YOUR YEARLY RELATIONSHIP FORECAST

People change, sometimes dramatically, sometimes subtly.

When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

Marianne and Shawn, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, and Personality) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Marianne, your Personal Year cycle for 2020 is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Shawn, your Personal Year cycle for 2020 is 6

Shawn, you have the same Personal Year cycle as Marianne.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Marianne and Shawn, your Personal Year's Compatibility in 2020 is 6 and 6

As a couple, Marianne and Shawn, you should have much to offer to each other and those who share your world during this period. Your 6 will find you focused on family, friends, and your relationship. It is a time to share your love and commitment, a time when you easily understand and strengthen each other.

If there is a potential for discord (and there always is), it would be in taking these loving traits too far. Sometimes caring and nurturing can become intrusive or smothering. It is also possible that one or both of you could become controlling, creating a competitive atmosphere. Another contradiction during these otherwise loving cycles can be lowered tolerance, causing each of you to become irritated more easily over trivial matters.

Although you will probably be more focused on your family, friends, and relationship, practical concerns are favorable as well. This is a good time for finances, promotions, and projects. Material improvement is possible for both of you, although you might also be asked to take on more responsibility.

Marianne, your Personal Year cycle for 2021 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for

material rewards, Marianne, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Shawn, your Personal Year cycle for 2021 is 7

Shawn, you have the same Personal Year cycle as Marianne.

Marianne and Shawn, your Personal Year's Compatibility in 2021 is 7 and 7

Marianne and Shawn, this is a period when you should have a great deal of control over the way you experience your relationship. In most societies, the 7 cycle can be the most difficult to live up to - not because it is demanding, but because it asks you to back away from the daily grind. It is a time to give to yourself and your deeper spiritual and intellectual needs. The inner journey is not encouraged by most cultures; yet, without periods of self-examination, we can get lost in the day-to-day routine and forget to slow down and appreciate life's nonmaterial pleasures and mysteries.

The way you choose to approach this cycle will be the deciding factor in how it affects you and your relationship. If you have learned how to coexist quietly without constantly demanding one another's attention you will have a big advantage, as that is precisely what this cycle asks from you. You are both experiencing a time when you need to be alone more than usual. You may find that you have little patience for those you perceive as intrusive, and this does not exclude your partner.

Do your best to stay connected, but try to support each other's need for solitude and individual pursuits. Taking time to learn more about yourself can be of benefit to your relationship as well.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Marianne, your Personal Month for February-2020 is 8

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Shawn, your Personal Month for February-2020 is 8

Shawn, you have the same Personal Month as Marianne

YOUR MONTHLY RELATIONSHIP FORECAST

Marianne and Shawn, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for February, 2019 is 8 and 8

Marianne and Shawn, you share the same cycle number. Since Personal Month and Personal Year cycles follow each other in a repeating sequence, you will always share the same personal cycle numbers, and consequently the same influences. (Personal cycles repeat every 9 months and 9 years.) Your Daily Forecast will also be the same.

Your 8 can bring the best or the worst of times - usually a bit of both. With help and effort, you can tip the balance favorably, but you should be prepared to experience challenges as well.

On the positive side, it should be a period of ambition and reward for both of you. This cycle brings strength, focus, the potential for progress, and possibly rewards from past efforts. In addition, you should find it easier than usual to support and strengthen those qualities in each other.

On the negative side, it might also intensify your less desirable qualities. You could find you're both a bit more self-centered than usual, perhaps even ruthless in the pursuit of your goals. It is likely you will be mainly focused on yourself, and less interested in giving than in receiving.

As long as you both aim your energies at the external world, everything should be fine. However, should you find your partner in the cross hairs, remember what is most important to you and be careful to prioritize your relationship. This cycle and its influences will move on - don't let its competitive tone get the better of your relationship.

Marianne, your Personal Month for March-2020 is 9

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Shawn, your Personal Month for March-2020 is 9

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for March, 2019 is 9 and 9

Marianne and Shawn, this is likely to be a challenging period. However, although some cycles will be favorable, and others less so, you will almost always relate to each other more easily than most couples because you understand how your partner feels.

The challenging aspect of this cycle lies in your shared need for your partner's support at a time when neither of you is as capable of giving as you might like. You both seek stability, which might feel in short supply right now. The 9 delivers the end of a cycle where you are both tying up loose ends. You may feel uninspired and low on energy, which could leave you with less to give. This is felt more dramatically in a yearly rather than a monthly cycle. Fortunately, this period is not made of shadows alone; it also has a bright side. The 9 can help you recognize more clearly what you want from life. Think of it as a cross-country trip where you need to stop occasionally to study the map and plan the next part of your journey. It can help keep you on track and add clarity and focus.

Do your best to stay connected and support each other as you end this cycle together. Fortunately, your next cycle brings fresh new energy.

Marianne, your Personal Month for April-2020 is 1

This month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or

November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it, so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9-year cycle.

Shawn, your Personal Month for April-2020 is 1

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for April, 2019 is 1 and 1

Marianne and Shawn, you share the same cycle number.

This period promises to be one of new beginnings, new directions, and a greater understanding of yourself and your partner. It is an exciting time full of energy and awakening to new goals and priorities. It can also bring renewed energy to the relationship, sparking a heightened level of maturity that makes it stronger and more stable.

A temporary disruption is common at the beginning of a new cycle, and the changes you go through will require adjustments to the relationship. Sharing your feelings, doubts, and questions will be more important than ever, so communication is key.

Try to devote time to each other away from your daily routines, allow for new changes to be absorbed, and be open to your partner's evolving priorities and goals. If you are unable to stay connected and current with your partner's growth, you may end up feeling like you have been separated for some time and need to rediscover each other.

This should be a good period for both of you, leaving you more confident and capable of handling obstacles and taking advantage of opportunities.

Marianne, your Personal Month for May-2020 is 2

May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month, and you will be called upon to use those abilities.

You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come through with flying colors. Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month.

If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

Shawn, your Personal Month for May-2020 is 2

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for May, 2019 is 2 and 2

Marianne and Shawn, this is a period when emotions rule the day for both of you. After the changes you experienced during last cycle's dynamic energy, you are probably ready for things to slow down a bit. This cycle will bring support from others to help you further your goals in all areas of your life.

The main challenges and changes in this cycle will relate to the deeper aspects of your relationship. This period will find you more vulnerable and sensitive to anything related to the heart. Where a small argument may have made barely a dent before this cycle, a similar confrontation could easily become a major issue. You will need to be particularly sensitive to each other and take advantage of every opportunity to convey your love.

With advanced notice that this period could be particularly emotional, you can remind yourselves - and each other - not to let minor irritations fester. Take care when approaching important issues you may not agree on.

Over the course of this cycle, you will likely find your love for each other is maturing and growing stronger (even if some outbursts occasionally cause turmoil). But this will only be true if you express your love as well as your need for your partner's attention. The best way to move through this period is to prioritize your relationship without succumbing to extreme emotions.

Marianne, your Personal Month for June-2020 is 3

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is

likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

Shawn, your Personal Month for June-2020 is 3

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for June, 2019 is 3 and 3

Marianne and Shawn, this should be a period where you can enjoy each other's company, share ideas, and experience relatively little stress in most areas of your life.

The key word is relative. The 3 you share during this cycle suggests most things should be easier to handle and problems will not weigh on you as much as they might at another time. However, there is always another side to the coin. The 3 can also make you a little scattered – a typical side effect of its creative nature. If you have set specific goals, you may find your ability to stay focused and disciplined is more challenging than usual.

Your relationship has the potential to strengthen and deepen during this time. You connect easily and your ability to communicate will be enhanced. The only drawback may be your heightened popularity. The charismatic energy of this cycle will likely attract attention from other people. This attention could be tempting to either (or both) of you, giving rise to jealousy.

Marianne, your Personal Month for July-2020 is 4

Marianne, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed, and commitments made.

Shawn, your Personal Month for July-2020 is 4

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for July, 2019 is 4 and 4

Marianne and Shawn, you share the same cycle number. Since Personal Month and Personal Year cycles follow each other in a repeating sequence, you will always share the same personal cycle numbers, and consequently the same influences. (Personal cycles repeat every 9 months and 9 years.) Your Daily Forecast will also be the same.

This is a time to focus on strengthening the foundation of your lives. Your career, financial affairs, home, and other practical aspects will take high priority.

While this cycle often represents progress, it can be demanding as well as frustrating; things may not move quickly enough or in accordance with your expectations. Your frustration, coupled with a demanding schedule, could create problems for your relationship.

Since you will always share the same Essence and Personal Year cycles, you are likely to find yourself on parallel tracks. This usually makes your cycles compatible and helps you to see eye-to-eye when it comes to priorities and goals. However, it also means you could both feel frustrated at the same time (during this cycle, for example) which might compound your irritation. When this happens, it is more likely that an outside influence rather than your partner is causing the annoyance. Keeping this in mind can help you step back, talk about your feelings, and discuss solutions instead of fostering negativity.

Marianne, your Personal Month for August-2020 is 5

August brings some changes in work and your personal life. It is a dynamic time, and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. Your friends and

family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

Shawn, your Personal Month for August-2020 is 5

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for August, 2019 is 5 and 5

Marianne and Shawn, this cycle is notorious for creating disorder. For those who welcome change and adapt easily, it can translate into a time of excitement, enthusiasm, and promise. Conversely, those who find change and spontaneity difficult could find it a time of anxiety, doubt, or fear. Your 5 could bring risks, but it can also be a very enjoyable time - if you are both able to “go with the flow.”

Marianne, you might experience this cycle as a period filled with opportunity, while Shawn may feel confusion and unpredictability (or vice versa). While this is an exaggeration, it illustrates how two people can experience the same cycle quite differently.

The 5 tends to make you more impulsive and quicker to respond. This can cause you to speak or act before thinking which could lead to trouble. During this period, it would be easy to project some of the chaos you might experience on a material level onto your partner and others.

In your relationship, communication is the key to experiencing the best this cycle has to offer. If you are both ready for new experiences, open to change - and potentially more fun and excitement - this should be an engaging, lively cycle. Just be sure to remind each other that discipline will also be needed to keep things in check.

Marianne, your Personal Month for September-2020 is 6

September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all

areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground. Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

Shawn, your Personal Month for September-2020 is 6

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for September, 2019 is 6 and 6

As a couple, Marianne and Shawn, you should have much to offer to each other and those who share your world during this period. Your 6 will find you focused on family, friends, and your relationship. It is a time to share your love and commitment, a time when you easily understand and strengthen each other.

If there is a potential for discord (and there always is), it would be in taking these loving traits too far. Sometimes caring and nurturing can become intrusive or smothering. It is also possible that one or both of you could become controlling, creating a competitive atmosphere. Another contradiction during these otherwise loving cycles can be lowered tolerance, causing each of you to become irritated more easily over trivial matters.

Although you will probably be more focused on your family, friends, and relationship, practical concerns are favorable as well. This is a good time for finances, promotions, and projects. Material improvement is possible for both of you, although you might also be asked to take on more responsibility.

Marianne, your Personal Month for October-2020 is 7

Distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp, and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the

healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

Shawn, your Personal Month for October-2020 is 7

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for October, 2019 is 7 and 7

Marianne and Shawn, this is a period when you should have a great deal of control over the way you experience your relationship. In most societies, the 7 cycle can be the most difficult to live up to - not because it is demanding, but because it asks you to back away from the daily grind. It is a time to give to yourself and your deeper spiritual and intellectual needs. The inner journey is not encouraged by most cultures; yet, without periods of self-examination, we can get lost in the day-to-day routine and forget to slow down and appreciate life's nonmaterial pleasures and mysteries.

The way you choose to approach this cycle will be the deciding factor in how it affects you and your relationship. If you have learned how to coexist quietly without constantly demanding one another's attention you will have a big advantage, as that is precisely what this cycle asks from you. You are both experiencing a time when you need to be alone more than usual. You may find that you have little patience for those you perceive as intrusive, and this does not exclude your partner.

Do your best to stay connected, but try to support each other's need for solitude and individual pursuits. Taking time to learn more about yourself can be of benefit to your relationship as well.

Marianne, your Personal Month for November-2020 is 8

November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs.

As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

Shawn, your Personal Month for November-2020 is 8

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for November, 2019 is 8 and 8

Marianne and Shawn, you share the same cycle number. Since Personal Month and Personal Year cycles follow each other in a repeating sequence, you will always share the same personal cycle numbers, and consequently the same influences. (Personal cycles repeat every 9 months and 9 years.) Your Daily Forecast will also be the same.

Your 8 can bring the best or the worst of times - usually a bit of both. With help and effort, you can tip the balance favorably, but you should be prepared to experience challenges as well.

On the positive side, it should be a period of ambition and reward for both of you. This cycle brings strength, focus, the potential for progress, and possibly rewards from past efforts. In addition, you should find it easier than usual to support and strengthen those qualities in each other.

On the negative side, it might also intensify your less desirable qualities. You could find you're both a bit more self-centered than usual, perhaps even ruthless in the pursuit of your goals. It is likely you will be mainly focused on yourself, and less interested in giving than in receiving.

As long as you both aim your energies at the external world, everything should be fine. However, should you find your partner in the cross hairs, remember what is most important to you and be careful to prioritize your relationship. This cycle and its influences will move on - don't let its competitive tone get the better of your relationship.

Marianne, your Personal Month for December-2020 is 9

December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.

Shawn, your Personal Month for December-2020 is 9

Shawn, you have the same Personal Month as Marianne

Your Personal Month's Compatibility for December, 2019 is 9 and 9

Marianne and Shawn, this is likely to be a challenging period. However, although some cycles will be favorable, and others less so, you will almost always relate to each other more easily than most couples because you understand how your partner feels.

The challenging aspect of this cycle lies in your shared need for your partner's support at a time when neither of you is as capable of giving as you might like. You both seek stability, which might feel in short supply right now. The 9 delivers the end of a cycle where you are both tying up loose ends. You may feel uninspired and low on energy, which could leave you with less to give. This is felt more dramatically in a yearly rather than a monthly cycle. Fortunately, this period is not made of shadows alone; it also has a bright side. The 9 can help you recognize more clearly what you want from life. Think of it as a cross-country trip where you need to stop occasionally to study the map and plan the next part of your journey. It can help keep you on track and add clarity and focus.

Do your best to stay connected and support each other as you end this cycle together. Fortunately, your next cycle brings fresh new energy.

Marianne, your Personal Month for January-2021 is 8

This, the first month of your 7 Personal Year cycle, brings success and reward from past effort. Self-reliance and confidence are the keys to success this month. Stand up for yourself and show stubborn persistence.

Your career is stable, with few ups and downs, but your finances are less secure. A conservative attitude to money matters is favorable. Your attention is focused on long-term planning. You have good ideas that may well turn into an additional source of income later this year (during or around October). You also become interested in new avenues of thought or spiritual paths, which will inspire you to study or read.

This month's emphasis is on long-term goals.

Friends and relatives feel that you are a little distant and may get on your case in the hope that you will spend more time with them. Romance is not particularly important. If you are involved with someone, feelings deepen, and the bond becomes stronger.

Shawn, your Personal Month for January-2021 is 8

Marianne, your Personal Month for February-2021 is 9

February brings a number of changes, most of them occurring inside of you. You awaken to new feelings about your job, your house, and the people around you. It is a time of reevaluating the choices and decisions you have made over the past several years. You gain clarity and understand your motivations and needs better.

You may cause some practical changes as a result of this, and even distance yourself from outdated habits or relationships. There may be some emotional turmoil connected to this, but the feeling of relief is more prominent. This is a tricky time in all areas of relationships. Your irritation threshold is lower than usual. Irrational demands and lack of patience from your side may bring on feelings of guilt and you will probably find yourself apologizing more than once. You have strong idealistic, humanitarian, and spiritual feelings and may want to become more involved in some practical endeavors concerning one or more of these areas of life. However, you will probably postpone any active involvement for the time being, because you feel the time is not right.

Most important this month, is your enhanced clarity in all matters concerning your life and the direction it is taking. It is a time of re-assessment of your values and priorities and the influence of this month will be felt for a long time to come.

The practical aspects of career, business, relationships, and romance are all on the back-burner, but the inner-changes that take place represent a much larger step forward than you will probably realize at this time.

Your Personal Month's Compatibility for February, 2019 is 9 and 9

Marianne and Shawn, this is likely to be a challenging period. However, although some cycles will be favorable, and others less so, you will almost always relate to each other more easily than most couples because you understand how your partner feels.

The challenging aspect of this cycle lies in your shared need for your partner's support at a time when neither of you is as capable of giving as you might like. You both seek stability, which might feel in short supply right now. The 9 delivers the end of a cycle where you are both tying up loose ends. You may feel uninspired and low on energy, which could leave you with less to give. This is felt more dramatically in a yearly rather than a monthly cycle. Fortunately, this period is not made of shadows alone; it also has a bright side. The 9 can help you recognize more clearly what you want from life. Think of it as a cross-country trip where you need to stop occasionally to study the map and plan the next part of your journey. It can help keep you on track and add clarity and focus.

Do your best to stay connected and support each other as you end this cycle together. Fortunately, your next cycle brings fresh new energy.
