RELATIONSHIP COMPATIBILITY FORECAST

Elizabeth Dubrovsky

www.your-website.com

YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly.

When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Elizabeth and Theodore, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, and Personality) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

Please verify that the name and date of birth showing below are accurate.

First Person Full name at birth: Elizabeth Mary Dubrovsky

First Person Current name: Elizabeth Dubrovsky

First Person Birthdate: March-21-1994

Second Person Full name at birth: Theodore Carmichael Shoefield

Second Person Current name: Theodore Shoefield

Second Person Birthdate: April-12-1995

Report Start Date: October-02-2021

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Elizabeth, your Personal Year cycle for 2021 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting

and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Theodore, your Personal Year cycle for 2021 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

Personal Year cycles tend to enter and leave gradually, overlapping the previous cycle for a month or two. This affects your Personal Month cycles described further down in your Relationship Forecast.

As a rule of thumb, in a relationship the most compatible cycles are those that are separated by a factor of 2, such as 1 and 3, or 2 and 4, or 7 and 9. Cycles that tend to be more challenging are separated by a factor of 1, such as 2 and 3, or 3 and 4, or 8 and 9, etc. However, there are exceptions to both rules and if they apply

you will find it mentioned in your forecast.

It is also not uncommon for two people to share the same Personal Year cycle (about 1 in 10 do), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Elizabeth and Theodore, your Personal Year's Compatibility in 2021 is 2 and 3

Elizabeth, when cycles fall next to each other in number sequence (like your 2 and 3) it creates very different needs and experiences for those in a relationship.

Your 2 indicates this will be a cycle when emotions are felt more intensely and have more impact than usual. You might feel like a protective layer has been lost, leaving you vulnerable. During this same period, Theodore will experience heightened inspiration, enthusiasm, confidence, and creativity - a light-hearted time when sensitive emotions play a lesser role.

The likelihood that you will be strongly affected by your feelings could lead to mood swings, emotional insecurity, or confusion. Coupled with your partner's upbeat attitude (and perhaps lessened sensitivity and intuition), this could create challenges for your relationship.

There may be occasions when Theodore doesn't understand why you are so upset about what they consider a minor argument, and you might wonder why your partner seems so distracted and uncaring.

The best advice for Theodore is to be sensitive to your concerns and give you extra time and attention during this cycle. You can help by not dwelling on your emotions. If your partner seems a bit caught up in other things, it is probably because Theodore feels secure enough in the relationship to focus on the creative endeavors and social events that are an integral part of their current cycle. If you need attention or a more sensitive approach, let Theodore know.

You will both have to make room for your differences. Recognizing you are going through very different cycles can help you better understand and tolerate each other.

Elizabeth, your Personal Year cycle for 2022 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Theodore, your Personal Year cycle for 2022 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Elizabeth and Theodore, your Personal Year's Compatibility in 2022 is 3 and 4

~first, during this period your cycles will be pushing you in opposite directions. Your numbers suggest this is probably often the case in your relationship - but it does not necessarily reflect incompatibility.

For you, this is a time to relax and smell the roses, while your partner needs to stay focused and maintain a high level of effort. It is important that you don't try to change each other's inclination to follow the demands of your individual cycles. Theodore needs to accept the fact that you are not as disciplined and ambitious as usual, while you should guard against trying to talk your partner into taking it easy.

Contrary to what one might expect, as a rule cycles with a gap of one (like your 3 and 4) are not always incompatible even though they move in different directions. In fact, they often complement one another. Their differences normally cause stress only if couples try too hard to influence each other.

You should be allowed to back off a little from the daily grind, and Theodore will need support and encouragement during what could be a rather demanding cycle.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Elizabeth, your Personal Month for October-2021 is 3

You need a break. If possible, take some time off to recharge your batteries. You need sunshine, relaxation, fun, and laughter with friends. The only career aspects favorably highlighted are those related to creativity, and inspiring and motivating those with whom you work. It's a good time to express the thoughts and ideas that you've been thinking about for the past several months. You can make a favorable impression on superiors, even with ideas that are a little daring.

Avoid stress and working under pressure now. The next five months give you the strength to survive and even prosper under pressure but avoid stressful situations this month. Postpone important financial decisions if possible, unless they have to do with "fun projects", such as travel, exercise equipment, creative endeavors, and the like. A modest amount of gambling can be healthy and has a better chance of paying off this month than most other months.

Romance is light and playful. Again, postpone important decisions in the area of romance.

Theodore, your Personal Month for October-2021 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

YOUR MONTHLY RELATIONSHIP FORECAST

Elizabeth and Theodore, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for October is 3 and 4

~first, during this period your cycles will be pushing you in opposite directions. Your numbers suggest this is probably often the case in your relationship - but it does not necessarily reflect incompatibility.

For you, this is a time to relax and smell the roses, while your partner needs to stay focused and maintain a high level of effort. It is important that you don't try to change each other's inclination to follow the demands of your individual cycles. Theodore needs to accept the fact that you are not as disciplined and ambitious as usual, while you should guard against trying to talk your partner into taking it easy.

Contrary to what one might expect, as a rule cycles with a gap of one (like your 3 and 4) are not always incompatible even though they move in different directions. In fact, they often complement one another. Their differences normally cause stress only if couples try too hard to influence each other.

You should be allowed to back off a little from the daily grind, and Theodore will need support and encouragement during what could be a rather demanding cycle.

Elizabeth, your Personal Month for November-2021 is 4

November is time to get down to business, to focus on work, and finish anything left undone. Pay attention to the details; don't procrastinate; don't cut corners. Get the picture? You are laying a foundation for the future, proving to yourself and others that you are worthy of the responsibilities and challenges you have taken on.

Your energy is strong and focused. You can concentrate even when work becomes routine and boring. You are in a crucial stage in your life, but you've got the energy and a take-no-prisoners attitude that will lead you to success. The best way to balance such determination is to get in touch with nature: take a walk in the woods; sit at the edge of the lake; feel the earth and your connection with it.

If you have recently become involved in a romance, this month will bring commitment and stability to the relationship.

Theodore, your Personal Month for November-2021 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month's Compatibility for November is 4 and 5

This is a period where your individual cycles (and influences) will be very different. Elizabeth, you should find a period of focus, effort, and possibly frustration or stagnation, while your partner will experience a time of change, excitement, and dynamic energy.

Considering that, Theodore can help you move forward and not become too frustrated by the demands of your cycle. You can return the favor by functioning as a rock of stability for them during their more unpredictable and chaotic cycle.

The most positive effect of this combination is that their joint forces almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect is that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities will help you stay connected.

Elizabeth, your Personal Month for December-2021 is 5

December brings changes and restlessness. You feel a need to be with others, to be social, to laugh and talk and enjoy yourself. You receive opportunities to travel and will meet a new and exciting person on a trip away from home. This person inspires and motivates you to try something new, to get off the beaten path and take a chance.

This is a month that could bring quite a few surprises, most of which invigorate you. It is a dynamic time that brings information and knowledge from unexpected sources. You want change. You are ready to try a new direction, which causes you to see your career with new eyes. You are in an adventurous mode and willing to take a risk.

This month requires courage and flexibility. There are new opportunities awaiting you and it is up to you to prevent them from slipping by.

Your love relationship is in a vulnerable state, and some suppressed anxieties need to be released. You are somewhat impulsive and may need to force yourself to slow down. You experience a bit of self-indulgence. There is a need for self-discipline.

Theodore, your Personal Month for December-2021 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

Your Personal Month's Compatibility for December is 5 and 6

Your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

Elizabeth, you are in a dynamic cycle of change and highly charged, restless energy. Your partner's cycle is one of stability and responsibility, which should make Theodore's approach focused and practical. While you are looking for opportunity and adventure, they will be centered on home and family - the people and things

that mean the most to them. Your attention will be focused on work, projects, travel or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. You can inspire a little excitement and Theodore can bring needed stability. However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let" live should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives. It wouldn't hurt to make "live and let live" a family slogan for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely when harmony is maintained, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

Elizabeth, your Personal Month for January-2022 is 4

January offers opportunities for progress in your career. You are inspiring and motivating to yourself and others and know how to express your ideas. Your creativity is enhanced. You find original solutions and manage to implement them. Your co-workers and superiors are impressed. You are optimistic and light-hearted this month, which further enhances your work situation. However, you will tend to be impulsive and may find yourself with your foot in your mouth. Make sure you have the information to back up any claims. You also may tend to procrastinate, which can spoil opportunities and damage your career.

January is a month to be on your toes and take full advantage of a favorable combination of cycles. If you have considered remodeling or redecorating your house or starting a gardening project, now is the time to get started.

Marriage or a romantic relationship takes on more depth.

Theodore, your Personal Month for January-2022 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month's Compatibility for January is 4 and 5

This is a period where your individual cycles (and influences) will be very different. Elizabeth, you should find a period of focus, effort, and possibly frustration or stagnation, while your partner will experience a time of change, excitement, and dynamic energy.

Considering that, Theodore can help you move forward and not become too frustrated by the demands of your cycle. You can return the favor by functioning as a rock of stability for them during their more unpredictable and chaotic cycle.

The most positive effect of this combination is that their joint forces almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect is that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities will help you stay connected.

Elizabeth, your Personal Month for February-2022 is 5

February brings changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip. Carefully prepared plans confront the unexpected: events and people you had not expected. If you are flexible and not afraid of changes will enjoy this month. However, if you rigidly try to stick to expectations and refuse to adapt, you may experience a difficult time in which almost nothing works out, no matter how hard you try.

February is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden

thoughts and desires that you have kept hidden during the past two years come freely to the surface. You are open and childlike and for that reason very attractive to others. A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Theodore, your Personal Month for February-2022 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Your Personal Month's Compatibility for February is 5 and 6

Your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

Elizabeth, you are in a dynamic cycle of change and highly charged, restless energy. Your partner's cycle is one of stability and responsibility, which should make Theodore's approach focused and practical. While you are looking for opportunity and adventure, they will be centered on home and family - the people and things that mean the most to them. You can inspire a little excitement and Theodore can bring needed stability. However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let" live should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this cycle. To

maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives. It wouldn't hurt to make "live and let live" a family slogan for life.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely when harmony is maintained, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

Elizabeth, your Personal Month for March-2022 is 6

March brings family affairs and issues involving relationships to center stage. You may be asked to sacrifice some of your time and energy to help others. A parent or child may need more care and attention than usual. Answer the call and you will be rewarded with a wonderful experience of love and closeness.

Many people in the 3 Personal Rhythm Cycle will make a deep commitment of love, or even get married this month. At the same time, separation and divorce are also possible since the theme of this month is to be committed to your true feelings. Confrontations are unavoidable in all troubled relationships. While these trends may be difficult and painful, the forces are working at clarifying your relationships. Your work situation will be rather demanding as more responsibility is transferred to you. However, the reward is right around the corner. (May and June will bring the pay-off.)

This month may be good financially, due to an earlier investment or from payments arriving from previously done work.

Theodore, your Personal Month for March-2022 is 7

Theodore, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month's Compatibility for March is 6 and 7

Elizabeth, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. Your 6 suggests you will be more extroverted than usual, reaching out to others, while Theodore (the 7) seeks quiet time alone.

Positive influences during this cycle are found in your tolerant, giving nature and willingness to sacrifice to accommodate your partner. This is an important and necessary factor for the relationship during this time.

Your partner may not be as patient as usual and may seem withdrawn. But if Theodore seems a bit cool and distant it probably has nothing to do with the relationship; your partner is just doing a little soul searching and needs space. However, they should also be cautious about becoming so focused on their own world that they lose sight of you. Although Your partner's 7 inspires a more inward, personal journey, loved ones need attention too.

Elizabeth, your Personal Month for April-2022 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

Theodore, your Personal Month for April-2022 is 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Month's Compatibility for April is 7 and 8

This cycle will produce very different influences and needs for each of you. Elizabeth, you may feel a little left out or ignored by your partner, although this is most likely not their intention. Theodore's cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when you are more contemplative, examining your priorities, and perhaps questioning the reasons behind what you are doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests and avoid feeling you must share everything. You will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.

Elizabeth, your Personal Month for May-2022 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

Theodore, your Personal Month for May-2022 is 9

This month may introduce some emotional turmoil due to a relationship gone awry. A friend or co-worker has let you down. Your trust has been damaged, and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness. You may want to remember that you are not without fault. It allows the anger and disappointment to turn into understanding and forgiveness, even if the situation cannot be saved. As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

Your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern to you. Look to next month for some insight into that aspect of your life.

Your Personal Month's Compatibility for May is 8 and 9

As is often the case in your relationship, this cycle influences you in very different, and not altogether compatible ways.

For you, Elizabeth, it is a time to get out and shake some trees, make things happen, and reap the rewards. To make the most of this cycle it will be important for you to stay focused and aggressive while pursuing your goals.

For your partner, the cycle could feel a little shaky, so they will need your commitment and support during this period. With your focus on interests outside the relationship, and your partner needing your attention more than usual, it will probably take effort from both of you to prevent disappointment or resentment from creeping in.

Although this will be an enterprising time for you, make time for your partner as well. You, too, will experience a period when nothing seems secure and solid. In fact, your next cycle will probably bring a bit of that, so you may be looking to them for support.

Help your partner recognize you do not mean to pull away from them, your cycle just delivers a more ambitious spirit. Theodore is at the end of a cycle and should focus on completing projects and letting go of things that are no longer fruitful. (Your partner's next cycle should be much more energetic.)

Because your cycles tend to be almost opposite, you have probably learned to adjust to each other's needs. This ability is the key to sustaining a long and happy union.

Elizabeth, your Personal Month for June-2022 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Theodore, your Personal Month for June-2022 is 1

June gives you a new start in some area of your life, perhaps career, or some new project or endeavor. This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead. You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Your Personal Month's Compatibility for June is 9 and 1

Once every nine cycles your relationship goes through a challenging period, a time when only your love and commitment will see you through. Your current cycle is likely to bring disagreements and arguments that make you wonder what happened to the nice person you used to know. This is due to being at opposite ends of the spectrum. Theodore has a 1 cycle bringing energy, optimism, new ideas and plans, while you are at the tail end of your cycles, which brings completion, finality, and generally makes one feel tired, stressed, and slow. Conflicts can quickly intensify in part due to your emotional vulnerability during a period when your partner may be less sensitive than usual.

Elizabeth, there are few, if any, cycle combinations as challenging as this one, but with effort and recognition of your love for each other, your relationship can survive and grow even stronger. For Theodore, the most important piece of advice is to give you plenty of attention; Theodore should be sensitive to your potential mood swings, even if they feel you are overly melodramatic - which is probably true.

The advice for you is not to take your emotions too seriously. You are going through changes that require surrender and acceptance, which could make them even more emotional. You will also benefit from realizing that Theodore does not mean to be abrupt or insensitive, your partner is just in a more energetic and upbeat cycle than you are.

Only your hearts can save the day. When emotions are high, it is often the heart, not the mind that is able to understand and weather the storm.

Elizabeth, your Personal Month for July-2022 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

Theodore, your Personal Month for July-2022 is 2

At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires, and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future. You may be disturbed by these new challenges because they emerge at a time when your workload is considerable.

However, you are more sensitive and better able to discern the true basis of the conflict this month.

Theodore, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented, but should be kept out of the work environment, which may not be an easy thing to do. You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic. Pamper yourself in healthful ways, such as massage, a new exercise, and dietary regime, or some time near the ocean, in the mountains, in the forest.

Your Personal Month's Compatibility for July is 1 and 2

Elizabeth, although your cycles are entirely different, they should not cause much friction in your relationship.

You are entering a period of renewal, increased energy, and a change of direction in your personal life and career. A 1 cycle enhances your motivation, enthusiasm, and sense of urgency to get things started. As far as you are concerned, nothing moves fast enough. Theodore, on the other hand, is slowing down a bit and more concerned about feelings and improving their relationship; it is a time when emotions and personal connections are particularly important for them. This could cause Theodore to feel more vulnerable than usual when it comes to matters of the heart.

As for career, this is a time for your partner to network, find resources, and align with others, while for you, it is a time to grab the bull by the horns, to take control and get things done; this is dramatically different from your partner's current state of mind. Be aware of that and avoid being critical or overly direct - this is not easy when you are in a cycle that tends to make you impatient and easily irritated.

If each of you can follow your own path and adjust to your current state of mind without criticism or interference, these cycles tend to support and complement each other. You will be the engine of change and progress while your partner steers and redirects. However, you need to be sensitive and careful not to expect Theodore to be as driven as you are at this time. You must also accept that your partner may be a little more demanding than usual. In turn, your partner should avoid making mountains out of molehills or letting emotions override common sense.

Elizabeth, your Personal Month for August-2022 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

Theodore, your Personal Month for August-2022 is 3

August is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off. You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application. You are original in your approach to problem-solving. You receive inspiring ideas and can turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights. You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming fear. You may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Your Personal Month's Compatibility for August is 2 and 3

Elizabeth, when cycles fall next to each other in number sequence (like your 2 and 3) it creates very different needs and experiences for those in a relationship.

Your 2 indicates this will be a cycle when emotions are felt more intensely and have more impact than usual. You might feel like a protective layer has been lost, leaving you vulnerable. During this same period, Theodore will experience heightened inspiration, enthusiasm, confidence, and creativity - a light-hearted time when sensitive emotions play a lesser role.

The likelihood that you will be strongly affected by your feelings could lead to mood swings, emotional insecurity, or confusion. Coupled with your partner's upbeat attitude (and perhaps lessened sensitivity and

intuition), this could create challenges for your relationship.

There may be occasions when Theodore doesn't understand why you are so upset about what they consider a minor argument, and you might wonder why your partner seems so distracted and uncaring.

The best advice for Theodore is to be sensitive to your concerns and give you extra time and attention during this cycle. You can help by not dwelling on your emotions. If your partner seems a bit caught up in other things, it is probably because Theodore feels secure enough in the relationship to focus on the creative endeavors and social events that are an integral part of their current cycle. If you need attention or a more sensitive approach, let Theodore know.

You will both have to make room for your differences. Recognizing you are going through very different cycles can help you better understand and tolerate each other.

Elizabeth, your Personal Month for September-2022 is 3

Elizabeth, your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Theodore, your Personal Month for September-2022 is 4

Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success. However, you may feel frustrated during this month and wonder why everything is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasize is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full

advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. You would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes. Late this month, you will start to see the light at the end of the tunnel. However, looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both your work, and your personal life.

Your Personal Month's Compatibility for September is 3 and 4

~first, during this period your cycles will be pushing you in opposite directions. Your numbers suggest this is probably often the case in your relationship - but it does not necessarily reflect incompatibility.

For you, this is a time to relax and smell the roses, while your partner needs to stay focused and maintain a high level of effort. It is important that you don't try to change each other's inclination to follow the demands of your individual cycles. Theodore needs to accept the fact that you are not as disciplined and ambitious as usual, while you should guard against trying to talk your partner into taking it easy.

Contrary to what one might expect, as a rule cycles with a gap of one (like your 3 and 4) are not always incompatible even though they move in different directions. In fact, they often complement one another. Their differences normally cause stress only if couples try too hard to influence each other.

You should be allowed to back off a little from the daily grind, and Theodore will need support and encouragement during what could be a rather demanding cycle.

Elizabeth, your Personal Month for October-2022 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully,

make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Theodore, your Personal Month for October-2022 is 5

October brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you will be offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote yourself unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life.

If your work is service-oriented, you may receive a long-awaited promotion. Friends and family members are supportive. Romance is exciting. It is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may tend to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth.

This hectic and dynamic month brings with it some chaos, and restraint is needed to maintain some control over the events.

Your Personal Month's Compatibility for October is 4 and 5

This is a period where your individual cycles (and influences) will be very different. Elizabeth, you should find a period of focus, effort, and possibly frustration or stagnation, while your partner will experience a time of change, excitement, and dynamic energy.

Considering that, Theodore can help you move forward and not become too frustrated by the demands of your cycle. You can return the favor by functioning as a rock of stability for them during their more unpredictable and chaotic cycle.

The most positive effect of this combination is that their joint forces almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect is that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities will help you stay connected.
