## **YOUR YEARLY RELATIONSHIP FORECAST**

*People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.*

*Charles and Annemarie, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, and Personality) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.*

*Please note we use gender-neutral language when addressing individuals in our relationship readings. To some, using the singular "they," "them," and "their" may sound awkward, but we believe words matter. We aspire to include everyone.*

Please verify that the name and date of birth showing below are accurate.

**First Person Full name at birth: Charles Timothy Johnson**

**First Person Current name: Charles Johnson**

**First Person Birthdate: July-29-1981**

**Second Person Full name at birth: Annemarie Betty Carlton**

**Second Person Current name: Annemarie Johnson**

**Second Person Birthdate: March-05-1992**

**Report Start Date: April-13-2022**

## YOUR PERSONAL YEAR

*Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.*

*Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.*

*Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.*

### **Charles, your Personal Year cycle for 2022 is 6**

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

### **Annemarie, your Personal Year cycle for 2022 is 5**

This is a year of dynamic change. Many surprises will come your way. Be open and ready to embrace new opportunities. Do not be overly careful this year. This is a year in which a major step forward can take place if you are willing to take some calculated risks and do a little gambling. Wisdom and prudence is the key, but you will definitely be faced with choices that require fast action and a willingness to act before all the facts are in.

This is an exciting year in which you will be required to promote yourself in order to take full advantage of the opportunities that await you. There will be increased opportunity to travel and possibly a change of residence. You will have some unexpected adventures and lucky breaks this year.

You may be tempted by the desires of the flesh: too much food, alcohol, sex, and drugs. Be careful and discriminate. You could make mistakes in these areas.

This can be an unsettling year if you try to cling to outmoded methods or characteristics. This a year to throw off the old and adopt the new. It is a rebirth and a release after last year's struggle.

This is a year in which change takes place consistently, and particularly so in April and May. July is a breakthrough, a time to enjoy life. September can be intense, while October requires tact and balance in relationships.

## **YOUR PERSONAL YEAR CYCLE COMPATIBILITY**

*Personal Year cycles tend to enter and leave gradually, overlapping the previous cycle for a month or two. This affects your Personal Month cycles described further down in your Relationship Forecast.*

*As a rule of thumb, in a relationship the most compatible cycles are those that are separated by a factor of 2, such as 1 and 3, or 2 and 4, or 7 and 9. Cycles that tend to be more challenging are separated by a factor of 1, such as 2 and 3, or 3 and 4, or 8 and 9, etc. However, there are exceptions to both rules and if they apply you will find it mentioned in your forecast.*

*It is also not uncommon for two people to share the same Personal Year cycle (about 1 in 10 do), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.*

### **Charles and Annemarie, your Personal Year's Compatibility in 2022 is 6 and 5**

Charles and Annemarie, your cycles are as opposite as they can be, yet they are compatible. In a relationship, their influences usually complement and balance each other.

Annemarie is in a dynamic cycle of change and highly charged, restless energy. Your cycle is one of stability and responsibility, which should make your approach focused and practical. While Annemarie is looking for opportunity and adventure, you will be centered on your home and family - the people and things that mean the most to you. Annemarie's attention will be focused on work, projects, travel, or other outside

interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. Annemarie can inspire a little excitement and you can bring needed stability.

However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let live" should be the slogan for this period.

You have probably already recognized that you always experience vastly different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by hugely different energies for most of your lives. It would not hurt to make "live and let live" a family motto for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely when things are harmonious, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

### **Charles, your Personal Year cycle for 2023 is 7**

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Charles, will turn this period of your life into a very bad experience indeed, while a "let go and let god" attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

### **Annemarie, your Personal Year cycle for 2023 is 6**

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

### **Charles and Annemarie, your Personal Year's Compatibility in 2023 is 7 and 6**

Charles and Annemarie, you are experiencing vastly different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. Annemarie's 6 suggests they will be more extroverted than usual, reaching out to others, while you seek quiet time alone.

Positive influences during this cycle are found in Annemarie's tolerant, giving nature and willingness to sacrifice to accommodate you. This is an important and necessary factor for the relationship during this time.

Charles, you may not be as patient as usual, and may seem withdrawn. If you appear a bit cool and distant it will be important for Annemarie to recognize this has nothing to do with the relationship; you are just doing a little soul searching and need space and distance. However, it is also crucial that you do not become so focused on yourself that you lose sight of Annemarie. Although your 7 inspires a more inward, personal journey, the people you care about need attention too.

## YOUR PERSONAL MONTH

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

### **Charles, your Personal Month for April-2022 is 1**

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

### **Annemarie, your Personal Month for April-2022 is 9**

April brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions. There are indications of upcoming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may tend to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

## YOUR MONTHLY RELATIONSHIP FORECAST

Charles and Annemarie, monthly cycles are not as strongly felt as yearly cycles, however, they can have

short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

### **Your Personal Month's Compatibility for April is 1 and 9**

Charles and Annemarie, once every nine cycles your relationship may go through a challenging period, a time when only your love and commitment will see you through. (This is felt more strongly in a yearly versus a monthly cycle).

Your current cycle is likely to bring disagreements and arguments that make you wonder what happened to the nice person you used to know. This is due to being at opposite ends of the spectrum. Charles, you have a 1 cycle delivering new beginnings, while Annemarie is at the tail end of their cycles, wrapping things up before beginning a new phase. Conflicts could be heightened by Annemarie's emotional vulnerability during a period when you may be less sensitive than usual.

There are few, if any, cycle combinations as challenging as this one, but with effort and recognition of your love for each other, your relationship can survive and grow even stronger. For you Charles, the most important piece of advice is to give Annemarie plenty of attention. Try to be sensitive to potential mood swings, even if you feel they are overly emotional.

The advice for Annemarie is not to take their emotions too seriously. They are likely to be going through changes that require surrender and acceptance, which could make them more emotional than usual (even melodramatic). Annemarie will also benefit from understanding you do not mean to be abrupt or insensitive, you are just in a more ambitious cycle than they are.

Only your hearts can save the day. When emotions are high, it is often the heart, not the mind that is able to understand and weather the storm.

### **Charles, your Personal Month for May-2022 is 2**

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month, and you will be called upon to use those abilities.

You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month.

If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

### **Annemarie, your Personal Month for May-2022 is 1**

May brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals. Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

### **Your Personal Month's Compatibility for May is 2 and 1**

Charles and Annemarie although your cycles are quite different, they should not cause too much friction. Annemarie is entering a period of renewal that supplies new energy and a change of direction in their personal life and career. The 1 brings motivation and an impatience to get things started. Little will seem to move fast enough.

You, on the other hand, are probably slowing down a bit, more concerned about improving your relationships; this is a time for you to network, find resources, and align with others, a time when feelings and connection are particularly important. This could cause you to feel more emotionally vulnerable than usual.

These cycles support each other in most respects. Annemarie will be the engine of change and progress while you steer and redirect. However, Annemarie will need to be sensitive and careful not to expect you to be as motivated and driven as they are. Annemarie must also accept that you may be a little more demanding

than usual. In turn, you should avoid making mountains out of molehills or letting emotions override common sense.

### **Charles, your Personal Month for June-2022 is 3**

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

### **Annemarie, your Personal Month for June-2022 is 2**

The 2 and 5 combination enhance your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks. There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or . . . cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

### **Your Personal Month's Compatibility for June is 3 and 2**

Charles and Annemarie, when cycles fall next to each other in number sequence (like your 2 and 3) it creates vastly diverse needs and experiences for the parties in a relationship.

Annemarie's 2 indicates this will be a cycle when emotions are felt more intensely and have more impact than usual. They might feel like a protective layer has been lost, leaving them particularly vulnerable. During this same period, you will experience heightened inspiration, enthusiasm, confidence, and creativity - a light-hearted time when other emotions play a lesser role.

The likelihood that Annemarie will be strongly affected by their feelings could lead to mood swings, emotional insecurity, or confusion. Coupled with your upbeat attitude (and perhaps lessened sensitivity and intuition), this could create challenges for your relationship.

There may be occasions when you do not understand why Annemarie is so upset about what you feel is a minor argument, and Annemarie might wonder why you seem so distracted and uncaring. Charles, try to be sensitive to Annemarie's concerns and give them extra time and attention during this cycle. Annemarie can help by not dwelling on their emotions. If they think you are too caught up in other things, it is probably because you feel secure enough in the relationship to focus on the creative endeavors and social events that are an integral part of your current cycle. Suggest to Annemarie that they let you know if they need more attention or a more sensitive approach.

You will both have to make room for your differences. Recognizing you are going through vastly different cycles can help you better understand each other.

#### **Charles, your Personal Month for July-2022 is 4**

Charles, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

#### **Annemarie, your Personal Month for July-2022 is 3**

Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income. This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it. A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too seriously, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

### **Your Personal Month's Compatibility for July is 4 and 3**

Charles and Annemarie, during this period your cycles will be pushing you in opposite directions. Your numbers suggest this is probably often the case in your relationship - but it does not necessarily reflect incompatibility.

For Annemarie, this is a time to relax and smell the roses, while you need to stay focused and maintain a high level of effort. It is important that you do not try to change each other's inclination to follow the demands of your individual cycles. You need to accept that Annemarie is not as disciplined and ambitious as usual, and they should guard against trying to talk you into taking it easy.

Contrary to what one might expect, as a rule, cycles with a gap of one (like your 3 and 4) are not usually incompatible even though they move in different directions. In fact, they often complement one another. Their differences normally cause stress only if couples try too hard to influence each other.

Annemarie should be allowed to back off a little from the daily grind, and you will need support and encouragement during what could be a rather demanding cycle.

### **Charles, your Personal Month for August-2022 is 5**

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions.

You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

#### **Annemarie, your Personal Month for August-2022 is 4**

Your career may be demanding and a bit frustrating this month. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This August could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

#### **Your Personal Month's Compatibility for August is 5 and 4**

Charles and Annemarie, this is a period where your individual cycles (and influences) will be quite different. It is a time of focus, effort, and possibly frustration or stagnation for Annemarie, compared to a time of change, excitement, and dynamic energy for Charles.

As a result, you can help Annemarie move forward and not become too frustrated by the demands of their cycle. Annemarie can return the favor by functioning as an anchor for you during your more unpredictable cycle.

The most positive effect of this combination is that their combined traits almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect to be aware of is a concern that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities can help you stay connected.

### **Charles, your Personal Month for September-2022 is 6**

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

### **Annemarie, your Personal Month for September-2022 is 5**

The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll. If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all

the possibilities.

Be warned, however. You may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

### **Your Personal Month's Compatibility for September is 6 and 5**

Charles and Annemarie, your cycles are as opposite as they can be, yet they are compatible. In a relationship, their influences usually complement and balance each other.

Annemarie is in a dynamic cycle of change and highly charged, restless energy. Your cycle is one of stability and responsibility, which should make your approach focused and practical. While Annemarie is looking for opportunity and adventure, you will be centered on your home and family - the people and things that mean the most to you. Annemarie's attention will be focused on work, projects, travel, or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. Annemarie can inspire a little excitement and you can bring needed stability.

However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let live" should be the slogan for this period.

You have probably already recognized that you always experience vastly different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by hugely different energies for most of your lives. It would not hurt to make "live and let live" a family motto for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely when things are harmonious, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

### **Charles, your Personal Month for October-2022 is 7**

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

### **Annemarie, your Personal Month for October-2022 is 6**

October brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion. This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your wellbeing this month. If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible. If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

### **Your Personal Month's Compatibility for October is 7 and 6**

Charles and Annemarie, you are experiencing vastly different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. Annemarie's 6 suggests they will be more extroverted than usual, reaching out to others, while you seek quiet time alone.

Positive influences during this cycle are found in Annemarie's tolerant, giving nature and willingness to sacrifice to accommodate you. This is an important and necessary factor for the relationship during this time.

Charles, you may not be as patient as usual, and may seem withdrawn. If you appear a bit cool and distant it will be important for Annemarie to recognize this has nothing to do with the relationship; you are just doing a little soul searching and need space and distance. However, it is also crucial that you do not become so focused on yourself that you lose sight of Annemarie. Although your 7 inspires a more inward, personal journey, the people you care about need attention too.

### **Charles, your Personal Month for November-2022 is 8**

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

### **Annemarie, your Personal Month for November-2022 is 7**

November, with the 7 playing such a major role, directs the focus to your inner self. Some people experience this month as lonely, but it doesn't have to be. You will be inspired to refine your understanding of your place in the universe. Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think. You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

### **Your Personal Month's Compatibility for November is 8 and 7**

Charles and Annemarie, this cycle will produce hugely different influences and needs for each of you. During this period, Annemarie might feel a little left out or ignored by you, although this is most likely not

your intention. Your cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when they are more contemplative, examining priorities, and perhaps questioning the reasons behind what they are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid feeling you must share everything. Annemarie, especially, will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.

### **Charles, your Personal Month for December-2022 is 9**

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

### **Annemarie, your Personal Month for December-2022 is 8**

December will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion. This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Romance is favorable too. Express your love.

### **Your Personal Month's Compatibility for December is 9 and 8**

Charles and Annemarie, as is often the case in your relationship, this cycle influences you in vastly different,

and not altogether compatible, ways.

For Annemarie, it is a time to get out and shake some trees, make things happen, and reap the rewards. To make the most of this cycle it will be important for them to stay focused and determined while pursuing their goals.

For you, Charles, the cycle could feel a little shaky, so you will need Annemarie's commitment and support during this period. With Annemarie's focus on interests outside the relationship, and your need for more attention than usual, it will probably take effort from both of you to prevent disappointment or resentment from creeping in.

Although this will be an enterprising time for Annemarie, they will need to be available for you as well. They will also experience a period when nothing seems secure and solid. In fact, their next cycle will probably bring a bit of that, so you may find the roles reversed and them looking to you for support.

Try to recognize Annemarie does not mean to pull away from you, their cycle just delivers a more ambitious spirit. You are at the end of a cycle and should focus on completing projects and letting go of things that are no longer serving a purpose. (Your next cycle should be much more energetic.)

Because your cycles tend to be almost opposite, you have probably learned to adjust to each other's needs. This ability is the key to sustaining a long and happy union.

### **Charles, your Personal Month for January-2023 is 8**

This, the first month of your 7 Personal Year cycle, brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable. Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

This month's emphasis is on long-term goals.

Friends and relatives feel that you are a little distant and may get on your case in the hope that you will spend more time with them. Romance is not particularly important. If you are involved with someone, feelings deepen, and the bond becomes stronger.

### **Annemarie, your Personal Month for January-2023 is 7**

January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally, and you could be a little self-righteous. Try to be more flexible.

### **Your Personal Month's Compatibility for January is 8 and 7**

### **Charles, your Personal Month for February-2023 is 9**

February brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships. Your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas

of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking. It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

### **Annemarie, your Personal Month for February-2023 is 8**

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

### **Your Personal Month's Compatibility for February is 9 and 8**

Charles and Annemarie, as is often the case in your relationship, this cycle influences you in vastly different, and not altogether compatible, ways.

### **Charles, your Personal Month for March-2023 is 1**

Charles, you may still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and imaginative. You feel that anything is possible and that the sky is the limit. Against the background of self-reflection and soul-searching that's such a major part of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem gets a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. Charles, you are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

### **Annemarie, your Personal Month for March-2023 is 9**

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

### **Your Personal Month's Compatibility for March is 1 and 9**

Charles and Annemarie, once every nine cycles your relationship may go through a challenging period, a time when only your love and commitment will see you through. (This is felt more strongly in a yearly versus a monthly cycle).

Your current cycle is likely to bring disagreements and arguments that make you wonder what happened to the nice person you used to know. This is due to being at opposite ends of the spectrum. Charles, you have a 1 cycle delivering new beginnings, while Annemarie is at the tail end of their cycles, wrapping things up before beginning a new phase. Conflicts could be heightened by Annemarie's emotional vulnerability during a period when you may be less sensitive than usual.

There are few, if any, cycle combinations as challenging as this one, but with effort and recognition of your love for each other, your relationship can survive and grow even stronger. For you Charles, the most important piece of advice is to give Annemarie plenty of attention. Try to be sensitive to potential mood swings, even if you feel they are overly emotional.

The advice for Annemarie is not to take their emotions too seriously. They are likely to be going through changes that require surrender and acceptance, which could make them more emotional than usual (even melodramatic). Annemarie will also benefit from understanding you do not mean to be abrupt or insensitive, you are just in a more ambitious cycle than they are.

Only your hearts can save the day. When emotions are high, it is often the heart, not the mind that is able to understand and weather the storm.

### **Charles, your Personal Month for April-2023 is 2**

Now the pendulum swings back from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive. Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of.

Your intuition is keen; rely on it and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

### **Annemarie, your Personal Month for April-2023 is 1**

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

### **Your Personal Month's Compatibility for April is 2 and 1**

Charles and Annemarie although your cycles are quite different, they should not cause too much friction. Annemarie is entering a period of renewal that supplies new energy and a change of direction in their personal life and career. The 1 brings motivation and an impatience to get things started. Little will seem to move fast enough.

You, on the other hand, are probably slowing down a bit, more concerned about improving your relationships; this is a time for you to network, find resources, and align with others, a time when feelings and connection are particularly important. This could cause you to feel more emotionally vulnerable than usual.

These cycles support each other in most respects. Annemarie will be the engine of change and progress while you steer and redirect. However, Annemarie will need to be sensitive and careful not to expect you to be as motivated and driven as they are. Annemarie must also accept that you may be a little more demanding than usual. In turn, you should avoid making mountains out of molehills or letting emotions override common sense.
