YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly.

When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Elizabeth and Tommy, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, and Personality) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Elizabeth, your Personal Year cycle for 2021 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Tommy, your Personal Year cycle for 2021 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Elizabeth and Tommy, your Personal Year's Compatibility in 2021 is 3 and 6

Elizabeth and Tommy, this is a time of strong emotions for both of you. Although inspired by different motives, your numbers suggest you will appreciate each other even more than usual.

Elizabeth, this is partly the result of the 3 lending a deeper appreciation of your family, friends, and social life. For Tommy, the driving force is simply the heart. Both of you should feel your priorities shift somewhat toward the joy of living and away from the daily grind.

A potential concern during this cycle could lie in Tommy's need for more attention than usual at a time when you are focused on your social life, requiring less attention from him.

Elizabeth, your Personal Year cycle for 2022 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Tommy, your Personal Year cycle for 2022 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Elizabeth, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself

wondering what you did to deserve this.

Elizabeth and Tommy, your Personal Year's Compatibility in 2022 is 4 and 7

Elizabeth and Tommy, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

For you Elizabeth, it is a time to deal with mundane, practical matters (which you could find boring and frustrating). The 7 in Tommy's cycle is focused inward a period for quiet contemplation, daydreaming, doubts, questions, and learning more about who he is. It's not difficult to see how the differing needs inherent in your cycles might create some distance.

Sharing your feelings and giving each other room to pursue individual interests can help alleviate stress in your relationship, and help you take advantage of the progress this cycle has to offer.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Elizabeth, your Personal Month for March-2021 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Tommy, your Personal Month for March-2021 is 9

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

YOUR MONTHLY RELATIONSHIP FORECAST

Elizabeth and Tommy, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for March is 6 and 9

Elizabeth and Tommy, although this may be an emotional period for Tommy, it is considered a very compatible cycle combination.

Elizabeth, your 6 should help you feel especially devoted and committed to the relationship during this period, which is exactly what your partner needs. He could feel a little worn out and rudderless or have concerns that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle (less in a monthly cycle, more in a yearly) because it is the end of a cycle where loose ends need to be tied up.

You, on the other hand, should feel stable and be able to offer comfort and support. Your 6 inspires love, nurturing, and concern for others. This is also a favorable time for you to focus on practical matters, especially those relating to home, family, and career.

Much will depend on your ability to offer encouragement and reassurance; but Tommy offers important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. He brings inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can actually help him see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because your 6 lends an especially warm, personal connection, you should be able to help lessen the emotional tenderness that is likely to accompany Tommy's transitional cycle.

Elizabeth, your Personal Month for April-2021 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all

the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

Tommy, your Personal Month for April-2021 is 1

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or

November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

Your Personal Month's Compatibility for April is 7 and 1

Elizabeth and Tommy, the challenge for a relationship between these cycles is to maintain a feeling of belonging. There are big differences between the way the 1 and the 7 affect an individual, but one thing they have in common is that both cycles increase the awareness of independence and individuality. During this period, you are both likely to feel a little distance in your relationship, which is not necessarily negative - in fact it may actually strengthen your partnership.

However, if your expectation is that you will spend a great deal of time together, share everything, and that nothing will change, your experience may fall short. The wise thing to do is to accept the fact that you will

probably move apart somewhat during this period as a temporary and necessary part of your personal growth.

Tommy's 1 tells us he will be focused on his career or other goals, busily taking advantage of opportunities for progress. Your attention will be focused inward toward spiritual and mental growth. This is a period of self-discovery and your need to spend time alone is part of that process.

Although different in nature, you both have individual needs that require focusing more on yourselves and less on your partner. This may make you feel as if the relationship is weakening. However, unless you turn it into an issue this should not be the case. If you accept the fact that your partner's attention is focused elsewhere, you will find that this period offers growth for both of you as individuals, but not at the cost of the relationship.

Elizabeth, your Personal Month for May-2021 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

Tommy, your Personal Month for May-2021 is 2

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month, and you will be called upon to use those abilities.

You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come

through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month.

If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Your Personal Month's Compatibility for May is 8 and 2

Elizabeth and Tommy, this is considered a difficult combination of cycles because your priorities are not aligned. For Tommy, the relationship and matters of the heart take precedence and heighten sensitivity and emotions. This could leave him more vulnerable to criticism or perceived neglect during this period.

For you Elizabeth, focusing on the relationship will probably take second or third place for a while. Your focus will be on career, finances, friends, and family. You want to improve everything that surrounds and sustains the relationship, but in the process you may not pay as much attention to your partner. Also, you might feel Tommy isn't carrying enough emotional weight when, in fact, his focus is simply directed elsewhere.

This cycle combination offers many openings for misunderstanding and disagreement. It is likely that you will experience a few rough spots, but it should also bring positive aspects. You have the potential to make improvements in areas outside of the relationship (which will ultimately support it), and Tommy can help the two of you stay connected and deepen your bond.

Elizabeth, your Personal Month for June-2021 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Tommy, your Personal Month for June-2021 is 3

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Your Personal Month's Compatibility for June is 9 and 3

Elizabeth and Tommy, this combination of cycles is quite compatible and often gives birth to new ideas and plans. It should be a time of enhanced creativity for both of you, delivering opportunities for change and improvement.

You, however, could also face a challenging period of powerful emotions that requires a stable environment and support from your partner. Fortunately, Tommy's cycle is upbeat and optimistic, which can be a much-needed source of comfort for you.

Because you will experience differences in your approaches and attitudes, it is important to respect each other's needs during this cycle. Tommy can help by exercising patience if you are not as grounded as usual. You are likely to be experiencing a time of choices and decisions on a deep (even subconscious) level, so little may seem clear or simple to you.

Tommy, on the other hand, should have an upbeat, happy-go-lucky approach to life during this cycle, and an easier, less emotional time. There will be ups and downs, but his challenge is more about maintaining direction and focus. Although this may not seem like an ideal time to make big changes that could affect your relationship, the process of making plans together could help you feel more secure.

During this period, much will depend on Tommy's ability to be a source of strength and comfort for you. Your 9 cycle is considered the most challenging, while Tommy's is usually one of the easiest and most pleasurable. This is a fortunate combination for the relationship where Tommy can share his upbeat energy

with you during your more challenging cycle.

Elizabeth, your Personal Month for July-2021 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

Tommy, your Personal Month for July-2021 is 4

Tommy, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

Your Personal Month's Compatibility for July is 1 and 4

Elizabeth and Tommy, as a rule, when the 1 and 4 combination is found in this part of the chart, it is usually not very compatible. Although both cycles represent a strong drive and the need to put forth effort, they express it quite differently.

Elizabeth, you are motivated in large part by enthusiasm, dreams, hope, and a can-do attitude. This is a time of opportunity for you. Take advantage of this period to focus on your goals.

Tommy's drive is born more from frustration and the need to break free from a shell that has felt restrictive for some time. (This frustration could increase before things change.) His challenge will be to keep from directing it toward you and other loved ones. The 4 cycle is rarely an easy one, but it invariably brings progress and a breakthrough of some kind. You should both try to keep that in mind as Tommy moves through this demanding period.

The two of you are experiencing very different cycle challenges. Elizabeth, you will have to be sensitive to your partner's need to stay focused on his tasks, and Tommy will have to recognize your need to move boldly ahead.

Elizabeth, your Personal Month for August-2021 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

Tommy, your Personal Month for August-2021 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and

family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Your Personal Month's Compatibility for August is 2 and 5

Elizabeth and Tommy, the 2 and the 5 get along well in many ways. They happily play together, love together, and enjoy each other's company - if everything is in harmony. However, the moment they hit a bump in the road, things can become problematic.

The trick is to avoid disagreements as much as possible. Although it is not usually recommended, this may be one of those times it is best to keep things somewhat superficial and not dig too deep.

For you Elizabeth, the enhanced emotional vulnerability typical of a 2 cycle could open the door to negative feelings that are out of proportion with what is really going on. A minor criticism could become a major source of discontent during this period. At the same time, Tommy may not be as sensitive and aware as usual which could lead to impulsive comments that hurt your feelings. His mind will be particularly active and less likely to show restraint.

You should both be careful not to take one another's remarks too seriously (especially those spoken in the heat of the moment). It is likely that neither of you will be at your best when expressing yourself during this cycle. Tommy may be too impulsive, and you too emotional. It will help if you keep this in mind and allow each other a little leeway, especially with sensitive issues.

Elizabeth, your Personal Month for September-2021 is 3

Elizabeth, your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Tommy, your Personal Month for September-2021 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Your Personal Month's Compatibility for September is 3 and 6

Elizabeth and Tommy, this is a time of strong emotions for both of you. Although inspired by different motives, your numbers suggest you will appreciate each other even more than usual.

Elizabeth, this is partly the result of the 3 lending a deeper appreciation of your family, friends, and social life. For Tommy, the driving force is simply the heart. Both of you should feel your priorities shift somewhat toward the joy of living and away from the daily grind.

A potential concern during this cycle could lie in Tommy's need for more attention than usual at a time when you are focused on your social life, requiring less attention from him.

Elizabeth, your Personal Month for October-2021 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly

surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Tommy, your Personal Month for October-2021 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Your Personal Month's Compatibility for October is 4 and 7

Elizabeth and Tommy, this combination has the potential to create distance between you. This is not because you suddenly have less interest in each other, but because your cycles produce interests and concerns that lead you in different directions.

For you Elizabeth, it is a time to deal with mundane, practical matters (which you could find boring and frustrating). The 7 in Tommy's cycle is focused inward a period for quiet contemplation, daydreaming, doubts, questions, and learning more about who he is. It's not difficult to see how the

differing needs inherent in your cycles might create some distance.

Sharing your feelings and giving each other room to pursue individual interests can help alleviate stress in your relationship, and help you take advantage of the progress this cycle has to offer.

Elizabeth, your Personal Month for November-2021 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Tommy, your Personal Month for November-2021 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Your Personal Month's Compatibility for November is 5 and 8

When it rains, it pours. This is a cycle where neither of you will find it easy to keep up with the other. Elizabeth, you will have a lot going on, juggling more balls than usual, while Tommy's vision and ambition should keep him focused on plans and opportunities.

With very different energies influencing you during this period, there won't be much room to sit and simply enjoy each other's company. No worries, you should have plenty of time for that during your next cycle when you both shift your focus toward family, friends, and each other.

Elizabeth, your cycle is likely to bring changes, but it will take time (probably several cycles) before you are able to clearly see their full effect. Your energy will probably feel like atoms bouncing everywhere as you explore and establish boundaries. Tommy's cycle will be more highly focused. It has the potential to put his next goal sharply in focus, centered on a single point.

The most common mistake for couples in this combination is trying to force their perspective on their partner, which could cause frustration and a limiting of this cycle's potential. This is a time when you need to allow one another the freedom to pursue individual objectives, without having to explain too much or account for your actions.

Elizabeth, your Personal Month for December-2021 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

Tommy, your Personal Month for December-2021 is 9

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

Your Personal Month's Compatibility for December is 6 and 9

Elizabeth and Tommy, although this may be an emotional period for Tommy, it is considered a very compatible cycle combination.

Elizabeth, your 6 should help you feel especially devoted and committed to the relationship during this period, which is exactly what your partner needs. He could feel a little worn out and rudderless or have concerns that expectations have not been met. Mood swings and doubt can play havoc during a 9 cycle (less in a monthly cycle, more in a yearly) because it is the end of a cycle where loose ends need to be tied up.

You, on the other hand, should feel stable and be able to offer comfort and support. Your 6 inspires love, nurturing, and concern for others. This is also a favorable time for you to focus on practical matters, especially those relating to home, family, and career.

Much will depend on your ability to offer encouragement and reassurance; but Tommy offers important insight as well, bringing moments of clarity and an enhanced perspective to your mutual goals and expectations. He brings inspiration born of an urgency to figure out what is happening and where to go next. Like adrenaline for the soul, moments of apprehension or fear can actually help him see more clearly.

Love, commitment, and sacrifice are the main ingredients in both of your cycles. However, because your 6 lends an especially warm, personal connection, you should be able to help lessen the emotional tenderness that is likely to accompany Tommy's transitional cycle.

Elizabeth, your Personal Month for January-2022 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Tommy, your Personal Month for January-2022 is 8

This, the first month of your 7 Personal Year cycle, brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable. Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

This month's emphasis is on long-term goals.

Friends and relatives feel that you are a little distant and may get on your case in the hope that you will spend more time with them. Romance is not particularly important. If you are involved with someone, feelings deepen, and the bond becomes stronger.

Elizabeth, your Personal Month for February-2022 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Tommy, your Personal Month for February-2022 is 9

February brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships. Your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking. It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

Your Personal Month's Compatibility for February is 6 and 9

Elizabeth and Tommy, although this may be an emotional period for Tommy, it is considered a very compatible cycle combination.

Elizabeth, your 6 should help you feel especially devoted and committed to the relationship during this period, which is exactly what your partner needs. Elizabeth, your Personal Month for March-2022 is 7

Elizabeth, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Tommy, your Personal Month for March-2022 is 1

Tommy, you may still have a case of the blues on the early days of this month, March soon brings optimism, increased energy, and excitement. You are intellectually sharp and imaginative. You feel that anything is possible and that the sky is the limit. Against the background of self-reflection and soul-searching that's such a major part of this year is this month's sense of spring-time in your heart. This is an excellent time to take on new challenges in your career, to start new endeavors, or, if you are in business or sales, to go out and snare that important new client.

Often, this month brings financial gain, but your attention is more directed towards intellectual accomplishments. Your pride and self-esteem gets a boost.

A more difficult aspect of this month is your relationship with loved ones. You lack the necessary sensitivity to respond properly to the needs of those close to you. Tommy, you are under the illusion that everyone feels the way you do; that problems are only minor impediments that can be taken in stride. However, your optimistic attitude also inspires them, and they grudgingly respect you for the way you seem to be handling things.

A romantic experience brings passion and excitement either late this month or early next month.

Your Personal Month's Compatibility for March is 7 and 1

Elizabeth and Tommy, the challenge for a relationship between these cycles is to maintain a feeling of belonging. There are big differences between the way the 1 and the 7 affect an individual, but one thing they have in common is that both cycles increase the awareness of independence and individuality. During this period, you are both likely to feel a little distance in your relationship, which is not necessarily negative - in fact it may actually strengthen your partnership.

However, if your expectation is that you will spend a great deal of time together, share everything, and that nothing will change, your experience may fall short. The wise thing to do is to accept the fact that you will probably move apart somewhat during this period as a temporary and necessary part of your personal growth.

Tommy;½s 1 tells us he will be focused on his career or other goals, busily taking advantage of opportunities for progress. Your attention will be focused inward toward spiritual and mental growth. This is a period of self-discovery and your need to spend time alone is part of that process.

Although different in nature, you both have individual needs that require focusing more on yourselves and less on your partner. This may make you feel as if the relationship is weakening. However, unless you turn it into an issue this should not be the case. If you accept the fact that your partner;½s attention is focused elsewhere, you will find that this period offers growth for both of you as individuals, but not at the cost of the relationship.
