ABOUT YOUR RELATIONSHIP COMPATIBILITY PROFILE & FORECAST

This report analyzes the personalities of both subjects to assess their compatibility. It also offers suggestions for ways to mitigate the stress or damage that can come from differing personalities and perspectives.

When you are involved in a relationship, you come to know each other more deeply over time. At first friction is rare. As time goes by and you discover additional sides to your partner, you become aware of personality traits you appreciate as well as some that rub you the wrong way. Even if you consider your relationship nearly perfect, you will experience occasional bouts of conflict.

Negative traits are almost always a cause of friction, but it is interesting to note that some qualities that are considered positive can also be incompatible. You may find this report to be more critical, or even harsh, compared to other readings of this type. My approach is designed to throw light on differences in your chart that might benefit from a frank, unbiased examination. Ignoring potential issues can cause more damage in the long run than a few honest remarks in a reading.

You will probably encounter some texts that state: "The compatibility aspect in this area of the chart is already included in other parts of this report." Those texts are not repeated here because they are either redundant or offset by other conditions. This is done to offer a perspective that is as well balanced and clear as possible; repeating certain traits would place too much emphasis on them.

If you have received previous reports that mentioned double-digit numbers in your chart, such as Master numbers or Karmic Debt numbers, you will notice in the Relationship Compatibility Reports all numbers are reduced to single digits. This is because single digit numbers are the essential influences that affect relationship compatibility; including double-digit numbers would only diminish the clarity we aim for.

I hope you will appreciate the perspective of your Compatibility Report and will find it beneficial to your relationship.

THE LIFE PATH

Your Life Path number is considered the single most significant information available in your Personality Chart. It is derived from the total of all numbers found in your date of birth. However, it is important to keep in mind that the aspects described in the next few chapters will either complement, supplement, or sometimes weaken the attributes revealed in numbers derived from your name.

Angela, your Life Path number is 7

You are the searcher and the seeker of the truth. You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown and finding the answers to the mysteries of life. You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

You enjoy your solitude and prefer to work alone. You need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex. But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied. If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you.

You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

You must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives perspective on yourself and on life, while too much isolation can make you too narrow and even shut off from the rest of the world. Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or freer to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer. With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

Joe, your Life Path number is 2

The key word in your nature is peacemaker. Joe, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities.

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling. However, your sensitivity can also be your downfall.

Your delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger. Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with

almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated, and your accomplishments overlooked.

Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment.

You have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

HOW YOUR LIFE PATH NUMBERS COMPARE

Your Life Path number is the most important influence in your chart. As such, their compatibility is very important to the well being of your relationship.

Angela and Joe, your Life Path Compatibility is 7 and 2

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than yours. Angela and Joe, you have a surprising relationship. Rarely do people with such different characteristics express even the slightest interest in each other. But when they do, the partnership is worth every effort. You almost certainly met under unusual circumstances, perhaps when you were both outside of your normal environment (I am guessing Joe, the 2, initially reached out to Angela). Once these dissimilar numbers (and personalities) get close enough, the result is often an exchange of energy that welds the relationship for life.

Potential pitfalls in this combination are generally experienced at the beginning of the relationship. There could be many challenges, including the inability to relate to your partner's way of thinking, feeling, or expressing emotion.

Joe's approach to love is soft and gentle, idealistic, romantic, emotional, and innocently childlike. Angela is

less emotional and expressive - like a precious jewel, it requires a great deal to earn her love. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen Angela's love. At the onset of the relationship, this was probably the biggest hurdle to overcome. Angela is not likely to trust love that comes easily, and Joe doesn't understand how responding to something as natural as love should be so difficult.

Sometimes, a relationship with this combination occurs after the partners have known each other for some time, when trust and understanding have been established (and before either considered a romantic relationship). A romance based on this solid foundation, balanced by pure sentiment on one side and wisdom and spiritual understanding on the other cannot help but succeed.

If you can accept and respect one another's differences, this will be the glue that binds your unique relationship together - a bond that you could say is almost unbreakable.

THE EXPRESSION

Your Expression number, calculated from your full name at birth, reveals the orientation or goal of your life. Some numerologists refer to this as your Destiny number because it represents a lifelong target at which you are aiming. Thus, the Expression number, to some extent, reveals the person you aim to be.

Your Expression is the most influential of the three characteristics that make up who you are. It is also the number with the most influence on your choice of career, although other aspects are important as well.

Angela, your Expression is 9

You are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world. You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life. From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many and seek fame. Part of your hunger for fame has to do with your need for validation; you are your own harshest critic.

You realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would

succeed.

You have a broad view of humanity and are not shackled with prejudice. You should have friends and associates from all walks of life, all colors and religious backgrounds. People fascinate and enrich you. A wide diversity of people and experiences stimulate and bring forth qualities within you that would otherwise lay dormant. You have an abundance of artistic talent. Many with your Expression number find themselves in the arts, especially in literature, painting, and the visual and performing arts.

The number 9 indicates the completion of a cycle or a block of learning. The 9 Expression suggests that you have reached the point where a breakthrough can occur; during this lifetime you can apply all that you have learned along your evolutionary path and complete a major stage in your development. This is why we find many geniuses with the 9 Expression. You have the ability to synthesize many diverse bits of knowledge into a unified whole.

Your appearance is important. You are keenly aware of how others perceive you. As a result, others see you as a person with a great deal of control. Conversely, you are charismatic. Despite the cool and distant personality, you project, people are attracted to you.

You tend to express your love somewhat impersonally. You tend to be preoccupied with your vision or cause, and sometimes overlook the needs of those closest to you. You need to be reminded to give your love more personally and more openly. Ironically, you are a very loving and sincere person, but often neglect to express what you truly feel. In the same way, you can overlook your own needs. You can avoid sharing of your deeper feelings, creating a reservoir of emotion. You tend to postpone your personal satisfaction in favor of some larger work. Try to be more spontaneous and courageous about showing your real self, including your vulnerability.

Your basic belief in the goodness of humanity is unshakable. This causes you to encourage the best in people, but occasionally makes you vulnerable to being taken advantage of. You are not a very good judge of character.

The surest way to personal satisfaction is for you to become part of some larger social cause. Your nature is to serve. You are happiest when you feel you are helping to advance the human race.

Joe, your Expression is 6

You are a loving and caring individual with a tendency to put the needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical

talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother" or "Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love". You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most harmonious of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute. Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

HOW YOUR EXPRESSION NUMBERS COMPARE

More than any other number in your chart, your Expression number reflects who you are as a whole person on a deep level (rather than the "face" you show to the world, described by your Personality number).

It cannot be over-emphasized how important it is to recognize that the same number in a different area of your chart will affect you differently. There may be times you read something that seems to directly contradict an earlier statement. Yet, if you take time to carefully think about the opposing information you might recognize that, being the complex individual you are, you carry the same contradictions. This is natural and true for all of us. You may excel at organization in one area of your life, while chaos rules in another. You may be tactful and sensitive in one setting, but direct and confrontational in another.

Be aware that it is more difficult to overcome negative traits you recognize in yourself when they are found

in this part of the chart, than when they are found under the Life Path description.

Angela and Joe, your Expression Compatibility is 9 and 6

Angela and Joe, all numbers divisible by 3 have several things in common. First and foremost, they respond to the physical, emotional and spiritual needs of others. The 6 (Joe) expresses this in the love and care shown to family and friends. The 9 (Angela) directs her attention to the greater good - to humanity at large.

When the 6 and 9 are found between romantic partners in this part of the chart, compatibility is automatic. Both of you are self-sacrificing, giving and caring people. Joe is more practical, Angela more idealistic, but your motivations are similar.

One attribute you share is your sense of justice; both the 6 and the 9 have a strong awareness of right and wrong, this could lead to one or both of you getting involved in politics or becoming activists or advocates for a cause. Unless you happen to be on opposing ends politically, this trait could further strengthen your bond.

Creativity and an eye for beauty are other aspects you have in common. Oddly, this is often a source of trouble for this combination. There will be times you have similar views when it comes to decorating, for example, but you will also often differ. When it comes to creative matters you will both have strong opinions. In the event of a disagreement, you will need to compromise (something you are both quite capable of doing).

Although you are generally highly compatible, there are areas where you are likely to clash if certain negative traits are not acknowledged and kept under control. Although this is not common in your combination, it is something to be aware of. Angela, although idealistic and self-sacrificing, the 9 has the potential to become arrogant and self-righteous at times. Recognizing the relative value of your concepts and ideas may not be your strong suit, which could lead to putting others down if they do not share your (elevated) viewpoint. If this tendency is combined with extreme religious belief the 9 can become a negative influence on others, even destroying a relationship with the most devoted partner. Accepting that the truth as we understand it is still limited allows us to have compassion and tolerance for others. The 9 is the least prejudiced of all numbers, so the likelihood of this being an issue is not high. But, as with all human traits, its dark side tends to be the direct opposite of its light side.

Joe, although your 6 is considered the most loving of all numbers, it has a dark side as well. The 6 can become intolerant and angry, often without a clear cause. Irritation and anger can fester, just waiting for the right opportunity to appear. The 6, although sincere, can also be intrusive and meddlesome to an uncomfortable degree.

Angela and Joe, the negative side of the 6 and the 9 are rarely displayed, but you will need to be mindful to

prevent them from spoiling what is most certainly one of the best relationship combinations around.

THE HEART'S DESIRE

The Expression number described above points to a more productive side of your life. Your Heart's Desire reflects a deeper, inner you; it suggests an underlying urge, your true motivation, and the general intention behind many of your actions. It reveals the environment and lifestyle you prefer, as well as your likes, dislikes, and the type of people you are drawn to. Consequently, it dramatically influences the choices you make in life.

It makes sense that the vowels of your name are the foundation for your Heart's Desire. Vowels are the peaks and valleys of a language. Notice how vowels leave your mouth in a free-flowing breath. Try it: Aaaa.... Eeee.... Oooo.. Consonants though, are cut off either at the beginning or in the end.

You might say that it is in the flow of your breath that you express your deeper self.

Angela, your Heart's Desire number is 3

You love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion. Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down.

You have a gift for self-expression and are drawn to the verbal arts -- writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit. If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

You need discipline to make full use of your abilities. Too often, you may scatter your energies in many directions, beginning projects that are never finished and never really succeeding in anything. Your success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline

serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

You have the potential to live a very full and successful life thanks to your talent for artistic self-expression. The key to your success is a balance between the creative forces and self-disclose.

Joe, your Heart's Desire number is 8

You want success in its fullest meaning -- wealth, power, and material comforts. You have an enormous ambition. You dream of big projects, great undertakings, and rewards. You are a visionary. You see the horizon and the promise. In general, you also see the methods necessary to fulfill that promise. But you are not especially good with details; you need others to help you deal with the smaller parts of the picture.

Your challenge is to make full use of the full spectrum of your abilities, as indicated by your other core numbers. In the same way, you must bring forth the best from others and orchestrate their talents toward the realization of your vision. In short, you must lead by example, demonstrating the standard for commitment, determination, and excellence.

All of this requires effort on your part. You will meet with obstacles and difficulties. Your determination and commitment will be tested. But you have the power to overcome every obstacle you face and accomplish the goal you've set for yourself.

Your task in life is to learn to use power in refined and elevated ways. The expression and use of power are directly related to one's personal evolution. The more primitive uses of power rest with violence and the threat of deprivation. The higher expressions depend upon your capacity to care for and nourish the people and projects in your charge, giving each exactly what is needed at the appropriate time and in appropriate amounts.

You have a creative mind and an unusual approach to business and problem-solving. You need to cultivate your ability to evaluate others. It is essential for you to be involved in a project that challenges you and offers the potential for rewards. When you are uninvolved or unoccupied with a worthwhile task, you can become deeply despondent, depressed, and frustrated. You are the perfect example of the old platitude, "Idle hands are the devil's workshop."

Without a challenge, you can lose balance in life and become selfish, cruel, and even self-destructive. Disappointments become shattering, causing terrible consequences in self-image and self-love. Perspective

is everything for you. You have a natural talent for balancing the spiritual and material planes.

You need to cultivate courage and stamina. Courage is a choice. You need to decide to be brave in the face of fear. A balanced 8 is among the most powerful and satisfying of numbers. It is the spirit of the true survivor, able to bounce back and achieve a greater victory.

HOW YOUR HEART'S DESIRE NUMBERS COMPARE

Compatibility of the Heart's Desire number is very important in a relationship. Few relationships last beyond the initial stage if these numbers are not harmonious.

Angela and Joe, your Heart's Desire Compatibility is 3 and 8

Angela and Joe, the 3 and the 8 carry very different traits which are compatible in some areas but not in others. Angela (the 3) brings a creative, inspiring, uplifting and somewhat scattered energy. Joe (the 8) is more ambitious, goal-oriented and focused. Although you take differing approaches, you are both energetic and capable of turning dreams into reality. Quite often, this combination is seen between business partners or long-time friends who start a business together. In that environment, Angela would be the initial creative source, while Joe would be the visionary. Together, you could do very well.

You are both good communicators. Angela can clarify an issue with a sense of humor and pinpoint precision and Joe takes a more practical approach by taking bold, decisive action. This part of your chart suggests you complement each other in many ways and are quite compatible. But, just as in any other combination, there are areas where challenges may arise.

Joe is ambitious, practical, dedicated to accomplishing his goal, and capable of sustained effort for a long period of time. Angela also has the energy and drive needed to make things happen but tends to drop a project when it is no longer interesting or when another project seems more important. This could irritate Joe, who feels that anything less than total commitment to a set goal is unacceptable. Angela, on the other hand, will sometimes feel that Joe's priorities are too connected to his own needs and expectations. Where Joe is focused and demanding, Angela is more easy-going. Joe believes the purpose for setting a goal is to overcome the obstacles one is bound to encounter. Angela feels comfortable trying something new (or scrapping the project) if the first or second attempt doesn't seem to be working.

Often, the 3 and the 8 get along quite well. In the end, the issue comes down to respect. You likely have such different views about what is important in life, you will need to accept each other's needs and expectations.

THE PERSONALITY

The consonants of your full name at birth are the foundation of your Personality number, which is a little like a narrow entrance hall to the great room that is your true nature. It's the outer layer of your personality, the part you feel comfortable sharing. With time and trust, you invite others into the deeper aspects of your nature.

Your Personality number serves as a censoring device in terms of what you send out, as well as whom and what you allow to approach. For this reason, your Personality is usually narrower and more protective in its definition than the real you. It also gives an indication of how others perceive you.

Angela, your Personality number is 6

You radiate understanding and compassion. People sense your warmth and fairness. For this reason, you attract many people who need comfort, including the disadvantaged. People tend to come to you to unload their burdens. You inspire confidence. You have a fine sense of justice. You do everything in your power to keep the harmony and are even willing to sacrifice your personal desires for the good of others.

You can take this too far, however, sometimes playing the role of the martyr. You have to guard against being taken advantage of. You are not always a very good judge of character. You tend to see the best in others.

You can also become too involved in the lives of others, to your own detriment. (This aspect can be balanced by other numbers in your chart.) You are hospitable and domestic. You love children and are a good parent. You are romantic, faithful and very protective.

You are artistic. You love music, flowers and gardening. You are a natural interior designer. You have an excellent sense of color and taste. You are more concerned with the content of your personality than your appearance, which causes you to be less conscious of the style of your clothes. You are more interested in comfort and the utility of clothing than the statement it makes.

Six Personality Numbers are exceedingly generous. You are not particularly logical when it comes to finances.

You are very vulnerable to praise and criticism. You tend to worry a lot, causing stomach problems.

People see you as a maternal or paternal figure. They want to relax in your presence and unburden themselves. You are the safe port in the crowd.

Joe, your Personality number is 7

You seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries. You are hard to get to know. You are often withdrawn.

It is common for people to see your focus turn inside of yourself in the middle of a conversation. You have the makings of an intellectual and an aristocrat, but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression. You appear dignified no matter how you dress, but a well-groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Your love of knowledge and wisdom shows. You are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator. You are an inspired speaker, but only when discussing subjects that really interest you. Otherwise, you are not one for chatter.

HOW YOUR PERSONALITY NUMBERS COMPARE

Your Personality is the first aspect people notice when you first meet. Very few relationships have a chance to progress if their Personality numbers are not compatible.

Angela and Joe, your Personality Compatibility is 6 and 7

The 6 and 7 often have a love-hate relationship, so it is uncommon to find it in romantic partners. Where the 6 is strongly committed and motivated by emotions and a need for romance, the 7 is intellectual and somewhat secretive and distant. Angela (the 6) requires a physical and emotional connection; Joe seeks an intellectual bond. This has nothing to do with the ability or desire to love, since no number is more capable of loving than any other. But challenges can arise when people have dramatically different views or strikingly different approaches to important concerns.

All numbers express love in a different way. Angela's 6 in this part of the chart is mainly influenced by emotions and depends on expressions of love to feel safe and secure in a relationship. Joe's 7 is more independent, which enables him to feel comfortable in a relationship even when deep personal feelings are not shared.

Unless this fundamental difference is understood and accepted, it can become a problem in your relationship.

Angela may, at times, feel Joe is cold and aloof, and not as attentive as She would like. Joe needs a certain amount of distance, space for quiet contemplation, daydreaming, and just being alone. When he is in that state of mind, even Angela's loving attention could feel like an annoying disruption.

When couples are unable to accept these diverging viewpoints and approaches, it can bring much unhappiness. Interestingly, despite these contrasts, the relationship often remains unbreakable. When this happens, although the differences are often obvious to others, they probably go unnoticed by the two of you. People may wonder what keeps you together when you seem so different on all fronts.

Of course, the 6 and the 7 also have the potential to create a happy, long-lasting relationship. The key is simply to recognize the fundamental difference in the way you express your love. Angela must realize that even when Joe seems distant, his love is not absent in any way. And Joe may have to accept the fact that Angela needs frequent reassurance (and will likely demand attention if you are remiss in demonstrating it).

Keep in mind that this is just one area of your chart; other numbers and influences could mitigate these differences. However, the 6 and 7 will always have their unique approaches to love (and romance).

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Angela, your Personal Year cycle for 2021 is 7

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, Angela, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Joe, your Personal Year cycle for 2021 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

YOUR PERSONAL YEAR CYCLE COMPATIBILITY

It is not uncommon for two people to share the same Personal Year cycle (about 1 in 10), and when that is the case, they will always share the same Personal Year and Personal Month cycles. This is generally considered a positive between couples but not always; just as two people respond different to the same weather or landscape, they are affected in a different way by cycles. Still, there is a shared experience and therefore potentially, a shared understanding.

Angela and Joe, your Personal Year's Compatibility in 2021 is 7 and 3

Angela and Joe the 3 and 7 bring together two very different cycles. Your numbers are polar opposites in the influences they deliver. For Joe, things should lighten up like the sun breaking through after days of overcast skies. Your 7 indicates you will experience a serious period of self-awareness and discovery.

These differing moods could make communication difficult, which might be frustrating. Joe's light-hearted, playful disposition may have trouble relating to your pensive and perhaps even pessimistic outlook (and vice versa).

To offset this concern, do your best to acknowledge and respond to one another's concerns. Express your love, reach out, and give each other room to explore individual interests.

Joe needs to understand that the quiet, introverted mood affecting you is temporary and necessary. You should try not to be irritated by his upbeat attitude, which may appear superficial to you.

This cycle combination can have a negative effect on relationships. If you feel that you are approaching a danger zone, share your feelings as promptly and honestly as possible. Although you will both be affected by your individual cycles, you are likely to be more strongly impacted.

Do your best to support each other during this period and remember, cycles are temporary by nature. Patience and tolerance are the key words for both of you.

Angela, your Personal Year cycle for 2022 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large.

There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself clearer and more focused and able to pursue and reach your goals. Your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused.

There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Joe, your Personal Year cycle for 2022 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Angela and Joe, your Personal Year's Compatibility in 2022 is 8 and 4

Angela and Joe, this cycle's combination can be either very positive or quite negative. There is usually no middle ground.

Joe might feel like he is slogging through mud in heavy boots - there is progress, but it may feel excruciatingly slow and require considerable effort. Your experience should be just the opposite, where it feels as if everything is there for the taking.

In a relationship, this combination can bring out the best in each of you or enhance your negative traits. For example, your optimistic, ambitious attitude could either be irritating to Joe or help to alleviate periods of frustration and anxiety. And Joe's effort and methodical approach could be an inspiring influence on you or put a damper on your dynamic energy.

To top it off, it is likely you will both be able to clearly recognize the effect you have on each other during this period. As a result, you will either feel love and appreciation or irritation and blame, depending on the way you respond to one another.

The key to getting the most out of this cycle is to be sensitive to your partner's needs and state of mind. Try not to get so caught up in your own world that you lose touch with theirs.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Angela, your Personal Month for April-2021 is 2

Now the pendulum swings back from the insensitivity of last month to heightened awareness, especially of others. You are aware of the emotional subtleties that lie beneath the surfaces. You take nothing for granted. Your wisdom and diplomacy will surprise people and prevent several situations from becoming explosive. Relationships with both subordinates and higher-ups will improve. You receive support and are well-spoken of.

Your intuition is keen; rely on it and respect any premonitions you may have. Someone you meet sparks your interest, but you may find that the person is unstable and fragile. You play the role of teacher and counselor in this relationship.

Your understanding and intuition also offer you the means to heal formerly difficult relationships this month.

Joe, your Personal Month for April-2021 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

YOUR MONTHLY RELATIONSHIP FORECAST

Angela and Joe, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Your Personal Month's Compatibility for April is 2 and 7

Angela and Joe, your individual cycles do not have much in common during this period, but they shouldn't produce many relationship challenges.

Angela, although your 2 cycle could heighten your sensitivity, try not to attach too much importance to your emotional ups and downs. This period is best spent on practical matters and determining what is most important to you.

During this period, it might feel like Joe is distant at times and lives in a world that excludes you. In a way, this is true. Joe will be experiencing a period of self-reflection, concerned with the inner mysteries of life from a philosophical, intellectual, or spiritual perspective. Your best response is to focus on your own life - especially the practical side of your career, home, finances, and so forth.

If either of you feel your partner is more interested in their needs over that of the relationship, consider that this is not necessarily negative or selfish, nor an indication the relationship is in trouble. Your needs and priorities are just different right now; the relationship should be quite safe since neither of you has a desire to rock the boat. Allowing each other the space and freedom to pursue individual interests can ultimately strengthen your relationship.

Angela, your Personal Month for May-2021 is 3

The month of May is an excellent time for leisure and play. Take time off and, if possible, go on vacation. Get in touch with the inner you, daydream, and share those feelings and thoughts with someone you trust. Your need for others heightens.

You sense changes on the horizon, but feel you are in limbo, waiting for events to provide a new direction. Seek the advice, perspective, and insight of others.

You continue to make a good impression on those you work with, but not because of enhanced sensitivity and awareness, as was the case in April, but because of your ability to express yourself well and motivate others to see things your way. Be careful not to become manipulative.

This is a "lucky" month. You're in the right place at the right time and coincidences will occur in your favor. You are more attractive to others than usual and may receive some interesting proposals.

Joe, your Personal Month for May-2021 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

Your Personal Month's Compatibility for May is 3 and 8

Angela and Joe, although they are quite different, your cycles are compatible. Creativity, optimism, and inspiration are the main ingredients in your cycle, Angela; ambition, goals, and financial reward are the components ruling Joe's. These influences complement and inspire each other, which should benefit your relationship as well as practical affairs.

This is a favorable time to take care of long postponed projects such as financial concerns, home repairs, and other practical matters. It is also one of the best combinations for relationships. You should find you relate and communicate well, and easily support one another's endeavors.

There is, however, an area that could cause discord. Angela, your 3 should help you feel inspired and active, but you will probably be less focused than usual. This comes at a time when Joe is fully focused, especially on the bottom line. As a result, Joe may feel you are somewhat irresponsible, and you might feel your partner is all work and no play.

Compromise and recognition of the differing aspects of your cycles can help you better understand your partner and allow you both to capitalize on what this period offers.

Angela, your Personal Month for June-2021 is 4

June may prove to be the busiest month of the year. Work is demanding. Responsibilities and duties could become frustrating. You've got to stick to the routine and, consequently, you may become bored with your environment. Your energy level is high, and you want things to change. Reorganize your personal life. Manage your time more efficiently. Work on the house or garden so that you can enjoy improvements in your environment as well as your work life.

You are more serious this month than you were last month. Don't take chances in financial affairs. It is better to save than to spend. Open your heart to your loved ones. They may sense your preoccupation with work and details and need you to reach out to them.

Joe, your Personal Month for June-2021 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Your Personal Month's Compatibility for June is 4 and 9

Angela and Joe, the 4 and the 9 are not the most compatible cycles, often causing emotional turmoil in a relationship.

This is due, in part, to Joe being at the end of a cycle which can make emotions unpredictable. His 9 will ask him to let go of the old and prepare for the new, which invariably evokes powerful feelings. Your 4, on the other hand, will focus on practical matters that may leave little room for empathy. You will be concerned with career, projects, details, effort, discipline, and tangible progress.

Joe needs understanding and a sense that you share common goals. You will probably wish he would get on with the more practical and immediate business at hand.

It is important for both of you to recognize you are going through very different stages. During this cycle, the best thing for your relationship is to stay as close to each other as possible. Make the effort to focus more on your partner and less on yourself and get away from your daily routines to do things you enjoy together.

Angela, your Personal Month for July-2021 is 5

July is a time of unexpected events. Be flexible, especially in thought. Let old concepts and dogma go. This is a time of incredible growth, mentally as well as spiritually, but you have to allow such growth to occur. New information comes to you. You have the opportunity to change old ideas about life or people. Your circumstances could even change. Travel is also possible and favorable. A sudden phone call could put you on the plane the next day.

Letters or phone calls could come from people you have not heard from in a long time.

Meanwhile, you feel scattered and restless and want to avoid the nitty gritty details of life. Go with the flow; answer demands as they come up and do not try to control the circumstances too much.

Angela, you are mentally sharp and quick to see the meaning of new information. You are also creative and imaginative. This month releases your wilder side, especially when it comes to your social life and love relationship. Within the context of this year's serious and spiritual overtones, July is by far the most dynamic month. Be careful of too much self-indulgence and irresponsibility. Moderation, again, is the key.

Joe, your Personal Month for July-2021 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

Your Personal Month's Compatibility for July is 5 and 1

This is a highly compatible combination. Joe is at the threshold of a new direction where signs of opportunity and progress are very clear. Angela, you can also expect a dynamic period, but one where little may go according to plan.

If you drew a schematic of these cycles, the 1 in Joe's chart would likely show a relatively straight line running through the period, clearly moving in one direction. Conversely, the 5 in your diagram would show many bends and curves as it progresses through the cycle. Although you will experience this cycle in different ways, it will create change and movement for both of you. With your hands full focusing on your individual needs and desires, you will probably both find less time (and maybe less desire) to give attention to your relationship. It might be helpful to talk about and accept this early on, to be prepared for this probability.

Angela, your key word is discipline, you will need to stay focused but flexible. Joe's key word is drive. He should take advantage of his cycle's enhanced energy and strive to reach his goals. It sounds like a contradiction, but if you are both focused on your own needs, you will be less likely to feel left out or ignored by your partner. Rest assured, you will have plenty of opportunities to spend time together during your next cycle, when the 2 and the 6 rule.

Angela, your Personal Month for August-2021 is 6

With August comes stability and quiet. There is recognition and respect at work, but also the possibility that someone else takes credit for your effort. Apply yourself diligently. Responsibility and duty rule this month. There is financial gain, probably from a source other than work.

Your family and friends need your love and attention; give of it freely. Especially give your time and advice to a younger person. There is a lot of love that surrounds you this month, but you may not be aware of it. Your attention is focused inward and you may want more time alone than you actually have. Maintain balance. The people close to you need attention and you should be there for them. Your spouse or romantic partner requires much of you this month, too, and your relationship with deepen as a result.

Joe, your Personal Month for August-2021 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

Your Personal Month's Compatibility for August is 6 and 2

Angela and Joe, no two cycles are so fully connected to the heart as the 6 and the 2. This is a combination that generally has only two likely outcomes - one quite favorable and the other decidedly not. There is rarely a middle road for this pairing.

Fortunately, the influence of these cycles tends to lean toward the favorable.

It is very likely you will experience major disagreements during this period, and the way you handle them will make all the difference. It will be important for you to respond to each other from your heart rather than a rational, analytical approach. You might view this cycle as a spiritual and emotional trial. Underlying emotional issues often surface under this combination, sometimes during an argument that (at first) seems superficial.

Joe's cycle should find him mainly focused on his own issues. The 2 tends to amplify emotions, so he might

experience anxiety, inner turmoil, or self-doubt, which could make him more needy than usual.

Angela, you will also be strongly affected and ruled by the heart, but in a different way. You are more likely to resolve issues by bestowing generous expressions of love. This is probably just what your partner needs - unless you discount or ignore the reason(s) behind his discomfort. We all want to be taken seriously, even if our reasoning is somewhat superficial. If hearts clash and logic is on vacation, the result can be damaging.

Your key words for this period are commitment and honesty, along with taking each other's emotions seriously. Joe should try not to exaggerate them and you should guard against patronizing.

Angela, your Personal Month for September-2021 is 7

Now, more than ever, spiritual growth and self-discovery are highlighted. If you have not been fully aware of this inner search during part of this year, there is no escaping it this month. Dreams will be intense and you won't be able to shake them when you wake up. You will find yourself staring into space more often than usual. You are withdrawing and may experience some loneliness as a result.

You are questioning a lot of things that you had been taking for granted. You think about your life and the direction it is taking. The mysteries of life and death (without being morbid) occupy your mind.

You are mentally sharp and flexible, and you easily keep up with any demands that come your way. Your career, finances, and other mundane aspects of your life occupy a relatively smaller place in your life, this month. Without avoiding your duties, you can let these areas take care of themselves until early next month.

Romantic ties can be surprisingly strong, however. You have a real desire to share your innermost feelings with the person you are attracted to, revealing a side of yourself that has not been available in such intimacy before.

Joe, your Personal Month for September-2021 is 3

Joe, your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and

their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Your Personal Month's Compatibility for September is 7 and 3

Angela and Joe the 3 and 7 bring together two very different cycles. Your numbers are polar opposites in the influences they deliver. For Joe, things should lighten up like the sun breaking through after days of overcast skies. Your 7 indicates you will experience a serious period of self-awareness and discovery.

These differing moods could make communication difficult, which might be frustrating. Joe's light-hearted, playful disposition may have trouble relating to your pensive and perhaps even pessimistic outlook (and vice versa).

To offset this concern, do your best to acknowledge and respond to one another's concerns. Express your love, reach out, and give each other room to explore individual interests.

Joe needs to understand that the quiet, introverted mood affecting you is temporary and necessary. You should try not to be irritated by his upbeat attitude, which may appear superficial to you.

This cycle combination can have a negative effect on relationships. If you feel that you are approaching a danger zone, share your feelings as promptly and honestly as possible. Although you will both be affected by your individual cycles, you are likely to be more strongly impacted.

Do your best to support each other during this period and remember, cycles are temporary by nature. Patience and tolerance are the key words for both of you.

Angela, your Personal Month for October-2021 is 8

October brings reward and recognition. Often, this is a very good month for all matters related to career, business, and finances. You reap the rewards of what you sowed in the past seven years. (Next year offers even greater rewards than this month.) October gives you the opportunity to peak into the near future because it represents a small-scale sample of what next year will bring.

The eight cycle is a rewarding time, but there are two important sides to the way it is delivered. On one hand, it is directly proportionate to the effort you have put out in the past. On the other, you receive exactly

what you need to continue on your path. For that reason, you would do well keeping a close eye on your finances, especially to protect yourself from any shortfalls next year. Financial gain is much more common this month (and in the 8 Personal Year). In any case, this is a time to be aggressive in all matters relating to career and finances.

Joe, your Personal Month for October-2021 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care of. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully, make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month's Compatibility for October is 8 and 4

Angela and Joe, this cycle's combination can be either very positive or quite negative. There is usually no middle ground.

Joe might feel like he is slogging through mud in heavy boots - there is progress, but it may feel excruciatingly slow and require considerable effort. Your experience should be just the opposite, where it feels as if everything is there for the taking.

In a relationship, this combination can bring out the best in each of you or enhance your negative traits. For example, your optimistic, ambitious attitude could either be irritating to Joe or help to alleviate periods of frustration and anxiety. And Joe's effort and methodical approach could be an inspiring influence on you or put a damper on your dynamic energy.

To top it off, it is likely you will both be able to clearly recognize the effect you have on each other during this period. As a result, you will either feel love and appreciation or irritation and blame, depending on the way you respond to one another.

The key to getting the most out of this cycle is to be sensitive to your partner's needs and state of mind. Try not to get so caught up in your own world that you lose touch with theirs.

Angela, your Personal Month for November-2021 is 9

Your heightened inner awareness and the long inner growth-process you've been working on this year now reach a kind of completion this month in the form of realizations and insights that in turn improve your self-confidence and faith in the future.

At the same time, this is a period marked by emotional ups and downs as you are releasing old concepts, responsibilities, and relationships that you've outgrown. You are doing some inner-house cleaning which reflects in work as well as personal life.

Your career may seem somewhat stagnant. You are looking for new opportunities and challenges, but not much will be forthcoming until late this month or early next month. You should take it slow; perhaps even take some time off for rest.

There will be an opportunity for you to become involved with a good cause, which will prove both personally and professionally rewarding. In the long run, it may even help you financially.

As for money matters, this is not a good time to take chances or spend money on major purchases.

Some of your relationships with friends and relatives are being put to the test. You have grown and changed over the past year and may be a little out of touch with some of the people with whom you were close. In addition, you have become more discriminating about whom you wish to spend time with.

Sometimes, the 9 Personal Month brings a personal loss. You may have to let go of an old relationship or even someone you regard as a teacher. Romance is also in a make or break period. If the relationship has real substance, there will be some emotional turmoil, but the bond will only become stronger. If the relationship isn't strong, this will become very clear and cause a permanent break.

Joe, your Personal Month for November-2021 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month's Compatibility for November is 9 and 5

Angela and Joe, this cycle combination can be quite challenging. It is likely to be a trying time for you Angela, as you question where to go next. Moreover, there may be few answers for many of your doubts and questions during this period. Your 9 brings the end of a cycle, which could make you feel a little worn out, emotional, or vulnerable. Do your best to stay positive; your next cycle should deliver a much more uplifting, inspiring, and powerful energy.

Joe should find a period with more energy (and less patience) than usual. His 5 delivers dynamic drive and probably a change or two. His ability to bring excitement and enthusiasm into the relationship could be an excellent tonic for you.

Both, the 5 and 9 cycles are about change; however, they are very different in the way we experience them. The changes brought by the 5 tend to be the result of excitement, enthusiasm, and a desire to stir things up. Your 9 cycle has more to do with personal evolution.

The most important ingredient in making this cycle as beneficial as possible is patience. You will need it during situations that may seem unclear, and Joe will need to muster it to support you. If things get a bit challenging, keep in mind that although this cycle may not feel particularly compatible, every cycle is temporary.

Angela, your Personal Month for December-2021 is 1

December brings renewed energy and enthusiasm. Your career makes a big step forward. There is financial reward, promotion, and possibly a transfer that brings a welcome change. You will be introduced to someone or several people who are important for your career and can positively influence your future.

While this month brings you and your relatives and friends closer together, the feelings are also intensified and your relationship with some of these people is in a very fragile state. There may be some outbursts of long suppressed feelings that have to be dealt with. Relationships of all kinds - family, friends, and co-workers - tend to be somewhat unstable during this time.

If you are single, romance may become an important ingredient of this month's experience. You may meet someone new and this person will be an intellectual and spiritual challenge.

The attraction will be based less on physical appearance than on curiosity: there are profound differences between you in point of view and lifestyle, which is fascinating on some level. You learn from this person and, like looking into a mirror, you discover a lot about yourself and the changes that have taken place on a very deep level during the course of this year.

Joe, your Personal Month for December-2021 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

Your Personal Month's Compatibility for December is 1 and 6

Angela and Joe your commitment to each other is likely to be tested during this cycle, when outside influences could negatively affect you. The potential turmoil you face could make your relationship feel unstable. As this is one of the most challenging combinations, your greatest strength will be your faith in each other and your ability to trust and rely on one another.

Angela, the 1 in your cycle will direct your attention outward at a time when Joe's focus is centered on the home front, practical issues, and relationships. Jealousy is also something to watch out for, as it is often an issue with this sequence. Angela, you will probably be very focused on your goals and may be unaware of signals that alert you to Joe's need for attention. But it is also likely you could become jealous of the attention he receives from other people (the warmth of the 6 naturally attracts others). Joe will need to recognize that your dynamic, goal-oriented cycle could distract you. Encourage him to let you know if he begins to feel left out. You will both benefit from making a conscious effort to stay connected during this cycle even if it proves to be inconvenient.

Angela, your Personal Month for January-2022 is 9

January marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight. Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing. Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships. For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. You are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

Joe, your Personal Month for January-2022 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month's Compatibility for January is 9 and 5

Angela and Joe, this cycle combination can be quite challenging. It is likely to be a trying time for you Angela, as you question where to go next. Moreover, there may be few answers for many of your doubts and questions during this period. Your 9 brings the end of a cycle, which could make you feel a little worn out, emotional, or vulnerable. Do your best to stay positive; your next cycle should deliver a much more uplifting, inspiring, and powerful energy.

Joe should find a period with more energy (and less patience) than usual. His 5 delivers dynamic drive and probably a change or two. His ability to bring excitement and enthusiasm into the relationship could be an excellent tonic for you.

Both, the 5 and 9 cycles are about change; however, they are very different in the way we experience them. The changes brought by the 5 tend to be the result of excitement, enthusiasm, and a desire to stir things up. Your 9 cycle has more to do with personal evolution.

The most important ingredient in making this cycle as beneficial as possible is patience. You will need it during situations that may seem unclear, and Joe will need to muster it to support you. If things get a bit challenging, keep in mind that although this cycle may not feel particularly compatible, every cycle is temporary.

Angela, your Personal Month for February-2022 is 1

This February things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions. Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

Joe, your Personal Month for February-2022 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Your Personal Month's Compatibility for February is 1 and 6

Angela and Joe your commitment to each other is likely to be tested during this cycle, when outside influences could negatively affect you. The potential turmoil you face could make your relationship feel unstable. As this is one of the most challenging combinations, your greatest strength will be your faith in each other and your ability to trust and rely on one another.

Angela, the 1 in your cycle will direct your attention outward at a time when Joe's focus is centered on the home front, practical issues, and relationships. Jealousy is also something to watch out for, as it is often an issue with this sequence. Angela, you will probably be very focused on your goals and may be unaware of signals that alert you to Joe's need for attention. But it is also likely you could become jealous of the attention he receives from other people (the warmth of the 6 naturally attracts others). Joe will need to recognize that your dynamic, goal-oriented cycle could distract you. Encourage him to let you know if he

begins to feel left out. You will both benefit from making a conscious effort to stay connected during this cycle even if it proves to be inconvenient.

Angela, your Personal Month for March-2022 is 2

March demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact. Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Joe, your Personal Month for March-2022 is 7

Joe, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month's Compatibility for March is 2 and 7

Angela and Joe, your individual cycles do not have much in common during this period, but they shouldn't produce many relationship challenges.

Angela, although your 2 cycle could heighten your sensitivity, try not to attach too much importance to your emotional ups and downs. This period is best spent on practical matters and determining what is most important to you.

During this period, it might feel like Joe is distant at times and lives in a world that excludes you. In a way, this is true. Joe will be experiencing a period of self-reflection, concerned with the inner mysteries of life from a philosophical, intellectual, or spiritual perspective. Your best response is to focus on your own life - especially the practical side of your career, home, finances, and so forth.

If either of you feel your partner is more interested in their needs over that of the relationship, consider that this is not necessarily negative or selfish, nor an indication the relationship is in trouble. Your needs and priorities are just different right now; the relationship should be quite safe since neither of you has a desire to rock the boat. Allowing each other the space and freedom to pursue individual interests can ultimately strengthen your relationship.

Angela, your Personal Month for April-2022 is 3

The events of this month inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year. It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground. The month also

encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month. In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Joe, your Personal Month for April-2022 is 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful.

Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Your Personal Month's Compatibility for April is 3 and 8

Angela and Joe, although they are quite different, your cycles are compatible. Creativity, optimism, and inspiration are the main ingredients in your cycle, Angela; ambition, goals, and financial reward are the components ruling Joe's. These influences complement and inspire each other, which should benefit your relationship as well as practical affairs.

This is a favorable time to take care of long postponed projects such as financial concerns, home repairs, and other practical matters. It is also one of the best combinations for relationships. You should find you relate and communicate well, and easily support one another's endeavors.

There is, however, an area that could cause discord. Angela, your 3 should help you feel inspired and active, but you will probably be less focused than usual. This comes at a time when Joe is fully focused, especially on the bottom line. As a result, Joe may feel you are somewhat irresponsible, and you might feel your partner is all work and no play.

Compromise and recognition of the differing aspects of your cycles can help you better understand your partner and allow you both to capitalize on what this period offers.
