YOUR PERSONALITY PROFILE AND YEARLY FORECAST

PART 1: ABOUT YOU

Just as your DNA determines your physical body; a blueprint of your personality is an inborn part of you from the very beginning. Your Profile begins with insight gleaned from your name because that is where we learn WHO you are. It describes the talents, strengths, and other distinct characteristics you were born with.

PART 2: YOUR PATH

Just as your physical body grows and changes with time, so does your personality. Your personal evolution begins at the moment of your birth. From that point on, the choices you make, the goals you set, your environment, opportunities, challenges, the influence of others, and a thousand other factors alter who you become.

PART 3: YOUR PATH AND YOU

This section looks at how your name numbers (you) and your birthdate numbers (your path) work together to guide your personal growth and the changes you experience.

PART 4: SPECIFICS ABOUT YOU

Certain numbers in your chart affect you in a clearly defined, narrow way, such as your Balance number, which lays dormant until you enter a time when you are off-balance; when discord dominates your life.

PART 5: HOW YOUR CURRENT NAME AFFECTS YOU

The name you use on a daily basis, the way you introduce yourself in a social setting, has a unique affect on your life in that it, more than anything else, reveals how you feel yourself; who YOU think you are and what you represent.

PART 6: YOUR FUTURE

This part of the report tells you what your cycles are for the current year and next year, and how it will affect your life.

PART I: ABOUT YOU

Your Personality Profile is based on your full name at birth, your current name, and your date of birth. Your full name tells us who you are; think of it as your numerology-DNA. Your date of birth reveals your path and the patterns of your personal growth.

We start this report by looking at the most important numbers derived from your full name to throw light on who you are as a person.

HOW YOUR NAME NUMBERS STACK UP

Anthony, we begin by taking a quick snapshot, a look at the influence and meaning of the three core numbers derived from your name. Your Expression number is the sum of the value of all the letters in your full name at birth. Your Heart's Desire is the sum of the vowels. Your Personality number is the sum of the consonants. These three numbers are closely linked and influence one another.

All the numbers derived from your name reflect YOU. They are a blueprint of your talents, shortcomings, character traits, and other qualities. You should realize that this is a limited perspective. Later chapters focus on the challenges and opportunities you will encounter on your path, and attributes you may acquire as time passes.

This first chapter is like a glance from a distance, followed by three chapters that explain the meaning of each number in more detail. We will gradually build a more complete picture of the complex and unique individual you are.

Your Core Name Numbers are 7, 8, 8

The idealistic, intellectual, contemplative and often shy 7 stands apart from all other single-digit numbers in one very important way. The 7 is a potential gateway to the fulfillment and wisdom that Kabir, Gurdjieff, and other masters talked and sang about. It is the seeker. It does not take anything at face value, and never gives up on the big questions, "Who am I? Why am I here?" Your Expression number is 7. This may come as a surprise to you, because this most spiritual/philosophical of numbers is flanked by two very different influences, the 8 Heart's Desire and 8 Personality. This is similar to a hermit having Donald Trump and Gordon Gecko as neighbors - except all three exist within you.

The 7 and 8 have nothing in common, but they will compete for your attention throughout your life. Your 8 Heart's Desire gives you drive, ambition, and a good sense of business. You are authoritative and do not step

aside for anyone. Unlike the 1, you are not necessarily stubborn, but you are dogged and determined when it comes to reaching your goals. This outgoing, forceful number also appears as your "outer" Personality number (the part of you others notice when you first meet). This largely obscures the serious, inquisitive idealism of your 7, a number that is not at all ambitious.

Anthony, your challenge is to reconcile the obvious contradictions in this combination. Understanding the position each number holds in your chart can help.

The 7 Expression is like a blueprint. It lays out the ground rules, sets limitations, and determines the function and form of your life ahead. It describes your talents, abilities, and shortcomings, particularly in the way they affect your career and productive life. The 7 is contemplative, analytical, and somewhat solitary. A 7 in this position suggests you need to learn from life as well as from books. Your ultimate goal is to attain insight and understanding, and to become a beacon of light for others, without becoming dogmatic or burdened by religious concepts.

Your 8 Heart's Desire is a good balance to the internal nature of the 7. More than any other number, the 8 has a pragmatic, results-oriented attitude. It pursues big goals and needs to be in charge. Be mindful, however, not to allow your dynamic 8 energy to overshadow your inquisitive 7. You may be tempted to surrender to the capitalistic, dog-eat-dog mentality of an Ayn Rand disciple.

Ignoring the needs of your 7 Expression can be detrimental. If you are unable to balance these opposing influences, you may find success financially or in other ways, but you are unlikely to find true happiness and fulfillment. The emptiness resulting from an unfulfilled 7 drains gratitude and joy like a vacuum. It is crucial that you find a balance. Devote a fair amount of your time and energy to the mystery of life, in study and contemplation.

In your personal life, romance and long-term commitment are possible, especially if you find a partner with upbeat, dynamic numbers. Someone who does not take things too seriously would be a good fit. A partner with a 3 (upbeat and creative, with a sense of humor) and a 5 (dynamic, adventurous, versatile) could soften the sharp angles of your 8 and uplift the serious 7.

You should probably marry or commit to a relationship later in life, preferable after age 30. This would give the 7 and 8 time to find a comfortable balance.

Now let's look at each of your core numbers individually.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Your Expression is 16/7

You are gifted with an analytical mind and an enormous appetite for the answers to life's hidden questions. You have a strong interest in exploring scientific matters, philosophy, and even mysticism. You possess clarity and persistence in your search for truth. You can be a great researcher, educator, and philosopher. You are driven by a desire for knowledge and truth. You must learn to discriminate between illusion and reality, but you are well equipped for this task. Your fine mind offers insight into the veiled mysteries of life. You also possess a considerable amount of perspective. Somewhere inside you, you are aware of a peaceful place that you call upon during difficult times.

You need time to be by yourself. Too much social interaction causes you stress. You need your privacy and a place that can be shut off from the hustle and bustle of life. You tend to keep your thoughts to yourself and are secretive. Unless your 7 expression is balanced by extrovert characteristics (usually revealed by the numbers 1, 3, 5, and 8), your introversion may pull you deeply within yourself, even cutting you off from others.

You have a strong dislike of the superficial and mundane. You are often surprised by the lack of understanding or depth of knowledge of others, many of whom do not take the search for knowledge as seriously as you do. This can cause you to be critical of others, and even cynical about life in general. The more cut off from others you become, the more hidden are your motives. Once you develop understanding of people and life, your advice and counsel will be sought by those around you who need your wisdom.

You love to specialize your knowledge and develop great depth within your field. You are a perfectionist. You should complete your studies early in life and not be driven too hard by a desire to be successful. Let things come at their own pace, be open to opportunity, but remember your rewards, satisfaction, and contentment come from a higher source.

Sevens can be distant and aloof. When dominated by their darker characteristics, they can be unfaithful, dishonest, and cruel. Contemplation, meditation, and the softer, finer vibrations of life can restore your sense of harmony and keep you on the path to peace and balance.

You have a logical mind. Your analytical skills cause you to approach a problem in a detached, surgical kind of way. Researchers, analysts, investigators, inventors, technicians, scholars, lawyers, bankers, watchmakers, priests, philosophers, theologians, and administrators in some scientific or technical field are among the vocations 7s are drawn to.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire

reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Your Heart's Desire number is 17/8

You want success in its fullest meaning: wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise.

In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective

is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Your Personality number is 17/8

You appear strong and powerful. You have an impressive personality and can influence and even intimidate through sheer force. You have natural authority. Your competence and enthusiasm attract people with resources. You radiate confidence. People defer to you because they sense your sureness and effectiveness. You also exude a kind of controlled benevolence. People sense that you are generous, once you are convinced of the worthiness of the cause.

It is important for you to dress well. You radiate a kind of raw power and able-ness which needs to be refined and enhanced by your clothing. You may even dress a bit flashy, but that will not harm you. Quality is among your highest priorities and should reflect in your clothing. Although most eights have a strong constitution, they can be prone to indigestion, ulcers, and heart disease due to their reckless eating and drinking habits and their propensity to be workaholics.

Your Achilles heel is your capacity for an egocentric attitude. The negative side of your personality can cause you to be ruthless, greedy, and intensely lonely. Conversely, you can be spontaneous and excited. You are essentially warm and jovial. In your heart of hearts, you want everyone to be as excited and as happy as you. Those who are around you often sense this. Your coworkers and employees usually like you.

THE HEART'S DESIRE - PERSONALITY BRIDGE

A Bridge number is based on the numerical difference between two closely related aspects in your chart. It is the gap you need to "bridge" in order to create a more harmonious bond between the two areas.

The following Bridge number connects your Heart's Desire and Personality numbers. It suggests things you can do to help your deeper self to align more closely with your personality; the "outer" you that is apparent to others.

With a little exaggeration, you could say that your Personality number is somewhat like your mask; it's a more superficial aspect you reveal to the world. You can imagine how much more comfortable and less inhibited the experience of life becomes when you can align your authentic self with the personality you show to the world.

Your Heart's Desire - Personality Bridge number is 0

The single digit values of your Heart's Desire number and your Personality number are the same.

This is considered fortunate. You are a WYSIWYG: "What You See Is What You Get."

You easily make people feel comfortable around you. However, if your Life Path number or your Expression number are also identical to your Heart's Desire number and your Personality number, your chart may be somewhat off balance. This may cause you to push the aspects of the repeated number to excess.

Read your Heart's Desire number again and ask yourself if you have not focused too much on the aspects described, at the cost of a more balanced approach.

PART II: THE PATH YOU ARE ON

If there was ever a moment of transformation, it was the moment of your birth. In that instant, you stepped into a new reality - the reality of human life and human consciousness. Even at that moment you were a person with your own unique character, as unique as your DNA. The previous chapters focused on YOU, the person you are, as revealed in the letters of your name. It is now time to look at your Path, the road you walk through life, using the numbers found in your date of birth.

Your first breath marked the beginning of your journey on the road we call your Life Path. It makes sense, then, that the most important number in your numerology chart comes from the date of your birth. Your Life Path number gives a broad outline of the opportunities, challenges, and lessons you encounter throughout your life. It also reveals the strengths, specific talents, and characteristics you were given to help you overcome challenges and evolve into the best you can be.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Your Life Path number is 18/9

You are the philanthropist, humanitarian, socially conscious, and are deeply concerned about the state of the world. You have great compassion and idealism. You are a utopian and will spend your life trying to realize some aspect of your utopian dream, sacrificing money, time, and energy for a better world. It is in giving that you will find much satisfaction.

You have a broad outlook on life. You tend to see the big picture, rather than the minute details. You naturally attract people from all walks of life who can fit into your larger plans and take over the areas you find uninteresting. The person with a 9 Life Path is rarely prejudiced or accepts social biases of people. Instead, they evaluate people on the basis of what they can do for the larger cause. They are the true egalitarian.

You are imaginative and creative, especially at harmoniously arranging the beauty already potential in the environment. These abilities can lead you into such fields as interior decorating, landscape art, and photography. But because of your strong social consciousness, you can be an effective politician, lawyer,

judge, minister, teacher, healer, and environmentalist. Vocations that require self- sacrifice and have a clear social impact are common among 9s.

You are often disappointed by the realities of life: the shortcomings of others, or of yourself. Somehow, you don't want to accept the imperfections of the world, a feeling that drives you constantly to try to improve upon it. But rather than be satisfied with your efforts, and those of others, you relentlessly push on, striving for greater accomplishments. You are often unsatisfied with the results. In short, you lack the perspective that would otherwise make it possible for you to enjoy life more fully and accept its natural limitations. You have a controlled enthusiasm and the ability to finish what you start.

A key to your personality is the necessity of sacrifice. You have to learn to let go of material possessions and relationships, the inherent lesson being that holding on too tightly to anything causes pain. Money comes to you through mysterious or unexpected ways: inheritance; the benevolence of someone who was inspired by your work; or a lucky investment. Conversely, if you pursue money for its own sake, after giving up on your larger dreams, you're likely to find yourself empty handed.

The most successful and satisfying road for a nine is giving; sharing and sacrificing for a larger goal, without expecting anything in return. Your greatest chance at success is to tie your personal fortunes to an endeavor that makes the world a better place for others. Very often, this turns into a highly successful and lucrative enterprise, providing amply for you and your family. Your life rests on the axiom that the more you give, the bigger your reward.

You are romantic, but your love is more impersonal. You tend to be focused on your dreams.

When you are not in harmony with your true nature, you can fall to moodiness, or become aloof, and withdrawn. You can become timid, uncertain, and ungrateful, putting the blame for your troubles on others or the world. You have a gift for examining your life objectively, and at some distance. Be honest with yourself. By openly facing your shortcomings, as well as your strengths, you develop equilibrium. You are thus able to love and better understand yourself and all of life.

THE BIRTH DAY NUMBER

The day you were born bears great significance in understanding who you are and where your talents lie. Your day of birth indicates special talents you possess. It gives us an indication of the approach you will take toward the goals, opportunities and obstacles you encounter on your Life's Path.

Your Birth Day number is 27/9

You are broad-minded, idealistic, and compassionate. You should obtain a wide education, especially in the arts. You are highly creative. Many great artists are found under this number.

You must come to truly understand life to be of greater service to society. You have a greater social role to play that will require a blend of the practical and the humanitarian. You must have a keen sense of what will work, but at the same time directing those efforts toward some greater good. Your challenge is to find a place for yourself that has some direct benefit to others. The more you can be of service to humanity, the greater will be your personal reward on all levels -- from the material to the spiritual.

Children born on the 9th day usually take their time before choosing a profession.

You are socially oriented and have a gift of charm. You are well-liked and even admired by others. You can relate to people in all walks of life. You have a broad vision of the world and can see the grand scheme of things, including international politics and great social movements. You express your feelings well, but sometimes can be a bit dramatic. You have a strong interest in philosophy and metaphysics. Nines tend to attract money from other sources, such as inheritance or a stroke of "luck".

There is an element of sacrifice in the number 9 that demands that you learn forgiveness and unconditional love. You must avoid negative attachments. Do not hold on to people or situations because you feel that justice has not yet been done, or that someone still owes you something. Your task in life is to truly let the universe judge such situations and rely on your own forward-moving life path to bring you the necessities and rewards you deserve.

THE LIFE PATH - BIRTH DAY BRIDGE

Your Life Path and Birthday numbers are closely connected and influence each other. This Bridge explains how you can make the connection between them more harmonious.

Your Life Path - Birthday Bridge number is 0

Your 0 (zero) Bridge shows that in order for you to get the most out of your particular Life Path and Birth Day numbers, you would do well to pursue a wide world view. Knowledge of other cultures and societies, through books, film, travel, and interacting with strangers can expand your awareness beyond simple information gathering. It advances your self-awareness by strengthening your bond with humanity and creates a sense of freedom as well as comfort.

CHALLENGES; YOUR FIRST CHALLENGE

You face four specific Challenges in your lifetime. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

These Challenges place you in situations that require you to face the particular lesson at hand. This provides an opportunity for you to learn or better integrate personal traits that will benefit you during the lesson, and throughout your life.

The four Challenges in your chart will influence you during the periods of your life listed below.

The duration of your First Challenge usually lasts from birth until age 30 to 35.

Your First Challenge is 5

You are in danger of becoming a rolling stone. Your desire to experience and enjoy life can overwhelm every other priority you have. Your need for freedom dominates you. You want to try everything and go everywhere.

You must guard against overindulgence -- and even dependence upon -- alcohol, food, drugs, and sex.

You must work at establishing and maintaining long- lasting relationships. Be tolerant and understanding. This will enable you to have people in your life who are more than mere company.

You need to discipline your urge to change every situation that does not immediately suit you. Stick with projects, maintain your friendships, don't abandon people or situations the minute they become the slightest bit difficult.

If few fives are in the chart you have a fear of change and cannot let go of people and situations. This holds you in the past, restricting your growth. Learn to take prudent risks and be more adventurous.

THE SECOND CHALLENGE

Your Second Challenge is in place from approximately age 30 through 55.

Your Second Challenge is 4

You tend to be disorderly and disorganized. You are impractical and tend to fantasize about projects or possibilities that have little value or future. You must learn to discriminate between iron balloons and those that will fly. You have difficulty finishing projects because your vision becomes chaotic and loses track of the path ahead.

You have to learn to be aware of the details. Keep your environment clean and orderly. Be efficient.

You have the ability to be practical and organized but you must learn their value. This will cause you to incorporate them into your daily life and give you the basis for success.

This is the challenge of building a lasting foundation for your life. You will need perseverance and repeated effort. Get-rich-quick schemes will likely backfire; persistent effort is the key to your future happiness.

THE THIRD AND MAIN CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge and incorporate its positive aspects into your character, your life gradually feels more in control. There is a chance for great reward implicit in this challenge. In short, it may offer the secret to your success.

Your Third and Main Challenge is 1

You must learn to be independent. You will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power. You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual.

This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts. You will learn your own set of values; you will develop into an individual with original and innovative ideas.

THE FOURTH CHALLENGE

Your Fourth Challenge is most strongly felt during the latter part of your life, beginning at approximately age of 60.

Your Fourth Challenge is 1

Anthony, you are repeating your Third Challenge

PART III: YOUR PATH AND YOU

We have focused on the letters of your name and the numbers from your date of birth. We will now look at numbers in your chart derived from the combination of both your name and the date of your birth. Acquiring the attributes described in the next few chapters will help smooth your progress. As you learn more about yourself, you may begin to recognize traits you were previously unaware of.

THE LIFE PATH - EXPRESSION BRIDGE NUMBER

This Bridge has the potential to "close the gap" between the Life Path and the Expression numbers. The chapter explains how you can make your talents, strengths, and specific abilities (your Expression number) more readily available and fitting to your goals and personal growth.

Your Life Path - Expression Bridge number is 2

Your 2 Bridge number brings relationships to the foreground. It points to a need for clarity and confidence, while remaining sensitive and intuitive. Your Life Path and Expression suggest a fear of creating disharmony when you are pursuing your goals and desires. This is usually unwarranted, but there is a point that relates directly to these concerns.

A 2 in this position suggests you need to work on becoming a better listener. If you practice the art of listening, your friends and partners will feel acknowledged, and you will become clearer and more confident when expressing yourself.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Your Maturity number is 16/7

As you mature, you will become increasingly occupied with the larger questions of life, reading, contemplating and searching for a deeper understanding of who you are and what this life is all about. You may turn to philosophy or religion, but will likely examine a wide array of areas, broadening your knowledge in many disciplines.

Your intuition grows stronger, as does your ability to look beneath the surface of every subject you study. You are able to analyze abstract questions and live according to your higher ideals. You may find yourself needing more time alone; your need for privacy will likely increase.

If you already have several sevens in your chart, you will have to guard against becoming withdrawn, and alienated. If you have no sevens, you will now have the ability to deepen your understanding of one particular field. You will have the opportunity to become grounded in a particular area of study.

PERIOD CYCLES; YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. This cycle begins in the early and mid-30's while struggling to find your place in the world. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

The Third Cycle starts approximately age 55, and represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Your First Period Cycle runs from birth until your mid 30's.

Your First Period Cycle is 4 and lasts until age 27

This first period is likely quite demanding and frustrating. The need for discipline and effort is present in all aspects of your life. Trying to live up to the demands sometimes finds you frustrated by bad timing or a lack of opportunities.

This is a time to search for something to sink your teeth into. However, restrictions placed on you by your personal life may not support your need for space and freedom. This can have the effect of either turning you against most forms of discipline - making you rebellious and contrary - or becoming dependent on it, prompting you to choose a career where control from outside forces dominates (such as the military or a very tightly run institution).

SECOND PERIOD CYCLE

Your Second Period Cycle runs from your mid 30's until your late 50's.

Your Second Period Cycle is 9

This is a period where you develop a broad view of humanity and sincere concern for the well-being of others. Tolerance, acceptance, and universal love are the goals of a 9 Cycle, and people under its influence move toward those ideals.

Humanitarian principles and social service are the keys to personal happiness in a 9 Period. Hard work directed toward higher ideals is rewarded. Creative talent is enhanced, especially when joined by a larger social purpose or message. There is an element of sacrifice or letting go, as you are asked to forgive past grievances and part with negative attachments. You are inspired to live according to a higher ethical standard, with personal enrichment as reward.

THIRD PERIOD CYCLE

Your Third Period Cycle covers the later part of your life, starting in your early 60's.

Your Third Period Cycle is 5

The latter period of your life finds you continuing to move through changing circumstances. There is an inherent restlessness associated with a 5 Period Cycle - one of the few cycles that encourages a more impulsive response to situations you encounter.

You are drawn to travel, new people, and different cultures. This is a dynamic, somewhat chaotic cycle, where not much happens according to plan. You do best when you are social, physically active, and involved - giving your heart and mind the experiences they crave.

During this period, you have a flair for successfully promoting yourself. You are drawn to all that is progressive and farsighted. This is a time to be quick and flexible, and to grasp opportunities as they come.

PINNACLE CYCLES; YOUR FIRST PINNACLE CYCLE

Although Pinnacle Cycles and Period Cycles are both derived from your date of birth, they differ in the way you experience them. Period Cycles, described above, reflect internal stages of growth. Pinnacle Cycles represent the external influences you encounter in life.

Pinnacles reveal general conditions and events you experience during each period, such as your

environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's (the exact date depends on your Life Path number). This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Your First Pinnacle cycle is 4 and runs from birth until approximately age 27

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

THE SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Your Second Pinnacle cycle is 5 and runs from age 27 until age 36

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

THE THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Your Third Pinnacle cycle is 9 and runs from age 36 until age 45

This is a period in which you must identify with some larger project or goal that is bigger than you, Anthony. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well-being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community. As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom but making a conscious effort on your part to strike a balance between the good of

your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world. Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching. In short, you are highly idealistic. You will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

THE FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

**Your Fourth Pinnacle cycle is 9 and runs from age 45 until age death.
Anthony, you are repeating your Third Pinnacle Cycle**

PART IV: SPECIFICS ABOUT YOU

Although the following chapters deal with less dominant aspects of your chart, they are more narrowly defined and specific in the ways they affect you.

THE RATIONAL THOUGHT NUMBER

Your Rational Thought number comes from combining the sum of your birthday number with the sum of your first name. It reveals the style or process you use when making choices or considering a problem. Are you a structured, logical thinker or do you ponder a question in a creative, abstract manner? Do you daydream or stick to deductive reasoning?

Your Rational Thought number suggests the general approach you take in your thought process.

Your Rational Thought number is 7

You are never satisfied with a simple answer. You tend to delve into all the aspects of a question until you feel you understand the problem completely. Then you proceed to solve it with clarity and without hesitation. Few people are able to compete with you when it comes to finding answers. You recognize the underlying factors in a problem situation before anyone else, and you are often able to analyze them in a unique and insightful way.

You are a perfectionist and quickly frustrated when you work with people who like to take short-cuts. You appreciate quality more than quantity in any situation.

THE BALANCE NUMBER

Your Balance number provides guidance on how to best deal with difficult situations.

People experience a variety of internal responses to life's challenges. Some step back from difficult situations to ponder a course of action while others withdraw to avoid uncomfortable emotions. Some explode with anger but allow the outburst to pass quickly while others let their feelings linger.

Very often, these are conditioned responses that emerge without thought or analysis. With maturity and self-development, we incorporate new and more effective methods of handling situations we encounter.

Your Balance number is 6

Anthony, your strength lies with understanding people and the underlying conditions of a conflict. But you can rely too heavily on friends and family to provide you solace instead of handling the situation directly and responsibly. You may be too likely to retreat to the good feelings provided by people not involved in your situation. Responsibility is the issue here, you helped create the situation in the first place, and are an essential part of the solution. Accept your role.

THE HIDDEN PASSION

Your Hidden Passion reveals specific strengths or talents that are available to you, such as a specific field of expertise or (as the name implies) a passion. Metaphorically, this talent or passion may be seen as having a power all its own to help shape your life.

Having a talent demands that you nurture and express it. Your Hidden Passion gives you the desire to develop and express your particular ability. In this way, it shapes your personality and guides your life.

Your Hidden Passion number is 5

You love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages and are generally good with words. Writing, promotion, and public relations work suit you perfectly. You are resourceful and original. You have a good sense of humor and a quick tongue.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely. Anthony, you may be interested in too many things, which can make it hard for you to apply yourself to one area successfully.

Commitment in relationships and your work is fundamental to your happiness. You may tend to wander from person to person, job to job, making depth of relationship or deep expertise difficult.

KARMIC LESSONS

Karmic lessons are recognized by the absence of certain letters in your name and describe areas we are weak in that require recognition and effort to overcome.

The letters in your name point to talents and abilities that you possess; tools that are available to you. Missing letters imply tools that are unavailable, they must be learned and mastered during your lifetime.

You can have more than one Karmic Lesson or, if every number is represented your name, you don't have any.

Although you may feel you have learned to overcome one or more of your Karmic Lessons, you will continue to be challenged by them throughout your life.

Your Karmic Lesson is 0

You don't have any missing numbers in your name, therefore, you don't have a Karmic Lesson.

When you don't have a Karmic Lesson, your life's challenges and obstacles described under the chapter for Challenges, as well as chapters discussing Bridge numbers, tend to be a bit more intensified.

THE CORNERSTONE

The first letter of your first name gives an additional indication of your character, particularly in the way you approach opportunities and obstacles. This first letter is called your Cornerstone.

Your Cornerstone is A

You are ambitious, independent and have great drive, you are not easily influenced. You are mental and direct. You want to take charge. You have willpower and are resolute and purposeful. You have courage and boldness but may also be stubborn and willful. Be more flexible and willing to listen to others.

THE SUBCONSCIOUS SELF

Your Subconscious Self is based on how many numbers are represented in your name, and indicates your ability to make the most of your talents and opportunities, especially when you face new, challenging, or even dangerous circumstances.

Your Subconscious Self number is 9

You are somewhat impersonal and may be difficult to get to know. You are not demonstrative of your affections, though you often have deep feelings and great compassion. You are competent and controlled in any situation.

You have no specific Karmic Lessons and are therefore not as vulnerable to Life's ups and downs as others.

PLANES OF EXPRESSION; THE PHYSICAL PLANE

You experience life on four different levels: physical, mental, emotional, and intuitive. Your Planes of Expression indicate how you function on each of these planes.

Your physical plane links you to the material world.

Your mental plane, like the emotional and intuitive, perceives the invisible world; the realm of thought and reason.

Your emotional plane is preoccupied exclusively with feelings.

Your intuitive plane gives you access to the insight and knowledge that comes effortlessly as if placed at the doorstep of your mind.

In each category, the number of letters, and their numerical value, gives an indication of which Planes of Expression are stronger in you and which are weaker. Each of us is dominated by one or two of the first three planes. The physical and mental are the most widely used, although a name dominated by emotional letters is not uncommon. The intuitive plane is usually the least utilized. A name dominated by intuitive letters is extremely rare but having no intuitive letters in a name does occur. This does not mean a lack of intuition but points toward a tendency to ignore or distrust intuitive insights.

The Physical Plane represents the physical letters in your name.

Your Physical Plane of Expression is 19/10/1

You are active and inspiring; you are daring in business and other areas of life. You have strong likes and dislikes and live according to your opinions. You are charming and witty but get bored easily. You work hard and determined and are very goal-oriented. You thrive on the combination of enthusiasm and challenges, the lack of which makes you dull and disinterested. You are like a flare, burning brightly for a specific duration, but must move on to other projects in order to sustain your excitement.

THE MENTAL PLANE

The Mental Plane is based on the mental letters in your name.

Your Mental Plane of Expression is 35/8

Anthony, you have a great talent as a business person. You can manage large corporations and institutions. You understand how to organize people and direct them toward some larger common goal. You are highly ambitious and competitive. Money and power are essential to your sense of identity and self-respect. You must guard against arrogance and superiority. You can be imperious.

You are demanding of yourself and others. You seek excellence in all things and refuse to settle for less.

THE EMOTIONAL PLANE

It is not uncommon for a person to have a name dominated by emotional letters.

Your Emotional Plane of Expression is 42/6

You are highly emotional, yet you possess a rare degree of balance to which you can turn. You love family and close friends as few people are able. You worry too much and feel responsible for other people's actions. You take justice and honesty with extreme seriousness; however, you may be too disciplined.

You have artistic talent. You like to help others more than most and are willing to sacrifice your own needs. You have an ability for teaching and healing. You need much love and can give the same in return. You are highly idealistic, and very committed once you decide upon your soul mate.

THE INTUITIVE PLANE

A name dominated by Intuitive letters is extremely rare. It is, however, not at all uncommon not to have any intuitive letters.

Your Intuitive Plane of Expression is 10/1

You are highly intuitive with flashes of insight. You probably attribute most of your thoughts to your mental capabilities, but in fact your insights come from another, higher resource.

PART V: HOW YOUR CURRENT NAME AFFECTS YOU

The influence of the short name (the name you use to introduce yourself, including your last name) is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers, and their related characteristics, that are missing or out of balance in the full name.

THE MINOR EXPRESSION

Your current name forms the basis of your Minor Expression number. It is usually the first and last name you commonly use to introduce yourself (not necessarily the name you received at birth).

The influence of your short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for letters or numbers missing in the full name.

The name you currently use, also affects how you feel about yourself.

If a name change takes place later in life for marital or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or latent talents.

Your Minor Expression is 15/6

Your short name adds love, warmth, generosity and genuine concern for others. It increases your concern for family and those less fortunate than you. You are better equipped to deal with duty and responsibility and even find greater satisfaction in it.

You want to do good in the world. You become more socially conscious and seek ways to better the plight of others.

Your artistic abilities are enhanced. You are more concerned with beautifying your home or engaging in healing and teaching.

THE MINOR HEART'S DESIRE

The vowels of the name you currently use to introduce yourself are the basis of your Minor Heart's Desire number.

Your Minor Heart's Desire is 6

Your short name increases your capacity to radiate warmth, solicitude, and kindness. You are more patient with others and a far better listener. Your willingness to carry the burden of others is increased.

Your Minor Heart's Desire increases your creativity and your domestic instincts. Women feel better at home; men feel more comfortable in the roles of husband, father, and provider. Your sense of harmony and social consciousness are enhanced. You are better able to settle disputes.

Six is the most balanced of all numbers, in harmony with all other numbers. Very few people with 6s in prominent places stray very far from their true natures.

THE MINOR PERSONALITY

Your Minor Personality is based on the consonants of your current name and reflects, at least to some extent, how you think, or hope, others might perceive you.

Your Minor Personality is 9

You are elegant, graceful, and charismatic. Many admire you. You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate.

You are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing. You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

PART VI: YOUR FUTURE

The next chapters deal with your ever-changing cycles and how they affect you.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 36 and 37 is N

The N transit delivers opportunities to expand your horizon. It is an adventurous period, increasing the possibility of travel or a change in residence.

This is a dynamic time offering new activities and opportunities to make important social contacts. You seek love and fulfillment and are likely to feel more sensual than usual. Sacrifice, adaptability, and flexibility are called for. You will also be concerned with finances and may worry too much about these matters.

You may be more forgetful during this transit. Exercising your intuition is important during this period.

YOUR MENTAL TRANSIT

The Mental Transit is based on your middle name

Your Mental Transit for age 36 and 37 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 36 and 37 is R

surroundings.

You have deeper understanding and insight during this transit. It is a time to deal with money, power, and authority. You have an opportunity to elevate your financial status and personal growth. This is a period where you are likely to meet the best and the worst. You must exercise caution in everything you do and every decision you make. Be aware of your

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Anthony, Your Essence for age 36 and 37 is 19

You are in a struggle for independence and possessed by personal ambition. You will feel the need to work hard to establish yourself and your foundation. You are forward looking and even visionary.

This is a period of struggle. It is a time when you may feel torn between your personal desires and your concerns for others. It can be a time marked by stubbornness and rigidity, characteristics you will have to keep in check. This duality between the lower desires and the higher realms of love can cause you much internal conflict. Secretly, you may feel torn between a desire to serve some greater good, and your ambition

for personal accomplishment. You are aware of the needs of others. At the same time you are skeptical of ideals and idealists. You may tell yourself now that you must be realistic in your dealings with the world. But you must avoid shutting out the voice of your higher nature. Do not let your higher ideals go, lest you be guided exclusively by materialism and greed.

All too often, those in the 19 Essence finally resolve this conflict by conceding to personal ambition and selfishness. This can lead you to much trouble. People may perceive you as greedy and self-centered. Because you are driven by ambition, you may be attracted to people who have no other priority but personal gain. For some, this will lead to shady business practices and even brushes with the law. This can be a time when you feel a need to pull back from others and become less social than during previous years. But this can lead to isolation. You may also feel frustrated because your ambitions want instant gratification, which the time does not allow.

The challenge during this time is to strike a balance between your worldly needs and your inner spiritual nature. The time requires much soul searching and a willingness to accept the perspective of others. Don't shut yourself off, or become jaundiced to your more idealistic brethren.

At the conclusion of the 19 Essence, the person is often better off materially, and far more independent, but there may also be a sense of disconnectedness from friends and loved ones. Therefore, it is important to work at maintaining close ties. Be open to others, and recognize that man does not live by bread alone.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2022 is 1

Be ready for major changes. You will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals. This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold. You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done. Be open-minded, organized, and focused. Avoid distractions and procrastination. You are at a crossroads. You will need courage and a clear head to stay on the right track. This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

Your Personal Year cycle for 2023 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality in 2022 is 1 and 1

Anthony, after reading your 1 Personal Year and 1 Essence cycles, you probably noticed the focus is very much on new beginnings and big changes. Although it is possible to make great progress under the double 1, it can also cause imbalance. Both cycles will push you in one exceedingly driven, forceful direction. The ambitious 1 will affect both your state of mind (your Essence) and the events and circumstances you will face during this Personal Year.

Fortunately, we are given the tools we need to meet the challenges before us. During this dynamic period, you will be required to play a strong, decisive, leadership role - all characteristics of the 1. You should find plenty of opportunities to use them, since the 1 also delivers the beginning of a new (nine-year) phase.

On the surface, this seems like an excellent match. However, your ambitious mindset may be tempted to

overuse force to achieve your goals, leaving little room for employing the tactful, cooperative approach that often produces better results. It will be important to recognize when to use a bold, ambitious, sometimes even aggressive approach, and when to apply a gentler, more cooperative approach (and perhaps a measure of patience).

This cycle could still be one of the most successful periods of your life, even if you are unable to create a healthy balance between them. However, this would be costly to your relationships and cause you to miss other opportunities. To use an analogy, it is like driving somewhere as fast as possible - you might get there sooner, but at the expense of missing other experiences (and stressed by the time you arrive).

Impatience and a low threshold for irritation are the signs to watch for. They indicate you may be moving too quickly or too brashly. If (when) this happens, slow down and reconsider your strategy. Be open to others. The 1 is independent and a leader, but everyone needs help from time to time.

Your Duality in 2023 is 1 and 2

After reading your 1 Essence and 2 Personal Year chapters, Anthony, you probably noticed the two cycles seem to conflict. However, although the 1 and 2 have opposing traits, the combination is not necessarily negative. At their best, these influences balance and supplement each other, not unlike a partnership where one partner is pushy and the other tactful. It is a marriage between uncompromising force and diplomacy.

But there will also be moments when the two clash. Your 1 Essence state of mind will feel bold, ambitious, and goal-oriented during a period when your 2 Personal Year will often demand cooperation and a sensitive, diplomatic approach. This will require a balancing act. When you feel impatient or realize you are forcing an issue, consider taking a slower, more considered approach and be open to the opinions of others. Keep in mind that forgoing immediate gratification in the interest of reaching long-term goals is usually a prerequisite for success.

Your willpower and ability to blow past obstacles can make you a force to be reckoned with this year. Your main challenge will most likely be controlling your impatient, audacious attitude in favor of a more harmonious approach.

Although not always the case, you will find that the gentle approach works most successfully in your personal life, while your career benefits from a driven, goal-oriented attitude. When you deal with practical and professional matters, take a no-nonsense, direct approach (let your 1 Essence rule). When relationships are involved, especially in your personal life, employ the 2's cooperative, tactful demeanor.

To highlight the conflicting nature of these cycles, consider this: your main challenge under this Duality is to strengthen your independence and individuality; it is the purpose of a 1 Essence. However, the events and circumstances that commonly take place during a 2 year have the potential to leave you emotionally vulnerable and manipulated by others. Knowing this, you can take steps to protect yourself during a period when you will likely feel more sensitive than usual.

Your greatest assets this year will be your ability to relentlessly pursue your goals, and your talent for gaining the trust and support of others.

PART VII: YOUR MONTHLY CYCLES

Monthly cycles follow each other in an orderly fashion; if your current Personal Month cycle is 1, the next will be 2, followed by 3, then 4, and so forth. However, this orderly pattern changes with the new year coming in. It is therefore possible to have a 7 Personal Month in December followed by a 5 Personal Month for January.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for March-2022 is 4

Now is the time to deliver and show yourself and everyone around you, that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on all the details. March is also a time when your ability to plan and organize projects is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities, and yourself. It's time to move; to make things happen. Do not procrastinate. Do not avoid work or effort. Slacking would be a serious mistake.

March can also be a little frustrating because so much of your energy will have to be directed to repetitive and routine duties and activities. However, in spite of the detail-oriented, plodding feel, this is a time that brings opportunities and real progress. This could even be a breakthrough time when you overcome an obstacle, real or perceived, that has dogged you for a long time.

It may be a little surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getter's approach and your can-do mentality. You may find yourself in demand.

Your Personal Month for April-2022 is 5

As explained earlier in your January forecast, this year and last combine to bring about major changes. That also includes changes in many practical areas of your life, and April brings many of them to the surface. There can be a change of residence or office. Travel, sometimes quite unplanned, is very likely.

April could become quite a dynamic and hectic month, but also adventurous and exciting. Consequently, this period requires flexibility, and a willingness to accept change. You have to adapt, respond quickly, and embrace change as opposed to fighting it. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises. There is a sense of randomness and a lack of control which, to many of us, is frightening. No need to worry, many of these changes, once accepted, will actually streamline your life and make progress easier.

Your ability to promote yourself and your ideas is also enhanced. You will find that you have an uncanny talent to be in the right place at the right time this month. You will be able to advertise your talents and abilities at work as well as at social events.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline or you may see much of your energy wasted. Unless you manage to concentrate and apply yourself, you may realize at the end of this month that you did not get a lot done.

Romance and social activities may tempt you to be self-indulgent and perhaps irresponsible. Be careful not to let this month's vibrant energy get out of hand.

Your Personal Month for May-2022 is 6

Love, romance, and commitment play an important role whenever a 6 Month teams up with a 1 Year. There is the possibility of a new relationship, the birth of a child, or marriage. It is a month of responsibility, unselfish giving, and a willingness to devote time and energy to the needs of others. Domestic and community matters move to the foreground and have to be given priority. Sometimes, this combination of numbers causes long slumbering discord between couples to surface and be dealt with.

This is a time when the heart rules and emotions run high. It can cause both extremes -- either deeper commitment and more lasting love, or separation and divorce. Honesty is essential to a positive development of the month. You may find yourself tempted to take the easy way out in some awkward situation, perhaps by lying or being secretive. However, that is likely to backfire and can become ugly and destructive, particularly during this month.

In general, this is a good time for career and financial matters; promotion is possible, as is a windfall in the form of an unexpected tax refund or an old debt paid back. This sequence of numbers is also more likely to resolve legal issues or other matters that pit you against large institutions, corporations, home owner associations, or some other faceless entity.

With so much energy dedicated to the heart, to love and emotions, it may seem that your sense of justice, your honor, and your moral values are tested more than once. Don't let opportunities to make a stand, or to right a wrong, slide by. Few feelings are more devastating than regret.

Your Personal Month for June-2022 is 7

This month offers time and opportunity for contemplation and insight. Career and romance do not require as much attention as your need to understand your own motivations and desires. Don't make the mistake of feeling guilty for not carrying your load, or for not working hard enough. That is not what this month is about. Keep up your sails, do what you have to do to avoid problems, but beyond that, let the wind do the rest. Take the time to dwell on your dreams and hopes, find clarity about what you want out of life. Most importantly, don't be afraid to confront yourself.

Your work and other duties take second place this month, however, you may well discover information, through research or by talking to the right people, that will help further your career.

This is not a good time to spend money, take out a loan, invest, sign contracts, or otherwise make long-term business commitments. Social activities are also better kept to a minimum, unless it involves deep or intimate conversations with family or close friends.

Your Personal Month for July-2022 is 8

Career and finances should be at the top of your priorities. Work hard and wisely. Combine practicality and vision. July is not a time to sit and stare into space, but to be on your toes, to keep your eyes wide open, and refrain from taking unnecessary risks, unless risk-taking is in your blood. For professional gamblers, this can be a very profitable period, but for those of us who live according to the simpler laws of effort and reward, this is a month to stay with the tried and true.

All affairs related to money should be handled with the utmost care. But let me be clear: This month is a rewarding time, and your chances that events will take a positive turn are great. If you are wise and cautious, you may increase your bank balance considerably. Nine-out-of-ten people in this combination -- 8 Month, 1 Year -- increase the strength of their financial positions.

This month also brings out strong emotions in personal relationships, both positive and negative. While a 1 and 8 combination, through the usual cycles of effort and reward, cause and effect, and good old-fashioned Karma, tends to increase stability and strengthen the positions of most people (not so if Karma is working against you), it has an almost opposite effect in the area of feelings. It shakes things up, calls out the white elephant in the room, and otherwise rocks the boat. The advice is to be open, tolerant, forgiving, and to refrain from judging -- lest you be judged.

If you are not yet romantically involved, this month may introduce you to someone special through work or business. New friendships and business partnerships are also common under this number sequence.

Your Personal Month for August-2022 is 9

As mentioned more than once during previous monthly forecasts, this year offers plenty of changes, and August continues the trend. Most of this month is dedicated to completion and letting go. This includes old habits, ideas and concepts that you have recognized as no longer valid, perhaps even projects you have lost interest in, and relationships you have outgrown. It is the latter that may be accompanied with a quite a bit of emotional turmoil.

However, with relationships as well as any other aspect of your life you are ready to let go off, the result is that you make room for the new.

Within the context of this two-year transformation mentioned in your yearly forecast as well as your January monthly forecast, August stands out as a kind finality. By now, you should have a pretty good sense of how and where you changed. However, you should be prepared for some moments of nostalgia and perhaps regret, these are the usual emotions that are part of the cycle of tossing out the old and inviting in the new. There will be unexplainable emotional upsets, melancholy, and such, but they are essentially the remnants of the old you. Share those feelings with someone close to you. Take comfort in heart-to-heart talks. Still, do not doubt that you now have both feet firmly planted in the new 9-year cycle. You are ready to move ahead.

If your love relationship is fairly recent, or still fragile, this month will likely reveal whether it is of true substance and endurance. Let go of whatever wants to be free; hold on to what wants to stay. And look to a brighter future.

Your Personal Month for September-2022 is 1

You experience an increases in inner strength, independence, and individuality during this month. There is a sense of empowerment. Chances are your health improves, and you are more focused and direct. You are certainly more ambitious and ready to pursue your goals. It may even feel a little like the dawn of a new era.

However, there is also a less fortunate side to this double 1 cycle in the form of lacking patience, irritability, and in some people even moments of violence and aggression. The energy you are experiencing when the 1 dominates to this extent is bundled, like a flashlight as opposed to an omni-directional light. For that reason, many things seem amplified. It is important that you maintain control and keep a close eye on your attitude. Even the gentlest among us tend to be rude or angry a few times under this influence.

Relationship issues should be avoided. As you may have guessed, you are not in the best mood to deal with other people's emotions.

September is a good time to bring about practical changes that you have long contemplated as essential to your health and happiness. This combination inspires smokers to quit, others to modify their diets or start an exercise routine. You are able to muster up great will-power, so take advantage of that.

Direct this month' energy towards your career or your business. Use that drive and ambition to make progress. But leave that kind of energy at your office, don't take it home with you.

Your Personal Month for October-2022 is 2

Your intuition and sensitivity are heightened. You are much more aware of feelings, yours as well as those of others - which is quite a change from last month (although this gentler energy probably started making its presence known about a week before the end of last month).

Under normal circumstances, and if it doesn't affect you personally, you will find it easy to maintain harmony, even in potentially discordant situations. However, on a more personal level, and particularly among your family and friends, this increased sensitivity can cause you to make mountains out of molehills, get jealous when there is no reason for it, or respond excessively to perceived slights. You are also more vulnerable to criticism than usual

You may also realize that you are given more authority or responsibility in your work. Although promotions and financial improvements may not be obvious, this combination often lays the groundwork for future improvements.

Romance and all heart-centered relationships are central to the events of the month. If single, you will meet someone special. If involved, your relationship will likely become stronger and more committed.

Your Personal Month for November-2022 is 3

November is a month brimming with inspiration, motivation, creativity, and self-expression. However, there can be a superficial undertone that makes many of your ideas or bursts of energy evaporate as fast as they came.

Still, your enthusiasm is contagious, and no obstacle is too great to overcome - or so it feels. It is your challenge for this month to bring in the needed ingredients of discipline and pragmatism.

Unfortunately, you have little patience and would like everything to go much faster. Your mind runs at a high speed, but it is scattering your ideas all over the place, unless you manage to channel it. Fortunately, there is enough brightness and lightness to make it a fun and exciting month. It is actually a very good time to take a break, maybe go on a vacation. If you do, don't forget to bring a notebook to write down the ideas that pop into your head. The expression of having a mind like a popcorn machine is quite fitting for the influence of this month.

Others are attracted to you and temptation is part of this month's game. There is a danger of falling into a trap of irresponsible behavior. Be careful.

Your Personal Month for December-2022 is 4

December brings opportunities as well as frustration. It is crucial that you stay focused on your goals and work hard. The numbers for this period are all about effort, discipline, and progress -- perhaps not an ideal combination for a month supposed to be full of festivities and joy. However, you will find that if you apply yourself, put your nose to the grindstone, when you are in your work environment, it makes the moments when you are out enjoying the holidays that much more satisfying.

This is an excellent month for career with many opportunities for progress, due in part to last month's inspiring ideas and enthusiasm, remnants of which make it into this month with a potential to actually manifest something. There is always promise when a 1 and 4 team up. You may feel that success is coming within reach, or that the breakthrough you have been waiting for is about to happen. However, there is a caveat; courage is big part of this combination, and a dose of that may be required if you don't feel you are ready.

Sometimes we experience a fear of success not so different from a fear of height. If that is the case, grab the bull by the horns, this is not a time to over think things or let fear stop you from reaching for what you want.

Generally, this combination is less affected by emotions and personality issues than other times. It tends to be fairly stable as far as relationships with friends, family, and co-workers.

Your Personal Month for January-2023 is 3

January brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a caution born of inner change and the emotional ups and downs that arose during the previous 18 months. You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and work.

You are also reflective and relaxed. Take the time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Your Personal Month for February-2023 is 4

You realize early this month that progress depends on your willingness to work diligently and remain focused on details. You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going. Meanwhile, be willing to cooperate, listen to others, and

tactfully communicate your convictions, as well as your doubts.

February is an excellent month to improve your financial position, particularly through better management. Due to consistent and patient effort, a raise or profitable business deal is in the cards.

Relationships tend to be a little shaky for most of this month. Anthony, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional stress.

Your Personal Month for March-2023 is 5

March brings some relief from last months' frustrating efforts to persuade others and to keep track of the details. This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way. The expression "being in the flow", is instructive for most of this month, and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good. A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).
