Full name at birth: Anthony Joseph Mercier

Current name: Anthony Mercier

Birthdate: May-18-1989

Report Start Date: July-15-2020

YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 5 and lasts until age 31

This is a chaotic time full of unexpected events and changes. Entering life with a 5 first Period Cycle often means a less-than-stable family and/or school environment. This can give rise to an obstinate, rebellious streak. From an early age you may have trouble keeping reality and fantasy separate. As a child and young adult, you may be perceived as "different." You are drawn to social interaction, but there may be times you feel you do not fit in well.

You are adventurous and more than once attempt a feat that is clearly dangerous. You are easily bored, and perhaps find refuge in some form of overindulgence. It may take you longer than most to find stability and a goal.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Anthony, your Second Period Cycle is 9 and lasts until age 58

This is a period where you develop a broad view of humanity and sincere concern for the well-being of others. Tolerance, acceptance, and universal love are the goals of a 9 Cycle, and people under its influence move toward those ideals.

Humanitarian principles and social service are the keys to personal happiness in a 9 Period. Hard work directed toward higher ideals is rewarded. Creative talent is enhanced, especially when joined by a larger social purpose or message. There is an element of sacrifice or letting go, as you are asked to forgive past grievances and part with negative attachments. You are inspired to live according to a higher ethical standard, with personal enrichment as reward.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Anthony, your Third Period Cycle is 9 and lasts for the rest of your life

The later part of your life finds you increasingly idealistic and concerned with the betterment of humankind. You become more broadminded and reach out to people from all walks of life. You offer your time and resources to causes you believe in. Your interests are increasingly directed toward other cultures and societies. Your sense of justice and your interest in political and humanitarian issues becomes more finely tuned. Whereas most people "mellow out" with age, you find yourself becoming more passionate.

Your creativity increases during the latter part of your life, with a focus on design and large-scale projects. You may be inspired to study design, engineering, or architecture.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Anthony, your First Pinnacle Cycle is 5 and lasts until age 31

This is a period that will teach the realities of freedom and expansion. You will travel great distances, meet many new and interesting people, experience many adventures, and essentially come to know the world. You are in a period of accelerated experimentation and learning. Experience is your teacher. Your ability with words is greatly increased. You can write and speak with ease. You are also able to successfully promote yourself. In fact, this is the source of much adventure; new opportunities for work, travel, and exotic experiences present themselves with regularity.

Your challenge is to prevent yourself from becoming a rolling stone. You need to ground yourself in a particular discipline, career, or relationship. This will not limit your freedoms so much as give you a base for operation. Otherwise, you may find yourself skipping from one meaningless job to the next, one superficial relationship after another. You can also fall victim to the abuse of food, alcohol, sex, or drugs. You must accept limitations as a necessary base for your freedom. Freedom cannot exist without limitations, otherwise you would be without identity, and without existence.

You may fear being anchored or tied down, which can cause you to skim the surface of a pursuit you enjoy, or important relationships. You must come to know the true meaning of freedom, which is unconditional love. You give your love and energy without the condition of holding on to a place, a person, or an occupation; and you expect the same in return -- to be loved for what you are, rather than someone who belongs to another. There is a highly spiritual path offering itself that requires detachment without loss of love. Many turn away from this and instead choose to maintain a superficial relationship with the world, or

with other people.

You must cultivate your talents, especially your verbal and writing abilities. You are likely a gifted salesperson, or promoter.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Anthony, your Second Pinnacle Cycle is 9 and lasts until age 40

This is a period in which you must identify with some larger project or goal that is bigger than you, Anthony. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well-being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community. As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world. Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching. In short, you are highly idealistic. You will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 31 and 32 is Y

This is a time of spiritual growth and an increased perception of higher realms. You are more intuitive, which enhances your psychic awareness. Soul-searching and meditation will be extremely beneficial to you during this period. You may be questioning your direction, inspiring serious self-examination. You are in search of new friends and contacts with similar intellectual needs. Be mindful of minor health issues and avoid stimulants and extreme foods.

YOUR MENTAL TRANSIT

The Mental Transit is based on your middle name

Your Mental Transit for age 31 and 32 is O

This is a time of strong emotional experiences, which can affect your health if you are not mindful. You may find yourself worrying unduly. It is likely that more responsibility will be placed on your shoulders, with sensitive, emotional issues involved. You will find yourself more interested in religious, philosophical, and physical studies. Your leadership abilities will be heightened during this transit.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 31 and 32 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Anthony, Your Essence for age 31 and 32 is 9

This is a period during which your ideals will be tested and forged anew. Anthony, you will be broadened in ways that you would never have dreamed possible. You will likely experience a dramatic psychological and spiritual expansion. Old relationships that no longer have a place in your life will be let go of. Even old habits or characteristics that you believed were fundamental to your identity seem to evaporate. There is a need to forgive those in your past and let them get on with their lives, as you must with yours. Hanging on to negative attachments, either out of anger or a sense that justice has not yet been done, will bring you much misery and, if the courts are involved, protracted lawsuits.

You now have the ability to reach out to the masses. This is a time requiring much self-sacrifice and service to others. You are deeply affected by the pain and sufferings of others, and will feel a need to change your milieu or society for the better.

Those in the arts, especially actors, writers, and other performers, will see an enhancement of their talents and the opening of many new opportunities for advancement.

Your focus is outward in a big way. Teach, perform, and advance society in your own way. Dedicate yourself to a higher cause. These are the areas that will meet with much success. Conversely, selfishness, negativity, and pettiness will blow up in your face. The time demands a broad view of life. You are now the visionary, who must see the greater trends in humanity. Out of this will come much compassion for all. This is the lesson of the period: That as you work for the greater good of society, you will be personally rewarded, so much so that your cup will runneth over.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2020 is 9

This is your year to finish up all unfinished business, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts.

On a spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Your creativity is higher than usual.

There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

Your Personal Year cycle for 2021 is 1

Be ready for major changes. You will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals. This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely

on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold. You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done. Be open-minded, organized, and focused. Avoid distractions and procrastination. You are at a crossroads. You will need courage and a clear head to stay on the right track. This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality in 2020 is 9 and 9

A double 9 Duality produces a period of important changes that can affect every area of your life. This is due to the strong effect it has on your attitude, understanding, outlook, and sense of self. Your cycle combination indicates this will be a period of deep personal evolution – a time of change inside and out.

The analogy of a caterpillar transforming into a butterfly comes to mind. Similarly, you too will have to emerge from the cocoon you have occupied for some time. The 9 inspires you to let go of outdated ideas and unproductive habits, which can help you change direction or move forward less encumbered.

A change of this caliber has the potential to disrupt your daily life dramatically. In the extreme, some people change occupations or religion. Fortunately, lifestyle changes during this period almost always have a positive effect. These changes are a natural evolution of the many choices you have made throughout your life - the result of your growth, changing perspective, and maturity.

Although this is considered a fortunate Duality, it will probably not be easy. There will be periods when you feel out of your comfort zone, or in situations that seem out of your control. This combination can bring intervals of emotional turmoil, fear, or insecurity. However, this rarely lasts long precisely because you are given the tools you need to move through this metamorphosis. By the middle of next year, autumn at the

latest, you should be able to identify and understand the extent of this transformation.

There could be some loss, possibly relating to one or more relationships. The changes brought by this Duality are often so deep, they tend to upset people whose attention was conditioned on your staying a certain way. On a positive note, you will very likely gain new relationships as a result of these changes.

This is a time to pay close attention to your duties and responsibilities at work and home. You will likely find (or others will tell you) that you are often pre-occupied, inattentive, or distant, although this is to be expected when moving through a double 9 Duality. Being aware of this tendency can help you avoid conflict with people you care about.

Your Duality in 2021 is 9 and 1

While reading your 9 Essence and 1 Personal Year chapters, Anthony, you probably realized the two cycles are polar opposites. Their divergent traits create a difficult combination that will require concerted effort to bring them into better alignment.

Your 9 Essence affects you from the inside out, it reflects your state of mind and the way you approach the situations you encounter. In practical areas (business, career, school, and other project related activities) you may be at a point where you feel like quitting or moving in a different direction. Perhaps you desire something that feels more satisfying. Your 9 Essence will inspire you to let go of situations that are no longer beneficial. It is a period of internal house cleaning – a time to discard unproductive ideas and habits, even unhealthy relationships.

This Essence also has a physical effect. It could make you tire more easily or feel less motivated than usual. This may prompt you to ignore responsibilities and other concerns at a time when just the opposite is needed by your dynamic Yearly cycle.

Your Personal Year is an external influence that delivers the events and circumstances you will encounter. A 1 in this position requires you to be a competitive leader, forceful, decisive, and independent. It focuses on practical, productive matters, career, and business, and suggests there will be new possibilities or an opportunity to play a larger role in your career or other project.

To get the most out of this year you need drive, not something your current Essence is likely to provide. Consequently, there will be periods that require pushing past a lethargic mood (mentally and/or physically). You can combat this low energy by adopting healthy habits. Pay attention to your diet and stick to a schedule that includes regular exercise and plenty of sleep. Try not to spread yourself too thin – you will likely need all your mental and physical resources to meet your immediate goals.

Your best approach for this combination is to wrap up loose ends, clear the decks, prioritize, and then give it all you’ve got.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for July-2020 is 9

July is both emotional and demanding. It is a month to take care of loose ends. Relationships that have been rocky of late will reach critical mass, to be worked out and deepened, or separated entirely. This is a testing period for relationships in all areas of your life. The 9 and 2 combination -- diplomatic, sensitive, and service oriented numbers -- advises that you avoid confrontations. Work with issues quietly and patiently.

At the same time, it is an excellent period to look inward and acknowledge your needs and desires. Let go of all that you have outgrown, including people, situations, material objects -- anything that you have outgrown. This month is your opportunity to avoid becoming an emotional and material packrat. July is a time to empty your cup and make room for new gifts coming your way. It is a transition period. You will likely experience deep emotions, even nostalgia, and melancholy. At times, you may feel exhausted. Such feelings are not altogether unpleasant. There is a cleansing and healing taking place at a very deep and personal level. You are not entirely conscious of all that is happening, and consequently you may have difficulty expressing your feelings to others. You may sense that you do not fully understand yourself. Give it time and much will be revealed to you.

An opportunity to be involved in a good cause may present itself, and your sacrifice will help you achieve stability and inner strength. This is a good time financially. Some payment may be received for something you'd forgotten, or for reasons you do not expect.

July is a month that requires balance: you are feeling emotional, but at the same time you must also focus on the needs of others. If you indulge too much in your feelings, especially self-pity, you will suffer more self-doubt than if you remain balanced between your needs and service to others.

Your Personal Month for August-2020 is 8

August brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance. Use any extra income you might have to pay off your debts. You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change or

starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

Your Personal Month for September-2020 is 9

This is the month when your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you. You are making progress in hidden ways. You feel insecure about the future, but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

Your Personal Month for October-2020 is 1

October is a month of new beginnings, new people, and renewed energy. While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. You may meet someone who becomes a permanent fixture in your life.

Your Personal Month for November-2020 is 2

You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life.

You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there. Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

Your Personal Month for December-2020 is 3

It's time to lighten up. Be playful, enjoy yourself. Don't take things too seriously. It is time to recharge your batteries. There will be ample opportunity for social events and you should take advantage of that. Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax. You are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Your Personal Month for January-2021 is 2

January is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind. It's a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism and back again. This is to be expected when you go through the kind of deep and personal transformation brought on by a change of long-term cycles; the last year of the previous nine-year cycle and the first year of the incoming nine-year cycle. This period is invariably accompanied by many small and large changes.

Your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may well meet someone who will touch your heart deeply. Friendships intensify and can be very comforting and healing.

You will likely find yourself being more helpful and involved in the lives of others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others. You will be tactful and capable of creating harmony where there was turmoil. At times, however, you may be overly sensitive and not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

Your Personal Month for February-2021 is 3

February brings reasons for optimism, there is a sense of promise and new beginnings in the air. You see your direction a little clearer, which causes you to lighten up and become more social, especially during the latter part of the month. Your upbeat attitude draws people, as well as support, often from unexpected sources.

A new project or business venture ignites your excitement, energy, and motivation, all of which you manage to communicate clearly to others, thereby motivating them. This is a time for ideas and plans more than action. The actual work does not start until next month, which is fortunate, because focus and discipline are not your strongest qualities during most of this month.

You are quick-witted, and your sense of humor is alive and brighter than it has been for some time. Take time out for leisure and relaxation. Recharge your batteries, you will be burning plenty of juice next month.

Romance is exciting and promising. Your charisma and self-expression are improved, and you feel more comfortable talking about your feelings, your expectations, and your dreams.

Your Personal Month for March-2021 is 4

Now is the time to deliver and show yourself and everyone around you, that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on all the details. March is also a time when your ability to plan and organize projects is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities, and yourself. It's time to move; to make things happen. Do not procrastinate. Do

not avoid work or effort. Slacking would be a serious mistake.

March can also be a little frustrating because so much of your energy will have to be directed to repetitive and routine duties and activities. However, in spite of the detail-oriented, plodding feel, this is a time that brings opportunities and real progress. This could even be a breakthrough time when you overcome an obstacle, real or perceived, that has dogged you for a long time.

It may be a little surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getter's approach and your can-do mentality. You may find yourself in demand.

Your Personal Month for April-2021 is 5

As explained earlier in your January forecast, this year and last combine to bring about major changes. That also includes changes in many practical areas of your life, and April brings many of them to the surface. There can be a change of residence or office. Travel, sometimes quite unplanned, is very likely.

April could become quite a dynamic and hectic month, but also adventurous and exciting. Consequently, this period requires flexibility, and a willingness to accept change. You have to adapt, respond quickly, and embrace change as opposed to fighting it. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises. There is a sense of randomness and a lack of control which, to many of us, is frightening. No need to worry, many of these changes, once accepted, will actually streamline your life and make progress easier.

Your ability to promote yourself and your ideas is also enhanced. You will find that you have an uncanny talent to be in the right place at the right time this month. You will be able to advertise your talents and abilities at work as well as at social events.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline or you may see much of your energy wasted. Unless you manage to concentrate and apply yourself, you may realize at the end of this month that you did not get a lot done.

Romance and social activities may tempt you to be self-indulgent and perhaps irresponsible. Be careful not to let this month's vibrant energy get out of hand.

Your Personal Month for May-2021 is 6

Love, romance, and commitment play an important role whenever a 6 Month teams up with a 1 Year. There is the possibility of a new relationship, the birth of a child, or marriage. It is a month of responsibility, unselfish giving, and a willingness to devote time and energy to the needs of others. Domestic and community matters move to the foreground and have to be given priority. Sometimes, this combination of numbers causes long slumbering discord between couples to surface and be dealt with.

This is a time when the heart rules and emotions run high. It can cause both extremes -- either deeper commitment and more lasting love, or separation and divorce. Honesty is essential to a positive development of the month. You may find yourself tempted to take the easy way out in some awkward situation, perhaps by lying or being secretive. However, that is likely to backfire and can become ugly and destructive, particularly during this month.

In general, this is a good time for career and financial matters; promotion is possible, as is a windfall in the form of an unexpected tax refund or an old debt paid back. This sequence of numbers is also more likely to resolve legal issues or other matters that pit you against large institutions, corporations, home owner associations, or some other faceless entity.

With so much energy dedicated to the heart, to love and emotions, it may seem that your sense of justice, your honor, and your moral values are tested more than once. Don't let opportunities to make a stand, or to right a wrong, slide by. Few feelings are more devastating than regret.

Your Personal Month for June-2021 is 7

This month offers time and opportunity for contemplation and insight. Career and romance do not require as much attention as your need to understand your own motivations and desires. Don't make the mistake of feeling guilty for not carrying your load, or for not working hard enough. That is not what this month is about. Keep up your sails, do what you have to do to avoid problems, but beyond that, let the wind do the rest. Take the time to dwell on your dreams and hopes, find clarity about what you want out of life. Most importantly, don't be afraid to confront yourself.

Your work and other duties take second place this month, however, you may well discover information, through research or by talking to the right people, that will help further your career.

This is not a good time to spend money, take out a loan, invest, sign contracts, or otherwise make long-term business commitments. Social activities are also better kept to a minimum, unless it involves deep or intimate conversations with family or close friends.

Your Personal Month for July-2021 is 8

Career and finances should be at the top of your priorities. Work hard and wisely. Combine practicality and vision. July is not a time to sit and stare into space, but to be on your toes, to keep your eyes wide open, and refrain from taking unnecessary risks, unless risk-taking is in your blood. For professional gamblers, this can be a very profitable period, but for those of us who live according to the simpler laws of effort and reward, this is a month to stay with the tried and true.

All affairs related to money should be handled with the utmost care. But let me be clear: This month is a rewarding time, and your chances that events will take a positive turn are great. If you are wise and cautious, you may increase your bank balance considerably. Nine-out-of-ten people in this combination -- 8 Month, 1 Year -- increase the strength of their financial positions.

This month also brings out strong emotions in personal relationships, both positive and negative. While a 1 and 8 combination, through the usual cycles of effort and reward, cause and effect, and good old-fashioned Karma, tends to increase stability and strengthen the positions of most people (not so if Karma is working against you), it has an almost opposite effect in the area of feelings. It shakes things up, calls out the white elephant in the room, and otherwise rocks the boat. The advice is to be open, tolerant, forgiving, and to refrain from judging -- lest you be judged.

If you are not yet romantically involved, this month may introduce you to someone special through work or business. New friendships and business partnerships are also common under this number sequence.
