YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly.

When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

LeeAnn and Charlie, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, and Personality) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

LeeAnn and Charlie, your Personal Year's Compatibility in 2021 is 1 and 9

LeeAnn and Charlie, once every nine cycles your relationship may go through a challenging period, a time when only your love and commitment will see you through. (This is felt more strongly in a yearly versus a monthly cycle).

Your current cycle is likely to bring disagreements and arguments that make you wonder what happened to the nice person you used to know. This is due to being at opposite ends of the spectrum. LeeAnn, you have a 1 cycle delivering new beginnings, while Charlie is at the tail end of his cycles, wrapping things up before

beginning a new phase. Conflicts could be heightened by Charlie's emotional vulnerability during a period when you may be less sensitive than usual.

There are few, if any, cycle combinations as challenging as this one, but with effort and recognition of your love for each other, your relationship can survive and grow even stronger. For you LeeAnn, the most important piece of advice is to give Charlie plenty of attention. Try to be sensitive to potential mood swings, even if you feel he is overly emotional.

The advice for Charlie is not to take his emotions too seriously. He is likely to be going through changes that require surrender and acceptance, which could make him more emotional than usual (even melodramatic). Charlie will also benefit from understanding you do not mean to be abrupt or insensitive, you are just in a more ambitious cycle than he is.

Only your hearts can save the day. When emotions are high, it is often the heart, not the mind that is able to understand and weather the storm.

LeeAnn, your Personal Year cycle for 2022 is 2

This is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined. You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal. You may also experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans. This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research. Your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even lifelong relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Charlie, your Personal Year cycle for 2022 is 1

Be ready for major changes. You will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals. This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done. LeeAnn and Charlie, your Personal Year's Compatibility in 2022 is 2 and 1

LeeAnn and Charlie although your cycles are quite different, they should not cause too much friction. Charlie is entering a period of renewal that supplies new energy and a change of direction in his personal life and career. The 1 brings motivation and an impatience to get things started. Little will seem to move fast enough.

You, on the other hand, are probably slowing down a bit, more concerned about improving your relationships. This is a time for you to network, find resources, and align with others, a time when feelings and connection are particularly important. This could cause you to feel more emotionally vulnerable than usual.

These cycles support each other in most respects. Charlie will be the engine of change and progress while you steer and redirect. However, Charlie will need to be sensitive and careful not to expect you to be as motivated and driven as he is. He must also accept that you may be a little more demanding than usual. In turn, you should avoid making mountains out of molehills or letting emotions override common sense.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

LeeAnn, your Personal Month for April-2021 is 5

As explained earlier in your January forecast, this year and last combine to bring about major changes. That also includes changes in many practical areas of your life, and April brings many of them to the surface. There can be a change of residence or office. Travel, sometimes quite unplanned, is very likely.

April could become quite a dynamic and hectic month, but also adventurous and exciting. Consequently, this period requires flexibility, and a willingness to accept change. You have to adapt, respond quickly, and embrace change as opposed to fighting it. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises. There is a sense of randomness and a lack of control which, to many of us, is frightening. No need to worry, many of these changes, once accepted, will actually streamline your life and make progress easier.

Your ability to promote yourself and your ideas is also enhanced. You will find that you have an uncanny talent to be in the right place at the right time this month. You will be able to advertise your talents and abilities at work as well as at social events.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline or you may see much of your energy wasted. Unless you manage to concentrate and apply yourself, you may realize at the end of this month that you did not get a lot done.

Romance and social activities may tempt you to be self-indulgent and perhaps irresponsible. Be careful not to let this month's vibrant energy get out of hand.

Charlie, your Personal Month for April-2021 is 4

April requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual, and this makes it harder to keep up with your duties and

responsibilities. However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

YOUR MONTHLY RELATIONSHIP FORECAST

LeeAnn and Charlie, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for April is 5 and 4

LeeAnn and Charlie, this is a period where your individual cycles (and influences) will be very different. It is a time of focus, effort, and possibly frustration or stagnation for Charlie, compared to a time of change, excitement, and dynamic energy for you.

As a result, you are able to help Charlie move forward and not become too frustrated by the demands of his cycle. Charlie can return the favor by functioning as an anchor for you during your more unpredictable cycle.

The most positive effect of this combination is that their combined traits almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect to be aware of is a concern that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and

ideas. Physical closeness and shared activities can help you stay connected.

LeeAnn, your Personal Month for May-2021 is 6

Love, romance, and commitment play an important role whenever a 6 Month teams up with a 1 Year. There is the possibility of a new relationship, the birth of a child, or marriage. It is a month of responsibility, unselfish giving, and a willingness to devote time and energy to the needs of others. Domestic and community matters move to the foreground and have to be given priority. Sometimes, this combination of numbers causes long slumbering discord between couples to surface and be dealt with.

This is a time when the heart rules and emotions run high. It can cause both extremes -- either deeper commitment and more lasting love, or separation and divorce. Honesty is essential to a positive development of the month. You may find yourself tempted to take the easy way out in some awkward situation, perhaps by lying or being secretive. However, that is likely to backfire and can become ugly and destructive, particularly during this month.

In general, this is a good time for career and financial matters; promotion is possible, as is a windfall in the form of an unexpected tax refund or an old debt paid back. This sequence of numbers is also more likely to resolve legal issues or other matters that pit you against large institutions, corporations, home owner associations, or some other faceless entity.

With so much energy dedicated to the heart, to love and emotions, it may seem that your sense of justice, your honor, and your moral values are tested more than once. Don't let opportunities to make a stand, or to right a wrong, slide by. Few feelings are more devastating than regret.

Charlie, your Personal Month for May-2021 is 5

May brings many changes and ideas that start you in a different direction. You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration. You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time. You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. You need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason,

interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

This month brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Your Personal Month's Compatibility for May is 6 and 5

LeeAnn and Charlie, your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

Charlie is in a dynamic cycle of change and highly charged, restless energy. Your cycle is one of stability and responsibility, which should make your approach focused and practical. While Charlie is looking for opportunity and adventure, you will be centered on your home and family - the people and things that mean the most to you. Charlie's attention will be focused on work, projects, travel or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. Charlie can inspire a little excitement and you can bring needed stability.

However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let live" should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this particular cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.

LeeAnn, your Personal Month for June-2021 is 7

This month offers time and opportunity for contemplation and insight. Career and romance do not require as much attention as your need to understand your own motivations and desires. Don't make the mistake of feeling guilty for not carrying your load, or for not working hard enough. That is not what this month is about. Keep up your sails, do what you have to do to avoid problems, but beyond that, let the wind do the rest. Take the time

to dwell on your dreams and hopes, find clarity about what you want out of life. Most importantly, don't be afraid to confront yourself.

Your work and other duties take second place this month, however, you may well discover information, through research or by talking to the right people, that will help further your career.

This is not a good time to spend money, take out a loan, invest, sign contracts, or otherwise make long-term business commitments. Social activities are also better kept to a minimum, unless it involves deep or intimate conversations with family or close friends.

Charlie, your Personal Month for June-2021 is 6

This month brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

Your Personal Month's Compatibility for June is 7 and 6

LeeAnn and Charlie, you are experiencing very different cycles. On one hand, the influences of the 6 and 7 complement each other very well. On the other, they create such differing needs that you may find you share little common ground during this period.

The potential exists for you to disagree on just about everything: how to spend your weekend, what kind of car to buy, which of your friends to invite, and so forth. Your approach to social situations and activities will probably differ as well. Charlie's 6 suggests he will be more extroverted than usual, reaching out to others, while you seek quiet time alone.

Positive influences during this cycle are found in Charlie's tolerant, giving nature and willingness to sacrifice to accommodate you. This is an important and necessary factor for the relationship during this time.

LeeAnn, you may not be as patient as usual, and may seem withdrawn. If you appear a bit cool and distant it will be important for Charlie to recognize this probably has nothing to do with the relationship; you are just doing a little soul searching and need space and distance. However, it is also crucial that you don't become so focused on yourself that you lose sight of your partner. Although your 7 inspires a more inward, personal journey, the people you care about need attention too.

LeeAnn, your Personal Month for July-2021 is 8

Career and finances should be at the top of your priorities. Work hard and wisely. Combine practicality and vision. July is not a time to sit and stare into space, but to be on your toes, to keep your eyes wide open, and refrain from taking unnecessary risks, unless risk-taking is in your blood. For professional gamblers, this can be a very profitable period, but for those of us who live according to the simpler laws of effort and reward, this is a month to stay with the tried and true.

All affairs related to money should be handled with the utmost care. But let me be clear: This month is a rewarding time, and your chances that events will take a positive turn are great. If you are wise and cautious, you may increase your bank balance considerably. Nine-out-of-ten people in this combination -- 8 Month, 1 Year -- increase the strength of their financial positions.

This month also brings out strong emotions in personal relationships, both positive and negative. While a 1 and 8 combination, through the usual cycles of effort and reward, cause and effect, and good old-fashioned Karma, tends to increase stability and strengthen the positions of most people (not so if Karma is working against you), it has an almost opposite effect in the area of feelings. It shakes things up, calls out the white elephant in the room, and otherwise rocks the boat. The advice is to be open, tolerant, forgiving, and to refrain from judging -- lest you be judged.

If you are not yet romantically involved, this month may introduce you to someone special through work or business. New friendships and business partnerships are also common under this number sequence.

Charlie, your Personal Month for July-2021 is 7

July represents a time of insight and awareness. You start to realize the magnitude of the deep inner changes that are taking place, and this fills you with a combination of fear and excitement. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come. Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition and have faith in yourself and your Creator.

Charlie, your career and finances are not priorities, except when they relate to plans you may have for the future. This is a time to prepare for the long-term, not to reach for immediate rewards.

Your Personal Month's Compatibility for July is 8 and 7

LeeAnn and Charlie, this cycle will produce very different influences and needs for each of you. During this period, Charlie might feel a little left out or ignored by you, although this is most likely not your intention. Your cycle is just focused on getting things done, reaching goals, and taking advantage of opportunities, at a time when he is more contemplative, examining priorities, and perhaps questioning the reasons behind what he is doing.

The fact that your needs and ambitions are moving in different directions could create problems for your relationship. You may find it difficult to find common ground or even be interested in each other's concerns.

Your best approach during this cycle is to give each other room to pursue your differing interests, and avoid feeling you have to share everything. Charlie, especially, will need more time alone than usual, to reflect and analyze, or just enjoy a little solitude. During this cycle, it is probably best to keep things simple and allow for a little separation in your daily lives.

LeeAnn, your Personal Month for August-2021 is 9

As mentioned more than once during previous monthly forecasts, this year offers plenty of changes, and August continues the trend. Most of this month is dedicated to completion and letting go. This includes old habits, ideas and concepts that you have recognized as no longer valid, perhaps even projects you have lost interest in, and relationships you have outgrown. It is the latter that may be accompanied with a quite a bit of emotional turmoil.

However, with relationships as well as any other aspect of your life you are ready to let go off, the result is that you make room for the new.

Within the context of this two-year transformation mentioned in your yearly forecast as well as your January monthly forecast, August stands out as a kind finality. By now, you should have a pretty good sense of how and where you changed. However, you should be prepared for some moments of nostalgia and perhaps regret, these are the usual emotions that are part of the cycle of tossing out the old and inviting in the new. There will be unexplainable emotional upsets, melancholy, and such, but they are essentially the remnants of the old you. Share those feelings with someone close to you. Take comfort in heart-to-heart talks. Still, do not doubt that you now have both feet firmly planted in the new 9-year cycle. You are ready to move ahead.

If your love relationship is fairly recent, or still fragile, this month will likely reveal whether it is of true substance and endurance. Let go of whatever wants to be free; hold on to what wants to stay. And look to a

brighter future.

Charlie, your Personal Month for August-2021 is 8

August brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance. Use any extra income you might have to pay off your debts. You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change or starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

Your Personal Month's Compatibility for August is 9 and 8

LeeAnn and Charlie, as is often the case in your relationship, this cycle influences you in very different (and not altogether compatible) ways.

For Charlie, it is a time to get out and shake some trees, make things happen, and reap the rewards. To make the most of this cycle it will be important for him to stay focused and aggressive while pursuing his goals.

For you LeeAnn, the cycle could feel a little shaky, so you will need Charlie's commitment and support during this period. With Charlie's focus on interests outside the relationship, and your need for more attention than usual, it will probably take effort from both of you to prevent disappointment or resentment from creeping in.

Although this will be an enterprising time for Charlie, he will need to make time for you as well. He will also experience a period when nothing seems secure and solid. In fact, his next cycle will probably bring a bit of that, so you may find him looking to you for support. Try to recognize Charlie does not mean to pull away from you, his cycle just delivers a more ambitious spirit. You are at the end of a cycle, and should focus on completing projects and letting go of things that are no longer fruitful. (Your next cycle should be much more energetic.)

Because your cycles tend to be almost opposite, you have probably learned to adjust to each other's needs. This ability is the key to sustaining a long and happy union.

LeeAnn, your Personal Month for September-2021 is 1

You experience an increase in inner strength, independence, and individuality during this month. There is a sense of empowerment. Chances are your health improves, and you are more focused and direct. You are certainly more ambitious and ready to pursue your goals. It may even feel a little like the dawn of a new era.

However, there is also a less fortunate side to this double 1 cycle in the form of lacking patience, irritability, and in some people even moments of violence and aggression. The energy you are experiencing when the 1 dominates to this extent is bundled, like a flashlight as opposed to an omni-directional light. For that reason, many things seem amplified. It is important that you maintain control and keep a close eye on your attitude. Even the gentlest among us tend to be rude or angry a few times under this influence.

Relationship issues should be avoided. As you may have guessed, you are not in the best mood to deal with other people's emotions.

September is a good time to bring about practical changes that you have long contemplated as essential to your health and happiness. This combination inspires smokers to quit, others to modify their diets or start an exercise routine. You are able to muster up great will-power, so take advantage of that.

Direct this month's energy towards your career or your business. Use that drive and ambition to make progress. But leave that kind of energy at your office, don't take it home with you.

Charlie, your Personal Month for September-2021 is 9

This is the month when your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you. You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

Your Personal Month's Compatibility for September is 1 and 9

LeeAnn and Charlie, once every nine cycles your relationship may go through a challenging period, a time when only your love and commitment will see you through. (This is felt more strongly in a yearly versus a monthly cycle).

Your current cycle is likely to bring disagreements and arguments that make you wonder what happened to the nice person you used to know. This is due to being at opposite ends of the spectrum. LeeAnn, you have a 1 cycle delivering new beginnings, while Charlie is at the tail end of his cycles, wrapping things up before beginning a new phase. Conflicts could be heightened by Charlie's emotional vulnerability during a period when you may be less sensitive than usual.

There are few, if any, cycle combinations as challenging as this one, but with effort and recognition of your love for each other, your relationship can survive and grow even stronger. For you LeeAnn, the most important piece of advice is to give Charlie plenty of attention. Try to be sensitive to potential mood swings, even if you feel he is overly emotional.

The advice for Charlie is not to take his emotions too seriously. He is likely to be going through changes that require surrender and acceptance, which could make him more emotional than usual (even melodramatic). Charlie will also benefit from understanding you do not mean to be abrupt or insensitive, you are just in a more ambitious cycle than he is.

Only your hearts can save the day. When emotions are high, it is often the heart, not the mind that is able to understand and weather the storm.

LeeAnn, your Personal Month for October-2021 is 2

Your intuition and sensitivity are heightened. You are much more aware of feelings, yours as well as those of others - which is quite a change from last month (although this gentler energy probably started making its presence known about a week before the end of last month).

Under normal circumstances, and if it doesn't affect you personally, you will find it easy to maintain harmony, even in potentially discordant situations. However, on a more personal level, and particularly among your family and friends, this increased sensitivity can cause you to make mountains out of molehills, get jealous when there is no reason for it, or respond excessively to perceived slights. You are also more vulnerable to criticism than usual

You may also realize that you are given more authority or responsibility in your work. Although promotions and financial improvements may not be obvious, this combination often lays the groundwork for future

improvements.

Romance and all heart-centered relationships are central to the events of the month. If single, you will meet someone special. If involved, your relationship will likely become stronger and more committed.

Charlie, your Personal Month for October-2021 is 1

October is a month of new beginnings, new people, and renewed energy. While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. You may meet someone who becomes a permanent fixture in your life.

Your Personal Month's Compatibility for October is 2 and 1

LeeAnn and Charlie although your cycles are quite different, they should not cause too much friction. Charlie is entering a period of renewal that supplies new energy and a change of direction in his personal life and career. The 1 brings motivation and an impatience to get things started. Little will seem to move fast enough.

You, on the other hand, are probably slowing down a bit, more concerned about improving your relationships. This is a time for you to network, find resources, and align with others, a time when feelings and connection are particularly important. This could cause you to feel more emotionally vulnerable than usual.

These cycles support each other in most respects. Charlie will be the engine of change and progress while you steer and redirect. However, Charlie will need to be sensitive and careful not to expect you to be as motivated and driven as he is. He must also accept that you may be a little more demanding than usual. In

turn, you should avoid making mountains out of molehills or letting emotions override common sense.

LeeAnn, your Personal Month for November-2021 is 3

November is a month brimming with inspiration, motivation, creativity, and self-expression. However, there can be a superficial undertone that makes many of your ideas or bursts of energy evaporate as fast as they came.

Still, your enthusiasm is contagious, and no obstacle is too great to overcome - or so it feels. It is your challenge for this month to bring in the needed ingredients of discipline and pragmatism.

Unfortunately, you have little patience and would like everything to go much faster. Your mind runs at a high speed, but it is scattering your ideas all over the place, unless you manage to channel it. Fortunately, there is enough brightness and lightness to make it a fun and exciting month. It is actually a very good time to take a break, maybe go on a vacation. If you do, don't forget to bring a notebook to write down the ideas that pop into your head. The expression of having a mind like a popcorn machine is quite fitting for the influence of this month.

Others are attracted to you and temptation is part of this month's game. There is a danger of falling into a trap of irresponsible behavior. Be careful.

Charlie, your Personal Month for November-2021 is 2

You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life.

You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there. Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

Your Personal Month's Compatibility for November is 3 and 2

LeeAnn and Charlie, when cycles fall next to each other in number sequence (like your 2 and 3) it creates very different needs and experiences for the parties in a relationship.

Charlie's 2 indicates this will be a cycle when emotions are felt more intensely and have more impact than usual. He might feel like a protective layer has been lost, leaving him particularly vulnerable. During this same period, you will experience heightened inspiration, enthusiasm, confidence, and creativity - a light-hearted time when other emotions play a lesser role.

The likelihood that Charlie will be strongly affected by his feelings could lead to mood swings, emotional insecurity, or confusion. Coupled with your upbeat attitude (and perhaps lessened sensitivity and intuition), this could create challenges for your relationship.

There may be occasions when you don't understand why Charlie is so upset about what you feel is a minor argument, and Charlie might wonder why you seem so distracted and uncaring. LeeAnn, try to be sensitive to your partner's concerns and give him extra time and attention during this cycle. Charlie can help by not dwelling on his emotions. If he thinks you are too caught up in other things, it is probably because you feel secure enough in the relationship to focus on the creative endeavors and social events that are an integral part of your current cycle. Suggest he let you know if he needs more attention or a more sensitive approach.

You will both have to make room for your differences. Recognizing you are going through very different cycles can help you better understand each other.

LeeAnn, your Personal Month for December-2021 is 4

December brings opportunities as well as frustration. It is crucial that you stay focused on your goals and work hard. The numbers for this period are all about effort, discipline, and progress -- perhaps not an ideal combination for a month supposed to be full of festivities and joy. However, you will find that if you apply yourself, put your nose to the grindstone, when you are in your work environment, it makes the moments when you are out enjoying the holidays that much more satisfying.

This is an excellent month for career with many opportunities for progress, due in part to last month's inspiring ideas and enthusiasm, remnants of which make it into this month with a potential to actually manifest something. There is always promise when a 1 and 4 team up. You may feel that success is coming within reach, or that the breakthrough you have been waiting for is about to happen. However, there is a caveat; courage is big part of this combination, and a dose of that may be required if you don't feel you are ready.

Sometimes we experience a fear of success not so different from a fear of height. If that is the case, grab the bull by the horns, this is not a time to over think things or let fear stop you from reaching for what you want.

Generally, this combination is less affected by emotions and personality issues than other times. It tends to be fairly stable as far as relationships with friends, family, and co-workers.

Charlie, your Personal Month for December-2021 is 3

It's time to lighten up. Be playful, enjoy yourself. Don't take things too seriously. It is time to recharge your batteries. There will be ample opportunity for social events and you should take advantage of that. Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax. You are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Your Personal Month's Compatibility for December is 4 and 3

LeeAnn and Charlie, during this period your cycles will be pushing you in opposite directions. Your numbers suggest this is probably often the case in your relationship, but it does not necessarily reflect incompatibility.

For Charlie, this is a time to relax and smell the roses, while you need to stay focused and maintain a high level of effort. It is important that you don't try to change each other's inclination to follow the demands of your individual cycles. You need to accept that Charlie is not as disciplined and ambitious as usual, and he should guard against trying to talk you into taking it easy.

Contrary to what one might expect, as a rule cycles with a gap of one (like your 3 and 4) are not usually incompatible even though they move in different directions. In fact, they often complement one another. Their differences normally cause stress only if couples try too hard to influence each other.

Charlie should be allowed to back off a little from the daily grind, and you will need support and encouragement during what could be a rather demanding cycle.

LeeAnn, your Personal Month for January-2022 is 3

January brings you optimism and energy. The drive and enthusiasm that emerged during the second half of last year is still with you, along with a caution born of inner change and the emotional ups and downs that arose during the previous 18 months. You're aware of your need for support, cooperation, and advice. And this month, you find yourself establishing closer ties and better communication among those with whom you live and

work.

You are also reflective and relaxed. Take the time to play and laugh. Reach out to friends and loved ones. Communicate your ideas freely. You and your plans will be supported, which will heighten your optimism about the future.

Romance is an important part of this months' experiences, and the chances are good that you may meet someone special.

Charlie, your Personal Month for January-2022 is 2

January is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind. It's a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism and back again. This is to be expected when you go through the kind of deep and personal transformation brought on by a change of long-term

cycles; the last year of the previous nine-year cycle and the first year of the incoming nine-year cycle. This period is invariably accompanied by many small and large changes.

Your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may well meet someone who will touch your heart deeply. Friendships intensify and can be very comforting and healing.

You will likely find yourself being more helpful and involved in the lives of others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others. You will be tactful and capable of creating harmony where there was turmoil. At times, however, you may be overly sensitive and not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

Your Personal Month's Compatibility for January is 3 and 2

LeeAnn and Charlie, when cycles fall next to each other in number sequence (like your 2 and 3) it creates very different needs and experiences for the parties in a relationship.

LeeAnn, your Personal Month for February-2022 is 4

You realize early this month that progress depends on your willingness to work diligently and remain focused on details. You feel capable and confident, but as your effort increases -- and the hours pile up -- you may become frustrated with the slow response of others. Keep your nose to the grindstone, and if necessary put in overtime. Don't try to dodge the bullet; bite down on it and keep going. Meanwhile, be willing to cooperate, listen to others, and tactfully communicate your convictions, as well as your doubts.

February is an excellent month to improve your financial position, particularly through better management. Due to consistent and patient effort, a raise or profitable business deal is in the cards.

Relationships tend to be a little shaky for most of this month. LeeAnn, you may be somewhat irritable and lack patience as a result of stress and emotional turmoil in your work-environment.

Maintaining a well-ordered environment and avoiding procrastination will help you bypass much emotional

stress.

Charlie, your Personal Month for February-2022 is 3

February brings reasons for optimism, there is a sense of promise and new beginnings in the air. You see your direction a little clearer, which causes you to lighten up and become more social, especially during the latter part of the month. Your upbeat attitude draws people, as well as support, often from unexpected sources.

A new project or business venture ignites your excitement, energy, and motivation, all of which you manage to communicate clearly to others, thereby motivating them. This is a time for ideas and plans more than action. The actual work does not start until next month, which is fortunate, because focus and discipline are not your strongest qualities during most of this month.

You are quick-witted, and your sense of humor is alive and brighter than it has been for some time. Take time out for leisure and relaxation. Recharge your batteries, you will be burning plenty of juice next month.

Romance is exciting and promising. Your charisma and self-expression are improved, and you feel more comfortable talking about your feelings, your expectations, and your dreams.

Your Personal Month's Compatibility for February is 4 and 3

LeeAnn, your Personal Month for March-2022 is 5

March brings some relief from last months' frustrating efforts to persuade others and to keep track of the details. This month will be hectic with some unexpected changes. Don't try to plan everything down to its final detail. Instead, be flexible and adapt to whatever comes your way. The expression "being in the flow", is instructive for most of this month, and you will be astonished by coincidences in which timing is crucial. Don't make financially risky decisions, especially involving business. Checking and double-check all your facts before going forward with your plans. Be skeptical! However, your ability to promote yourself, your plans, or a product is enhanced.

There will be many social events and opportunities. Take advantage of them. The chances of meeting new people who can support you in your endeavors are especially good. A letter or phone call from someone you haven't heard from in a long time may surprise you.

It's high noon for romance but be warned. You may not be as discriminating and cautious as you should be. Allow your rational mind to take a critical look at flattering admirer(s).

Charlie, your Personal Month for March-2022 is 4

Now is the time to deliver and show yourself and everyone around you, that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on all the details. March is also a time when your ability to plan and organize projects is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities, and yourself. It's time to move; to make things happen. Do not procrastinate. Do not avoid work or effort. Slacking would be a serious mistake.

March can also be a little frustrating because so much of your energy will have to be directed to repetitive and routine duties and activities. However, in spite of the detail-oriented, plodding feel, this is a time that brings opportunities and real progress. This could even be a breakthrough time when you overcome an obstacle, real or perceived, that has dogged you for a long time.

It may be a little surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getter's approach and your can-do mentality. You may find yourself in demand.

Your Personal Month's Compatibility for March is 5 and 4

LeeAnn and Charlie, this is a period where your individual cycles (and influences) will be very different. It is a time of focus, effort, and possibly frustration or stagnation for Charlie, compared to a time of change,

excitement, and dynamic energy for you.

As a result, you are able to help Charlie move forward and not become too frustrated by the demands of his cycle. Charlie can return the favor by functioning as an anchor for you during your more unpredictable cycle.

The most positive effect of this combination is that their combined traits almost always deliver progress and decisiveness. By the end of this period, it is likely you will have established new goals and gained more clarity about your future.

A potential negative effect to be aware of is a concern that, at times, you might move in such different directions you could begin to feel like strangers. This can be avoided by regularly sharing your feelings and ideas. Physical closeness and shared activities can help you stay connected.

LeeAnn, your Personal Month for April-2022 is 6

Matters of the heart come to the foreground. Romance is now at the top of your list of opportunities. On the other hand, the month brings instability to outdated relationships, and some may end. You become aware of the need to let go of certain people, although final good-byes may not occur until July or early August of this year.

Your family and friends need more attention. You may find yourself playing the roles of mediator, comforter, and counselor. You'll be the one to offer the proverbial shoulder to cry on this month. A younger person, particularly, needs your love and attention.

There is an increase in your workload and responsibilities due to a promotion - or one that may be in the offing. The change may well bring financial rewards. April is a good time for finances, particularly those related to real-estate.

Charlie, your Personal Month for April-2022 is 5

As explained earlier in your January forecast, this year and last combine to bring about major changes. That also includes changes in many practical areas of your life, and April brings many of them to the surface. There can be a change of residence or office. Travel, sometimes quite unplanned, is very likely.

April could become quite a dynamic and hectic month, but also adventurous and exciting. Consequently, this period requires flexibility, and a willingness to accept change. You have to adapt, respond quickly, and embrace change as opposed to fighting it. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises. There is a sense of randomness and a

lack of control which, to many of us, is frightening. No need to worry, many of these changes, once accepted, will actually streamline your life and make progress easier.

Your ability to promote yourself and your ideas is also enhanced. You will find that you have an uncanny talent to be in the right place at the right time this month. You will be able to advertise your talents and abilities at work as well as at social events.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline or you may see much of your energy wasted. Unless you manage to concentrate and apply yourself, you may realize at the end of this month that you did not get a lot done.

Romance and social activities may tempt you to be self-indulgent and perhaps irresponsible. Be careful not to let this month's vibrant energy get out of hand.

Your Personal Month's Compatibility for April is 6 and 5

LeeAnn and Charlie, your cycles are as opposite as they can be, yet they are not incompatible. In a relationship, their influences usually complement and balance each other.

Charlie is in a dynamic cycle of change and highly charged, restless energy. Your cycle is one of stability and responsibility, which should make your approach focused and practical. While Charlie is looking for opportunity and adventure, you will be centered on your home and family - the people and things that mean the most to you. Charlie's attention will be focused on work, projects, travel or other outside interests.

If you can recognize the differing aspects of your cycles and support each other's independent paths, this can be a rewarding period for your individual pursuits as well as your relationship. Charlie can inspire a little excitement and you can bring needed stability.

However, there is also the potential for discord, blame, or anger. During this cycle, more than almost any other time, it is important that you do not try to influence each other too much. "Live and let live" should be the slogan for this period.

You have probably already recognized that you always experience very different cycles, some more compatible than others. This is an important aspect of your relationship, and not limited to this particular cycle. To maintain a successful partnership, you will both need to accept the fact that you will be influenced by very different energies for most of your lives.

Although your cycles place you at opposite ends of the spectrum, you complement each other nicely, with each of you providing aspects that work well together. Chances are you make a great team when you put your minds to it, especially when it comes to presenting a united front to the outside world.
