## PERSONALITY PROFILE

## **THE POWER AND LIMITATIONS OF NUMEROLOGY**

*Numerology is an art thousands of years in the making. Like any Metaphysical science, it hinges on the understanding that all things are interconnected. Your numerology profile analyzes the connection between the letters and numbers linked to you, revealing your talents, strengths, weaknesses, emotions, preferences, and a range of other qualities.*

*To use an analogy, think of numerology's nine single-digit numbers as nine tubes of paint, each a distinctly different color. Imagine you are a work of art painted by a master artist who used every color available to create your image. The depiction is unique and complex: a fusion of bright and subdued colors, shapes and shadows, light and reflection, subtle and bold textures. The deeper you look, the more you perceive and appreciate the many layers that makeup who you are.*

*A comprehensive numerology profile, along with your honest reflection, can be a powerful self-help tool in identifying underlying traits and new possibilities. The better you know yourself, the more control you have over life's changes and the greater your potential for a successful, fulfilled life. Numerology is not infallible, nor does it promise to answer every question, but I feel confident you will find many things to contemplate in the following pages.*

*You are unique, and so is your Profile. We hope you enjoy your reading.*

## **YOUR PERSONALITY PROFILE**

*Conventional numerology readings focus on two aspects of your chart: You and Your Future. Numerologist Hans Decoz' Profiles take a different approach by adding a third angle, Your Path. Just as your DNA determines your physical body, a blueprint of your personality is an inborn part of you from the very beginning.*

*Your Profile begins with insight gleaned from your name because that is where we learn WHO you are. It describes the talents, strengths, and other distinct characteristics you were born with. Just as your physical body grows and changes with time, so does your personality. Your personal evolution begins at the moment of your birth. From that point on, the choices you make, the goals you set, your environment, opportunities, challenges, the influence of others, and a thousand other factors alter who you become.*

*Your Personality Profile begins with an overview of the combined influence of the core numbers derived from your name: your Expression, Heart's Desire, and Personality. This has never been done before and is perhaps the most dramatic improvement in Decoz' latest work.*

*I hope you will take time to read and reflect on the information below. Many aspects become clearer with time and during subsequent readings. I wish you the best on your journey.*

## **PART I: ABOUT YOU**

*Your Personality Profile is based on your full name at birth, your current name, and your date of birth. Your full name tells us who you are; think of it as your numerology-DNA. Your date of birth reveals your path and the patterns of your personal growth.*

*We start this report by looking at the most important numbers derived from your full name to throw light on who you are as a person.*

## **HOW YOUR NAME NUMBERS STACK UP**

*Jean, we begin by taking a quick snapshot, a look at the influence and meaning of the three core numbers derived from your name. Your Expression number is the sum of the value of all the letters in your full name at birth. Your Heart's Desire is the sum of the vowels. Your Personality number is the sum of the consonants. These three numbers are closely linked and influence one another.*

*All the numbers derived from your name reflect YOU. They are a blueprint of your talents, shortcomings, character traits, and other qualities. You should realize that this is a limited perspective. Later chapters focus on the challenges and opportunities you will encounter on your path, and attributes you may acquire as time passes.*

*This first chapter is like a glance from a distance, followed by three chapters that explain the meaning of each number in more detail. We will gradually build a more complete picture of the complex and unique individual you are.*

### **Your Core Name Numbers are 8, 22, 4**

Jean, working together, your 8 Expression, 4 Heart's Desire, and 4 Personality expand the limits of what is possible for you to achieve to the extreme. (Your 4 Heart's Desire is based on the Master number 22, which we will discuss in more depth a couple of chapters further down.)

Your Expression number is the aspect that reveals your talents, abilities and shortcomings, especially as they relate to your career and productive life. An 8 in this position indicates you are a visionary, able to see the big picture and set goals far into the future. You are business oriented, with authoritative and leadership qualities. You are practical and realistic. Your strength lies in your ability to focus on tangible results, and measurable rewards, through money, property, or an accumulation of business assets. Yet, you are not as attached to the material world as many are. Your willingness to lose money or security in order to take risks on something new is the main reason your potential for success is high. You have the attributes of an entrepreneur.

Your 4 Heart's Desire, however, can put a damper on this entrepreneurial spirit. The 4 is a cautious, grounded, disciplined influence. It has managerial skills and is absorbed in the details of running a business. (The 8 grasps the big picture and is not concerned with specifics.) Possessing aspects of both traits could create conflict as well as opportunity.

Your Heart's Desire is the influence that describes your likes and dislikes and determines what makes you truly happy. A 4 in this position indicates you prefer to have everything organized, systematic and under your control. You are practical, methodical, and trustworthy. To be truly happy and fulfilled, you need to honor the traits of the 4.

The advice here is to find a balance between the two - the visionary 8 backed by the efficient, well-organized 4 can be a winning team.

Your 4 Personality (the side of you that others notice when you first meet) tells us you are reliable and prefer things to be predictable. Others likely view you as dependable and down to earth. These qualities fit well with your Heart's Desire. They help protect you from impulsive behavior, but they can frustrate the large-scale vision of your 8 Expression. With two 4's obscuring your 8 Expression, it may be difficult to move past your cautious inner voice in order to follow the promise of your larger (although riskier) vision. Strive for balance between these conflicting influences.

You should do well in your career, especially in a smaller, independent environment such as owning your own business or a small to midsize corporation. Large corporations will likely make you feel stunted and deprived of the opportunity to make a valuable contribution. Additionally, you are capable of running a more structured environment such as an institution or medical facility. The 8/4 combination is also found with many top-level athletes, as both are considered physical numbers. Any role in the sports field, including management or coaching, could be suitable.

You are probably a little too practical and down to earth to be considered the (demonstrably) romantic type. You may not be comfortable with emotions for the same reason. You are probably more of a no-nonsense type. However, when you do commit, you are capable of committing for life.

You will benefit more than most from a conscious effort to experience the non-physical world as much as possible. Art (especially dance and music), meditation, and philosophy can offset your serious, sensible, practical side.

Now let's look at each of your core numbers individually.

## **THE EXPRESSION**

*Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.*

*Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.*

## Your Expression is 26/8

You have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth. Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry. You are a realist and a visionary planner.

Money and authority are available to you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path. You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

You are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all! At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you. It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Jean, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution.

### **THE HEART'S DESIRE**

*The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.*

*It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.*

*You might say that it is in the flow of your breath that you express your deeper self.*

### **Your Heart's Desire number is 22**

Deep inside, you long to create something that will have a lasting impact on the world. Whether it is a political movement, a business, or a philosophy, you have a strong inner drive to manifest something of major importance.

Like the 11, yours is a Master Number, possessing all the intelligence, sensitivity, and electric creativity that such a power would suggest. You have the inventiveness of the 11 and the down-to-earth practicality of the 4. This combination can make you supremely capable of making your ambitions a reality.

The demands of this Heart's Desire are as enormous as its potential. What will be required from you to fulfill your noble ambitions is nothing less than a commitment of your entire being. The path you have chosen is not an easy one. You need time to develop, and you are unlikely to begin to fulfill your ambitions until after you have reached a certain level of maturity.

Whether you know it or not, you possess great power within your being. You were born with this power in a latent state, but on some level, you were aware of it. Early in life, this power manifested itself as

awkwardness and a discomfort inside of you. Your self-image has always been one of contradictory extremes: on one hand you sensed your uniqueness and potential; on the other you may have felt insecure and perhaps even inferior. This paradox has caused waves of self-doubt and lack of confidence. But it also is a powerful generator of energy that, when combined with the higher characteristics of the 22, can become a dynamic and unrelenting force. To channel such great power, you need a noble goal for which to aim.

You will probably try your hand at several different kinds of work before you rise to the challenge of your true ambitions.

You can be a great leader, inspiring and motivating with your vision and work ethic. Your ideas are so creative and superior that they inspire enthusiasm and sometimes even devotion among your co-workers. You should be involved in large enterprises or governmental institutions. You have the organizational diplomatic skills sufficient to keep difficult and delicate projects on track. Once you come into possession of your full power, there are many psychological and spiritual pitfalls to be faced. You can become arrogant and superior. You can become deluded into thinking that your judgment is beyond question, and that the advice and support of others is unnecessary. You may seek to control all power in a given enterprise.

This dangerous and egocentric attitude is sometimes even extended to family members who you may seek to keep under your thumb.

Your challenge, once you have begun to use your true gifts, is to remain humble in the face of your significant accomplishments.

You perform best when your domestic foundation is stable and supportive; it is very important to have a partner who shares your dreams and has high degree of strength and independence to keep up with your drive.

Challenges somehow draw the best out of you. Your human qualities -- creativity, humility, understanding, and compassion -- increase with the level of your performance. Therefore, commitment to excellence is central to your success and inner development.

## **THE PERSONALITY**

*The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.*

*Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.*

**Your Personality number is 13/4**

You radiate reliability and consistency. People trust you and feel secure with your judgment. You are seen as a cornerstone of a business and are relied upon to do your work efficiently and expertly. You have strength and respectability. You tend to dress in a utilitarian manner, concerned mostly with convention, practicality, durability, and price. You present yourself as someone who values correctness, control, and precision.

All of this stems from the fact that your most prized characteristic is your work. You want to be judged on the basis of your performance, rather than your appearance. You are frugal and have learned to respect a dollar. You are concerned about the security of your future and those you love. However, this may appear to others as a bit too austere.

You tend to wear earth colors and conventional attire. You could benefit by putting a little flair in your dress. Wear more uplifting colors. Loosen your dress with less severe lines. If you wear a brown suit, include a bright tie or some jewelry.

You are a family person. You love the intimacy, consistency, and the security a family provides. You are a good provider and protector. But family members may take your efforts for granted.

You are a true patriot. You love your country and are an integral part of your community. Your consistency and adherence to your well-laid plans usually pays off in a comfortable and secure future.

### **THE HEART'S DESIRE - PERSONALITY BRIDGE**

*A Bridge number is based on the numerical difference between two closely related aspects in your chart. It is the gap you need to "bridge" in order to create a more harmonious bond between the two areas.*

*The following Bridge number connects your Heart's Desire and Personality numbers. It suggests things you can do to help your deeper self to align more closely with your personality; the "outer" you that is apparent to others.*

*With a little exaggeration, you could say that your Personality number is somewhat like your mask; it's a more superficial aspect you reveal to the world. You can imagine how much more comfortable and less inhibited the experience of life becomes when you can align your authentic self with the personality you show to the world.*

**Your Heart's Desire - Personality Bridge number is 0**

The single digit values of your Heart's Desire number and your Personality number are the same.

This is considered fortunate. You are a WYSIWYG: "What You See Is What You Get."

You easily make people feel comfortable around you. However, if your Life Path number or your Expression number are also identical to your Heart's Desire number and your Personality number, your chart may be somewhat off balance. This may cause you to push the aspects of the repeated number to excess.

Read your Heart's Desire number again and ask yourself if you have not focused too much on the aspects described, at the cost of a more balanced approach.

## **PART II: THE PATH YOU ARE ON**

*If there was ever a moment of transformation, it was the moment of your birth. In that instant, you stepped into a new reality - the reality of human life and human consciousness. Even at that moment you were a person with your own unique character, as unique as your DNA. The previous chapters focused on YOU, the person you are, as revealed in the letters of your name. It is now time to look at your Path, the road you walk through life, using the numbers found in your date of birth.*

*Your first breath marked the beginning of your journey on the road we call your Life Path. It makes sense, then, that the most important number in your numerology chart comes from the date of your birth. Your Life Path number gives a broad outline of the opportunities, challenges, and lessons you encounter throughout your life. It also reveals the strengths, specific talents, and characteristics you were given to help you overcome challenges and evolve into the best you can be.*

### **THE LIFE PATH**

*Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.*

#### **Your Life Path number is 7**

You are the searcher and the seeker of the truth. You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown and finding the answers to the mysteries of life. You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. You need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex. But you have distinct limits. While you are generous in

social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied. If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you.

You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

You must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world. Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or freer to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer. With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

## **THE BIRTH DAY NUMBER**

*The day you were born bears great significance in understanding who you are and where your talents lie. Your day of birth indicates special talents you possess. It gives us an indication of the approach you will take toward the goals, opportunities and obstacles you encounter on your Life's Path.*

### **Your Birth Day number is 19/1**

You are a leader. You have a great ambition and a strong drive for success. You are highly independent and dislike the restrictions of having to work with others. You easily become frustrated with the routine. You are a pioneer, a gambler, and an initiator. You are very creative; you possess a keen and rapid mind.

You have excellent business instincts and with the appropriate training can run large organizations and big businesses. You use information for a specific purpose. Knowledge is a practical tool in your hands; you dislike information or knowledge for its own sake. You possess a broad vision and a great capacity for motivating others. You have great will power that will be tested, especially during the years 28 to 56. But your opportunity for accomplishment is enormous.

You are generally open to the ideas of others, but you can be extremely stubborn and hardheaded once you become attached to your plans.

Avoid laziness and procrastination. You are given to anger and frustration and tend to force the issue at times when things are not developing as rapidly as you would like.

Your determination, will power, and inventiveness are the keys to your success and will likely bring you much personal reward and financial success.

### **THE LIFE PATH - BIRTH DAY BRIDGE**

*Your Life Path and Birthday numbers are closely connected and influence each other. This Bridge explains how you can make the connection between them more harmonious.*

#### **Your Life Path - Birthday Bridge number is 6**

Your 6 Bridge indicates that your Life Path and Birth Day numbers can be brought into more harmonious affiliation simply by sharing more openly with those you are close to. Try not to hide your emotions. The bond you have with those you love is a major asset; it inspires and motivates you and will be of great help in overcoming obstacles.

When you communicate to others how you are feeling, you find clarity and become more decisive which are great aids for overcoming obstacles.

### **CHALLENGES; YOUR FIRST CHALLENGE**

*You face four specific Challenges in your lifetime. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.*

*These Challenges place you in situations that require you to face the particular lesson at hand. This provides an opportunity for you to learn or better integrate personal traits that will benefit you during the lesson, and throughout your life.*

*The four Challenges in your chart will influence you during the periods of your life listed below.*

*The duration of your First Challenge usually lasts from birth until age 30 to 35.*

## Your First Challenge is 0

This is a less demanding challenge. Growth is allowed to take place without one particularly serious obstacle. This does not mean that there will not be challenges on your path, but there is no single and consistent challenge during this period. However, you are being challenged to stay faithful and focused on your highest ideals.

There is an opportunity to go deeper within yourself, and discover the inner being that is you.

## THE SECOND CHALLENGE

*Your Second Challenge is in place from approximately age 30 through 55.*

## Your Second Challenge is 4

You tend to be disorderly and disorganized. You are impractical and tend to fantasize about projects or possibilities that have little value or future. You must learn to discriminate between iron balloons and those that will fly. You have difficulty finishing projects because your vision becomes chaotic and loses track of the path ahead.

You have to learn to be aware of the details. Keep your environment clean and orderly. Be efficient.

You have the ability to be practical and organized but you must learn their value. This will cause you to incorporate them into your daily life and give you the basis for success.

This is the challenge of building a lasting foundation for your life. You will need perseverance and repeated effort. Get-rich-quick schemes will likely backfire; persistent effort is the key to your future happiness.

## THE THIRD AND MAIN CHALLENGE

*This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.*

*As you master this challenge and incorporate its positive aspects into your character, your life gradually feels more in control. There is a chance for great reward implicit in this challenge. In short, it may offer the secret to your success.*

## Your Third and Main Challenge is 4

**Jean, you are repeating your Second Challenge**

**THE FOURTH CHALLENGE**

*Your Fourth Challenge is most strongly felt during the latter part of your life, beginning at approximately age of 60.*

**Your Fourth Challenge is 4**

**Jean, you are repeating your Second Challenge**

## **PART III: YOUR PATH AND YOU**

*We have focused on the letters of your name and the numbers from your date of birth. We will now look at numbers in your chart derived from the combination of both your name and the date of your birth. Acquiring the attributes described in the next few chapters will help smooth your progress. As you learn more about yourself, you may begin to recognize traits you were previously unaware of.*

### **THE LIFE PATH - EXPRESSION BRIDGE NUMBER**

*This Bridge has the potential to "close the gap" between the Life Path and the Expression numbers. The chapter explains how you can make your talents, strengths, and specific abilities (your Expression number) more readily available and fitting to your goals and personal growth.*

#### **Your Life Path - Expression Bridge number is 1**

Your Life Path and Expression point to the need to be more decisive and assertive. Rely on your strengths and abilities and take charge more often. Be straightforward and confident when expressing your thoughts and ideas even if they seem offbeat.

Try not to worry about the expectations of others. Being less conventional and finding original ways to do things can open you to new possibilities and produce greater success in your endeavors.

### **MATURITY NUMBER**

*Your Maturity number indicates an underlying wish or desire that gradually surfaces at around age 30 to 35. A direction begins to emerge as you gain a better understanding of yourself. With this self-knowledge comes a greater awareness of who you are, and the direction you want to set for your life.*

#### **Your Maturity number is 15/6**

As you mature, you will become increasingly concerned with the well-being of family, friends, and community. You will be drawn to the role as healer, counselor, and teacher. You have a growing ability to give comfort and sound advice to those in need. You naturally assume the role of patriarch or matriarch of those in your care, no matter how old they are. You become more responsible and protective. You may well become involved in environmental protection, volunteer work or politics. You are naturally idealistic and strive to realize those ideals as you grow in maturity and in personal resources.

Your careful and balanced approach to business and financial matters provides you with sound and secure success later in life. The 6-maturity number provides an outstanding financial foundation for the future. In addition, the influence of the 6 promises an old age surrounded by loved ones.

For those who have few 6s in the chart, or none at all, this Maturity Number promises the close relationships that you have striven for most of your life.

## **PERIOD CYCLES; YOUR FIRST PERIOD CYCLE**

*Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.*

*The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.*

*The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. This cycle begins in the early and mid-30's while struggling to find your place in the world. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.*

*The Third Cycle starts approximately age 55, and represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.*

*Your First Period Cycle runs from birth until your mid 30's.*

### **Your First Period Cycle is 1 and lasts until age 29**

The first part of your life, through your late 20's or early 30's, is a period of much intensity. When the 1 dominates, it requires fortitude, courage, and flexibility. You are forced to use every one of your talents to achieve individuality and independence. This is a period of integration and focusing on your life's dreams.

Your ability to stay the course is repeatedly challenged, but adequate resources become available to assist you. Resilience, independence, and fortitude are required. As you strengthen these characteristics, they become an integral part of your personality and help you to emerge stronger for it. This cycle marks a time of progress in your development.

## **SECOND PERIOD CYCLE**

*Your Second Period Cycle runs from your mid 30's until your late 50's.*

### **Your Second Period Cycle is 1**

The middle years of your life (approximately ages 30 to 60) find you on an intense path of personal growth. You are required to adapt frequently to the many ups and downs in your life.

When 1 rules the second Period Cycle it focuses on self-empowerment. To facilitate this, situations occur that force you to dig deep to find the courage required to face your challenges. You have love and support, but circumstances will often demand that you rely heavily on your own strengths.

Fortunately, throughout this approximately thirty-year period, you often have confirmation that your gut feelings are correct and feel you are moving in the right direction. You will likely find yourself in a leadership position, strengthening your self-confidence even more.

### **THIRD PERIOD CYCLE**

*Your Third Period Cycle covers the later part of your life, starting in your early 60's.*

### **Your Third Period Cycle is 5**

The latter period of your life finds you continuing to move through changing circumstances. There is an inherent restlessness associated with a 5 Period Cycle - one of the few cycles that encourages a more impulsive response to situations you encounter.

You are drawn to travel, new people, and different cultures. This is a dynamic, somewhat chaotic cycle, where not much happens according to plan. You do best when you are social, physically active, and involved - giving your heart and mind the experiences they crave.

During this period, you have a flair for successfully promoting yourself. You are drawn to all that is progressive and farsighted. This is a time to be quick and flexible, and to grasp opportunities as they come.

### **PINNACLE CYCLES; YOUR FIRST PINNACLE CYCLE**

*Although Pinnacle Cycles and Period Cycles are both derived from your date of birth, they differ in the way you experience them. Period Cycles, described above, reflect internal stages of growth. Pinnacle Cycles represent the external influences you encounter in life.*

*Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.*

*The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.*

*Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's (the exact date depends on your Life Path number). This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.*

### **Your First Pinnacle cycle is 2 and runs from birth until approximately age 29**

Jean, this Pinnacle causes you to be extremely sensitive, intuitive, and full of insight. It is a period that requires patience and the development of inner awareness. You are being asked to use gentle power and persuasion to obtain your desired goals. Direct approaches, forceful displays, and confrontations will likely work against you. You will find the most satisfactory roles to be supportive. You are now a gifted advisor, a diplomat and a peacemaker. Your insight into other people's feelings and motivations is so acute that you seem to be able to see right to the core of things. But rather than use these gifts to create differences between people, you must use them to create peace, to mend rifts, to harmonize.

Your challenge during this period is to bring balance to duality in every form, and at every level. You will recognize the value of both sides of an argument and be able to see the middle ground where peace can be made. You can create the atmosphere in which both sides can compromise and work harmoniously. You are the glue that keeps people and important projects together.

The weaknesses you must face and overcome are too much sensitivity. You may be tempted to indulge your feelings, to be too easily hurt. You may lack self-confidence, especially at the beginning of the Pinnacle when your heightened sensitivity and awareness make you conscious of your own shortcomings. You may succumb to fear and hesitation. All of this can lead to emotional turmoil. You need courage and the willingness to reach out for support.

Your sensitivity will make you acutely appreciative of beauty and harmonious environments. At the same time, you need beauty and harmony around you. You have an increased appetite for music and the arts in general. You may find that your musical talents coming to the surface. If you do not already play an instrument, give in to any inclination to take one up.

A person in a 2 Pinnacle who uses his or her sensitivity, understanding, and insight is very appreciated by others. You may not fully realize just how much others appreciate and respect you. This may cause you to feel undervalued, or that you are not getting the recognition you deserve. You appear shy and humble, particularly if this is your first Pinnacle, but inside there is much pride that must be kept in check.

You may want to hide from the tumult of life, or from difficult situations. This may tempt you to color the facts in order to protect harmony. Be careful of this tendency, because it often backfires.

You have an eye for precision and detail. Your taste in all aspects of life is enhanced and you possess a certain class that others admire. If you make the most of these qualities, your appearance is considerably improved, making you both attractive and graceful.

## **THE SECOND PINNACLE CYCLE**

*Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.*

### **Your Second Pinnacle cycle is 6 and runs from age 29 until age 38**

Under this Pinnacle you will be very involved with family, friends, and your community. You will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well. Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. Jean, you must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized.

Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world. You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Jean, your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas.

Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits. Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

### **THE THIRD PINNACLE CYCLE**

*Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.*

#### **Your Third Pinnacle cycle is 8 and runs from age 38 until age 47**

Jean, under the influences of this Pinnacle, you will have greatly enhanced talent for dealing successfully with business and finances. This is a time of material growth, a time of expansion and reward. It is the cycle of harvest. The 8 Pinnacle also increases your personal power. You have sound judgment and vision. In fact, this is the basis of your financial success. People sense your power and effectiveness. They defer to you much more easily and look to you for answers. This makes it easier for you to use power without having to be a bully or force your way through situations. They perceive your able-ness and want to join you in your vision. Others have faith in you.

You will be able to organize large enterprises. Problems do not threaten you so much as provide a challenge. You yourself sense your enhanced personal powers and feel a growing sense of stability and centeredness. You will be capable of influencing matter in an almost magical way. As a result, you are extremely goal oriented, moving toward the realization of your dreams with confidence and clarity. Your challenge during this period is to maintain a hold on your human and spiritual values. You must remain balanced between heaven and earth. There will be enormous temptations to make money and status your only priorities, excluding the more human or immaterial matters entirely. This will undoubtedly lead to losses. You are being tested and instructed in the real value of money -- it's natural place in life. If money is placed on a high altar, overshadowing all other facets of life, you will become its slave. If you are balanced in your approach to money, and have proper perspective, this can be a truly rewarding period, both materially and spiritually. That is the true promise of the 8.

The number 8 symbolizes the balance between the finite and infinite, matter and spirit. It offers a great

opportunity to grow.

### **THE FOURTH PINNACLE CYCLE**

*Your Fourth Pinnacle Cycle lasts for the rest of your life.*

**Your Fourth Pinnacle cycle is 6 and runs from age 47 until age death.**

**Jean, you are repeating your Second Pinnacle Cycle**

## **PART IV: SPECIFICS ABOUT YOU**

*Although the following chapters deal with less dominant aspects of your chart, they are more narrowly defined and specific in the ways they affect you.*

### **THE RATIONAL THOUGHT NUMBER**

*Your Rational Thought number comes from combining the sum of your birthday number with the sum of your first name. It reveals the style or process you use when making choices or considering a problem. Are you a structured, logical thinker or do you ponder a question in a creative, abstract manner? Do you daydream or stick to deductive reasoning?*

*Your Rational Thought number suggests the general approach you take in your thought process.*

#### **Your Rational Thought number is 4**

You are the practical, methodical thinker. You think things through step by step, and you are almost always well-prepared when others question your reasoning. You may be a little rigid in your approach and you tend to be uncomfortable with new, unproven ideas. You avoid risks, in favor of established procedures. You have no desire to reinvent the wheel.

Others tend to trust your judgments and value your participation, in particular because you often function as the proverbial rock in rough waters. You are a stabilizing voice when involved in team projects, especially when chaos tends to take over.

### **THE BALANCE NUMBER**

*Your Balance number provides guidance on how to best deal with difficult situations.*

*People experience a variety of internal responses to life's challenges. Some step back from difficult situations to ponder a course of action while others withdraw to avoid uncomfortable emotions. *Very often, these are conditioned responses that emerge without thought or analysis. With maturity and self-development, we incorporate new and more effective methods of handling situations we encounter.*

#### **Your Balance number is 7**

You retreat into some safe haven within yourself, Jean, and hope you will not have to deal with the issue at hand. Yet, the clarity and analytical abilities of your mind are sufficient to provide you with insight into the problem and a clear path to its solution.

You have to work at confronting yourself and the issues you face unemotionally and calmly. You can be engulfed in the emotional aspects of the issue, which clouds your mind and prevents you from using your clarity to find an answer. Get past the emotion and you will find an answer.

### **THE HIDDEN PASSION**

### **Your Karmic Lesson is 7**

You need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self-condemnation, in order to bring your abilities to their full development. You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

Each of us is dominated by one or two of the first three planes. The physical and mental are the most widely used, although a name dominated by emotional letters is not uncommon. The intuitive plane is usually the least utilized. A name dominated by intuitive letters is extremely rare but having no intuitive letters in a name does occur. This does not mean a lack of intuition but points toward a tendency to ignore or distrust intuitive insights.*

*The Physical Plane represents the physical letters in your name.*

You appear to others as self-sufficient, which can make close relationships a little more

difficult since people want to be needed.

You have enormous artistic talent, especially in a variety of arts, such as interior design, photography, acting, and writing.

You have great compassion and idealism. In fact, you are so idealistic that you can be a bit impractical and lose touch with the ground. You need a practical, down-to-earth cause to be most effective.

## **PART V: HOW YOUR CURRENT NAME AFFECTS YOU**

You are often withdrawn.
