

— THE ULTIMATE — **NUMEROLOGY** — REPORT —

Jennifer Broadstreet

THE POWER AND LIMITATIONS OF NUMEROLOGY

Numerology is an art thousands of years in the making. Like any Metaphysical science, it hinges on the understanding that all things are interconnected. Your numerology profile analyzes the connection between the letters and numbers linked to you, revealing your talents, strengths, weaknesses, emotions, preferences, and a range of other qualities.

To use an analogy, think of numerology's nine single-digit numbers as nine tubes of paint, each a distinctly different color. Imagine you are a work of art painted by a master artist who used every color available to create your image. The depiction is unique and complex: a fusion of bright and subdued colors, shapes and shadows, light and reflection, subtle and bold textures. The deeper you look, the more you perceive and appreciate the many layers that makeup who you are.

A comprehensive numerology profile, along with your honest reflection, can be a powerful self-help tool in identifying underlying traits and new possibilities. The better you know yourself, the more control you have over life's changes and the greater your potential for a successful, fulfilled life. Numerology is not infallible, nor does it promise to answer every question, but I feel confident you will find many things to contemplate in the following pages.

You are unique, and so is your Profile. We hope you enjoy your reading.

YOUR PERSONALITY PROFILE

Conventional numerology readings focus on two aspects of your chart: You and Your Future. Our Profile takes a different approach by adding a third angle, Your Path. Just as your DNA determines your physical body, a blueprint of your personality is an inborn part of you from the very beginning.

Your Profile begins with insight gleaned from your name because that is where we learn WHO you are. It describes the talents, strengths, and other distinct characteristics you were born with. Just as your physical body grows and changes with time, so does your personality. Your personal evolution begins at the moment of your birth. From that point on, the choices you make, the goals you set, your environment, opportunities, challenges, the influence of others, and a thousand other factors alter who you become.

Your Personality Profile begins with an overview of the combined influence of the core numbers derived from your name: your Expression, Heart's Desire, and Personality. This has never been done before and is perhaps the most dramatic improvement in Decoz' latest work.

We hope you will take time to read and reflect on the information below. Many aspects become clearer with time and during subsequent readings. We wish you the best on your journey.

PART I: ABOUT YOU

Your Personality Profile is based on your full name at birth, your current name, and your date of birth. Your full name tells us who you are; think of it as your numerology-DNA. Your date of birth reveals your path and the patterns of your personal growth.

We start this report by looking at the most important numbers derived from your full name to throw light on who you are as a person.

HOW YOUR NAME NUMBERS STACK UP

Jennifer, we begin by taking a quick snapshot, a look at the influence and meaning of the three core numbers derived from your name. Your Expression number is the sum of the value of all the letters in your full name at birth. Your Heart's Desire is the sum of the vowels. Your Personality number is the sum of the consonants. These three numbers are closely linked and influence one another.

All the numbers derived from your name reflect YOU. They are a blueprint of your talents, shortcomings, character traits, and other qualities. You should realize that this is a limited perspective. Later chapters focus on the challenges and opportunities you will encounter on your path, and attributes you may acquire as time passes.

This first chapter is like a glance from a distance, followed by three chapters that explain the meaning of each number in more detail. We will gradually build a more complete picture of the complex and unique individual you are.

Your Core Name Numbers are 8, 11, 6

Your Heart's Desire influences what you like and dislike and determines what makes you truly happy. Your Heart's Desire is a 2 (based on an 11 Master number, more on that a couple chapters further down). Having a 2 in this position indicates you have a powerful need to keep the people around you (and yourself) in a state of harmony. Discord bothers you more than most people. You are a peacemaker. You are sensitive, intuitive, and tactful. You probably feel vulnerable emotionally, due to your heightened sensitivity. You have the soul of a diplomat and the mind of a strategist. This is one of the more challenging Heart's Desires, for the simple reason that living according to its attributes is not generally supported in most societies.

However, more dominant than your 2 Heart's Desire is your 8 Expression. It is the number that most clearly reflects your talents, abilities, and weaknesses, especially as they relate to your career and productive life.

An 8 here suggests you have an ambitious, authoritative, results-oriented side. It does not give up and does not take no for an answer. This is quite the opposite of your 2 Heart's Desire. Creating a balance between these conflicting traits could be a challenge, particularly during your childhood and teenage years.

Your 6 Personality softens these influences somewhat. It gives you a warmer, more accessible exterior than either the 8 or the 2. Your Personality is the side of you others notice when you first meet. It is the "outer" you as opposed to the inner reflection of your Heart's Desire. The 6 is the most loving, caring, and sacrificing of all numbers. Your 6 Personality tells us people are drawn to you. They will also be all too happy to request your time and sympathy (and sometimes money), especially as you get older. You probably tend to be too trusting, if not gullible. However, the 6 is a nice balance for your other core numbers.

Your career options are varied. During your early years, you might change your mind many times before you find the right fit – possibly switching between business and the more idealistic fields of health care or education. Non-profit institutions and volunteer organizations could satisfy your idealistic side. The 6 is also a creative number (especially in the visual arts) and the 2 is drawn to music, so an artistic career might suit you as well. Your overriding talents and strengths, however, are those of a visionary - a practical agent of action focused on tangible results. Your challenge, Jennifer, is to find the middle road between giving and taking. Both the 2 and 6 are givers, while the 8 is a taker.

In your personal life, when the 2 rules the heart, as it does in your case, it creates a romantic. In this way it is a good companion for the 6, as both desire close, harmonious relationships. The 6 is a natural-born parent or caregiver, and a loyal partner. Be mindful, however, that both numbers can have issues with jealousy and possessiveness.

Now let's look at each of your core numbers individually.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Your Expression is 17/8

Jennifer, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition.

You enjoy challenges and rivalry. You are a realist and a visionary planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Jennifer, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Your Heart's Desire number is 11

You have wisdom beyond your years. Even as a child, your understanding of life was considerable, though it likely went unrecognized by others.

You are a born peacemaker. You are driven by a desire to settle conflicts and create harmony. You are a healer and a visionary. You long to make the world a better place and cannot rest until you have dedicated your life to some worthwhile cause. Your realm is ideas and philosophy. You are attracted to the world of energy more than to the mechanical or material planes. Philosophy, religion, and less traditional forms of healing are among your specialties. You are obsessed with the quest for enlightenment.

You are extremely sensitive and possess a high degree of intuition. Subtle messages and feelings of others do not escape your attention. You are powerfully aware of the thoughts and feelings of others. Unless you are well grounded, this can throw you about emotionally. Your awareness can be both a gift as well as a problem, because you so deeply desire to please others and keep harmony in your environment.

Many 11s were born into extremely hostile or turbulent families. This often resulted in psychological pain, lack of confidence, and shyness during childhood. Somehow, the child with an 11 heart's desire recognized the sources of his family's problem. This created an internal conflict for the child, who naturally loved the troubled parent, but could not cope with that parent's behavior. Therefore, many 11s are scarred early in life.

They understand the sufferings of others and seek to be of service in some way.

This is, in fact, the easiest way for you to heal yourself and find your greatest satisfaction. You understand the importance of close, loving relationships. Therefore, you are selective in choosing your friends and spouse. You are a romantic, idealistic, but somewhat impractical person. Unless you have other balancing characteristics (as indicated by 1s, 4s, and 8s in your chart), it is wise to team up with a more practical and realistic partner.

You have a magnetic and charismatic personality. You like pondering abstract matters. Your intelligence is electric. Ideas, solutions to problems, and inventions seem to come to you as if out of the blue.

You are highly charged and intense. This can cause nervous tension. You need to care for your nervous system with ample amounts of rest, a peaceful environment, and proper diet -- avoiding extreme foods and drugs.

You are often more concerned with universal justice than with the individual.

The 11 is a master number, possessing great potential. It has been entrusted to you as a gift that you are worthy of. The key is to maintain a hold on your ideals and seek ways to practically implement them.

You have a specific role and gift to give to the world. This requires time and maturity to fully comprehend. But with patience and perseverance, you will discover why you felt different and even unique as a child. At that time, you will discover that what made you feel weak as a child will make you strong and confident as a mature adult.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Your Personality number is 24/6

You radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who need comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence. You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You can also become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.) You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste. You are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

THE HEART'S DESIRE - PERSONALITY BRIDGE

A Bridge number is based on the numerical difference between two closely related aspects in your chart. It is the gap you need to "bridge" in order to create a more harmonious bond between the two areas.

The following Bridge number connects your Heart's Desire and Personality numbers. It suggests things you can do to help your deeper self to align more closely with your personality; the "outer" you that is apparent to others.

With a little exaggeration, you could say that your Personality number is somewhat like your mask; it's a more superficial aspect you reveal to the world. You can imagine how much more comfortable and less inhibited the experience of life becomes when you can align your authentic self with the personality you show to the world.

Your Heart's Desire - Personality Bridge number is 4

Avoid procrastination. Try to be more reliable and punctual. Be practical, methodical, and systematic in your endeavors. Keep track of details; avoid chaos. Work on the basics of life. Physical and outdoor activities bring you closer to yourself, so get out in nature, work in the garden, or build a fence.

PART II: THE PATH YOU ARE ON

If there was ever a moment of transformation, it was the moment of your birth. In that instant, you stepped into a new reality - the reality of human life and human consciousness. Even at that moment you were a person with your own unique character, as unique as your DNA. The previous chapters focused on YOU, the person you are, as revealed in the letters of your name. It is now time to look at your Path, the road you walk through life, using the numbers found in your date of birth.

Your first breath marked the beginning of your journey on the road we call your Life Path. It makes sense, then, that the most important number in your numerology chart comes from the date of your birth. Your Life Path number gives a broad outline of the opportunities, challenges, and lessons you encounter throughout your life. It also reveals the strengths, specific talents, and characteristics you were given to help you overcome challenges and evolve into the best you can be.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Your Life Path number is 30/3

You possess a great talent for creativity and self-expression. Many writers, poets, actors and musicians are born under the 3 Life Path. You are witty, possess a gift for gab, and savor the limelight. Your talent for the expressive arts is so abundant that you may well have felt drawn to becoming an artist while still very young. Your artistic abilities can only be developed, however, through discipline and commitment to the true development of your talent. Commitment, concentration and hard work are the only means of bringing forth your talent.

Thanks to your gift for self-expression, you can be the life of the party, and the center of attention. However, you could easily squander your talent by becoming a social butterfly. Your creativity is the gift that can give you the comfort and luxury you desire, but not without continual focus and discipline. You are optimistic and possess the resilience to overcome many setbacks.

You are socially active, popular, and inspire people with your sunny "happy go lucky" attitude. You can be generous to a fault. Many people born under the 3 Life Path have difficulty handling money because they can be disorganized and not particularly serious about their responsibilities. You are emotional and vulnerable. When hurt, you withdraw into a cloud of silence, eventually emerging from your reticence with jokes and laughter that cover up your true feelings. You can become moody and cynical when depressed. You can succumb to sarcastic remarks, which can be painful to those around you.

When used positively, your talent for self-expression can be a great inspiration force in the world, uplifting others, and bringing much success and happiness to you.

THE BIRTH DAY NUMBER

The day you were born bears great significance in understanding who you are and where your talents lie. Your day of birth indicates special talents you possess. It gives us an indication of the approach you will take toward the goals, opportunities and obstacles you encounter on your Life's Path.

Your Birth Day number is 21/3

You have a highly-developed creative talent. You are an artist at heart. You could excel in writing, visual, or performing arts. If you are not professionally involved in one of these areas, you should consider taking up art as a hobby. You are highly-imaginative, quick-witted, and possess the gift of gab. You have great enthusiasm. Others find you inspiring and charming. You are a wonderful salesman. You are friendly and sociable, affectionate and loving. You possess a good deal of charisma. You can also be moody and subject to rapid ups and downs.

You have a fine sense of harmony and art in everything that you do -- from your dress to the way you decorate your home. You have a gift with plants and flower arranging. Be careful not to waste time and energy on trivial matters. Keep your long-term priorities in perspective.

THE LIFE PATH - BIRTH DAY BRIDGE

Your Life Path and Birthday numbers are closely connected and influence each other. This Bridge explains how you can make the connection between them more harmonious.

Your Life Path - Birthday Bridge number is 0

Your 0 (zero) Bridge shows that in order for you to get the most out of your particular Life Path and Birth Day numbers, you would do well to pursue a wide world view. Knowledge of other cultures and societies, through books, film, travel, and interacting with strangers can expand your awareness beyond simple information gathering. It advances your self-awareness by strengthening your bond with humanity and creates a sense of freedom as well as comfort.

CHALLENGES; YOUR FIRST CHALLENGE

You face four specific Challenges in your lifetime. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

These Challenges place you in situations that require you to face the particular lesson at hand. This provides an opportunity for you to learn or better integrate personal traits that will benefit you during the lesson, and throughout your life.

The four Challenges in your chart will influence you during the periods of your life listed below.

The duration of your First Challenge usually lasts from birth until age 30 to 35.

Your First Challenge is 2

You are overly sensitive and too aware of other peoples' expectations. You suppress yourself to avoid feeling conspicuous. You can be overwhelmed by self-consciousness. You fear gossip about you. As a result, you become inhibited. All of this results in a suppression of your own individuality and uniqueness. You yearn to blend into the crowd.

You let your own feelings and emotions play too big a role. Your hypersensitivity causes fear, timidity and lack of self-confidence. And you experience unnecessary fear and emotional turmoil. Little things seem disproportionately difficult to overcome and sometimes have a paralyzing effect. Jealousy can cause much pain and misunderstanding.

These negative aspects of the challenge actually spring in part from positive characteristics you possess, especially your acute awareness and intuition. You are an antenna for other people's feelings; you know before a word is spoken how they feel.

You lack the inner strength to maintain your own center and try to conform to the prevailing emotional atmosphere.

This challenge makes you understanding and compassionate; you have an enormous empathy for the inner

turmoil of others and can do much good for people with emotional problems.

THE SECOND CHALLENGE

Your Second Challenge is in place from approximately age 30 through 55.

Your Second Challenge is 1

You must learn to be independent. You will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power. You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual.

This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts. You will learn your own set of values; you will develop into an individual with original and innovative ideas.

THE THIRD AND MAIN CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge and incorporate its positive aspects into your character, your life gradually feels more in control. There is a chance for great reward implicit in this challenge. In short, it may offer the secret to your success.

Jennifer, you are repeating Second Challenge

THE FOURTH CHALLENGE

Your Fourth Challenge is most strongly felt during the latter part of your life, beginning at approximately age of 60.

Jennifer, you are repeating Second Challenge

PART III: YOUR PATH AND YOU

We have focused on the letters of your name and the numbers from your date of birth. We will now look at numbers in your chart derived from the combination of both your name and the date of your birth. Acquiring the attributes described in the next few chapters will help smooth your progress. As you learn more about yourself, you may begin to recognize traits you were previously unaware of.

THE LIFE PATH - EXPRESSION BRIDGE NUMBER

This Bridge has the potential to "close the gap" between the Life Path and the Expression numbers. The chapter explains how you can make your talents, strengths, and specific abilities (your Expression number) more readily available and fitting to your goals and personal growth.

Your Life Path - Expression Bridge number is 5

Your 5 bridge suggests you a need to be more flexible and adaptable. Be willing to go out on a limb; try being more adventurous and unconventional. A dynamic approach will be helpful in the challenges and opportunities you encounter, especially when your career is involved. (This is less the case in your personal life.) Make freedom, and freedom of expression, a high priority in your life.

Your strength lies in using your creative talents in a business-oriented manner. Your weakness is your tendency to suppress your creativity in favor of proven methods, even if you know there are better ways. Don't be afraid to make waves.

MATURITY NUMBER

Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.

Your Maturity number is 11/2

As you mature, you will discover that you possess a growing talent for understanding and working with other people. Your ability to influence others through tact and diplomacy will grow. These talents will further you along in your career or business. You will become increasingly shrewd and will learn the art of discrimination. Your sensitivity to the needs and desires of others improves dramatically. You will be able to evaluate their motivations with a growing clarity and uncanny accuracy.

You find you can get more done by persuasion and gentle guidance than by force. You may well have to learn to assume the role as the power behind the throne. Your influence is less public, and you may not always receive the public recognition you deserve. However, your satisfaction comes from seeing the fruition of your own ideas come about, the result of teamwork and cooperative efforts.

If you already have many 2s in your chart, especially in the core numbers, you may become overly sensitive, a characteristic you will have to keep in check. If you have few 2s in your chart, the influence of your Maturity Number will greatly increase your ability to work harmoniously with other people.

PERIOD CYCLES; YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. This cycle begins in the early and mid-30's while struggling to find your place in the world. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

The Third Cycle starts approximately age 55, and represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Your First Period Cycle runs from birth until your mid 30's.

Your First Period Cycle is 5 and lasts until age 33

This is a chaotic time full of unexpected events and changes. Entering life with a 5 first Period Cycle often means a less-than-stable family and/or school environment. This can give rise to an obstinate, rebellious streak. From an early age you may have trouble keeping reality and fantasy separate. As a child and young adult, you may be perceived as "different." You are drawn to social interaction, but there may be times you feel you do not fit in well.

You are adventurous and more than once attempt a feat that is clearly dangerous. You are easily bored, and perhaps find refuge in some form of overindulgence. It may take you longer than most to find stability and a goal.

SECOND PERIOD CYCLE

Your Second Period Cycle runs from your mid 30's until your late 50's.

Your Second Period Cycle is 3

The middle part of your life is a time of heightened self-expression and social support. Abilities you possess in the arts, especially in writing, acting, or dance, are enhanced.

You are more social than you have been in the past, and others are attracted to your charm and charisma. Although this is a time of maturing, you feel as though you are becoming mentally younger and more creative. Staying focused on practical goals may be challenging.

THIRD PERIOD CYCLE

Your Third Period Cycle covers the later part of your life, starting in your early 60's.

Your Third Period Cycle is 22

This cycle carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You can manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs. You commit yourself entirely to the work at hand. For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment

and reward. You possess an ability to make a lasting contribution to the well-being of humanity.

PINNACLE CYCLES; YOUR FIRST PINNACLE CYCLE

Although Pinnacle Cycles and Period Cycles are both derived from your date of birth, they differ in the way you experience them. Period Cycles, described above, reflect internal stages of growth. Pinnacle Cycles represent the external influences you encounter in life.

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's (the exact date depends on your Life Path number). This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Your First Pinnacle cycle is 8

Jennifer, under the influences of this Pinnacle, you will have greatly enhanced talent for dealing successfully with business and finances. This is a time of material growth, a time of expansion and reward. It is the cycle of harvest. The 8 Pinnacle also increases your personal power. You have sound judgment and vision. In fact, this is the basis of your financial success. People sense your power and effectiveness. They defer to you much more easily and look to you for answers. This makes it easier for you to use power without having to be a bully or force your way through situations. They perceive your able-ness and want to join you in your vision. Others have faith in you.

You will be able to organize large enterprises. Problems do not threaten you so much as provide a challenge. You yourself sense your enhanced personal powers and feel a growing sense of stability and centeredness. You will be capable of influencing matter in an almost magical way. As a result, you are extremely goal oriented, moving toward the realization of your dreams with confidence and clarity. Your challenge during this period is to maintain a hold on your human and spiritual values. You must remain balanced between heaven and earth. There will be enormous temptations to make money and status your only priorities, excluding the more human or immaterial matters entirely. This will undoubtedly lead to losses. You are

being tested and instructed in the real value of money -- it's natural place in life. If money is placed on a high altar, overshadowing all other facets of life, you will become its slave. If you are balanced in your approach to money, and have proper perspective, this can be a truly rewarding period, both materially and spiritually. That is the true promise of the 8.

The number 8 symbolizes the balance between the finite and infinite, matter and spirit. It offers a great opportunity to grow.

THE SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Your Second Pinnacle cycle is 7

This is a period of inner development and soul searching. Jennifer, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along. During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Your desire to study in all forms -- reading, self-reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep need for knowledge. Your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the

imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

THE THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Your Third Pinnacle cycle is 6

Under this Pinnacle you will be very involved with family, friends, and your community. You will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well. Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. Jennifer, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world. You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Jennifer, your heightened sense of harmony and your genuine compassion makes you an excellent counselor

and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits. Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

THE FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Your Fourth Pinnacle cycle is 9

This is a period in which you must identify with some larger project or goal that is bigger than you, Jennifer. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well-being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community. As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world. Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a

whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching. In short, you are highly idealistic. You will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

PART IV: SPECIFICS ABOUT YOU

Although the following chapters deal with less dominant aspects of your chart, they are more narrowly defined and specific in the ways they affect you.

THE RATIONAL THOUGHT NUMBER

Your Rational Thought number comes from combining the sum of your birthday number with the sum of your first name. It reveals the style or process you use when making choices or considering a problem. Are you a structured, logical thinker or do you ponder a question in a creative, abstract manner? Do you daydream or stick to deductive reasoning?

Your Rational Thought number suggests the general approach you take in your thought process.

Your Rational Thought number is 3

You are creative, but your thoughts tend to be scattered. You jump around inside your head without much focus. You come up with solutions that reveal an illogical approach, yet they often work. As it applies to you, rational thinking is a contradiction. You project, interpret, and analyze your projects and problems in a manner that often leaves others flabbergasted.

However, you are unbeatable when it comes to shining new and original light on issues; often coming up with unique answers. You have this Rational Thought number in common with a number of famous and original thinkers throughout history.

THE BALANCE NUMBER

Your Balance number provides guidance on how to best deal with difficult situations.

People experience a variety of internal responses to life's challenges. Some step back from difficult situations to ponder a course of action while others withdraw to avoid uncomfortable emotions. Some explode with anger but allow the outburst to pass quickly while others let their feelings linger.

Very often, these are conditioned responses that emerge without thought or analysis. With maturity and self-development, we incorporate new and more effective methods of handling situations we encounter.

Your Balance number is 8

Use your considerable power in a balanced way Jennifer. You may use power in a manipulative way, rather than confront people on principle. Use your power in a higher way, namely, by accepting personal responsibility for the issue and its solution. You have enormous creativity and the leadership to find an answer to almost any problem.

Try not to force your own solution upon groups but include their concerns and ideas in the larger solution that you can bring about, learn to use power for the good of all.

THE HIDDEN PASSION

Your Hidden Passion reveals specific strengths or talents that are available to you, such as a specific field of expertise or (as the name implies) a passion. Metaphorically, this talent or passion may be seen as having a power all its own to help shape your life.

Having a talent demands that you nurture and express it. Your Hidden Passion gives you the desire to develop and express your particular ability. In this way, it shapes your personality and guides your life.

In the graphic below, each square represents the number value of the letters 1 through 9. The top left square tells you how many ones are found in your full name at birth. The one next to it shows how many twos are in your name, and so forth. The number that is found most often in your name is your Hidden Passion. There can be more than one.

Your Hidden Passion number is 5

You love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages and are generally good with words. Writing, promotion, and public relations work suit you perfectly. You are resourceful and original. You have a good sense of humor and a quick tongue.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely. Jennifer, you may be interested in too many things, which can make it hard for you to apply yourself to one area successfully.

Commitment in relationships and your work is fundamental to your happiness. You may tend to wander

from person to person, job to job, making depth of relationship or deep expertise difficult.

KARMIC LESSONS

Karmic lessons are recognized by the absence of certain letters in your name and describe areas we are weak in that require recognition and effort to overcome.

The letters in your name point to talents and abilities that you possess; tools that are available to you. Missing letters imply tools that are unavailable, they must be learned and mastered during your lifetime.

You can have more than one Karmic Lesson or, if every number is represented your name, you don't have any.

Although you may feel you have learned to overcome one or more of your Karmic Lessons, you will continue to be challenged by them throughout your life.

Your Karmic Lesson is 7

You need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self-condemnation, in order to bring your abilities to their full development. You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

THE CORNERSTONE

The first letter of your first name gives an additional indication of your character, particularly in the way you approach opportunities and obstacles. This first letter is called your Cornerstone.

Your Cornerstone is J

Your J is for Justice. You are honest, loyal, reliable and sincere. You want to improve the lives of others. You may try too hard to please everyone. You have a clever mind and are very talented. However, you have to work at motivating yourself to make the most of your talents.

THE SUBCONSCIOUS SELF

Your Subconscious Self is based on how many numbers are represented in your name, and indicates your ability to make the most of your talents and opportunities, especially when you face new, challenging, or even dangerous circumstances.

Your Subconscious Self number is 8

You handle unexpected situations in an efficient manner and often manage to get the best out of it. You learn quickly and usually do not repeat the same mistakes. You want to be rewarded for your efforts and relate your success to the material aspects.

You are dependable and solid in almost any kind of situation. You do not panic or scare easily. You have a business-like attitude to problems and realize quickly what needs to be done. You have a good understanding of money and matter. You are a survivor. You show leadership and organization and are physically courageous and competent.

PLANES OF EXPRESSION; THE PHYSICAL PLANE

You experience life on four different levels: physical, mental, emotional, and intuitive. Your Planes of Expression indicate how you function on each of these planes.

Your physical plane links you to the material world.

Your mental plane, like the emotional and intuitive, perceives the invisible world; the realm of thought and reason.

Your emotional plane is preoccupied exclusively with feelings.

Your intuitive plane gives you access to the insight and knowledge that comes effortlessly as if placed at the

doorstep of your mind.

In each category, the number of letters, and their numerical value, gives an indication of which Planes of Expression are stronger in you and which are weaker. Each of us is dominated by one or two of the first three planes. The physical and mental are the most widely used, although a name dominated by emotional letters is not uncommon. The intuitive plane is usually the least utilized. A name dominated by intuitive letters is extremely rare but having no intuitive letters in a name does occur. This does not mean a lack of intuition but points toward a tendency to ignore or distrust intuitive insights.

The Physical Plane represents the physical letters in your name.

Your Physical Plane of Expression is 34/7

You must make a conscious effort to maintain your physical health. Your body will be a major source of education for you in this life. You will learn a great deal about healing. You should study nutrition, and other forms of holistic health. You have a talent as a healer. Your refined understanding of the body as an instrument that needs fine tuning and care can be of benefit to you and to many others. You have fine intuition and an ability to understand abstract thoughts. Your mind naturally grasps scientific and technical matters, and you may do extremely well in any of these fields.

You perform best from quiet places. You need peace of mind and time for thinking and contemplation. You should specialize in a single area of study. You are a perfectionist and do not take anything at face value, you like to probe, to research, to discover the deeper answers to life's questions. You have self-control and dignity, but you must guard against becoming too withdrawn.

THE MENTAL PLANE

The Mental Plane is based on the mental letters in your name.

Your Mental Plane of Expression is 24/6

Jennifer, you have the mind of a poet, writer, or actor. You see life in artistic terms. Teaching and healing come natural to you. You carry much responsibility and are very dependable. You fulfill your obligations. Your appreciation of beauty and art is visible in your surroundings.

Your prospects for success in business are excellent, due to your practical and responsible behavior.

THE EMOTIONAL PLANE

It is not uncommon for a person to have a name dominated by emotional letters.

Your Emotional Plane of Expression is 70/7

You are emotional and need love, but you have trouble expressing your feelings. You tend to hold back, rather than risk being hurt. This causes others to think you are a bit cool or withdrawn, but in fact you are more likely to have powerful emotional experiences that build up inside you. You are vulnerable to emotional explosions. You may be inhibited.

You need to work on allowing your emotions to show spontaneously. This requires great trust and courage on your part.

You have a very sharp mind and excellent intuition. You perform best in a quiet place. You have self-control and dignity. You may be too occupied with yourself with a tendency to withdraw, especially when you are emotionally troubled.

THE INTUITIVE PLANE

A name dominated by Intuitive letters is extremely rare. It is, however, not at all uncommon not to have any intuitive letters.

Your Intuitive Plane of Expression is 6

You are extremely intuitive and spiritual. You take your spiritual ideas and experiences quite personally. There is a danger of too much attachment to your ideas and thus becoming deluded.

You have talent as a teacher or minister. You have psychic experiences often related to friends and relatives and should take these messages seriously.

PART V: HOW YOUR CURRENT NAME AFFECTS YOU

The influence of the short name (the name you use to introduce yourself, including your last name) is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers, and their related characteristics, that are missing or out of balance in the full name.

THE MINOR EXPRESSION

Your current name forms the basis of your Minor Expression number. It is usually the first and last name you commonly use to introduce yourself (not necessarily the name you received at birth).

The influence of your short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for letters or numbers missing in the full name.

The name you currently use, also affects how you feel about yourself.

If a name change takes place later in life for marital or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or latent talents.

Your Minor Expression is 10/1

This number makes you better equipped for the daily struggle of life. This is a powerful number with good leadership abilities. It is independent, individualistic, original and innovative. It adds courage and a willingness to take risks. This number makes you more determined and goal oriented.

THE MINOR HEART'S DESIRE

The vowels of the name you currently use to introduce yourself are the basis of your Minor Heart's Desire number.

Your Minor Heart's Desire is 9

The shortened version of your name broadens your outlook on life. It makes you more compassionate, socially oriented, and concerned for the welfare of humanity. Your Minor Heart's Desire increases your idealism, and capacity for self-sacrifice toward a higher goal. You want to make a difference in life.

You may be more likely to hold yourself aloof and thereby making it harder to find the personal love you need.

Your appreciation for the arts is increased, and any artistic talent you may have is enhanced. You may want to become more of a teacher and are attracted to knowledge that will further this ambition.

THE MINOR PERSONALITY

Your Minor Personality is based on the consonants of your current name and reflects, at least to some extent, how you think, or hope, others might perceive you.

Your Minor Expression is 19/10/1

You are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative. You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 27 and 28 is F

This is a period of much soul searching and spiritual growth. This year will find you intuitive and sensitive, but possibly less clear about what you want from life, doubting old and established ideas and patterns. Your assignment is to turn inward. Meditate, and contemplate your feelings and options.

There will be hard work and responsibility, both at home and at work. You may tend to play the martyr during this time if you feel you are sacrificing too much. This could be an avoidance of responsibility more than an act of genuine, selfless love. There will be many opportunities to help and give comfort as others come to you for guidance and a shoulder to cry on. Give - and find a balance for your needs during this period.

YOUR MENTAL TRANSIT

The Mental Transit is based on your middle name

Your Mental Transit for age 27 is B

The B transit can make you more emotional and shyer than usual. You have a strong need for love that can leave you prey to emotional love affairs. You should also be mindful of potential issues with your health, especially those related to your nervous system. This period requires getting plenty of rest. Be receptive and listen to the advice of others.

Your sensitivity and diplomacy can bring advancements in your career and relationships; others are attracted to you and want to help in your endeavors.

Your Mental Transit for age 28 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 27 and 28 is R

You have deeper understanding and insight during this transit. It is a time to deal with money, power, and authority. You have an opportunity to elevate your financial status and personal growth. This is a period where you are likely to meet the best and the worst. You must exercise caution in everything you do and every decision you make. Be aware of your surroundings.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Your Essence for age 27 is 8

This is a period when business and career affairs dominate your agenda. A new opportunity will unfold to you and you will have to give yourself to it entirely to make it work. It is a time of progress and much personal power, but the demands of the time are equally large, thus requiring careful planning and attention to detail.

All business matters -- including personal economies -- will come under sharp scrutiny. You will likely have more money than during previous years, but, conversely, you must be more careful with it. A new start can be made. You sense the need to grasp it. But you also are aware that it must be treated with great care. Therefore, be astute in all your business dealings. Major mistakes can be made if you are not careful, and they can affect you for some years to come. It is a time of cautious use of power. You are being asked to develop wisdom in all your dealings. Balance -- in areas from your mundane affairs to your eminently important relationships -- is the key to your success. Keep a tight control on your bookkeeping, while providing strong leadership and gentle guidance to your family or close associates.

It is also a time when old issues -- especially debts from the past -- surface with a vengeance, making it necessary to pay the piper before further progress can be made. The irony is that while you have greater resources, there are often equally large demands made of you.

This is a time, too, when you will realize that you are a survivor. No matter what difficulties you have experienced in the past, this is a period when you can regain a sense of progress in career matters. You will feel that you are doing important work, and will be richly rewarded for it.

Your Essence for age 28 is 2

You must learn to cooperate with others in order to accomplish some greater good. This is not a time to lead, but to follow. You must be content to draw your guidance from the environment and those in positions of greater power. You must maintain your own center, but avoid arrogance, rigidity, and stubbornness. The more you insist on your own

priorities, the more resistance will you meet. This is a period of partnerships. Your success depends on your ability to work with others.

You will be extremely sensitive and intuitive. Your powers of understanding will be at an all-time high. These abilities will give you the insight you need to perceive subtle changes in people and situations. You will therefore be better able to adapt to changing circumstances.

Your intuition makes it possible to accomplish great tasks, even though you may not be in a leadership role. The reason: you instinctively know how to react to change, and to gently advise people to go in the right directions.

Your role as an advisor or confidant is the key to your success during this period. You are learning the lesson of interdependence. You will also come to know how valuable you can be in a more passive role. It is a period to serve, to be the helper, the assistant. Your ability and willingness to work with others will be tested and rewarded. It is essential that you listen. Be shrewd in your evaluations of others and of situations, but do not enforce your judgments directly on people.

Your sensitivity will make it necessary for you to seek out harmonious and peaceful environments. Be careful of the health of your nervous system. You can become anxious more easily during this period. Therefore, seek out people you trust; share your deeper feelings; allow yourself to be supported by friends and loved ones. Keep your spirits high and avoid depression.

Music plays an important role during this period. Any musical talent you possess will be enhanced. You even possess a certain physical grace that can emerge in dancing, athletics, or simply walking down the street.

In your passive, centered way, you will be charismatic and attractive to others. People will sense your fine intuition and sensitivity and seek you out for private talks. Be loyal to friends and partners. Remain strong inwardly and flexible without. In this way you will avoid the obvious difficulties and remain on your path to success.

This is a period of accomplishment through gentle persuasion.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2020 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year cycle for 2021 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality after your birth day in 2020 is 8 and 3

An 8 Essence in a 3 Year is particularly favorable for creative endeavors. The enthusiastic, imaginative 3 should bring plenty of opportunities to implement your creative, innovative ideas. However, to manifest that creativity you will need to make a determined effort to stay focused and disciplined. The 3 is known to be scattered and often finds it difficult to stay with the project at hand. This will be much easier next year when the disciplined, efficient 4 comes into play (the perfect complement to an 8 Essence).

This Duality is not as ideal for business, career, or finance, which could be especially frustrating. The conflict stems from your Essence lending a highly motivated, progress-driven state of mind while the influence of your yearly cycle provides situations more suited to fun and relaxation. Both numbers are highly energetic, but one is focused and serious while the other is scattered and playful. All this energy could inspire you to take on too much, which could result in getting very little accomplished.

Relationships, including romance, are favored thanks to your charismatic, approachable 3. You should also find it easier to resolve disagreements and let bygones be bygones.

The greatest asset this cycle brings is undoubtedly your enhanced creativity and the ability to express ideas. Your practical, results-oriented attitude will also be invaluable. Your challenge is to bundle and focus these

qualities toward realistic goals. You have an opportunity to manifest something worthwhile this year but focus and discipline will be needed to complete the picture.

Your Duality before your birth day in 2021 is 8 and 4

Jennifer, when you read the chapters on your 8 Essence and 4 Personal Year, you probably noticed they are well matched. Very few number combinations are this favorable.

A 4 Personal Year gives you a significant grip on practical matters, details, and managing your time efficiently. As your Personal Year number, it will deliver events and circumstances that will benefit from these no-nonsense traits. Your Essence brings out the visionary in you and adds considerable business savvy. It gives you an ambitious, results-oriented state of mind. This is clearly a great team. Both numbers are practical and anxious to get to work.

This is a period of opportunity, but there is a caveat: success will depend upon your courage, determination, and effort. A soccer player may have the lineup and support needed to make a goal, but it will still take every ounce of effort and focus to score. Fortunately, energy and a focused mind are part of your 8 Essence.

During this period of progress in your career and other practical matters, you have the potential to make a long-time dream come true. However, as favorable as this cycle is for work and business, it is not as harmonious in romance and other personal relationships. This is because the cycles that affect both your mindset and the circumstances around you are driven to achieve practical goals. This could leave your loved ones feeling left out, so you may need to make an extra effort to consider their needs. Also, avoid making dramatic changes that affect close relationships without first giving serious forethought.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for July-2020 is 3

Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income. This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it. A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too seriously, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Your Personal Month for August-2020 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

Your Personal Month for September-2020 is 3

Your creativity is at an all-time high. You find solutions and discover new ways to improve old methods. You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work. You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Your Personal Month for October-2020 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month for November-2020 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month for December-2020 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

Your Personal Month for January-2021 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month for February-2021 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Your Personal Month for March-2021 is 7

Jennifer, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month for April-2021 is 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful.

Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Month for May-2021 is 9

This month may introduce some emotional turmoil due to a relationship gone awry. A friend or co-worker has let you down. Your trust has been damaged, and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness. You may want to

remember that you are not without fault. It allows the anger and disappointment to turn into understanding and forgiveness, even if the situation cannot be saved. As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

Your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern to you. Look to next month for some insight into that aspect of your life.

Your Personal Month for June-2021 is 1

June gives you a new start in some area of your life, perhaps career, or some new project or endeavor. This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead. You may have a difficult time relaxing or enjoying

yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Your Personal Month for July-2021 is 2

At this time, your relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires, and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future. You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Jennifer, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented, but should be kept out of the work environment, which may not be an easy thing to do. You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic. Pamper yourself in healthful ways, such as massage, a new exercise, and dietary regime, or some time near the ocean, in the mountains, in the forest.

NUMEROLOGY

DIAMOND SPIRIT GUIDE

WHAT THE DIAMOND CHART REVEALS

The Diamond is one of the oldest number-based methods of divination and perhaps the most powerful tool numerology has to offer. It reveals the chain of cause and effect that connects your physical and non-physical planes. It tells us how your experiences, choices, and priorities in the physical world affect your internal/spiritual growth, and how, in return, this affects the quality of your life on the physical plane.

Each Diamond pattern consists of four numbers. The first is called the Challenge. Your Challenge is a lesson or test that, once learned, will benefit you for the rest of your life.

The second number is the Root or Cause and explains the underlying reason that lesson has emerged. The third number, the Recommended Action (also called Action Key), gives advice on the best approach for a successful outcome. The final number - aptly named the Outcome - reveals what the likely result of your efforts will be, and how it might affect your future.

Except for ages 0 through 7 and 75 through 81 we experience two Diamonds per year from birthday to birthday. These two Diamonds overlap and are equally important; they fit together as if working on one helps us understand the other.

Although most Diamonds are in place only for one year, it's not uncommon for one or both Diamonds to repeat the following year. Often one number - usually the Challenge number - lasts for more than one year, while the other three numbers change. Finally, a number that is the Cause one year becomes the Action Key for the next. The Diamond's structure is complex but also logical and beautiful.

A word of advice: getting the most out of your Diamond requires some measure of self-reflection, not unlike the I Ching. I recommend that you read it more than once, then let it simmer. You may be surprised at the amount of insight you gain.

Your report covers two years/ages from birthday to birthday. To avoid distraction, you may want to postpone reading the Diamonds for the second year until a couple of months before your next birthday, or if you do read them, go back to the two for your current age and focus on those.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 27 is 1

This common challenge is likely to repeat more than once during your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 – and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity – the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. You have an opportunity to become more secure in your self-worth, and the acceptance of your true self, which in turn can lay the foundation for contentment. (We experience our reality as separate from other people which, in part, is what makes us individuals. Sometimes, however, events or circumstances amplify the distance we feel, creating a

sense of separation and loneliness. Although it is not possible to merge fully with another person, we can experience a shared reality and unbreakable bond, without losing ourselves in the process.)

YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 6

JenniferElizabethBroadstreetJenniferElizabethBr, when the 6 appears as the second number in your Diamond pattern, it points to an issue with family, friends, or a romantic partner. (More often than not romance plays a role.)

There may have been a disconnect recently between what you felt and what you thought you should be feeling, or were expected to feel. The issue was probably not that love was absent, or not reciprocated, but a lack of clarity.

It is also not uncommon to find the issue of sexuality at the root of this Diamond, related to confusion over blurred lines between the emotional versus the physical expression of love.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 14/5

Think of this period as flying a kite, JenniferElizabethBroadstreetJenniferElizabethBr. You need to keep your feet on the ground, but your focus and ambition should be roaming, swirling and diving without restraint. Your mind should be as free as that kite but held firmly by a string controlled by (only) you.

We often allow people or situations, as well as ourselves, to limit our potential. Sometimes we work hard because we feel pressured by money concerns or living up to other people's expectations. Other times, we are drawn by a dream or a personal goal. Although no less effort is required, there is a big difference in the way each impetus feels; the first feels frustrating and demanding, the second brings hope and excitement,

This diamond suggests it's time to let go of old concepts and ideas, in order to be elevated by your own dreams. Nurture your untapped potential by allowing new ideas to emerge, let go of past habits and worrying what others may think.

Although it may not sound very practical, it may help to just watch the clouds go by, get out more, let go of old patterns. There is no better way to get in touch with yourself and your dreams. Allowing your mind to wander and making room for the new are important aspects for recognizing and formulating your dreams.

Qualities that will help you navigate this Diamond and take advantage of approaching opportunities are flexibility, adaptability, having faith in yourself, and letting go of old habits and restrictions.

THE EXPECTED OUTCOME OF YOUR FIRST DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

What it means to have an expected Outcome of 9

JenniferElizabethBroadstreetJenniferElizabethBr, today you most likely find yourself in very different circumstances than you experienced one or two years ago. It's possible you are more involved in activities with a wide range of influence, perhaps involving politics, legal affairs, environmental issues, metaphysical studies, or an alternative health and lifestyle program.

A 9 in this position suggests the idealist in you has become more prominent, and you have developed a more practical approach to your endeavors. A broader worldview, humanitarian efforts, and sacrifice without a desire for personal reward are some of the traits the 9 inspires. Whatever cause or causes you take on, you intend to make a difference. The 9 is also creative, artistic, diplomatic, and philosophic, which gives you a wide variety of interests to choose from. The one unifying aspect is almost always the desire to help others.

In addition, it's not uncommon for a person exiting this Diamond to receive a windfall in the form of unexpected money or other stroke of luck.

THE SECOND DIAMOND

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

Your Second Diamond Challenge for age 27 is 1

This common challenge is likely to repeat more than once during your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 – and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity – the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. You have an opportunity to become more secure in your self-worth, and the acceptance of your true self, which in turn can lay the foundation for contentment. (We experience our reality as separate from other people which, in part, is what makes us individuals. Sometimes, however, events or circumstances amplify the distance we feel, creating a sense of separation and loneliness. Although it is not possible to merge fully with another person, we can

experience a shared reality and unbreakable bond, without losing ourselves in the process.)

YOUR SECOND DIAMOND CAUSE

The second number in your Second Diamond reflects the underlying cause of a distinct challenge you will face this year. It is the catalyst that sets things in motion, the cause of the issues confronting you during this period.

The Cause for your Second Diamond is 8

Your root cause suggests you may have been feeling a little off balance, perhaps for as long as three or four years. You feel you missed opportunities - real or imagined - and doubt may have been gnawing away at you.

This combination can leave you feeling a little insecure about where you belong and what you should be doing, not unlike a rock climber suddenly experiencing fear of height halfway up the mountain. Nothing has changed; you are climbing with the same equipment, traversing a mountain like many you have climbed before, but your discomfort is real, nonetheless.

Insecurity and doubt have a positive side as well. They help you move forward more carefully and deliberately, thereby proving to be the very ingredients that can prevent you from taking a hard fall.

THE RECOMMENDED ACTION FOR YOUR SECOND DIAMOND

The third number in the Second Diamond pattern suggests a possible course of action to resolve the issues facing you during this period.

The Recommended Action for this Diamond is 16/7

JenniferElizabethBroadstreetJenniferElizabethBr, sometimes doing less on a practical physical level is just what you need. A 16/7 in this position suggests you should focus at least some of your time on the intangible. Worldly issues are often resolved by focusing on the larger questions and mysteries of life, and the beauty of creation.

During this period, solutions to current issues will come, in large part, through introspection rather than critical thinking. Take time for meditation, contemplation, daydreaming, and reading scriptures or books on philosophy. Focus on your inner world. Try taking a little time each day for solitude, and use the time to ask

the essential questions: Who am I? Why am I here? What do I want?

This period will likely bring a sense that your identity is expanding, bringing an urge to make changes on the practical, material plane as well. You may feel a desire to change your life from the ground up, not so much due to dissatisfaction (although there may be some of that) but more to the desire to aim higher, to grow, to discover more about, or to become more comfortable with, yourself.

Some of the changes you consider may not make sense to people around you. What may be viewed as questionable in the eyes of others may be a sign of rebirth, like the Phoenix preparing to rise from the ashes. However, because the choices you make during this time could have a vital impact, you should take time to consider them carefully; don't be impulsive or heedless of the consequences. Contemplation, meditation, and forethought are crucial for a positive outcome. This is a time for inner transformation.

The qualities needed to successfully navigate this Diamond, and to take advantage of its opportunities are self-examination, faith and confidence.

THE EXPECTED OUTCOME OF YOUR SECOND DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Second Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome.

What it means to have an expected Outcome of 6

JenniferElizabethBroadstreetJenniferElizabethBr, a 6 in this position indicates strengthened ties with your family, friends, and community. As you exit this Diamond, you likely feel closer to people you care about, and you may find your sense of responsibility and loyalty has improved. The 6 inspires commitment and a stronger sense of belonging. You may feel a renewed sense of purpose, more at ease with your emotions, and less inhibited about expressing your feelings.

THE FIRST DIAMOND

The first number in your Diamond is of a decidedly spiritual/inner nature. It's offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature. It reveals the true purpose of your struggle on the physical plane from a broad vantage point.

Your First Diamond Challenge for age 28 is 1

This common challenge is likely to repeat more than once during your life. It concerns confidence and self-empowerment. (The most commonly found challenges are 0, 1, and 2 – and almost always occur more than once in a lifetime. The lesson inherent in the 0 strengthens humanity as a whole; the 1 strengthens the individual; the 2 focuses on relationships).

This is a favorable time to learn more about your inner identity – the part you call "me" or "I". It helps you maintain your identity without feeling distant or apart from those around you. sense of separation and loneliness. Although it is not possible to merge fully with another person, we can experience a shared reality and unbreakable bond, without losing ourselves in the process.)

YOUR FIRST DIAMOND CAUSE

The second number in your Diamond reflects the underlying cause of the challenge you face this year. It is the catalyst that sets things in motion, the root of the issues confronting you during this period.

The Cause for your First Diamond is 5

A recent issue in your life had to do with a fear of freedom, not unlike a person who recently came home from a long stint in the military.

A divorce or losing a job can produce a similar effect. It be frightening, and we often view it as a void or an abyss, rather than an opportunity for freedom and new beginnings. Many of us fear the prospect of time not filled with plans, goals or expectations.

A 5 in this position suggests you may have been feeling lost and/or in search of a purpose.

THE RECOMMENDED ACTION FOR YOUR FIRST DIAMOND

The third number in the Diamond pattern suggests a possible course of action to resolve successfully the issues facing you during this period.

The Recommended Action for this Diamond is 5

Think of this period as flying a kite, JenniferElizabethBroadstreetJenniferElizabethBr. THE EXPECTED OUTCOME OF YOUR FIRST DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome

What it means to have an expected Outcome of 16/7

JenniferElizabethBroadstreetJenniferElizabethBr, you likely emerge from this Diamond with a stronger sense of insight and faith, although this is not always obvious to others. In fact, it's not uncommon for people who have previously been devoutly religious or attended a place of worship regularly, to seem less dedicated. On the contrary, it sometimes means that a deeply personal, internal search has brought deeper understanding and clarity, while adherence to ritual and dogma has diminished.

In any case, as you exit this Diamond you may feel an inner metamorphosis, more aware of your intellectual potential, more analytical and focused, as well as more reflective and contemplative. As a result, your sense of individuality is likely stronger, and you may feel less willing to conform. These traits can bring an increased desire to learn through books, education, documentaries, lectures, and a greater focus on your inner world through meditation and acquiring wisdom and insight.

THE SECOND DIAMOND

The first number in your second Diamond is again of a decidedly spiritual/inner nature, offered to you in the form of a challenge; something that needs to be learned or acquired to help you grow and mature.

the essential questions: Who am I? Why am I here? What do I want?

This period will likely bring a sense that your identity is expanding, bringing an urge to make changes on the practical, material plane as well. You may feel a desire to change your life from the ground up, not so much due to dissatisfaction (although there may be some of that) but more to the desire to aim higher, to grow, to discover more about, or to become more comfortable with, yourself.

Some of the changes you consider may not make sense to people around you. What may be viewed as questionable in the eyes of others may be a sign of rebirth, like the Phoenix preparing to rise from the ashes. However, because the choices you make during this time could have a vital impact, you should take time to consider them carefully; don't be impulsive or heedless of the consequences. Contemplation, meditation, and forethought are crucial for a positive outcome. This is a time for inner transformation.

The qualities needed to successfully navigate this Diamond, and to take advantage of its opportunities are self-examination, faith and confidence.

THE EXPECTED OUTCOME OF YOUR SECOND DIAMOND

The fourth number reveals potential changes in your personality and your environment as a result of your experience with the Second Diamond in place this year. Naturally, our effort and sincere desire to meet these challenges increases the possibility of a positive outcome.

What it means to have an expected Outcome of 6

JenniferElizabethBroadstreetJenniferElizabethBr, a 6 in this position indicates strengthened ties with your family, friends, and community. As you exit this Diamond, you likely feel closer to people you care about, and you may find your sense of responsibility and loyalty has improved. The 6 inspires commitment and a stronger sense of belonging. You may feel a renewed sense of purpose, more at ease with your emotions, and less inhibited about expressing your feelings.

HOW THIS ONE-OF-A-KIND TALENT PROFILE CAME TO BE

Welcome to your Numerology Talent Profile. This report matches your personality traits and talents to the vocations they are most suited to. It is designed to help you identify areas in which you are likely to succeed and find contentment. Knowing which attributes come naturally can inspire you to develop and build on those strengths.

HOW THE TALENT PROFILE WORKS

Each of the nine single-digit numbers has a specific range of personality traits. Most traits are found in more than one number, although in varying degrees of influence - some stronger, others weaker. Each number carries both positive and negative aspects and displays those traits in a unique manner.

For example, courage is found in the numbers 1, 2, 5, and 8. However, the way these numbers display courage differs considerably. The number 5 is the most courageous, but its bravery is impulsive and rebellious, the kind that stands up to a bully or the status quo regardless of the consequences. The courage of the number 1 is more focused; it is the daring leader, the first to cross a dangerous sea, climb a mountain, or fly to the moon. The number 2 displays a gentle and kind valor, as in the act of sacrificing oneself to save another. The courageous 8 is motivated by duty and authority; it confronts danger to protect the law or the land.

Traits such as courage, that on the surface would seem to be constant no matter the circumstances, can actually be subtly different. Take the example of courage vs. thrill seeking; both require bravery, but the latter will look for opportunities to take unnecessary chances. Thrill seeking reflects an addiction to adrenaline, whereas pure courage is the act of overcoming one's fear.

For your Talent Profile we looked at seventy-four traits, divided into eleven groups. The first group has to do with individuality, independence, and initiative. The second looks at traits that share creative and social aspects, and so forth. The profile also rates your aptitude in thirty-nine careers, grouped into seven fields.

Keep in mind that numerology is an inexact science and looks at the relationship between character traits and vocations differently than psychological or vocational assessments. It is one tool among many that can shed light on finding the right career options for you.

YOUR PROPORTIONAL NUMEROLOGY CHART

Most numerology charts have the same purpose: to display your numbers and their positions. The chart we developed for the Talent Profile is different and unique. It was designed specifically for the purpose of determining which qualities are dominant in an individual. To do this, numbers were assigned values based on their relevant locations in your chart.

Your Proportional Chart lists each of the nine single-digit numbers and illustrates how strongly they are represented in your chart. This chart is based on an algorithm that selects your numbers, considers their location, and assigns a value that reveals which numbers have the most influence.

For example, your Life Path number carries considerably more weight than your Hidden Passion. The influence of your Expression is greater than your Heart's Desire number, which in turn overshadows the influence of your Personality.

You may have heard that the most important aspect of your chart is your Life Path number. This is often true; however, whereas an astrology chart is largely built around your sun sign, a numerology chart centers around five core numbers, with the remaining numbers adding additional insight. Because each core number holds weight (although less than your Life Path number) it is not uncommon for a number other than your Life Path to be the most influential. If, for instance, you have a 6 Life Path, but three other core numbers are represented by 9, the 9 will be considered dominant in your Proportional Numerology Chart.

Below is a brief explanation of the qualities of each number:

- 1) Independent, original, driven, ambitious, leader, visionary, individualistic, determined, ruthless, aggressive.
- 2) Intuitive, diplomatic, sensitive, supportive, gentle, tactful, considerate, musical, insightful, jealous, cruel.
- 3) Creative, communicative, energetic, inventive, bouncy, optimistic, broad-minded, imaginative, scattered, unreliable.
- 4) Dependable, detail-oriented, orderly, disciplined, punctual, practical, problem solving, trustworthy, rigid, boring.
- 5) Dynamic, quick-witted, restless, sensual, innovative, daring, persuasive, charming, impatient, impulsive, irresponsible.
- 6) Responsible, harmonious, caring, self-sacrificing, protective, helpful, compassionate, artistic, slavish, gullible.
- 7) Perfectionist, virtuous, analytical, tolerant, thorough, introverted, spiritual, studious, diligent, obsessive, cynical.
- 8) Authoritative, entrepreneurial, realistic, results-oriented, generous, forceful, farsighted, greedy, dishonest.
- 9) Idealistic, tolerant, confident, sophisticated, open-minded, humanitarian, global, arrogant, aloof.

TALENTS AND TRAITS

This chapter looks at traits and talents, and how well they are represented in your chart. Keep in mind, we often mistake something we enjoy for something we do well; enthusiasm for something does not always translate into possessing a talent for it.

Conversely, we may be quite skilled at something we don't necessarily enjoy, perhaps as a result of a childhood experience or other influence. Also, the ability to recognize and act on a previously undiscovered talent may come later in life or after establishing a dissimilar career. Think of artists who found their gift only in their later years, the stockbroker who uses her wealth to establish a humanitarian foundation, or the accountant who became a nature guide.

High Rating: Your overall rating for Individualism and Initiative is high. It indicates a strong aptitude for becoming a dynamic, independent individual. You can make the most of these natural tendencies by pursuing a career or business that places you in a leadership role, has a wide variety of day-to-day activities, and inspires you to motivate others. You probably function best in a varied, changing environment, perhaps even outdoors and involving at least some physical activity. You are most likely not well suited for the role of subordinate, at least not for long.

Mid-range Rating: An adequate number of these attributes exist in your personality to make you a capable survivor and someone able to lead when necessary. You can be decisive and do not shrink from your duties or back away from confrontation. However, you may not be as comfortable in these roles as you would like,

and you probably function better and are happier when there are others to support you and share in the responsibilities.

Low Rating: Your overall rating for traits in this category indicate you function best in a team environment. You likely prefer being the supporting power behind the throne rather than commanding a leadership position. Allowing others to function as the figurehead allows you to focus on your real skills and talents.

Your Artistic Side

High Rating: Your self-expression skills are strong, which are great assets in both your personal and professional life. Writers, performance artists, and people working in the media often have a high rating in this area. On the negative side, the ability to express one's self well sometimes leads to abuse of this talent, which explains why con men and tricksters are also found in this category.

Mid-range Rating: A well-balanced rating in this category shows that while you have no trouble expressing yourself, and are not afraid to communicate deep, emotional issues, you are also capable of holding your tongue when called for. You do not betray confidences, but you are not exactly secretive, either.

Low Rating: A low rating in these areas can manifest in very different ways. This rating suggests you are either quite social, friendly, and talkative (although you prefer to keep things on a superficial level, expressing your deeper feelings to a select group of people you trust) or you are naturally introverted. Most often, those with limited skills in this area have difficulty verbalizing their ideas and feelings in a clear and concise manner. If you often feel tongue-tied, misunderstood, or that you can't quite convey what you mean, consider working on enhancing your verbal skills. A communication or creative-writing course, or participating in a public-speaking group might be beneficial.

High Rating: A high rating in this category indicates you do not take things at face value. You have the nature of a seeker, and although you may or may not consider yourself "religious," you likely feel there is more to life than meets the eye. Often studious or ardent readers, those with a high rating in this area tend to work best in a quiet environment, preferably alone or with a few colleagues. The perception that intellectual, spiritual, inward-oriented people experience less joy and happiness than their more extroverted peers is not only incorrect, the opposite may be true.

Mid-range Rating: You probably tend to be a little self-conscious at social events, hanging back and observing when deep down you would rather interact with others. This rating suggests you are not particularly introverted, but neither do you let your guard down easily. You are a bit of a dreamer, but this does not prevent you from recognizing the difference between practical and unrealistic.

Low Rating: A low rating in this area indicates a tendency to be either strongly connected to an organized, mainstream religion, or a dedicated atheist or agnostic. You very likely made up your mind long ago and probably see no reason to question your conviction. It's possible, however, that even if you consider yourself an atheist, you have a deep appreciation for the mysteries of life and the workings of nature.

Your Humanitarian Side

Humanitarian

Idealistic

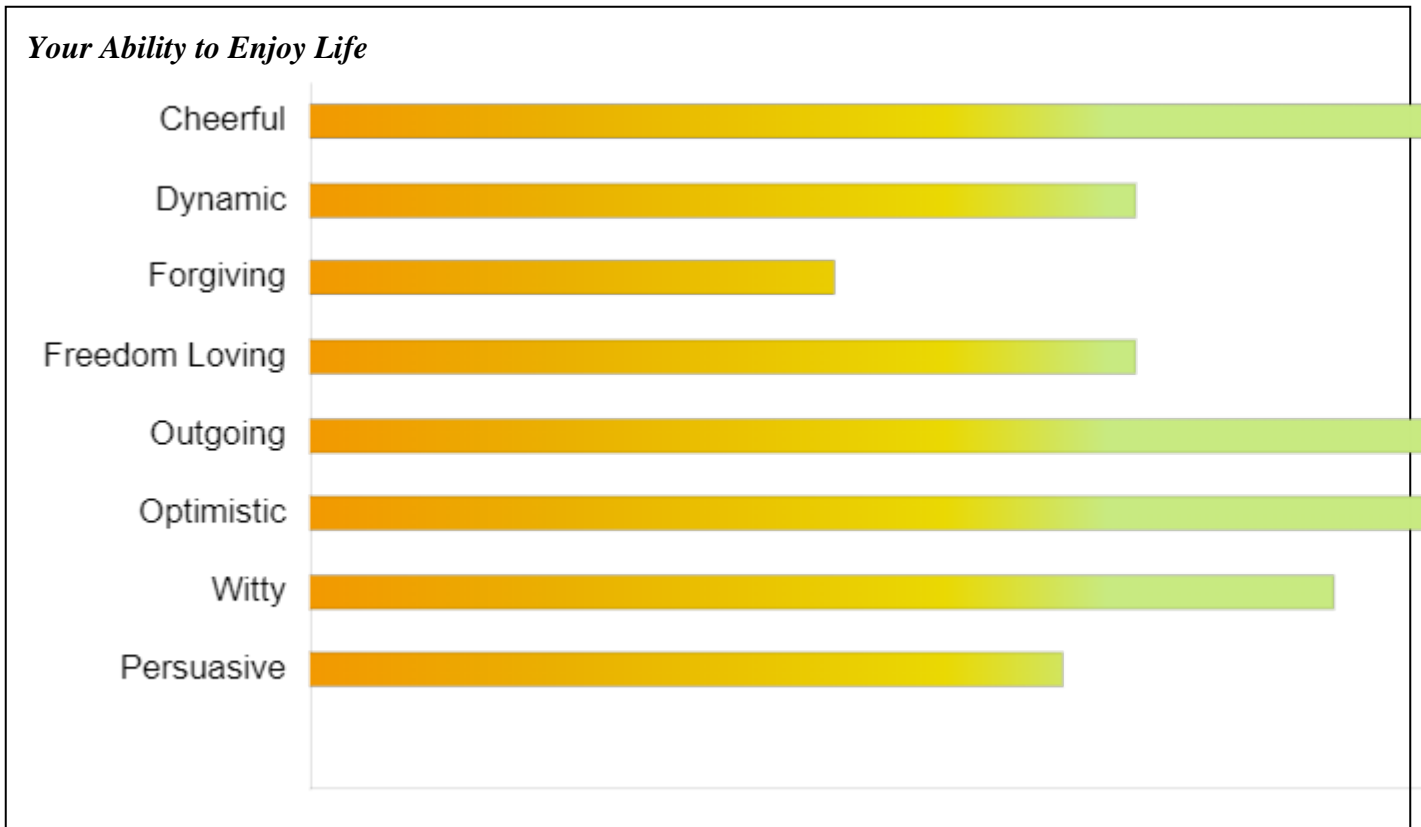

Utopian

High Rating: Your humanitarian side is strong, giving you the desire to change humankind for the better. You may volunteer a fair amount of your time, although not necessarily through an organization or other formal arrangement. You set high standards for yourself and apply them in all areas of your life.

Mid-range Rating: A healthy balance between the impractical visionary and the practical doer helps you accept the world as it is, while enabling you to see the need to be involved. You may be attracted to politics or the law as a way to make the world a better place.

Low Rating: This rating suggests you take a practical approach to the woes of the world and consider them to be an inescapable part of life. You would like to be the first to reach out and help, but you likely have a skeptical side that holds you back. If your rating is especially low, you may need to guard against cynicism, as this often leads to pessimism and the inability to find joy in simple pleasures.

High Rating: You are naturally happy and energetic, and your ability to enjoy life is higher than many. Although disappointment or a distressing event affects you as it does others, you have an innate ability to spring back and enjoy life. You have a sense of humor and are easily touched emotionally. People are attracted to you regardless of possible differences in age, culture, race, financial status, or gender.

Mid-range Rating: You are not particularly demanding and as long as you have no overwhelming problems, you wake up happy and, more often than not, ready to enjoy your day. You make friends easily, enjoy social activities, and helping others comes naturally.

Low Rating: A low rating in this category suggests you often take things too seriously, and may have difficulty getting past trivial matters. Guard against the tendency to distance yourself from and distrust others too readily. If your friends and family have suggested you need to loosen up, take their advice and make an effort to include playful, even silly, social activities. Remember, the child you were at age five is still within you and wants to have some fun.

How Your Work with Others

High Rating: A high rating in this area tells us you are loving, popular, and in demand. So much so that you may have to safeguard against ignoring your own needs and desires. You function well in environments that require personal interaction.

Mid-range Rating: This rating indicates you work well with others and tend to be a peacemaker and a stabilizing influence. Due to a tendency to avoid unnecessary confrontation, you may be prone to agree with others when, in fact, you don't have the same opinion.

Low Rating: A low rating in this category suggests you may find it difficult to work with others. When you respect and relate to someone you get along reasonably well; but if respect is lacking you likely show little patience and have a low threshold for irritation. Guard against being unnecessarily obstinate or contradictory.

High Rating: Your love and appreciation for others significantly influences the choices and decisions you make. You feel emotionally connected to others, even people you have never met. Empathy and a sense of responsibility for those less fortunate often motivates you to make impulsive decisions ? usually of a giving nature. In rare cases, people with a particularly high sensitivity rating act in direct opposition to their true nature, closing their heart to others. This is almost always due to painful and traumatic early life experiences.

Mid-range Rating: You are conscious of the feelings and wellbeing of others and easily persuaded to help those who are less fortunate. You are naturally drawn to people from all walks of life. You are tolerant, conscientious, and generous. You find satisfaction knowing that your involvement makes a difference in the lives of others.

Low Rating: A low rating in this category suggests you are sometimes perplexed by the emotionality of others. You tend to view circumstances in a clinical, intellectual way and expect others to do the same. It is obvious to you that while emotions are admirable, they do not provide solutions. On the contrary, emotions often tend to obstruct the process of solving problems. You prefer a rational approach and generally keep your feelings to yourself.

Your Generous Caring Side

High Rating: A high rating in this category indicates you are an asset to your community and a pillar of strength for your friends and family. Others feel comfortable sharing their problems with you, and you are quite willing to offer them a shoulder to cry on. You may need to guard against being too trusting, as others may take advantage of your emotional and material generosity.

Mid-range Rating: You easily relate to the problems and needs of others and attain satisfaction from helping. You likely have numerous friends and acquaintances that will be there for you in return.

Low Rating: This rating suggests your view of life tends to be a bit harsh. You likely believe we are "on our own" and fully responsible for our actions. As critical as that perspective may be, you live up to this point of view, almost exclusively relying on your own strength and abilities, rarely seeking help from others.

Your Romantic Side

High Rating: You give your love fully and without restraint. As a result, it is likely you have experienced many disappointing encounters. This rating indicates you tend to be overly optimistic and not as discriminating as you should be. Once you find a partner, you are capable of long-term loyalty and commitment. However, some people with a high rating in this area are tempted to look elsewhere after some years, because they miss the initial excitement and exhilaration of new relationships.

Mid-range Rating: You are able to bring comfort and happiness to your partner due to your instinctive ability to say the right thing at the right time. You are loving and generous and inspire loyalty. However, you also have a need for privacy and time alone and would do well with a life partner who doesn't rely solely on your companionship for happiness.

Low Rating: Although you show a low rating in this area you may not think of yourself as unromantic. In fact, if a friend or partner should make such a claim you would, in all likelihood, be genuinely surprised. This is because the outward expression of romance has nothing to do with the ability to love. Some people have all the right romantic moves, but their love is superficial and short-lived. Others have difficulty expressing their feelings and have nary an ounce of the romantic in their make-up, but they love with true depth, loyalty, and commitment. That said, this rating suggests you would benefit from giving more attention to the little things that make your partner happy. If romance doesn't come naturally, make the effort to practice at it, even if it feels awkward at first.

Your Ability to Persevere And Reach Goals

High Rating: Keeping in mind that success means different things to different people, you have all the supportive traits you need to attain your definition of success. You also have a better chance than most to find your niche. However, you may need to guard against losing sight of the things that matter in your personal life, outside of your career and other external goals.

Mid-range Rating: The potential to meet your goals is substantial. You are capable of putting forth considerable effort. Your biggest challenge may be staying flexible. Be on guard about remaining in a career or situation strictly out of habit or an unfounded sense of responsibility.

Low Rating: A low rating in this area does not mean you have less of a chance to reach your full potential. However, there may be times you need to dig deep to find the strength and conviction needed to persevere and reach your goal. If your path seems blocked or not worth the effort, take time to consider your options and make sure you are not simply forming an excuse to quit. If a few years of extra effort promises the type of work, lifestyle, or salary you desire, it will be more than worth the sacrifice.

Your Practical And Realistic Side

High Rating: You make the most of the resources at hand. You use your time efficiently and do not allow deadlines to provide you with an excuse for not performing your duties to the best of your ability. You probably work best alone, or in an environment with minimal intrusion and oversight. You set high standards for yourself. Whatever your vocation, you will not rest until you excel.

Mid-range Rating: You may be less confident in your chances for success than you can and should be. You have the ability to reach almost any goal you set for yourself, particularly if discipline is highly rated in your chart (see above). Ambition without discipline equals frustration, so if it is not rated highly enough for your liking remember, although it comes more easily to some, discipline is a skill that can be learned.

Low Rating: You may have difficulty finding the kind of career that suits you and brings the contentment and monetary reward you desire. Many people with a low rating in this area tend to try a variety of different jobs, sometimes not finding their niche until well into their thirties. This does not mean success is out of reach. It will, however, likely require more attention and exertion than feels comfortable.

VOCATIONS

This chapter shows your natural aptitude for various types of professions. If you feel validated in the profession you are pursuing, congratulations. If you feel you are in the wrong line of work, consider what it would take to move toward something more satisfying. Others may have found their niche in an unexpected area or made peace with a career that was not their ideal choice. Regardless, the listings below may shed light on areas of interest you have not previously considered for work, hobbies, or volunteering.
