## RELATIONSHIP COMPATIBILITY PROFILE

Amy Brown

Jos Dekorte

## *ABOUT YOUR RELATIONSHIP PROFILE*

*This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.*

*When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.*

*Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.*

*You will probably encounter some texts that state: “The compatibility aspect in this area of the chart is already included in other parts of this report.” Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.*

*If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.*

*We hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.*

## THE LIFE PATH

*Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.*

### **Amy, your Life Path number is 1**

Amy, you are a born leader. You insist on your right to make up your own mind; you demand freedom of thought and action. You are driven and determined. You don't let anything, or anyone stand in your way once you are committed to your goal. You assume the responsibility to be the protector and provider for those you love. You demand respect and attention and become irritated and even domineering when important things do not go your way. You need to feel in command of important undertakings and resist supportive roles. You seek the forefront and the limelight. You are concerned with your status and foster the appearance of success and self-satisfaction. The need to appear well off propels you to strive for growth, success and the finer things of life.

You are exceptionally creative and original and possess a touch of the unusual. Your approach to problems is unique and you have the courage to wander from the beaten path. You can be impatient with your shortcomings and those of others.

You should watch out for selfishness, conceit and the over-concern with appearance. You must guard against overzealous behavior, anger and aggressiveness. If these qualities are not brought under control you could become excessively domineering, vindictive and even violent. You perform best when you are left to your own devices. Ideally you should own your own business and be your own boss. Hold fast to your life's dream and work with the determination you possess to realize it.

You can become overly stressed by your driven nature. Be careful about the food you eat and maintain an exercise program you enjoy. Competition sports are often a healthy outlet for a person with your drive, particularly sports involving running and swimming. Don't let pride and overconfidence be your masters. Remember, your talents and abilities are a gift from a higher source, which should promote gratitude and humility, rather than pride and conceit.

More often than not a person with a 1 Life Path will achieve much in life as long as the drive, creativity, originality and pioneering spirit are fully employed!

## Jos, your Life Path number is 6

You possess great compassion and seek to be of service to others. You have concern for the weak and the downtrodden. You are a healer and a helper to others. You are capable of giving comfort to those in need and will frequently offer a shoulder for others to cry on.

Your task in life is to develop the tools necessary to be truly helpful to others, rather than to simply be a sympathetic ear.

You must find the balance between help and interference. In the same way, you must learn the delicate art of the counselor who knows when to leave the struggle to others and when to avoid taking away the necessary experiences and lessons of life. You are naturally balanced. Therefore, you are well equipped to support and ground others in times of trial.

It is in your nature to take on responsibility -- you often fill the void left by others -- and do not turn away from personal sacrifice. At times, you may feel overburdened by the travails of others. However, the love others bestow upon you is your well-deserved reward. You try to maintain harmony within the family or group, balancing and fusing divergent forces. You seek marriage and are often a wonderful parent, offering warmth, protection, and understanding to children.

You are generous, kind, and attractive. You are often admired even adored which baffles you. You are humble and yet you carry a deep pride. You move well and gracefully but will have to work to stay in shape. Seek out physical exercise and limit the sweets and dairy you crave to keep yourself from becoming plump and round.

When young, you must be careful not to choose partners for the wrong reasons. Do not let sentimentality influence your decision, especially those involving the choice of a spouse. You need to be needed but must learn to discriminate between those you can help and others who are made weaker by your care. After all, it is in your nature to be attracted to the weaker brothers and sisters among us.

The temptation, and the danger for you, is to think of yourself as the savior of the world, carrying the burdens of others on your shoulders.

You are blessed with musical talent, as well as in the visual and performing arts. However, your creativity may well be suppressed due to your willingness to sacrifice, or your inability to fully appreciate your talents.

This is not to say that you cannot excel in these areas; on the contrary, you have the talent, and with effort you can make a success in a number of artistic fields. You also have enormous talent in business. You are blessed with a great deal of charm and charisma, which you use effectively to attract the people and support you need.

## HOW YOUR LIFE PATH NUMBERS COMPARE

*Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.*

### **Amy and Jos, your Life Path Compatibility is 1 and 6**

Jos and Amy, yours is a lovely combination. Jos's 6 (by nature the most harmonious of all numbers) reflects a great capacity for love, understanding, sacrifice and support – with Amy as the beneficiary. And Amy's strong, dynamic 1 gives her the desire to protect and defend Jos through thick and thin, making Jos feel safe and secure. This is a combination that can last for a long time without the turbulence so many relationships experience. But, as always, there is another side to the coin.

This aspect of Amy's chart reveals an inner determination and a driven energy that doesn't slow down for anything. Amy does not look kindly on weakness and can be demanding of others. Like a true leader, She expects courage and strength from those around her. Jos reveals a different nature (at least in this area of the chart). Jos is compromising, forgiving and sometimes sacrificing to a fault. Amy should be careful not to see this as a weakness.

Likewise, Jos may at times be disturbed by the somewhat gruff and unforgiving quality Amy can display. Jos should not confuse this with a lack of compassion. Amy is quite capable of feeling empathy, especially toward victims of circumstance where negligence, laziness, or cowardice are not the cause. Amy is only likely to respond harshly when She feels someone is not pulling their own weight.

The important thing for both of you to recognize is that you sometimes differ in your opinions about what the most valuable human qualities are. Your priorities differ - no harm no foul. If you can respect this contrast and value one another's positive qualities, your relationship has the potential to be happy and long lasting.

## THE EXPRESSION

*Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.*

*Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.*

## **Amy, your Expression is 4**

You are the bedrock of society, the foundation of any enterprise. You are an organizer and manager. Your approach to life and to problems is methodical and systematic. You are a builder and a doer. You turn dreams into reality. You possess a highly developed sense of structure. You enjoy management systems and can carry out your well laid plans. You are not the type to embark on any trip without a map.

You take your obligations and those of your family quite seriously. As a result, you are reliable and responsible. You enjoy seeing a project through from start to finish but can become too narrowly focused. You put your nose to the grindstone and tend to become a workaholic.

You are driven by contempt for all that is unstable, insecure, and unpredictable. You distrust the unconventional, preferring instead the tried-and-the-true. But this can make your endeavors move slowly and cause you much frustration, especially with the apparent limitations of your resources.

At the same time, concern for the limitations of your resources causes you to be careful and cautious, shutting you out from possible shortcuts and creative solutions provided by more daring people around you. It is important that you recognize restrictions for what they are: guiding forces that are testing and directing you toward your goals. Your challenge is to be more imaginative and to attract more creative people into your life who can advise and inspire you.

In relationships, you tend to be somewhat moralistic. You are extremely honest and sincere. You have integrity and are trustworthy but can also be rigid and stubborn. Don't let your strong likes and dislikes overrule your common sense and compassion. Be more understanding of others' shortcomings.

Because you tend to focus on details, you can fall into a rut and become a little dull and overly serious. Often, people born with the 4 Expression need to lighten up and have more fun. You have a keen eye for detail. You have great stamina and can work conscientiously and persistently toward your goals. This eventually brings you success and standing in your community.

In your conservative and careful way, you are good with money. You are very conscious of the balance

between income and expenditures. You can limit your expenditures; saving money is important to you.

You are a surprisingly good parent, and love to be involved with children. Somehow, you relate a little more than others to the innocence of children, perhaps seeing a good deal of yourself in them. You, too, are idealistic and respect the simplicity of children.

Many accountants, bookkeepers, government officials, managers, and lawyers are born under the 4 Expression. You can be attracted to the arts and music but will likely bring your love of structure and order to any artistic field. Classical music and opera are particularly appealing and inspiring for you.

## **Jos, your Expression is 1**

You are a natural leader, independent and individualistic. You are extremely ambitious, original, and courageous. You employ new and unproven methods. You are an explorer and an innovator. Openness to too many peripheral influences limits and frustrates you.

You are self-reliant, confident, and energetic. You easily assume the role of protector. You spring into action when leadership is needed.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your decisions, based on your ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

Amy, you are quite opinionated. People tend to be inspired or repelled by your strong personality. You have great powers of concentration and the ability to visualize your goals, thus making them more attainable. You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships. Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them. Avoid obstinacy and

antagonism. You must cultivate balance, compassion, and perseverance.

Pride can be your downfall. You so powerfully identify with your goals and ambitions, you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

You possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

## ***HOW YOUR EXPRESSION NUMBERS COMPARE***

*More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).*

*It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.*

*Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found in this part of the chart, than when they are found under the Life Path description.*

### **Amy and Jos, your Expression Compatibility is 4 and 1**

This aspect of the chart reveals a combination that can be as solid as a rock for a long period only to crash and burn in an instant. Stubborn, highly motivated, a self-starter and an unconventional individualist, Jos is adventurous and ready to try anything new, even risky endeavors. Strongly driven, people with the number 1 are not usually concerned about other's expectations. Jos generally does whatever She wants and will fight almost anyone who gets in the way. Jos is no less gifted in the areas of persistence and ambition but has a very different attitude and approach. he is influenced by the number 4 which is sturdy, reliable, patient, responsible, conventional, detail-oriented, and "does things the right way". This difference is precisely where potential pitfalls lie in your relationship.

Amy has both feet planted firmly on the ground. Undeterred by the prospect of dealing with things that are boring or routine. She will complete the job no matter what. Jos on the other hand, does not have that kind of

patience; he will barge ahead unconcerned about the consequences

Your relationship can thrive unless Jos starts down a path of unknowns with risky, questionable aims. This is likely to happen at times, at which point Amy will likely be seen as a stick in the mud and a source of frustration for Jos. If this conflict is not handled with care, it could bring an end to the relationship.

However, if Jos can respect Amy's need for a secure, perhaps even predictable, lifestyle, and Amy can understand Jos's need to try new things and occasionally venture into the unknown, the relationship should endure. Recognizing and respecting your differences is key.

## THE HEART'S DESIRE

*The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.*

*It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.*

*You might say that it is in the flow of your breath that you express your deeper self.*

### **Amy, your Heart's Desire number is 2**

You want peace and harmony in all aspects of your life. You want to devote your life to someone or something. You fall in love easily. You are extremely sensitive and emotional. You can be sentimental, and you cry at sad stories. You need friends and society. You appreciate the refinements of life. You desire comfort and security. You have refined taste and can be a connoisseur. You love music and possess a good deal of musical talent. Your sensitivity is a symptom of your highly developed intuition. But you must learn to trust it.

You are a gentle soul and shy away from confrontation if possible. You experience a battle within when you do not believe you can handle a situation; this may have a paralyzing effect on you. You prefer to give in when you should assert yourself. You must learn to be more decisive. Very often, you are afraid to use your own power in the face of someone else's aggressiveness. You incorrectly perceive yourself to be in a weaker position; you may ultimately give in merely to avoid a fight. Conversely, you are extremely diplomatic and

tactful. You like to accomplish things through quiet persuasion. You dislike force.

You must fight uncertainty and doubt. You need to develop confidence and a willingness to stand up for what you believe to be right.

You function best in a supportive role, guiding the more public person in quiet, unobtrusive, yet essential ways.

### **Jos, your Heart's Desire number is 6**

Your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness. Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed. You are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship. You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You can both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Your deepest intention is to love those around you and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give and are willing to go to great lengths to keep you close at hand.

## **HOW YOUR HEART'S DESIRE NUMBERS COMPARE**

*Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.*

### **Amy and Jos, your Heart's Desire Compatibility is 2 and 6**

Your numbers, 2 (Amy) and 6 (Jos), are considered the most loving numbers of all. However, they express their love in different ways. Amy, having a 2 in this part of the chart reveals your sensitivity, emotional awareness (of yourself and others) and your ability to read the subtle and often hidden motives in others. Jos, the 6 points to your powerful urge to comfort, care for, and protect others. In fact, one of the few traits a 6 must guard against is not smothering others with love.

This combination forms a strong foundation for any relationship, but particularly for romance. You both love easily and without reservation and neither of you are afraid to reveal your feelings.

However, it is only in the strength of your love and your need to give that these numbers overlap. In many other respects you are quite different, and sometimes even opposites. Amy, your love focuses on emotions; it is driven by the need for companionship, security, and comfort. You are intuitively aware of the fragile nature of life and likely tend to be a little needy and perhaps insecure. This has the potential to produce jealousy about Jos's friends or business associates. Jos, on the other hand, can be oblivious to the subtle signs that something is brewing under Amy's quiet demeanor. Jos is less likely to feel insecure in the relationship and doesn't consider spending time with others a sign he is less committed.

Although Jos is not particularly afraid of romantic competition, his weak spots also show up in this relationship. Where Amy requires attention and emotional support to feel secure, Jos tends to spread attention around looking for approval and appreciation from others. Although sincere, Jos may reach out to care and comfort others to fill a space that can't be filled, sometimes forgetting to focus on what (or who) is most important.

Most likely, neither of these issues will seriously threaten your relationship; you are highly compatible (more than most number combinations). Being aware of, talking about, and respecting your differences can help you form a rewarding, long-lasting relationship.

## **THE PERSONALITY**

*The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your*

nature.

*Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.*

### **Amy, your Personality number is 2**

Amy, you appear friendly and unpretentious. You have a soft and warm exterior. Others perceive you as gentle, safe harbor. People are drawn to you because, among other reasons, you appear warm and unthreatening.

Your dress is neat and clean. Your clothing should be comfortable, soft, and flowing. You should avoid plain and understated clothes. Try to be a little more daring and exciting in your appearance. This will balance nicely with your perceptive and open personality.

You are very patient and understanding, and a wonderful listener. You make others feel important and loved. You are sensitive and become tense in a disharmonious atmosphere. You have experienced quite a bit of negative criticism as a child, which made you shy growing up. Though you may be well past that shyness, a bit of the vulnerability has remained with you and is often sensed by others.

You are a peacemaker. Arguments leave you drained. People sense your desire for harmony. But you must avoid being the blank tablet for others' projections. People may underestimate your strength, but this is a mistake. You are strong. You bend, but don't break. Exercise is important to your appearance and to promote the level of strength you radiate.

You have a fine sense of beauty and excellent taste. There is a grace in your movements, reflecting your keen sense of harmony and refinement. The opposite sex is attracted to your gentle and attentive nature yet senses the passion beneath your surface. You have sex appeal.

### **Jos, your Personality number is 4**

You radiate reliability and consistency. People trust you and feel secure with your judgment. You are seen as a cornerstone of a business and are relied upon to do your work efficiently and expertly. You have strength and respectability. You tend to dress in a utilitarian manner, concerned mostly with convention, practicality, durability, and price.

You present yourself as someone who values correctness, control, and precision.

All of this stems from the fact that your most prized characteristic is your work. You want to be judged on the basis of your performance, rather than your appearance. You are frugal and have learned to respect a dollar. You are concerned about the security of your future and those you love. However, this may appear to others as a bit too austere.

You tend to wear earth colors and conventional attire. You could benefit by putting a little flair in your dress. Wear more uplifting colors. Loosen your dress with less severe lines. If you wear a brown suit, include a bright tie or some jewelry.

You are a family person. You love the intimacy, consistency, and the security a family provides. You are a good provider and protector. But family members may take your efforts for granted.

Amy, you are a true patriot. You love your country and are an integral part of your community. Your consistency and adherence to your well-laid plans usually pays off in a comfortable and secure future.

## HOW YOUR PERSONALITY NUMBERS COMPARE

*Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.*

### **Amy and Jos, your Personality Compatibility is 2 and 4**

Amy and Jos, a 2 and 4 combination in this area of your chart is a powerful asset in your relationship. Amy (the 2) brings tact, sensitivity, intuition and the innate ability to recognize the subtiles of life. This beautifully compliments Jos's grounded, practical perspective. It is a combination of extremes that brings balance to the relationship, strengthening and complementing both of you. Like mortar and brick, energy and matter, earth and sky, yours is one of the best possible combinations.

However, since perfection is not easy, if not impossible to find, your relationship is not free from risk. Although the qualities of the 2 and 4 may be responsible in large part for your initial attraction – opposites attract and ‘complete’ each other in some way – there may be times you feel you are living with an alien creature. Jos may not always understand Amy's strong feelings, perspective, or approach to issues. And Amy will sometimes be annoyed if Jos’s methodical, practical viewpoint overshadows any hint of emotionality or idealism.

In the end, this occasional difference of approach should be a minor issue in an otherwise well-balanced relationship. Try to respect your differences and recognize them as assets; you each have something to teach and offer the other. Although this is only one area of your chart, it indicates it would take a powerful storm to blow this relationship off course.

## MATURITY NUMBER

*Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.*

### Amy, your Maturity number is 5

There is no slowing you down as you enter maturity. Your influence grows as you become more dynamic and versatile. You now begin to realize your lifelong goal of freedom. There will be travel and adventure, exciting and unexpected events. Your originality, creativity, and verbal abilities grow stronger. You will become interested in areas you never before considered. You may tend to become restless and impatient. You may quickly lose interest or become bored with projects that progress slowly. Perseverance is tested, especially because you may find it easy to abandon things that no longer hold your interest. You will have to work to maintain your concentration, discipline, and focus. Do not scatter your energy over to many interests. This is especially the case with people who have several 5s in their chart, especially among the core numbers.

For those with few fives, the increasing ability to adapt to change and the willingness to take risks provides much spice to life.

### Jos, your Maturity number is 7

As you mature, you will become increasingly occupied with the larger questions of life, reading, contemplating and searching for a deeper understanding of who you are and what this life is all about. You may turn to philosophy or religion, but will likely examine a wide array of areas, broadening your knowledge in many disciplines.

Your intuition grows stronger, as does your ability to look beneath the surface of every subject you study. You are able to analyze abstract questions and live according to your higher ideals. You may find yourself needing more time alone; your need for privacy will likely increase.

If you already have several sevens in your chart, you will have to guard against becoming withdrawn, and alienated. If you have no sevens, you will now have the ability to deepen your understanding of one particular field. You will have the opportunity to become grounded in a particular area of study.

## HOW YOUR MATURITY NUMBERS COMPARE

*Your Maturity number becomes more dominant with age. The texts below become increasingly important after about age 40.*

### **Amy and Jos, your Maturity Compatibility is 5 and 7**

Amy and Jos, this is one of the best combinations for a long-lasting relationship, and a merging of archetypes that promises intellectual and inner growth for both of you. The 5 (Amy) and the 7 (Jos) fulfill one another's needs and desires in many ways, but particularly on the mental and spiritual planes. Many famous intellectual and artistic couples share this combination. This partnership is larger and more promising than the sum of its parts.

Amy has a quick and flexible mind spiced with a wicked, offbeat sense of humor. Neuro-specialists have suggested that over time, the mind begins to think according to repetitive patterns it develops, like water running through a canyon. This may be the case for many people, but not for those who have a 5 in this position of the chart. A 5 will never allow their mind to shelter repetitive, predictable patterns. Thanks to Amy's ability to juggle ideas and concepts, She will seem younger and remain more playful and quick-witted long past the time others her age have slowed down.

Jos's mind is also powerful, however his mental and spiritual faculties operate very differently from Amy's. Jos has a dry sense of humor and a more serious mind. he seeks answers to life's important questions and often spends time in contemplation searching for insight and understanding. It is likely Jos is not closely associated with an organized religion but has nonetheless a strong sense of the reality of the "God force". For him, the mystery of life is not an unattainable or abstract concept - it is a reality. The 7 is the most spiritual and intellectual of all numbers, but it is rarely found among those with traditional mindsets; the 7 asks too many questions to take things at face value.

The only real source of discord that appears between the 5 and 7 is spiritual in nature. Jos may feel Amy's dynamic, social nature is too flamboyant or superficial at times. Amy might feel Jos becomes too invested in spiritual concepts, even that he is somewhat of a zealot. It is probably difficult for Amy to understand how people can become so invested in abstract concepts and philosophies. And Jos may find it difficult to accept that Amy believes experiencing life is more important than analyzing it.

Fortunately, the 7 and the 5 have such a positive influence on each other these differing outlooks rarely

create problems. Amy keeps Jos flexible and able to enjoy life from a simpler, more direct perspective, and Jos demonstrates how a deep, serious search for understanding can be immensely gratifying.
