About Your Relationship Profile

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report is more critical or even harsh compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis

on them.

Anthony and Marie, I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

Hans Decoz

Life Path

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Anthony, your Life Path is 5

The key to your personality is freedom. You love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life (for more about your Life Path number, see you Personality Profile)

Marie, your Life Path is 13/4

You are practical, down to earth with strong ideas about right and wrong. You are orderly and organized, systematic and controlled, you are decisive and methodical employing a step by step rational approach to problems solving. Once committed you do not give up easily. You are not one for "get rich quick" schemes. Rather you use hard work and long hours to build a business or career; you seek to establish a solid foundation (for more about your Life

Path number, see you Personality Profile)

Your Life Path's Compatibility is 5 and 13/4

Anthony and Marie, yours is a challenging combination. Marie likes routine and predictability, while Anthony prefers change and the unexpected. The numbers 4 and 5 are opposites in many ways. Interestingly, this is often the root of the initial attraction. Marie (the 4) is drawn to Anthony's daring, adventurous, dynamic and energetic life. Anthony admires the control and discipline Marie displays.

This combination often creates a dynamic relationship - comparable to a roller coaster ride. Due to these extreme differences, your relationship will require mutual love and acceptance that is strong enough to weather your differing likes and dislikes, including your lifestyle preferences. Trying to change your partner is futile - your needs and desires are simply too different. Marie has to accept the fact that Anthony is not predictable and will never be happy living a highly structured life. Anthony needs to make peace with Marie's need for an organized and controlled environment.

Differences will be noticed in other areas as well. Anthony is sensual and feels comfortable around others. He is social and has an adventurous side (even a wild streak). Marie can be social, but prefers to keep a certain amount of distance. When choosing company, she is probably more discriminating and tends to hold on to protocol longer. Although as a rule Marie is more conventional and careful, she can reveal an extroverted, even outrageous side given the right occasion.

When it comes to opinions, you may find yourselves on opposing sides more often than not. Marie needs a somewhat structured connection to life, even its spiritual side. Anthony's inner world is more imaginative and changeable. Marie may be willing to accept rules and regulations that Anthony enjoys breaking. These examples should not be taken too literally; you are complex individuals with additional influences in other areas of your chart that could modify these aspects. Suffice it to say you will encounter differences in your personalities and your approaches to many issues.

Interestingly, this combination can be powerful, exciting and long lasting. The key to success will be in not taking yourself or your concepts too seriously - something Marie in particular, may need to work on. Maintain a sense of humor and keep in mind that opinions are just that, with relative values. Focus on enjoying each other's company; combine your strengths and build on your differences.

Your polarity has the potential to create a dynamic, rewarding relationship. With tolerance and openness you can build a healthy relationship where Anthony's dynamic, adventurous spirit and Marie's discipline and methodical approach live happily side-by-side.

Expression

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Anthony, your Expression Number is 16/7

You are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher. You are driven by a desire for knowledge and truth. Your fine mind offers you insight into the veiled mysteries of life. You also possess a considerable amount of perspective (for more about your Expression number, see your Personality Profile)

Marie, your Expression Number is 15/6

You are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden. Your love of children has caused numerologists to dub you the "Cosmic Mother" or "Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love". You are a natural counselor and healer (for more about your Expression number, see your Personality Profile)

Your Expression's Compatibility is 16/7 and 15/6

The 6 and 7 often have a love-hate relationship, so it is uncommon to find it in romantic partners. Where the 6 is strongly committed and motivated by emotions and a need for romance, the 7 is an intellectual and somewhat secretive and distant. Marie (the 6) requires a physical and emotional connection; Anthony seeks an intellectual bond. This has nothing to do with the ability or desire to love, since no number is more capable of loving than any other. But challenges can arise when people have dramatically different views or strikingly different approaches to important concerns.

Every number expresses love in a different way. Marie's 6 in this part of the chart is mainly influenced by emotions and depends on expressions of love to feel safe and secure in a relationship. Anthony's 7 is more independent, which enables him to feel comfortable in a relationship even when deep personal feelings are not shared.

Unless this fundamental difference is understood and accepted, it can become a problem in your relationship. Marie may, at times, feel Anthony is cold and aloof, and not as attentive as she would like. Anthony needs a certain amount of distance, space for quiet contemplation, daydreaming, and just being alone. When he is in that state of mind, even Marie's loving attention could feel like an annoying disruption.

When couples are unable to accept these diverging viewpoints and approaches, it can bring much unhappiness. Interestingly, despite these

contrasts, the relationship often remains unbreakable. When this happens, although the differences are often quite obvious to others, they probably go unnoticed by the two of you. People may wonder what keeps you together when you seem so different on all fronts.

Of course, the 6 and the 7 also have the potential to create a happy, long-lasting relationship. The key is simply to recognize the fundamental difference in the way you express your love. Marie must realize that even when Anthony seems distant, his love is not absent in any way. And Anthony may have to accept the fact that Marie needs frequent reassurance (and will likely demand attention if you are remiss in demonstrating it).

Keep in mind that this is just one area of your chart; other numbers and influences could mitigate these differences. However, the 6 and 7 will always have their unique approaches to love (and romance).

Heart's Desire

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end. You might say that it is in the flow of your breath that you express your deeper self.

Anthony, your Heart's Desire is 17/8

You want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture. Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers (for more about your Heart's Desire number, see your Personality Profile)

Marie, your Heart's Desire is 19/10/1

Your overpowering need is to be independent and to direct your own life according to what you believe. Your dream is to become the leader of whatever field you enter. Whether it is in business, community, or in your general area of expertise, you are driven to be the reigning figure. You have the courage and the confidence to lead others. You believe firmly that your judgment is preeminent over all others. This gives you the confidence to make bold decisions and carry them out, even when other lives are greatly affected by what you do (for more about your Heart's Desire number, see your Personality Profile)

Your Heart's Desire's Compatibility is 17/8 and 19/10/1

Your respective numbers make you both strong-willed and somewhat stubborn people. It could often feel like there are two captains on your ship, whose conflicting viewpoints can lead to discomfort at best or explosive arguments at worst. A willingness to compromise is extremely important for your relationship.

You both have good business instincts, which could result in successful shared endeavors (although Anthony most likely has the greatest talent for managing financial affairs). Should you decide to work together, make sure to keep your responsibilities separated to avoid potential conflict. Whether in business or your personal life, you will need to have faith in each other's abilities and respect your independence. With both of you preferring to do

things your own way, this may not be an easy task. Neither of you easily allow the other to dominate, nor do you feel comfortable as the other's subordinate. Keep in mind Anthony has a need to see material results and reward, while Marie is more interested in the satisfaction that comes from a job well done.

The fact that you are both quite sensitive behind your strong, self-reliant facade makes you vulnerable to being hurt by insensitive comments and arguments. Your keywords for a successful relationship are communication and compromise.

Although you probably take different approaches at times, you also have much in common; the 1 and the 8 are considered very compatible numbers. One positive aspect is your love of shared experiences. If you are able to be sensitive to the needs of your partner and communicate openly, you should be able to enjoy a rewarding relationship sharing the many interests you have in common.

Personality

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel more or less comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Anthony, your Personality is 17/8

You appear strong and powerful. You have an impressive personality and can

influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources. You radiate confidence. People defer to you because they sense your sureness and effectiveness (for more about your Personality number, see you Personality Profile)

Marie, your Personality is 14/5

You are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit. You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet. You love your freedom and you see this life as an ongoing adventure (for more about your Personality number, see you Personality Profile)

Your Personality's Compatibility is 17/8 and 14/5

Anthony and Marie, this particular aspect of your chart suggests compatibility can only exist if your roles in the relationship are very different and somewhat separate. You both have unique qualities, but they rarely overlap. Perhaps the best way to describe the differences between your numbers is to look at them from a business rather than a romantic perspective.

As business partners, you could do very well - as long as you play different roles. The 5 (Marie) is excellent at promotion and sales. She is dynamic, articulate, thinks fast, and finds solutions easily. Because Marie can see through facades better than most people, it is easy for her to influence others and resolve personality issues.

Anthony, is a visionary, has a strong commanding presence, and has the persistence to overcome obstacles. The eye of the 8 is always intently focused on a future goal - a goal that will be met no matter what. Anthony is the executive, Marie the marketing expert. These are very different qualities that can work well together as long as they recognize neither should try to tell the other how to do their job.

In a romantic relationship between the 5 and the 8, a similar picture emerges. As long as you do not tell your partner how to behave or what to consider a priority, things should be fine.

Other issues that appear in this combination have to do with Anthony's assertive personality and Marie's social nature. Marie does not do well being told what to do, and quickly rejects authority. Anthony, may become jealous or envious of Marie's social life and many friends.

Your key to a successful relationship lies in giving one another space and freedom. Your relationship can be pleasant and long lasting, but you will probably need to be realistic about your expectations, and maintain some distance in your lifestyles and day-to-day routines.

Maturity Number

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Anthony, your Maturity Number is 3

You are highly social and have a gift for self-expression. You love to entertain and attend parties. You are exceedingly popular, and a good friend.

You are highly talented in one or more of the arts -- writing, acting, music, or painting.

You need excitement. When things are dull, you tend to fantasize and sometimes exaggerate. You are very inspiring and motivating to others. You are blessed with a considerable amount of charm and charisma. You are highly optimistic, which can make you a bit of a rolling stone. You think that

the grass is always going to be greener on the other side of the hill.

You need discipline and focus to make the most of your talents. You can fall victim to scattering your energies. You have to guard against being selfish and indulging in too much sensory gratification.

Marie, your Maturity Number is 1

Marie, you have a strong drive to stand out. You have a great ambition and desire to accomplish. You are highly competitive and want to be the best and the first in everything you do. You are highly energetic and creative. You are capable of influencing and even dominating others. You have highly developed political skills, and can succumb to manipulation unless your ideals are high.

Ironically, there are times when you lack confidence, especially at an earlier age, but you have the strength to overcome this obstacle.

Marie, you are a survivor, a warrior, a leader. Many great athletes and politicians have this number as a Hidden Passion.

Your Maturity's Compatibility is 3 and 1

You are both fortunate to have formed one of the most charmed combinations for a happy, pleasurable, long-lasting relationship. The individualism and originality of the 1 (Marie) combined with the creativity and "anything goes" attitude of the 3 (Anthony) creates an exciting and often adventurous relationship. Unlike many couples, you play together, laugh together, and likely have inspirational and enlightening conversations.

The characteristics of the 1 make Marie the central force in this relationship, while Anthony contributes by bringing the sunshine and lightness of heart that will help the two of you deal with obstacles more easily than other couples.

In spite of the unusual number of positive aspects in this combination, you

should be on the alert for potential pitfalls. Marie values responsibility and loyalty, and has a natural ability to put forth sustained effort in pursuit of goals and dreams. Anthony is more playful, creative, and restless, and changes direction easily, especially if a goal seems difficult to reach. (This could be frustrating for Anthony.) But, paradoxically, it is precisely these differences that bring balance to your relationship.

All in all, there is little negative to report about your combination. With an eye on potential challenges, continue to fully explore your respective natural qualities and enjoy a happy, enriching and rewarding life together for many, many years. You have the ability to develop your relationship to (near) perfection.
