ABOUT YOUR RELATIONSHIP COMPATIBILITY PROFILE & FORECAST

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.

I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Deborah, your Life Path number is 5

The key to your personality is freedom. You love travel, adventure, variety and meeting new people. You possess the curiosity of a cat and long to experience all of life. You love to be involved in several things at the same time as long as you are not tied down to any one area. You like change, new things and new horizons. You make friends easily; your personality is upbeat and often inspiring attracting people from all walks of life.

You have a way of words and an uncanny ability to motivate others. You can be in sales, advertising, publicity, promotion, politics or any profession that requires your communication skills and understanding of people. You likely lack discipline and order. You can also be impulsive, doing or expressing things you regret later.

Freedom and a need for adventure sometimes is not properly controlled by those born with this Life Path, causing problems with drug abuse, overindulgence in food or sex, or generally abusing the gift of life. You are sensual and love to taste all of life. Sex, food and other sensory experiences are essential to the enjoyment of your life. You find it difficult to commit to one relationship, but once committed you can be as faithful as an old dog.

You are multi-talented and possess a variety of diverse abilities. However, discipline and focus are the true keys to your success. Without these many of the tasks you begin will remain unfinished and you will fail to realize the true fruits of your abilities. With hard work and perseverance, the sky is the limit. You may have been perceived as a wild child by adults and a source of concern by your family. However, do not be obliged to hurry your choice of career. You are often a late-bloomer and need to experience life before you can truly know and commit to your heart's desire.

Your challenge is to learn the true meaning of freedom. Change is constant in your world requiring adaptability and courage. Try to maintain an exercise program, keep your body in shape and limber. The flexibility and durability of your body will promote security and confidence within you.

You yearn for freedom and self-employment attracts you powerfully. You should eventually work towards settling on one area to cultivate your ability sufficiently to earn a living and attain success. Once you find your niche the motivation and inspiration you supply others will bring you much in return, you will find

your friends and colleagues supporting and promoting you on the road to success.

Thomas, your Life Path number is 7

You are the searcher and the seeker of the truth. You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown and finding the answers to the mysteries of life. You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. You need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex. But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied. If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you.

You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

You must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world. Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or freer to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must

hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer. With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Deborah and Thomas, your Life Path Compatibility is 5 and 7

Deborah and Thomas, this is one of the best combinations for a long-lasting relationship, and a merging of archetypes that promises intellectual and inner growth for both of you. The 5 (Deborah) and the 7 (Thomas) fulfill one another's needs and desires in many ways, but particularly on the mental and spiritual planes. Many famous intellectual and artistic couples share this combination. This partnership is larger and more promising than the sum of its parts.

Deborah has a quick and flexible mind spiced with a wicked, offbeat sense of humor. Neuro-specialists have suggested that over time, the mind begins to think according to repetitive patterns it develops, like water running through a canyon. This may be the case for many people, but not for those who have a 5 in this position of the chart. A 5 will never allow their mind to shelter repetitive, predictable patterns. Thanks to Deborah's ability to juggle ideas and concepts, they seem younger and remain more playful and quick-witted long past the time others have slowed down.

Thomas's mind is also powerful; however, their mental and spiritual faculties operate very differently from Deborah's. Thomas has a dry sense of humor and a more serious mind; they seek answers to life's important questions and often spends time in contemplation searching for insight and understanding. It is likely Thomas is not strongly associated with an organized religion but has nonetheless a strong sense of the reality of the "God force". For them, the mystery of life is not an unattainable or abstract concept - it is a reality. The 7 is the most spiritual and intellectual of all numbers, but it is rarely found among those with traditional mindsets; the 7 asks too many questions to take things at face value.

The only real source of discord that appears between the 5 and 7 is spiritual in nature. Thomas may feel Deborah's dynamic, social nature it too flamboyant or superficial at times. Deborah might feel Thomas becomes too invested in spiritual concepts, even that they are somewhat of a zealot. It is probably difficult for Deborah to understand how people can become so invested in abstract concepts and philosophies. And Thomas may find it difficult to accept that Deborah believes experiencing life is more important than

analyzing it.

Fortunately, the 7 and the 5 have such a positive influence on each other these differing outlooks rarely create problems. Deborah keeps Thomas flexible and able to enjoy life from a simpler, more direct perspective, and Thomas demonstrates how a deep, serious search for understanding can be immensely gratifying.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Deborah, your Expression is 6

You are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother" or "Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love". You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most harmonious of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute. Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

Thomas, your Expression is 9

You are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world. You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many and seek fame. Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

You realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant. You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression. You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality, you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel. In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

Deborah and Thomas, your Expression Compatibility is 6 and 9

Deborah and Thomas, all numbers divisible by 3 have several things in common. Primarily, they respond to the physical, emotional, and spiritual needs of others. The 6 (Deborah) expresses this in the love and care shown to family and friends. The 9 (Thomas) directs its attention to the greater good - to humanity at large.

When the 6 and 9 are found between romantic partners in this part of the chart, compatibility is automatic. Both of you are self-sacrificing, giving, and caring people. Deborah is more practical, Thomas more idealistic, but your motivations are similar.

One attribute you share is your sense of justice; both the 6 and the 9 have a strong awareness of right and wrong, this could lead to one or both of you getting involved in politics or becoming activists or advocates for a cause. Unless you happen to be on opposing ends politically, this trait could further strengthen your bond.

Creativity and an eye for beauty are other aspects you have in common. Oddly, this is often a source of trouble for this combination. There will be times you have similar views when it comes to decorating, for example, but you will also often differ. When it comes to creative matters you will both have strong opinions. In the event of a disagreement, you will need to compromise (something you are both quite capable of doing).

Although you are generally highly compatible, there are areas where you are likely to clash if certain negative traits are not acknowledged and kept under control. Although this is not common in your combination, it is something to be aware of. Thomas, although idealistic and self-sacrificing, the 9 has the potential to become arrogant and self-righteous at times. Recognizing the relative value of your concepts and ideas may not be your strong suit, which could lead to putting others down if they do not share your (elevated) viewpoint. If this tendency is combined with extreme religious belief the 9 can become a negative influence on others, even destroying a relationship with the most devoted partner. Accepting that the 'truth' as we understand it is still limited allows us to have compassion and tolerance for others. The 9 is the least prejudiced of all numbers, so the likelihood of this being an issue is not high. But, as with all human traits, its dark side tends to be the direct opposite of its light side.

Deborah, although your 6 is considered the most loving of all numbers, it has a dark side as well. The 6 can become intolerant and angry, often without a clear cause. Irritation and anger can fester, just waiting for the right opportunity to appear. The 6, although sincere, can also be intrusive and meddlesome to an uncomfortable degree.

Deborah and Thomas, the negative side of the 6 and the 9 are rarely displayed, but you will need to be mindful to prevent them from spoiling what is most certainly one of the best relationship combinations around.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you

make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Deborah, your Heart's Desire number is 3

You love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion. Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down.

You have a gift for self-expression and are drawn to the verbal arts -- writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit. If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

You need discipline to make full use of your abilities. Too often, you may scatter your energies in many directions, beginning projects that are never finished and never really succeeding in anything. Your success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

You have the potential to live a very full and successful life thanks to your talent for artistic self-expression. The key to your success is a balance between the creative forces and self-disclose.

Thomas, your Heart's Desire number is 2

You want peace and harmony in all aspects of your life. You want to devote your life to someone or something. You fall in love easily. You are extremely sensitive and emotional. You can be sentimental, and you cry at sad stories. You need friends and society. You appreciate the refinements of life. You desire comfort and security. You have refined taste and can be a connoisseur. You love music and possess a good deal of musical talent. Your sensitivity is a symptom of your highly developed intuition. But you must learn to trust it.

You are a gentle soul and shy away from confrontation if possible. You experience a battle within when you do not believe you can handle a situation; this may have a paralyzing effect on you. You prefer to give in when you should assert yourself. You must learn to be more decisive. Very often, you are afraid to use your own power in the face of someone else's aggressiveness. You incorrectly perceive yourself to be in a weaker position; you may ultimately give in merely to avoid a fight. Conversely, you are extremely diplomatic and tactful. You like to accomplish things through quiet persuasion. You dislike force.

You must fight uncertainty and doubt. You need to develop confidence and a willingness to stand up for what you believe to be right.

You function best in a supportive role, guiding the more public person in quiet, unobtrusive, yet essential ways.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

Deborah and Thomas, your Heart's Desire Compatibility is 3 and 2

Thomas, with the sensitive 2 as your number, you may find it difficult to handle criticism and confrontation (which has the potential to make you hold a grudge). Just the opposite, Deborah's 3 gives them the innate ability to allow negative criticism to roll off without doing much damage. This does not mean they cannot be hurt, but simply that they will not allow such things to spoil the day. These differing approaches regarding emotional issues could create conflict between you.

Sometimes a little tactless, Deborah might speak before thinking, not realizing the effect their comments will have on Thomas. However, when "little things" grow into big emotional issues in which even Deborah is strongly affected, they will respond passionately. Although Deborah tends to be less affected by criticism or an emotional exchange, they have less control of their emotions. This might lead to expressing anger and sharp words that could hurt Thomas, damaging the relationship.

Thomas might respond with a few angry words but will more likely just withdraw. If this happens, a hard kernel of resentment wrapped in confusion can develop and sometimes remain hidden for a long time. Since Thomas may not always think clearly when emotions are in play, and may walk away from confrontation, they could eventually become so discontent that it would take everything Deborah has to bring them back.

On a positive note, the combination of 2 and 3 is very passionate and strong. If Deborah keeps verbal impulses under control, and Thomas has enough self-confidence to accept occasional criticism, the relationship has every chance of bringing lots of love and joy to your life.

Often, the combination of 2 and 3 in this area of the chart enhances both parties' creativity. The sense of harmony and rhythm associated with the 2 merges beautifully with the creative powers of expression so native to the 3. Your relationship can be strengthened enormously by sharing creative interests.

Keep in mind that beauty and love are the foundation of your relationship. The key to weathering your differences is to discuss issues openly and frankly, with tact and sensitivity as soon as they arise.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Deborah, your Personality number is 3

Many men with a 3 Personality are usually handsome; women often strikingly beautiful. Your vibration is full of life. You are uplifting, inspiring, and charming. You are a fun person to be around. Your wit and sparkling personality make you the life of a party. You are extroverted and optimistic. You appreciate fine clothing and jewelry and enjoy dressing up a bit. You like glamour and are sought after by the opposite sex. You are a romantic. You fall in and out of love rather quickly. You are affectionate and giving.

Do not let your charm be an incentive to play too much. Work at developing deep and lasting relationships. You have to avoid scattering your attention for popularity. You can be flippant about commitments and may dramatize or exaggerate. Your wit can cause you to rely too much on superficial, humorous conversation.

You have a distinct "lucky streak" that attracts many opportunities throughout your life. You also have a knack of promoting yourself as well as inspiring others. When backed up by hard work and self-discipline, these qualities almost ensure your success.

Thomas, your Personality number is 7

You seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries. You are hard to get to know. You are often withdrawn.

It is common for people to see your focus turn inside of yourself in the middle of a conversation. You have the makings of an intellectual and an aristocrat, but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression. You appear dignified no matter how you dress., but a well-groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Your love of knowledge and wisdom shows. You are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator. You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Deborah and Thomas, your Personality Compatibility is 3 and 7

Your combination of numbers in this part of the chart is particularly interesting. The differing natures of the 3 and 7 can make a relationship last for two weeks or help it remain exciting and powerful for a lifetime. If your relationship is stable and has existed for quite some time, you may well remain soul mates for life. If the relationship began recently and has already experienced considerable ups and downs, you might be in for a very rough ride. It is also quite common for this combination to turn from romance into a deep friendship soon after a romantic fall-out.

Deborah (the 3) has a restless, energetic, unconventional mind that happily explores the boundaries of

creativity and originality. Like a kaleidoscope, the mind of the 3 easily changes color and shape and enchants those around it. However, the 3 also prefers to stay on the surface, keeping things light and upbeat.

Thomas (the 7) has a much more serious, but no less unconventional way of viewing life; they are an untiring seeker of truth and understanding, who finds great satisfaction in quiet moments of contemplation and soul searching. Thomas thrives on the clarity and realizations that come from moments of inner/spiritual enlightenment.

Although you have vastly different intellectual styles, you are both unconventional and not afraid to wander off the beaten path. You also differ in your needs and interests - but they are compatible. In fact, it is precisely your uniquely different intellects that make this relationship lively and interesting. To use an analogy, the 3 is like the sparkling, excited, playful child, and the 7 is the wise, more serious teacher. You complement one another and lend each other something you are not able to give yourselves. Deborah brings an upbeat attitude and an intuitive, easy-going faith in life, while Thomas offers a taste of the beauty found in exploring the deeper aspects of life itself. Like the sun and the moon, each in their different way, you supply light, energy, and comfort. If you can accept your differences (and not compete) you should be able to live in great harmony.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Deborah, your Maturity number is 2

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your

Maturity Number will greatly increase your ability to work harmoniously with other people.

Thomas, your Maturity number is 4

Your maturity will find you increasingly practical, organized, and far more down to earth. You will be capable of putting your ideas into concrete form. Your latter days promise to be a time of accomplishment and activity. You become more focused and goal-oriented and less willing to discard details and cut corners. There is little interest in a quiet retirement. You are too involved in seeing your plans and efforts come to life.

Your family and friends will profit from your four-maturity number because of your increasingly helpful and reliable nature. However, you must guard against becoming rigid, narrow minded, and opinionated, especially if already several fours are found in your chart. If you are lacking 4s, or have only one or two of them, you will benefit by your increased understanding of systems, organization, and the rewards of a methodical approach to life.

It will do you good to take your time to relax and enjoy the flowers every day.

HOW YOUR MATURITY NUMBERS COMPARE

Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.

Deborah and Thomas, your Maturity Compatibility is 2 and 4

Deborah and Thomas, a 2 and 4 combination in this area of your chart is a powerful asset in your relationship. Deborah (the 2) brings tact, sensitivity, intuition, and the innate ability to recognize the subtleties of life. This beautifully compliments Thomas's grounded, practical perspective. It is a combination of extremes that brings balance to the relationship, strengthening and complementing both of you. Like mortar and brick, energy and matter, earth, and sky, yours is one of the best possible combinations.

However, since perfection is not easy, if not impossible to find, your relationship is not free from risk. Although the qualities of the 2 and 4 may be responsible in large part for your initial attraction - opposites attract and 'complete' each other in some way - there may be times you feel you are living with an alien creature. Thomas may not always understand Deborah's strong feelings, perspective, or approach to issues. And Deborah will sometimes be annoyed if Thomas's methodical, practical viewpoint overshadows any hint of emotionality or idealism.

In the end, this occasional difference of approach should be a minor issue in an otherwise well-balanced relationship. Try to respect your differences and recognize them as assets; you each have something to teach and offer the other. Although this is only one area of your chart, it indicates it would take a powerful storm

to blow this relationship off course.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Deborah, your Personal Year cycle for 2022 is 5

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

Thomas, your Personal Year cycle for 2022 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

Personal Year cycles tend to enter and leave gradually, overlapping the previous cycle for a month or two. This affects your Personal Month cycles described further down in your Relationship Forecast.

As a rule of thumb, in a relationship the most compatible cycles are those that are separated by a factor of 2, such as 1 and 3, or 2 and 4, or 7 and 9. Cycles that tend to be more challenging are separated by a factor of 1, such as 2 and 3, or 3 and 4, or 8 and 9, etc. However, there are exceptions to both rules and if they apply you will find it mentioned in your forecast.

It is also not uncommon for two people to share the same Personal Year cycle (about 1 in 10 do), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Deborah and Thomas, your Personal Year's Compatibility in 2022 is 5 and 2

Deborah and Thomas, the 5 and the 2 get along well in many ways. They happily play together, love together, and enjoy each other's company - if everything is in harmony. However, the moment they hit a bump in the road, things can become problematic.

The trick is to avoid disagreements as much as possible. Although it is not usually recommended, this may be one of those times it is best to keep things somewhat superficial and not dig too deep.

For Thomas, the enhanced emotional vulnerability typical of a 2 cycle could open the door to negative feelings that are out of proportion with what is really going on. A minor criticism could become a major source of discontent for them during this period. At the same time, you, Deborah, may not be as sensitive and aware as usual which could lead to impulsive comments that hurt their feelings. Your mind will be particularly active and less likely to show restraint.

You should both be careful not to take one another's remarks too seriously (especially those spoken in the heat of the moment). It is likely that neither of you will be at your best when expressing yourself during this cycle. You may be too impulsive, and Thomas too emotional. It will help if you keep this in mind and allow each other a little leeway, especially with sensitive issues.

Deborah, your Personal Year cycle for 2023 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a

breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Thomas, your Personal Year cycle for 2023 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Deborah and Thomas, your Personal Year's Compatibility in 2023 is 6 and 3

Deborah and Thomas, this is a time of strong emotions for both of you. Although inspired by different motives, your numbers suggest you will appreciate each other even more than usual. For Thomas, this is partly the result of the 3 lending a deeper appreciation of their family, friends, and social life. For you, the driving force is simply the heart. Both of you should feel your priorities shift somewhat toward the joy of living and away from the daily grind.

A potential concern during this cycle could lie in your need for more attention than usual at a time when Thomas is focused on their social life, requiring less attention from you.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Deborah, your Personal Month for April-2022 is 9

April brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions. There are indications of upcoming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may tend to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Thomas, your Personal Month for April-2022 is 6

Matters of the heart come to the foreground. Romance is now at the top of your list of opportunities. On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Your family and friends need more attention. You may find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

There is an increase in your workload and responsibilities due to a promotion - or one that may be in the offing. The change may well bring financial rewards. April is a good time for finances, particularly those related to real-estate.

YOUR MONTHLY RELATIONSHIP FORECAST

Deborah and Thomas, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for April is 9 and 6

Deborah and Thomas, although this may be an emotional period for Deborah, it is considered a very compatible cycle combination.

Thomas's 6 should help them feel especially devoted and committed to the relationship during this period, which is exactly what Deborah needs, who could feel a little worn out and rudderless or have concerns that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle because it is the end of a cycle where loose ends need to be tied up and letting go is part of the process.

Thomas, on the other hand, should feel stable and be able to offer comfort and support. Their 6 inspires love, nurturing, and concern for others. This is also a favorable time for them to focus on practical matters, especially those relating to home, family, and career.

Much will depend on Thomas's ability to offer encouragement and reassurance; but you offer important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. You bring inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can help you see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because Thomas's 6 lends an especially warm, personal connection, they should be able to help lessen the emotional tenderness that is likely to accompany Deborah's transitional cycle.

Deborah, your Personal Month for May-2022 is 1

May brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals. Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance

is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Thomas, your Personal Month for May-2022 is 7

May leads to powerful self-discoveries and intuitive perceptions. It is a highly spiritual time, causing you to withdraw from the hustle and bustle of daily life. Your focus is inward. You find yourself contemplating the mystery of your existence, your purpose in life, and your direction. You find yourself taking time off to read or meditate. It's an excellent time to take a vacation, but you may want to avoid group activities.

Social demands will make you irritable and out of sorts. Be with yourself or enjoy meaningful discussions with someone close to you. In this way, you may deepen your marriage or romantic relationship.

It is a time for wisdom and insights, even premonitions and revelations that have little to do with intellectual effort but are the result of heightened awareness and a free-flowing channel between your sub-conscious and your conscious. Be particularly alert to your dreams and the direction and insight they offer.

Your Personal Month's Compatibility for May is 1 and 7

Deborah and Thomas, the challenge for a relationship between these cycles is to maintain a feeling of belonging. There are big differences between the way the 1 and the 7 affect a person, but one thing they have in common is that both cycles increase the awareness of independence and individuality. During this period, you are both likely to feel a little distance in your relationship, which is not necessarily negative - in fact, it may strengthen your partnership.

However, if your expectation is that you will spend a great deal of time together, share everything, and that nothing will change, your experience may fall short. The wise thing to do is to accept the fact that you will probably move apart somewhat during this period as a temporary and necessary part of your personal growth.

Deborah, a 1 in this position indicates you will be focused on your career or other goals, busily taking advantage of opportunities for progress. Thomas's attention will be focused inward toward spiritual and mental growth. They are going through a period of self-discovery and need to spend time alone as part of that process.

Although different in nature, you both have individual needs that require focusing more on yourselves and less on each other. This may make you feel as if the relationship is weakening. However, unless you turn it into an issue this should not be the case. If you accept the fact that their attention is focused elsewhere, you will find that this period offers growth for both of you as individuals, but not at the cost of the relationship.

Deborah, your Personal Month for June-2022 is 2

The 2 and 5 combination enhance your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks. There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or . . . cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

Thomas, your Personal Month for June-2022 is 8

The time is ripe to reach out and receive some of the fruits of your labors. It is a harvesting time, but the rewards are still dependent upon good relations with co-workers. Ask for a promotion, or a raise. Let those in the right positions know that you value the recognition and respect they bestow upon you.

You are in the right state of mind to deal with some tricky personality-clashes; solve communication problems; turn enemies into friends, and in many ways manipulate events through gentle persuasion. The numbers 2 and 8 allow you to handle sensitive issues with tact and diplomacy, as well as with authority and decisiveness. It is a good time for negotiations in every area of your life, personal as well as professional.

Romance is very favorable but can be spoiled by money issues. On the other hand, domestic affairs can be troublesome and can leave you feeling powerless unless you are willing to cooperate. Leave such issues alone for now. The domestic scene is better handled in July, when dealing with relatives is easier and goes more smoothly.

Your Personal Month's Compatibility for June is 2 and 8

Deborah and Thomas, this is considered a difficult combination of cycles because your priorities are not aligned. For you Deborah, the relationship and matters of the heart take precedence and heighten your sensitivity and emotions. This could make you more vulnerable to criticism or perceived neglect during this period.

For Thomas, focusing on the relationship will probably take second or third place for a while. Their focus will be on career, finances, friends, and family. Thomas wants to improve everything that surrounds and sustains the relationship, but in the process, they may not pay as much attention to you. Also, you might feel they are not carrying enough emotional weight when, in fact, your focus is simply directed elsewhere.

This cycle combination offers many openings for misunderstanding and disagreement. It is likely that you will experience a few rough spots, but it should also bring positive aspects. Thomas has the potential to make improvements in areas outside of the relationship (which will ultimately support it), and you can help the two of you stay connected and deepen your bond.

Deborah, your Personal Month for July-2022 is 3

Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income. This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the

time to do it. A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too seriously, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Thomas, your Personal Month for July-2022 is 9

July is both emotional and demanding. It is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. This is a testing period for relationships in all areas of your life. The 9 and 2 combination -- diplomatic, sensitive, and service oriented numbers -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have outgrown. This month is your opportunity to avoid becoming an emotional and material packrat. July is a time to empty your cup and make room for new gifts coming your way. It is a transition period. You will likely experience deep emotions, even nostalgia, and melancholy. At times, you may feel exhausted. Such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level. You are not entirely conscious of all that is happening, and consequently you may have difficulty expressing your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself, and your sacrifice will help you achieve stability and inner strength. This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

July is a month that requires balance: you are feeling emotional, but at the same time you must also focus on the needs of others. If you indulge too much in your feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your needs and service to others.

Your Personal Month's Compatibility for July is 3 and 9

Deborah and Thomas, this combination of cycles is quite compatible and often gives birth to new ideas and plans. It should be a time of enhanced creativity for both of you, delivering opportunities for change and improvement.

Thomas, however, could also face a challenging period of powerful emotions that requires a stable environment and support from you, Deborah. Fortunately, your cycle is upbeat and optimistic, which can be a much-needed source of comfort for Thomas.

Because you will experience differences in your approaches and attitudes, it is important to respect each other's needs during this cycle. You can help by exercising patience if Thomas is not as grounded as usual; they are likely to be experiencing a time of choices and decisions on a deep (even subconscious) level, so little may seem clear or simple to them.

You, on the other hand, should have an upbeat, happy-go-lucky approach to life during this cycle, and an easier, less emotional time. There will be ups and downs, but your challenge is more about maintaining direction and focus.

Although this may not seem like an ideal time to make substantial changes that could affect your relationship, the process of making plans together could help Thomas feel more secure.

During this period, much will depend on your ability to be a source of strength and comfort for Thomas. Thomas's 9 cycle is considered the most challenging, while yours is usually one of the easiest and most pleasurable. This is a fortunate combination for the relationship where you can share your upbeat energy with Thomas during their more challenging cycle.

Deborah, your Personal Month for August-2022 is 4

Your career may be demanding and a bit frustrating this month. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This August could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and

trustworthiness.

Thomas, your Personal Month for August-2022 is 1

August brings new energy and a kind of restoration of life. There is a feeling of rebirth, excitement, a brightness in the air that wipes away the last residues of last month's bouts of gloominess and self-doubt. You want a change, a challenge, some goal toward which you can direct your enthusiasm. Well, that's what this month will bring. A new project, career change, something new. Keep in mind, however, that you are planting seeds now that must be nurtured and cultivated over the next year or so. In other words, you must remain focused on this dream to nurture it properly over time.

Don't take chances financially. Your optimism may make you impulsive and vulnerable. Remain cautious and research all propositions brought to you.

You will be introduced to new people and, if you are not already involved, one may turn into a passionate romance. Here, also, the careful approach can save some future heartache. The child in you is very much alive, trusting and believing that everything is what it seems.

While this is a very promising time for romance, keep in mind that a certain amount of rational examination is necessary to protect yourself. Wait until the end of next month before you surrender your heart to the person you are attracted to.

Your Personal Month's Compatibility for August is 4 and 1

Deborah and Thomas, as a rule, when the 4 and 1 combination is found in this part of the chart, it is not very compatible. Although both cycles represent a strong drive and the need to put forth effort, they express it quite differently.

Thomas is motivated in large part by enthusiasm, dreams, hope, and a can-do attitude. This is a time of opportunity for them, and they should take advantage of this period to focus on their goals.

Deborah, your drive is born more from frustration and the need to break free from a shell that has felt restrictive for some time. (This frustration could increase before things change.) Your challenge is to keep from directing it toward your loved ones. The 4 cycle is rarely an easy one, but it invariably brings progress and a breakthrough of some kind. Try to keep that in mind as you move through this demanding period.

The two of you are experiencing quite different cycle challenges. Thomas will have to be sensitive to your need to stay focused on your tasks, and you will have to recognize their need to move boldly ahead.

Deborah, your Personal Month for September-2022 is 5

The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go.

Otherwise, stress may take a physical toll. If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. You may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Thomas, your Personal Month for September-2022 is 2

This is an 11/2 Month. The number 11 (referred to in numerology as a Master number), is highly charged, sensitive and intuitive. You are extremely perceptive. Dreams are full of insight and seemingly irrational, and creative ideas should be examined seriously. Your most powerful asset right now is your inner antenna that is picking up vibrations that escape others.

Your relationship with co-workers is fragile, but this is due largely to your enhanced sensitivity. Don't take your emotions too serious. Increased sensitivity magnifies and exaggerates emotions. If you fixate too much on them, you'll do yourself a disservice. Overlook slights and let things pass without retort. People will come around.

Romance is still strong, but you must remain realistic. Last months' excitement and infatuation has given rise to self-examination. As with co-workers, long-term relationships and friendships are fragile right now. Again, be skeptical of your emotions; it's quite possible that you are making mountains out of molehills.

Cooperation, tact, patience, tolerance, and forgiveness are the key-words to make this month pleasant and successful.

Your Personal Month's Compatibility for September is 5 and 2

Deborah and Thomas, the 5 and the 2 get along well in many ways. They happily play together, love together, and enjoy each other's company - if everything is in harmony. However, the moment they hit a bump in the road, things can become problematic.

The trick is to avoid disagreements as much as possible. Although it is not usually recommended, this may be one of those times it is best to keep things somewhat superficial and not dig too deep.

For Thomas, the enhanced emotional vulnerability typical of a 2 cycle could open the door to negative feelings that are out of proportion with what is really going on. A minor criticism could become a major source of discontent for them during this period. At the same time, you, Deborah, may not be as sensitive and aware as usual which could lead to impulsive comments that hurt their feelings. Your mind will be particularly active and less likely to show restraint.

You should both be careful not to take one another's remarks too seriously (especially those spoken in the heat of the moment). It is likely that neither of you will be at your best when expressing yourself during this cycle. You may be too impulsive, and Thomas too emotional. It will help if you keep this in mind and allow each other a little leeway, especially with sensitive issues.

Deborah, your Personal Month for October-2022 is 6

October brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion. This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your wellbeing this month. If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible. If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

Thomas, your Personal Month for October-2022 is 3

You need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure but avoid stressful situations this month. Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Your Personal Month's Compatibility for October is 6 and 3

Deborah and Thomas, this is a time of strong emotions for both of you. Although inspired by different motives, your numbers suggest you will appreciate each other even more than usual. For Thomas, this is partly the result of the 3 lending a deeper appreciation of their family, friends, and social life. For you, the driving force is simply the heart. Both of you should feel your priorities shift somewhat toward the joy of living and away from the daily grind.

A potential concern during this cycle could lie in your need for more attention than usual at a time when Thomas is focused on their social life, requiring less attention from you.

Deborah, your Personal Month for November-2022 is 7

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

Thomas, your Personal Month for November-2022 is 4

November is time to get down to business, to focus on work, and finish anything left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture? You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success. The best way to balance such determination is to get in touch with nature: take a walk in the

woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Your Personal Month's Compatibility for November is 7 and 4

Deborah and Thomas, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

For Thomas, it is a time to deal with mundane, practical matters (which they could find boring and frustrating). The 7 in your cycle is focused inward - a period for quiet contemplation, daydreaming, doubts, questions, and learning more about who you are. It is not difficult to see how the differing needs inherent in your cycles might create some distance.

Sharing your feelings and giving each other room to pursue individual interests can help alleviate stress in your relationship, and help you take advantage of the progress this cycle has to offer.

Deborah, your Personal Month for December-2022 is 8

December will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion. This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love.

Thomas, your Personal Month for December-2022 is 5

December brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself. You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a

new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Your love relationship is in a vulnerable state, and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Your Personal Month's Compatibility for December is 8 and 5

When it rains, it pours. This is a cycle where neither of you will find it easy to keep up with the other. Thomas will have a lot going on, juggling more balls than usual, while your vision and ambition should keep you focused on plans and opportunities.

With vastly different energies influencing you during this period, there will not be much room to sit and simply enjoy each other's company. No worries, you should have plenty of time for that during your next cycle when you both shift your focus toward family, friends, and each other.

Thomas's cycle is likely to bring change, but it will take time (probably several cycles) before they are able to clearly see their full effect. Their energy will probably feel more like atoms bouncing everywhere as they explore and establish boundaries. Your cycle will be more highly focused. It has the potential to put your next goal sharply in focus, centered on a single point.

The most common mistake for couples in this combination is trying to force their perspective on each other, which could cause frustration and a limiting of this cycle's potential. This is a time when you need to allow one another the freedom to pursue individual objectives, without having to explain too much or account for your actions.

Deborah, your Personal Month for January-2023 is 7

January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during

this month. Tolerance and forgiveness will not come naturally, and you could be a little self-righteous. Try to be more flexible.

Thomas, your Personal Month for January-2023 is 4

January offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month, which further enhances your work situation. However, you will tend to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may tend to procrastinate, which can spoil opportunities and damage your career.

January is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Your Personal Month's Compatibility for January is 7 and 4

Deborah and Thomas, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

Deborah, your Personal Month for February-2023 is 8

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Thomas, your Personal Month for February-2023 is 5

February brings changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip. Carefully prepared plans confront the unexpected: events and people you had not expected. If you are flexible and not afraid of changes will enjoy this month. However, if you rigidly try to stick to expectations and refuse to adapt, you may experience a difficult time in which almost nothing works out, no matter how hard you try.

February is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. You are open and childlike and for that reason very attractive to others. A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Your Personal Month's Compatibility for February is 8 and 5

Deborah, your Personal Month for March-2023 is 9

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Thomas, your Personal Month for March-2023 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Your Personal Month's Compatibility for March is 9 and 6

Deborah and Thomas, although this may be an emotional period for Deborah, it is considered a very

compatible cycle combination.

Thomas's 6 should help them feel especially devoted and committed to the relationship during this period, which is exactly what Deborah needs, who could feel a little worn out and rudderless or have concerns that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle because it is the end of a cycle where loose ends need to be tied up and letting go is part of the process.

Thomas, on the other hand, should feel stable and be able to offer comfort and support. Their 6 inspires love, nurturing, and concern for others. This is also a favorable time for them to focus on practical matters, especially those relating to home, family, and career.

Much will depend on Thomas's ability to offer encouragement and reassurance; but you offer important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. You bring inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can help you see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because Thomas's 6 lends an especially warm, personal connection, they should be able to help lessen the emotional tenderness that is likely to accompany Deborah's transitional cycle.

Deborah, your Personal Month for April-2023 is 1

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

Thomas, your Personal Month for April-2023 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

Your Personal Month's Compatibility for April is 1 and 7

Deborah and Thomas, the challenge for a relationship between these cycles is to maintain a feeling of belonging. There are big differences between the way the 1 and the 7 affect a person, but one thing they have in common is that both cycles increase the awareness of independence and individuality. During this period, you are both likely to feel a little distance in your relationship, which is not necessarily negative - in fact, it may strengthen your partnership.

However, if your expectation is that you will spend a great deal of time together, share everything, and that nothing will change, your experience may fall short. The wise thing to do is to accept the fact that you will probably move apart somewhat during this period as a temporary and necessary part of your personal growth.

Deborah, a 1 in this position indicates you will be focused on your career or other goals, busily taking advantage of opportunities for progress. Thomas's attention will be focused inward toward spiritual and mental growth. They are going through a period of self-discovery and need to spend time alone as part of that process.

Although different in nature, you both have individual needs that require focusing more on yourselves and less on each other. This may make you feel as if the relationship is weakening. However, unless you turn it into an issue this should not be the case. If you accept the fact that their attention is focused elsewhere, you will find that this period offers growth for both of you as individuals, but not at the cost of the relationship.
