals**

The second number in your Diamond pattern is 16/7. Your search for deeper understanding has moved to the foreground over the last few years. Some of this may have been only marginally conscious. You may not, for example, have been going to a place of worship more often, or been reading metaphysical or spiritual books on Life's Big Questions.

On the contrary, if you are a religious person, it is possible you have been performing outward expressions of your faith less often, yet have been pondering the issue of religion or spirituality more intensely.

How much of this transformation has taken place consciously may vary, but a 7 in this position points to an increasing desire to understand things on a deeper level.

Because this 7 is based on 16, there is a Karmic angle to take into consideration. You may want to look back over the last two or three years for what, perhaps with hindsight, now appear to have been somewhat self-destructive choices.
