YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 4 and lasts until age 27

This first period is likely quite demanding and frustrating. The need for discipline and effort is present in all aspects of your life. Trying to live up to the demands sometimes finds you frustrated by bad timing or a lack of opportunities.

This is a time to search for something to sink your teeth into. However, restrictions placed on you by your personal life may not support your need for space and freedom. This can have the effect of either turning you against most forms of discipline - making you rebellious and contrary - or becoming dependent on it, prompting you to choose a career where control from outside forces dominates (such as the military or a very tightly run institution).

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Anthony, your Second Period Cycle is 9 and lasts until age 54

This is a period where you develop a broad view of humanity and sincere concern for the well-being of others. Tolerance, acceptance, and universal love are the goals of a 9 Cycle, and people under its influence move toward those ideals.

Humanitarian principles and social service are the keys to personal happiness in a 9 Period. Hard work directed toward higher ideals is rewarded. Creative talent is enhanced, especially when joined by a larger social purpose or message. There is an element of sacrifice or letting go, as you are asked to forgive past grievances and part with negative attachments. You are inspired to live according to a higher ethical standard, with personal enrichment as reward.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during

this period that you have the greatest degree of power and self-expression.

Anthony, your Third Period Cycle is 5 and lasts for the rest of your life

The latter period of your life finds you continuing to move through changing circumstances. There is an inherent restlessness associated with a 5 Period Cycle — one of the few cycles that encourages a more impulsive response to situations you encounter. You are drawn to travel, new people, and different cultures. This is a dynamic, somewhat chaotic cycle, where not much happens according to plan. You do best when you are social, physically active, and involved — giving your heart and mind the experiences they crave.

During this period, you have a flair for successfully promoting yourself. You are drawn to all that is progressive and farsighted. This is a time to be quick and flexible, and to grasp opportunities as they come.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Anthony, your First Pinnacle Cycle is 4 and runs from birth until approximately age 27

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Anthony, your Second Pinnacle Cycle is 5 and lasts until age 36 and runs from age 27 until age 36

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Anthony, your Third Pinnacle Cycle is 9 and lasts until age 45 and runs from age 36 until age 45

This is a period in which you must identify with some larger project or goal that is bigger than you, Anthony. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well-being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community. As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world. Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching. In short, you are highly idealistic. You will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

, You are repeating the Third Pinnacle

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 38 and 39 is N

The N transit delivers opportunities to expand your horizon. It is an adventurous period, increasing the possibility of travel or a change in residence.

This is a dynamic time offering new activities and opportunities to make important social contacts. You seek love and fulfillment and are likely to feel more sensual than usual. Sacrifice, adaptability, and flexibility are called for. You will also be concerned with finances and may worry too much about these matters.

You may be more forgetful during this transit. Exercising your intuition is important during this period.

YOUR MENTAL TRANSIT

The Mental Transit is based on your middle name

Your Mental Transit for age 38 and 39 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 38 and 39 is R

You have deeper understanding and insight during this transit. It is a time to deal with money, power, and authority. You have an opportunity to elevate your financial status and personal growth. This is a period where you are likely to meet the best and the worst. You must exercise caution in everything you do and every decision you make. Be aware of your surroundings.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Anthony, Your Essence for age 38 and 39 is 19

You are in a struggle for independence and possessed by personal ambition. You will feel the need to work hard to establish yourself and your foundation. You are forward looking and even visionary.

This is a period of struggle. It is a time when you may feel torn between your personal desires and your concerns for others. It can be a time marked by stubbornness and rigidity, characteristics you will have to keep in check. This duality between the lower desires and the higher realms of love can cause you much internal conflict. Secretly, you may feel torn between a desire to serve some greater good, and your ambition for personal accomplishment. You are aware of the needs of others. At the same time you are skeptical of ideals and idealists. You may tell yourself now that you must be realistic in your dealings with the world. But you must avoid shutting out the voice of your higher nature. Do not let your higher ideals go, lest you be guided exclusively by materialism and greed.

All too often, those in the 19 Essence finally resolve this conflict by conceding to personal ambition and selfishness. This can lead you to much trouble. People may perceive you as greedy and self-centered. Because you are driven by ambition, you may be attracted to people who have no other priority but personal gain. For some, this will lead to shady business practices and even brushes with the law. This can be a time when you feel a need to pull back from others and become less social than during previous years. But this can lead to isolation. You may also feel frustrated because your ambitions want instant gratification, which the time does not allow.

The challenge during this time is to strike a balance between your worldly needs and your inner spiritual nature. The time requires much soul searching and a willingness to accept the perspective of others. Don't shut yourself off, or become jaundiced to your more idealistic brethren.

At the conclusion of the 19 Essence, the person is often better off materially, and far more independent, but there may also be a sense of disconnectedness from friends and loved ones. Therefore, it is important to work at maintaining close ties. Be open to others, and recognize that man does not live by bread alone.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2023 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning.

September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Your Personal Year cycle for 2024 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality for 2023 is 1 and 2

After reading your 1 Essence and 2 Personal Year chapters, Anthony, you probably noticed the two cycles seem to conflict. However, although the 1 and 2 have opposing traits, the combination is not necessarily negative. At their best, these influences balance and supplement each other, not unlike a partnership where one partner is pushy and the other tactful. It is a marriage between uncompromising force and diplomacy.

But there will also be moments when the two clash. Your 1 Essence state of mind will feel bold, ambitious, and goal-oriented during a period when your 2 Personal Year will often demand cooperation and a sensitive, diplomatic approach. This will require a balancing act. When you feel impatient or realize you are forcing an issue, consider taking a slower, more considered approach and be open to the opinions of others. Keep in mind that forgoing immediate gratification in the interest of reaching long-term goals is usually a prerequisite for success.

Your willpower and ability to blow past obstacles can make you a force to be reckoned with this year. Your main challenge will most likely be controlling your impatient, audacious attitude in favor of a more harmonious approach.

Although not always the case, you will find that the gentle approach works most successfully in your personal life, while your career benefits from a driven, goal-oriented attitude. When you deal with practical

and professional matters, take a no-nonsense, direct approach (let your 1 Essence rule). When relationships are involved, especially in your personal life, employ the 2's cooperative, tactful demeanor.

To highlight the conflicting nature of these cycles, consider this: your main challenge under this Duality is to strengthen your independence and individuality; it is the purpose of a 1 Essence. However, the events and circumstances that commonly take place during a 2 year have the potential to leave you emotionally vulnerable and manipulated by others. Knowing this, you can take steps to protect yourself during a period when you will likely feel more sensitive than usual.

Your greatest assets this year will be your ability to relentlessly pursue your goals, and your talent for gaining the trust and support of others.

Your Duality before your birth day in 2024 is 1 and 3

Your 1 Essence will lend a bold, refreshing, ambitious state of mind, and your playful, creative 3 Personal Year has the potential to lighten things up. This is generally a positive combination, Anthony, because when you are looking for a way to make a new start (consciously or subconsciously) having a more creative mindset can only help to expand the possibilities.

The challenge in this combination will likely be in choosing your goals carefully and keeping an eye on the details. Make sure your goal is achievable, as the scattered, somewhat irresponsible 3 can be impractical and unrealistic. Although you will be goal-oriented and striving for progress, actual success will require that you bring discipline and order into the mix. Without it, you could lose focus and manage your priorities poorly.

The 1 can be overly direct, even rude, and the 3 can be superficial. In combination, the influences have the potential to make you somewhat insensitive in your relationships. Additionally, you may find you would rather play, work, or pursue creative ideas than deal with emotions (your own and those of others). These distractions can make the 1 and 3 combination difficult for relationships, particularly with friends and co-workers. Romance and family relationships are less likely to be negatively affected. Always important, try to take a gentler approach with personal relationships than you do in your career, and give time and attention to the needs of others.

Your Duality for 2024 is 1 and 3

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for May-2023 is 7

May leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your existence, your purpose in life, and your direction. You find yourself taking time off to read or meditate. It's an excellent time to take a vacation, but you may want to avoid group activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious. Be particularly alert to your dreams and the direction and insight they offer.

Your Personal Month for June-2023 is 8

The time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends, and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate. Leave such issues alone for now. The domestic scene is better handled in July, when dealing with relatives is easier and goes more smoothly.

Your Personal Month for July-2023 is 9

July is both emotional and demanding. It is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. This is a testing period for relationships in all areas of your life. The 9 and 2 combination -- diplomatic, sensitive, and service oriented numbers -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have outgrown. This month is your opportunity to avoid becoming an emotional and material packrat. July is a time to empty your cup and make room for new gifts coming your way. It is a transition period. You will likely experience deep emotions, even nostalgia, and melancholy. At times, you may feel exhausted. Such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level. You are not entirely conscious of all that is happening, and consequently you may have difficulty expressing your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself, and your sacrifice will help you achieve stability and inner strength. This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

July is a month that requires balance: you are feeling emotional, but at the same time you must also focus on the needs of others. If you indulge too much in your feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your needs and service to others.

Your Personal Month for August-2023 is 1

August brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm. Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

You will be introduced to new people and, if you are not already involved, one may turn into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month for September-2023 is 2

This is an 11/2 Month. The number 11 (referred to in numerology as a Master number), is highly charged, sensitive and intuitive. You are extremely perceptive. Dreams are full of insight and seemingly irrational, and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of molehills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month for October-2023 is 3

You need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure but avoid stressful situations this month. Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month for November-2023 is 4

November is time to get down to business, to focus on work, and finish anything left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture? You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success. The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month for December-2023 is 5

December brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself. You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Your love relationship is in a vulnerable state, and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Your Personal Month for January-2024 is 4

January offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month, which further enhances your work situation. However, you will tend to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also

may tend to procrastinate, which can spoil opportunities and damage your career.

January is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Your Personal Month for February-2024 is 5

February brings changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip. Carefully prepared plans confront the unexpected: events and people you had not expected. If you are flexible and not afraid of changes will enjoy this month. However, if you rigidly try to stick to expectations and refuse to adapt, you may experience a difficult time in which almost nothing works out, no matter how hard you try.

February is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. You are open and childlike and for that reason very attractive to others. A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Your Personal Month for March-2024 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right

around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Your Personal Month for April-2024 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

Your Personal Month for May-2024 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.
