YOUR FIRST PERIOD CYCLE

Like most stories, there are three distinct stages of your life. Your First, Second, and Third Period Cycles come from your month, day, and year of birth respectively. Together they form the foundation of your Life's Path.

The First Cycle begins in childhood and lasts through your late 20's. It's a quest for knowledge and identity while you cope with the powerful forces that are present in your environment. These forces include your parents and the socio-economic conditions of your family, for example.

Your First Period Cycle is 5 and lasts until age 34

This is a chaotic time full of unexpected events and changes. Entering life with a 5 first Period Cycle often means a less-than-stable family and/or school environment. This can give rise to an obstinate, rebellious streak. From an early age you may have trouble keeping reality and fantasy separate. As a child and young adult, you may be perceived as "different." You are drawn to social interaction, but there may be times you feel you do not fit in well.

You are adventurous and more than once attempt a feat that is clearly dangerous. You are easily bored, and perhaps find refuge in some form of overindulgence. It may take you longer than most to find stability and a goal.

YOUR SECOND PERIOD CYCLE

The Second Cycle covers the middle period of your life, bringing about the slow emergence of your individual and creative talents. The late 30's, 40's, and 50's, bring a greater degree of self-mastery and influence over your environment.

Brenda, your Second Period Cycle is 11 and lasts until age 61

This is a period of spiritual expansion, even illumination. You grow in understanding and wisdom. It is a time to seek higher human ideals. There is a temptation, however, to chase after the infinite without being grounded in the practical.

Teaching and sharing your knowledge are important aspects of this cycle. You likely possess a message or an ability that should be shared with your community, but only through deep personal transformation and enhanced self-expression can this gift be communicated effectively. Focus on your studies and deepen your understanding. The more work you do on yourself, the better you will contribute to the world at large.

For those who embrace this path there are many rewards, including the deep satisfaction that comes from contributing to the advancement of others. For some, this will include financial gain and fame.

YOUR THIRD PERIOD CYCLE

The Third Cycle represents a flowering of your inner self as your true nature comes to fruition. It is during this period that you have the greatest degree of power and self-expression.

Brenda, your Third Period Cycle is 22 and lasts for the rest of your life

This cycle carries enormous potential for establishing a lasting institution or teaching that will greatly benefit others. You have the ability to manifest a concept, dream, or invention. Your talents as a builder, organizer, and visionary are at their peak.

You discern the needs of others and create constructive and practical plans to fulfill those needs. You commit yourself entirely to the work at hand. For many, this dream lasts a lifetime and requires every ounce of energy and talent. An all-consuming role beckons but provides a great sense of personal accomplishment and reward. You possess an ability to make a lasting contribution to the well-being of humanity.

YOUR FIRST PINNACLE CYCLE

Pinnacles reveal general conditions and events you experience during each period, such as your environment, social conditions, relationships, and changing circumstances. Pinnacles reveal how you might respond to these influences and how they will affect your ever-evolving personality.

The transition from one Pinnacle to the next is usually strongly felt. You begin to feel the transition from one Pinnacle to the next approximately two years in advance. The latter part of that two-year period can be particularly strong. You will likely make life-altering decisions, such as marriage, a job or career change, or major changes in your personal makeup.

Knowing and understanding your approaching Pinnacle number prepares you for the changes ahead. Perhaps the most strongly felt change is the transition from First to Second Pinnacle, which usually takes place in your late 20's or early 30's. This is usually a difficult transition but once crossed, provides a clear sense of direction and a firmer sense of identity.

Brenda, your First Pinnacle Cycle is 7 and runs from birth until approximately age 25

This is a period of inner development and soul searching. Brenda, you will deal with the deeply important questions of personal existence and the meaning of life. You will need time to be alone to contemplate your inner world. This is a time of spiritual growth. You will experience a heightened sense of faith. The power of the universe will be the force that carries you along. During this 7 Pinnacle, spiritual growth, increased knowledge, and wisdom are the big rewards. The 7 Pinnacle provides the basis for contentment in older age, because you now begin to understand life more deeply.

You have an enhanced appreciation of poetry and nature. Walks in nature provide great therapeutic value and spiritual nourishment.

This is a time of specialization. You will pursue some course of development with fervor and focus. Your ability to concentrate will be greatly increased. Your desire to study in all forms -- reading, self-reflection, and contemplation -- will reach an all-time high. Your intuition is much more sensitive, making your path a little easier and more direct, since you know intuitively the appropriate next step.

Under this Pinnacle, you will become an expert in one particular field. Your capacity to penetrate the depths of a subject area is enormous. You will look below the surface in virtually everything you encounter. It is very possible that you will find yourself in a teaching role.

You must consciously work on your closer relationships, especially with your spouse and children. You must explain that your desire to turn inward is not an escape or an avoidance of those you love, but a deep

need for knowledge. Your challenge is to avoid becoming critical or cynical of others. You can become so withdrawn from society that you look down on others. You may forget that you, too, are part of the imperfect human race. Sarcasm is the lowest form of communication, and a trap you could fall victim to.

Your desire to attain some high degree of perfection is sincere. But that pursuit can make you miserable if you lose perspective and fail to realize the relativity of human existence. Perfection is a Utopian goal, but an unrealistic ambition. It can cause you to be dissatisfied with yourself and others.

The 7 provides the possibility of true refinement, insight, and a high degree of wisdom. This deep understanding is the basis for self-love and true happiness.

YOUR SECOND PINNACLE CYCLE

Your Second Pinnacle Cycle lasts nine years and tends to have a considerable influence on your productive/professional life.

Brenda, your Second Pinnacle Cycle is 33 and lasts until age 43 and runs from age 25 until age 34

Under this Pinnacle you will be very involved with family, friends, and your community. You will face an increase in responsibilities and duties, but you have a greatly enhanced sense of balance and perspective that allows you to handle emotional issues well. Your family demands much of your attention. Matters involving spouse and children require much security, love, and sacrifice. You are the centerpiece of your family, the one people come to for solace and understanding. You may feel an increased burden, as you carry the cares of many. You will experience a deep sense of being needed.

This Pinnacle is full of love, closeness, and warmth, but you must rise to the challenges that close relationships bring. You must settle and bring harmony to personal conflicts between others. You are often the only one with perspective in a conflict. It is as if you are the keeper of justice, bringing understanding and compromise to situations that are polarized. Under the influences of this Pinnacle -- especially at its outset -- people are often married or start families. Children are born, in-laws come into your life. You are the nucleus of a little world.

You must maintain your dignity. This is a period that makes it easier to sacrifice, but you can overdo it, becoming a doormat for others to step on simply to maintain a degree of peace. Know your limits and maintain healthy relationships.

This is a fine period for growth in business and financial matters. You attract people with resources who can help to further your personal goals. Moreover, you are balanced in your approach to business affairs. This can bring many rewards.

Your heightened sense of harmony and your genuine compassion makes you an excellent counselor and healer, especially if you already have native talent in any of these areas. Personal health matters can also surface, causing you to reflect on diet, exercise, and other health habits. Your desire to help others is also increased. But this can lead you to poke yourself into situations where you do not belong or delve too deeply into other people's personal affairs. Be careful not to meddle or interfere.

The 33/6 Pinnacle is a time of progress and growth as a full human being. You are capable of developing yourself in many different directions -- as a loving mate and parent; a sound businessperson; and as a pillar of your community. The time requires the balance you possess, since you can easily stretch yourself in too many directions and ultimately feel burned out by the demands in your milieu.

YOUR THIRD PINNACLE CYCLE

Your Third Pinnacle Cycle also lasts nine years. Like your Second Pinnacle, its effect is felt primarily in your career or business environment.

Brenda, your Third Pinnacle Cycle is 4 and lasts until age 52 and runs from age 34 until age 43

This is a Pinnacle of hard work and many rewards. You have the opportunity to build a foundation that will last. Your ability as an organizer, manager, or simply the rock of any institution is greatly increased. You are dependable and reliable. Your ability to fulfill responsibilities is likewise enhanced. As a result of your industry and perseverance, success is well within your reach. It is a step-by-step process in which you build something by small bricks laid one after another.

You will find yourself caring for others in a very material way. Family and in-laws can be burdensome, since you are seen as the cornerstone of the foundation.

Your life is preoccupied with details and responsibilities that must be taken care of. You have set in motion projects that are your children, demanding your constant attention. While there are many rewards, there are also many frustrations. Your sense of your own limits and the consuming nature of details may at times seem overwhelming. You must remember that things that last require slow growth. You may mistakenly believe that your progress should be faster or happen with greater ease. The need for efficiency, orderliness, and methodical systems limit your creativity. Your challenge is to be flexible and adaptable. Learn to play more and allow yourself to be more spontaneous.

Children born under this Pinnacle will tend to be serious and affected by the financial limitations of their parents. The child may feel the need to leave home early and start a family of his own. He or she must be encouraged to be more farsighted and flexible. The child should avoid jumping into the harsh realities of life too soon.

YOUR FOURTH PINNACLE CYCLE

Your Fourth Pinnacle Cycle lasts for the rest of your life.

Brenda, your Fourth Pinnacle Cycle is 9 and runs from age 43 until age death.

This is a period in which you must identify with some larger project or goal that is bigger than you, Brenda. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well-being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community. As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world. Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching. In short, you are highly idealistic. You will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

YOUR PHYSICAL TRANSIT

The individual letters of your name are used to find your Transits.

Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.

Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

Your Physical Transit for age 37 and 38 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR MENTAL TRANSIT

The Mental Transit is based on your middle name

Your Mental Transit for age 37 and 38 is E

The E Transit helps us feel inspired and helpful. It brings increased possibilities for travel and changes in your career or residence. You are more attracted to new and adventurous experiences, including love affairs or marriage.

Although the E is a good letter for finances, you may be less focused or carry a frivolous attitude, which could adversely affect your chances for material progress.

You may find yourself attracted to a new religion or philosophical idea.

YOUR SPIRITUAL TRANSIT

Your Spiritual Transit is based on your last name.

Your Spiritual Transit for age 37 and 38 is O

This is a time of strong emotional experiences, which can affect your health if you are not mindful. You may find yourself worrying unduly. It is likely that more responsibility will be placed on your shoulders, with sensitive, emotional issues involved. You will find yourself more interested in religious, philosophical, and physical studies. Your leadership abilities will be heightened during this transit.

YOUR ESSENCE CYCLE

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

Brenda, Your Essence for age 37 and 38 is 16

There are edifices of thoughts and behavior patterns that keep us from experiencing our true natures and the deeper happiness within. By some great benevolence of the universe, these edifices collapse from time to time, Brenda. You are now in one of those benevolent periods. This is the proverbial dark night of the soul. You will find many things not working out as you had planned. There can be many unexpected, turbulent, and shocking events. There are debts to be paid that may seem unduly harsh or imbalanced. The time is confusing and you may feel that you have lost direction entirely. Your challenge is to surrender to the larger forces that now seem so threatening. Let the transformative powers redirect you. This is the surest path out of the confusion that now dominates your life. The 16 Essence is very like a storm that seems, on the surface, to be knocking down buildings, but is in fact rearranging your life so that you emerge healthier and happier than before.

The 16 Essence usually does not last long. You will find yourself on much sounder footing and in much better circumstances once it passes. You are experiencing the night that will surely bring the dawn. And with it comes a new life.

Part of the lesson you are learning is gratitude. Take time to truly examine everything that has been given to you. You are overlooking the love in your life, the talents you have been given, the good things that have been added to your life without your acknowledgment. There is something of a blind spot in you that has brought about the current period of confusion. Now is a time to self-reflect and to truly take stock of your life. Gratitude is one of the keys to a healthy transformation. Offer thanks to the Universe for all that has been provided you. This is an act of true magnanimity because you likely feel that you have been treated unjustly by the greater forces. But such thinking is a delusion that has blinded you to your true nature and destiny. Open your heart. Accept that your vision is not of the infinite, but of the relative world. Accept that the infinite is guiding you lovingly and toward higher planes of consciousness. Surrender to the greater forces. This will cause you to open up to the higher planes and allow them to guide. Now is a time to develop faith. The power of faith can help you feel secure in the midst of change. Faith allows you to feel that you are heading in a good direction, even when you do not know what that direction is. Faith is the key to your happiness now.

Meditate, pray, do regular spiritual practices. Take care of your health with sound diet and exercise programs. Try to eliminate all unhealthy attitudes and practices. Live a more enlightened inner life. Trust.

YOUR PERSONAL YEAR

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birth date to birth-date.) There are nine personal year numbers in a complete Epicycle.

Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process. The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9-year Epicycle.

Your Personal Year cycle for 2021 is 3

This is a year of expansion and personal growth. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events. More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus. It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

You may travel more than usual, which in all likelihood will be filled with exciting people and pleasure. Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year cycle for 2022 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals. Your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel. You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility. You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long. Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful. This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment. January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. You may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

YOUR DUALITIES

How the yearly cycles affect each other.

Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways. Your Essence reflects your mental, emotional, and spiritual state of mind at a particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.

Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.

Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.

For the purpose of Dualities, Essence cycles with Master Numbers (11, 22, or 33), or Karmic Debt numbers (13, 14, 16, or 19) are reduced to single digits, as their effect in the context of Dualities is indiscernible.

Your Duality before your birth day in 2021 is 2 and 3

After reading your Essence and Personal Year cycles, Brenda, you may have sensed the potential for a little turbulence ahead. A conflict exists between your light-hearted 3 Personal Year and your emotionally vulnerable 2 Essence (mainly relating to your personal life, emotions, and relationships).

Romance could be a particularly vulnerable aspect under this combination, due to the emotional 2's tendency to exaggerate relationship issues. Consequently, although it is cooperative and harmonious by nature, the overly sensitive 2 could put a damper on the upbeat, playful aspect of a potentially fruitful, creative year.

Although you may have ups and downs emotionally, the 2 and 3 combination is favorable for business, career, and projects. It is especially helpful in professions that require interacting with others (sales, public relations, real estate, marketing). Politicians and attorneys also fare well. Artists can expect a breakthrough in creativity, as the intuitive 2 is a wonderful companion to the creative, playful 3.

Challenges for the 3 include being easily distracted and having difficulty completing projects. You may find yourself daydreaming more than usual. Getting lost in your thoughts while dealing with others could lead to misreading them or leaving them feeling ignored or undervalued. Combined with the susceptibility of the 2, inattention could also make you more vulnerable to being taken advantage of.

Success during this period will require you to be as efficient and disciplined as you can be (not easy with the 3 in play). Also, be aware that your emotions could be somewhat overblown at times; try not to get caught up in unnecessary drama.

Your Duality after your birth day in 2021 is 7 and 3

A 7 Essence in a 3 Personal Year is a particularly promising combination, Brenda, in spite of the fact that their characteristics are opposites.

The 7 Essence lends a rational, sharp state of mind that can help you look below the surface and beyond the obvious. This will be a period where you take things that truly matter seriously. It will inspire you to seek insight and clarity.

Paired with the creative, playful, outgoing influence of your 3 Year, this combination can deliver both lucrative ideas and intellectual and spiritual breakthroughs. Personal relationships and romance also thrive with this team. Your depth will add an extra dimension to your charismatic and inspiring persona.

Conflict is also possible between the (sometimes) superficial and careless nature of the 3 and the serious, distant temperament of the 7. This pairing tends to hide true feelings behind cynicism or sarcasm. With this in mind, do your best to honor and share your feelings and emotions. And, don't be afraid to admit that you are confused or wrong at times.

Take as much "me" time as you possibly can this year, and make sure to cover the range from exciting, fun, social activities, to solitary moments of watching the sunset from a quiet perch or sitting in nature far from the bustle of the city. This is a time to recharge. If you take time for reflection, it can be a period where your deepest thoughts and spiritual experiences happen more easily and frequently than during any other duality cycle.

Your Duality before your birth day in 2022 is 7 and 4

Brenda, after reading your Essence and Personal Year chapters, you might have sensed there could be issues between the withdrawn, contemplative, and mental 7, and the practical, methodical 4. They do produce challenges, but if you give each of them attention, they actually work well together.

Your Personal Year affects the world around you, the events you will encounter, and your circumstances. A 4 in this position tells us this is a year for building and productivity. It asks you to stay focused, make effort, and invest in your future.

At the same time, your 7 Essence - the internal influence that affects your state of mind - will slide into an introspective mode. It inspires you to search for value, reason, and a deeper understanding of yourself.

The numbers are clearly dissimilar. The reason their conflicting influences cooperate well, is because the majority of your daily activities (driven by the efficient, disciplined 4) can be accomplished without much interference from your soul-searching 7. They are like trains on separate tracks moving in the same direction: they move forward without getting in each other's way.

Relationships can be affected positively or negatively, especially those relating to family members and close friends. It is unlikely you will go through a 7 Essence without changing, at least to some extent, and as you change others may see you in a different light. With your attention directed toward intellectual and/or spiritual interests, some people might find it more difficult to connect with you emotionally. The solitary, contemplative 7 can make you seem distant. Romance is not particularly favored for the same reason.

“Getting things done” will probably come easily this year and it is an important aspect of this cycle, but it is equally important to focus on personal growth. Take time to analyze and contemplate your circumstances and your priorities. Face yourself, question yourself - doing so can give rise to a remarkably insightful and enriching year.

YOUR PERSONAL MONTH

The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.

Your Personal Month for April-2021 is 7

April represents a pause for self-evaluation. It is a time of light and shadow, a month of contrasting moods. You may alternate between light-hearted optimism and periods of doubt and even depression. The time requires you to look within. Meditate and contemplate your life. Such self-reflection will awaken deep feelings of gratitude for all the blessings bestowed upon you, including the greatest gift of all: your life itself.

During the first half of the month, you may feel the inner you begin to stir. Your dreams may be intense, graphic, and highly revealing. They are a source of insight if you care to listen. There is a sub-conscious attempt to communicate, not with others but with your deeper self.

Let career, finances, and romance all take a back seat during this important spiritual time. You will be quite safe.

If possible, take some time off. At the very least, walk in the woods, sit at a lake, or otherwise bring yourself in close contact with nature. Keep a journal and write down your dreams, insights, and revelations. They will offer insight into your life's direction.

Your Personal Month for May-2021 is 8

May brings financial rewards, as well as respect and recognition. This, of course, is proportional to the effort you have put out during the past year. May is a month to focus on career, to be a visionary, and not to hold back when it comes to showing the world how capable you are. For those who are in business, this is a good time to finalize deals and sign contracts. Investments are generally favorable, as are requests for loans, mortgages, or other methods of financial support. In all worldly matters, this is a time to reach out, to go for your goals. Do not be afraid to take a risk.

As far as matters of the heart are concerned, this is a time to take yourself and your feelings with a grain of salt. You are in a generous mode and feel blessed with so many good friends, but when it comes to commitment, you may want to wait a couple of months, when you are more realistic in these matters.

If you are not involved in a relationship, a coincidental meeting with a person from the past sparks a romance.

Your Personal Month for June-2021 is 9

June brings a bit of moodiness and instability. You have completed many tasks and enjoyed many rewards during the first half of the year, and now you may be feeling a bit empty -- not unlike the fatigue one has the day after a party. It may be a minor case of burn-out, but for reasons you cannot put your finger on. It is a time to let go of many old things and prepare for the new.

You have had some good ideas during the first part of the year. You have been motivated and experienced much excitement, but not all of your ideas proved realistic. Now reality forces you to take a second look at your projects and goals in a new light. It's a weeding out period. The positive side of the coin is that, by the end of this month, you'll have a clearer perspective on your direction and projects. You'll know where to place your energy during the second half of the year. While you may find yourself going through some ups and downs during this month, you also feel the first trembling of new excitement.

This month also brings a concluding chapter to one or more relationships, which may cause additional emotional turmoil. However, you are going through a time of natural selection; what is worth holding on to will stay. The rest will go.

Your Personal Month for July-2021 is 1

July is a time of dynamism, courage, and eagerness to begin the new. Last month's blues are gone and you feel you are on top of the world. You are more original and creative than at any time of this already creative year.

There is a distinct possibility that you will be able to break out of unrewarding patterns. You may even consider a career change or start your businesses. It is not a time to be squeamish in any area of your life -- be it money, career or romance. You may experience an urge to write, paint, or express yourself in some other creative way. By all means, take on the challenge.

If you are not already involved you may meet someone, but the relationship, while intense and passionate, may not be a lasting one.

July is a month that will also bring opportunities to mingle with new acquaintances at social events. You will be outgoing and witty. These are great opportunities to make lasting contacts that will help your career and other endeavors.

Your Personal Month for August-2021 is 2

August requires a sensitive and cooperative attitude at work and in all other areas. You are upbeat and optimistic during the early part of this month, but an anticipated reward or recognition may go to someone else, much to your dismay. Your challenge is to set the record straight by using your diplomatic skills. Do not allow anger to alienate you from those involved. Otherwise, relationships go favorably this month. You are in a position to smooth out some long-standing disagreements between people close to you. Often, these disagreements do not involve you directly. You have the opportunity to serve as a peacemaker.

Romance is favorable, your feelings run deep and your ability to communicate them is enhanced. A good month to spend extra time with your lover.

Your Personal Month for September-2021 is 3

Brenda, your creativity is at an all-time high. You find solutions and discover new ways to improve old methods.

You are communicative and express yourself well. You have a strong urge to write to old friends you haven't seen in some time. This need to re-establish relationships with people may even surprise you.

At work, you discover that it is easy to reach others and influence the way they feel about themselves and their work.

You uplift them and are rewarded with gratitude and support.

This is a time to be social, easy-going, and optimistic.

Your Personal Month for October-2021 is 4

October requires you to be practical and disciplined in all matters. It brings opportunity as well as limitations. Career is a high priority, and you will find yourself putting in overtime. Details will need to be taken care off. There is very little room for slacking, and everyone may be making demands of you. You may feel frustrated and need to blow off steam.

On the other hand, there is also much opportunity implicit in these demands, and you will be pleasantly surprised with the rewards that come your way late in the month. You'll have to respond quickly. You may feel that you are not ready to take on the new challenge that comes with this opportunity, but if you overcome this temporary lack of confidence you will be well rewarded.

This month is demanding in domestic affairs, as well. There is an ongoing need to watch finances carefully,

make decisions concerning your budget, and plan for the future. If you have not been keeping a close eye on your checkbook, This month will force you to balance your account and make up for haphazard expenditures of the past.

There's not a whole lot of time for romance this month, but when you can find the time, your partner's love brings perspective and rejuvenation.

Your Personal Month for November-2021 is 5

November brings change, excitement, and possibly a financial boost. It brings movement -- travel, a change of residence or office, perhaps.

You will receive a letter or phone call from someone close to you whom you haven't heard from in some time.

This month should be light and playful. Try not to take things too seriously. The down-side of this combination (5 and 3) is in the area of relationships. You may tend to misread others, to be a little insensitive and short on tact. Avoid confrontations in personal matters as well as those related to work. As long as you are upbeat and supportive, friendship and social events are favorable.

As was the case with February of this year, November may also find you in the mood to indulge yourself. Moderation may be hard to maintain, but it's still the best advice.

Your Personal Month for December-2021 is 6

This monthly cycle stabilizes your work environment but requires that you work on your relationships and family affairs. You will be in the unique position to counsel and support someone in your circle of friends and family with immediate and positive result. It will be one of the most rewarding experiences of this year for you.

A promotion or a raise are possible, as is an increase in your workload. This month is good for business and financial affairs, particularly for long-term planning and investment. If you are involved in legal affairs, the time is right to surge ahead.

Romance is also favorable. Commitments bring stability. For those who have become involved in a relationship during this year, this is a good month to exchange vows.

Your Personal Month for January-2022 is 5

You experience some self-doubt related to your work situation. You may question your direction. This frustration will be in the background for most of the year, but this month particularly feels a little bit out of control. However, hidden forces are guiding you carefully, and your best approach is to persevere. Later this month, or early next month, an opportunity will come your way that represents a step forward in your career.

This month also brings some unexpected changes in other areas of your life; possibly an unexpected trip. Be cautious in all financial affairs.

Your family members demand a lot of attention, and much practical guidance is required from you. They look to you for direction.

Social events are favorable, particularly when they are work-related. You will make a very positive impression on someone who can help you move forward.

If married or involved, maintain harmony and avoid rocking the boat.

Your Personal Month for February-2022 is 6

February brings an increase in responsibility and workload. You receive recognition for your efforts and abilities, and probably a financial increase, as well. Perhaps even more important is the role friends and family play during the period. Loyalty and a willingness to sacrifice time and energy to your loved ones are needed. In return, you receive comfort and satisfaction. It is a time of love, warmth, and a strengthening of the bonds that form the foundation of your life. It is also a good time to start domestic projects, such as minor remodeling and home repair.

If you are not married and are not involved in a relationship, you may meet someone who catches your interest. In this case, the relationship will develop slowly but will endure. Your focus should be on being dependable and active. There is no room for procrastination.

Your health improves during this time.

Your Personal Month for March-2022 is 7

Brenda, March should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life. You are aware that you are developing spiritually. It is not a good time to deny important issues in your life or be superficial about significant matters. Your dreams are vivid, and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time. It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Your Personal Month for April-2022 is 8

April promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers (8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful.

Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.
