ABOUT YOUR FAMILY TREE REPORT

Your personalized Ancestral Influences Report analyzes your given name at birth and the name of the ancestors you choose to explore. Last names are an important part of your Numerology chart. They add letters and numbers to your Karmic Lesson and Hidden Passion charts and are the sole influence of your Spiritual Transit. This Transit is an important cycle reflecting your inner/spiritual evolution and that of your forebears. Your Ancestral Report provides a glimpse into characteristics you have inherited from those who came before you.

ANCESTRAL INFLUENCES AND NUMEROLOGY - ANCESTRAL DNA

Numerology is an ancient system for studying patterns and cycles. One such pattern demonstrates the enduring influence of the last name carried from generation to generation. A family name can remain unchanged since its origin. However, it sometimes loses or gains a letter or two or is altered entirely due to changing circumstances, such as immigration. These changes are reflected in your ancestor's evolutionary path. When their name changed, their lifestyle, environment and personality did as well. These traits are a component of your family's evolving ancestral "DNA" passed down through the years.

In most cultures, children adopt the last name of their father, and an in-depth analysis of this name can be quite revealing. However, to complete the ancestral picture, the mother's maiden name (on both sides of the family) is just as important. Looking back through both branches of your lineage will help you detect which side of the family you resemble most closely, and which traits you share. In short, you are at the end of a long line of predecessors, having inherited a wide range of characteristics. Your name and the names of your ancestors reveal centuries of accumulated energies and influences that are part of your makeup today.

EXAMINING NAMES

A name can be mined for sources of insight in a variety of ways. We consider the sum of the vowels, the sum of the consonants, and the sum of all letters combined. Additionally, each vowel and consonant is examined separately and in the order of appearance. Information is also gleaned from the absence of certain numbers as well as those appearing most frequently. The Spiritual Transit cycles provide valuable information as well. Every ancestor who carried your last name went through the same Spiritual Transit cycles during the same ages you did.

The custom of a woman assuming her husband's name has a considerable impact on her personality and experiences. In doing so, she quite literally surrenders part of her identity and inner/spiritual path. This does not necessarily create discord and often affects the relationship positively. However, it is something to think about if you are contemplating marriage or divorce. Considering the effect, a name imparts, a divorced woman might consider reclaiming her maiden name to recoup the part of her identity forfeited during the marriage. The decision to adopt a partner's name requires the same forethought for same sex marriages.

Let us move on to your reading.

Hans Decoz

SUMMARY

Birth Name is Decoz
Short Name is Hans Decoz
Birthdate is May-15-1949
Reportdate is February-06-2021

Your Core Name Numbers

Your Expression is 8

Your Heart's Desire is 2

Your Personality is 6

The First Vowel is e

The First Consonant is D

Your Heart's Desire - Personality Bridge is 4

SOURCES OF STRENGTH, SURVIVAL AND STAMINA

To understand your numerological DNA, it is important to recognize that each aspect analyzed is focused on a specific facet of your ancestors' makeup. For example, in one chapter you might learn some of your ancestors likely lived on the darker fringes of society, while the next chapter suggests an innate desire for honor and justice motivated many of their choices. While this appears to be a contradiction, it probably isn't. Think of it as the 'Robin Hood syndrome' where thievery and honor occupy the same heart; we all possess contradictions in our personality and the approaches we take to various issues.

This chapter centers on the dominant source of strength that helped your ancestors survive and prosper.

The 8 ruled your ancestors' sources of strength, survival, and stamina

The name Decoz suggests you count an above-average number of business people and persons of authority (possibly in the military) among your ancestors. However, it is also likely there were a few con artists, or rebels who challenged authority for the simple satisfaction of taking down the powerful.

One way or another authority has probably been an issue, either by representing it or fighting it. The name implies there may have been infighting among your ancestor's siblings as well, due to their independent, ambitious temperaments.

Some of your ancestors were capable of accumulating great wealth or impressive art collections, but here, too, there were likely considerable extremes. Some predecessors may have flourished while others went broke, due to their willingness to take risks. Whether your Decoz forebears died wealthy or in poverty, it would seem few were moderate in anything.

YOUR ANCESTOR'S MOTIVATIONAL DRIVE

This aspect describes what motivated your ancestors and what attracted and interested them.

The 2 reflects your ancestors' motivational drive

Perhaps the most influential force that led many of your ancestors toward political and religious roles was a desire to bring stability and peace. A few may have had leadership roles, but most probably worked behind the scenes, using diplomacy to influence (and sometimes manipulate) those in power. Although they were not aggressive people, many would have been skilled negotiators who might not have been above spying or using misinformation to obtain results.

The name Decoz suggests there may have been quite a few judges, lawyers, and scientists among them.

DEALING WITH DIFFICULTY

The following chapter reveals what can best be described as your ancestors' fortitude – the ways they dealt with adversity, obstacles, illness, or poverty, or simply how they held fast against the tide of changing circumstances. These characteristics helped your ancestors overcome odds many could not and were a determining factor in the choices they made and lifestyles they adopted.

Your ancestors' ability to deal with difficulty was ruled by the 6

Your name tells us loyalty and compassion were a large part of the foundation upon which your Decoz ancestors built their lives. Many would have taken their roles in the community seriously and were capable of shouldering heavy responsibilities. They were considerate to others and generally respected and admired. There may well have been a few self-sacrificing, moral giants among your forebears.

When the consonants in the last name add to 6, the bond among family members tends to be strong. It is therefore likely they lived in family environments that included three or four generations.

A SHARED PASSION AMONG YOUR ANCESTORS

This section reveals a specific trait or dominant quality held by many of your predecessors. Although this report is built using the last name only, it reveals one area where a characteristic was likely shared almost universally among all with that surname, regardless of the first and middle names.

The e was your ancestors' shared passion

Freedom was the defining goal for many of your ancestors. This name indicates they were a rebellious lot who disliked any form of restriction or control.

CAREERS AND TALENTS

This section reflects attributes or a mindset that likely attracted your ancestors to a particular profession. Although other variables in the chart may have altered these influences and lead them to different choices, they probably had some interest in the trades and professions mentioned below. Let's take a quick look at the key qualities and attributes reflected in your predecessors' last name.

Your ancestors' aptitude to certain specific careers and talents is reflected by the D

Resilient and down-to-earth. Your Decoz ancestors would have done well as soldiers, farmers, butchers, or hunters.

WEAKNESSES, CHALLENGES, AND TRIUMPHS

This chapter looks at a probable weakness that was relatively common among your ancestors. It would have been necessary for them to overcome this shortcoming to be successful in life. Keep in mind that this is a negative influence, and not every predecessor was affected by it. This aspect is often diminished or completely eliminated if a first or middle name balances it.

The 4 shows your Ancestors ability to overcome weaknesses

This aspect of your chart suggests your ancestors shared the tendency to be scattered and disorganized. Many of them were probably impractical and may have wasted time fantasizing about projects or possibilities that had little value or future. The Decoz ancestors who overcame this obstacle did so through determined effort to stay focused and orderly.

HOW YOU COMPARE WITH YOUR ANCESTORS

This chapter looks at your name's numerological traits compared to those of your ancestors. Your ancestral influence rating is divided into four categories: Very High (16 through 20 points), High (11 through 15 points), Average (6 through 10 points), and Low (1 through 5 points). The ancestral influence rating shows how closely your traits resemble those of your ancestors. These results are neither good nor bad, but simply another way to identify your 'genetic code' similarities to each ancestor.

Your Compatibility is 6

Hans, your connection to this line of your ancestry is not strong. On a scale of 0 to 20, the compatibility rating with your Decoz forebears is between 6 and 10. Similarities exist but are not all that dominant in your personality. It is likely that your personal traits match a different branch of your family tree more closely. Keep in mind this comparison is a small part of your makeup; your full name at birth and your date of birth hold much more weight and offer considerably more insight into who you are.
