# YEARLY FORECAST

## Transits

*The individual letters of your name are used to find your Transits.*

*Your name is like music that vibrates in time; each note, or letter, has a specific duration and influence over the course of your life.*

*Your life can, therefore, be seen as a musical score, with individual letters making specific contributions at given points, just as notes in a musical piece give it its rhythm, character, and nuance.*

*The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.*

## **Your Physical Transit is O**

This is a time of strong emotional experiences, which can affect your health if you let it. You may find yourself worrying unduly. There is much responsibility placed on your shoulders, with sensitive emotional issues involved. You will find yourself more interested in religious and physical studies. Your leadership abilities are enhanced during this time.

## **Your Mental Transit Before your Birthday in 2017 is T**

This is a time of strain and high-strung emotions. You are willing to sacrifice and carry your burdens heroically, but you will have to guard against self-pity. You will benefit from solitude and meditation. You are looking for new activities and are eager to learn. You have a strong desire for knowledge. This is a good and rewarding time for business and new partnerships but you have to guard your territory against those seeking to interfere in your work. There will be opportunities to travel and see the world.

## **Your Mental Transit after your birthday in 2017 is E**

You will feel inspired and helpful. There can be change in career, travel, and possibly another residence. You are attracted to new and adventurous experiences, including love affairs. There can also be marriage. Although this is a good letter for finances there may be a lack of focus and a more frivolous

attitude, which will adversely affect your chances of real material progress. You feel attracted to new religions and philosophical ideas.

### **Your Spiritual Transit is Y**

This is a time of spiritual growth and perception of higher realms. You are very intuitive and psychic perceptions will take place. Soul-searching and meditation are extremely beneficial to you during this time. Your sense of direction is somewhat clouded, inspiring serious self-examination. You are in search of new friends and contacts with others of similar intellectual needs. There may be some minor health problems. You should avoid stimulants and extreme foods.

### **Essence**

*Your Essence and your Personal Year are the two essential indicators of the forces that influence your life during the course of any year.*

*Your Personal Year runs from January through December, while the Essence is most strongly felt from birthday to birthday. For example, if your essence number is 8 for a particular year, you would begin to feel the influence of that 8 most powerfully after your birth day in that year. The influence begins to wane during the next year and end around your birth day that year.*

*Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.*

*If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.*

### **Your Essence Before your Birthday in 2017 is 6**

This is a time of responsibility, duty, family matters, and high ideals. John, you will be called upon to support others and maintain a high life condition while you do it. Others look to you as an inspiration and a source of guidance. There is an element of self-sacrifice present in that you must serve those closest to you. Unselfishness and a willingness to be of help to others are the keys to your success.

You will likely experience advancement in business, career, and financial matters. Progress comes more easily during this period, as new opportunities

open up to you. At the same time, your achievements bring added responsibility and new demands. You will have to devote yourself entirely to the task at hand to realize your goals.

This can be an emotional period, as family members may be demanding. The whole issue of love comes to the forefront. Your ability to love and be loved will become starkly clear. This is an essence during which many marriages and divorces take place. People discover how much they truly love their partner, or how little love they have in their lives.

Protect your family relationships. Work to maintain harmony in your home. Especially stay focused on the needs of children.

There can be a domineering figure in your life who can oppress you during this time. The key is to be balanced and centered when dealing with all authority figures. Refuse to act rashly or emotionally. Remain focused and in harmony with your long-term goals.

If you keep a strong hold on your ideals, you will gain many supporters and admirers. This brings many great rewards and much appreciation. New and lasting friends come into your life now, and many seek to advance you along the lines of your abilities.

There is a strong artistic urge present. Those with artistic talent, or already working in the arts, will find their abilities greatly enhanced, with many new and rewarding chances for advancement. Most people under the 6 Essence will improve their lives and experience growth in their career goals.

### **Your Essence After your Birthday in 2017 is 9**

This is a period during which your ideals will be tested and forged anew. John, you will be broadened in ways that you would never have dreamed possible. You will likely experience a dramatic psychological and spiritual expansion. Old relationships that no longer have a place in your life will be let go of. Even old habits or characteristics that you believed were fundamental to your identity seem to evaporate. There is a need to forgive those in your past and let them get on with their lives, as you must with yours. Hanging on to negative attachments, either out of anger or a sense that justice has not yet been done, will bring you much misery and, if the courts are involved, protracted lawsuits.

You now have the ability to reach out to the masses. This is a time requiring much self-sacrifice and service to others. You are deeply affected by the pain and sufferings of others, and will feel a need to change your milieu or society for the better.

Those in the arts, especially actors, writers, and other performers, will see an enhancement of their talents and the opening of many new opportunities for advancement.

Your focus is outward in a big way. Teach, perform, and advance society in your own way. Dedicate yourself to a higher cause. These are the areas that will meet with much success. Conversely, selfishness, negativity, and pettiness will blow up in your face. The time demands a broad view of life. You are now the visionary, who must see the greater trends in humanity. Out of this will come much compassion for all. This is the lesson of the period: That as you work for the greater good of society, you will be personally rewarded, so much so that your cup will runneth over.

## **Personal Years**

*Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead.*

*Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birthdate to birthdate.)*

*There are nine personal year numbers in a complete Epicycle. Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process.*

*The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.*

*Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.*

### **Your Personal Year for 2017 is 6**

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep

feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

### **Your Personal Year for 2018 is 7**

You will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health.

It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. Too much concern and desire for material rewards, John, will turn this period of your life into a very bad experience indeed, while a "let go and let god " attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

### **Dualities**

*Your Essence and Personal Year cycles are distinctly separate energies that influence you in different ways.*

*Your Essence reflects your mental, emotional, and spiritual state of mind at a*

*particular time in your life and feels like an internal influence; it's a stage in your personal evolution. Your Personal Year cycle, however, feels more external.*

*Your Essence and Personal Year cycles overlap creating a duality which produces its own influence. Most importantly, it tells us how you can get the most out of your mix of Personal Year and Essence cycles by looking at their combined influence.*

*Personal Year cycles run concurrent with the calendar year and change every year, while Essence cycles run from birthday to birthday and can be anywhere from one to eighteen years, sometimes even longer. Therefore, you can have either two or three Dualities during any 12-month period. Three, if your Essence changes (one before your birthday, one after your birthday, and another when the new year starts). If your Essence doesn't change, you have two Dualities, one for each calendar year.*

### **Your Dualities Before your Birthday in 2017 is 6 and 6**

Having a 6 Essence during a 6 Personal Year is usually demanding, but it can be quite rewarding as well. John, after reading your Essence and Personal Year chapters, it may have felt like you were viewing the same cycle twice. However, although their traits are similar they affect you in different ways (depending on the area of your life they influence).

Your Personal Year cycle mainly affects the world around you, your circumstances and the events that will come your way. Your Essence affects the inner you, your mindset and the way you feel about the things you encounter. The fact that these cycles are ruled by the same number is a double-edged sword, creating both favorable and unfavorable effects.

On one hand, the double 6 team has the potential to cause considerable emotional turbulence. It often draws a continuous barrage of friends and loved ones soliciting advice, comfort, and time. Your heart will be easily and strongly affected by the emotions of others this year, very likely causing your own needs to take a backseat.

On the other hand, the love and gratitude you receive in return will compensate for much of your effort and loss of time. Still, you will probably experience emotional highs and lows □ highs when you realize you have been able to uplift or comfort someone close to you, and lows if you feel giving has become a one-way street. It may feel like everyone is leaning on your shoulders, but they don't have the time or inclination to reciprocate. This combination stands out as

a time of mental, emotional, and physical anxiety, but also a period of emotional healing for you and those you touch.

In addition, you may see increased responsibilities and added duties in your professional or productive life; this could lead to a promotion and/or an increase in income.

The double 6 makes your mind and body particularly responsive to the way you treat yourself. It is always important to make smart choices and demonstrate discipline in your diet and lifestyle, but never more than when a number combination affects you this strongly. This cycle centers on love and healing.

### **Your Dualities After your Birthday in 2017 is 9 and 6**

You have a 9 Essence in a 6 Personal Year, John. When you look at the shape of these numbers, you might notice they have much in common. Both symbols look like reservoirs, although their "spouts" point in opposite directions. This similarity is reflected in the way they influence you as well.

Both numbers have a loving, caring energy and are often found in the charts of people working in healing and education. They share a strong sense of responsibility, a willingness to sacrifice, and a desire to protect others. Both numbers are also creative and artistic.

Their differences are reflected in the direction of their spouts; the 6 cares for close friends, family, and the local community, while the 9 reaches out to humankind as a whole, to global issues and other cultures.

Considering their similarities, it is easy to see why they are compatible and have the potential to create a harmonious environment regardless of your chosen career or lifestyle. Both are bound to improve your circumstances, especially regarding relationships. They are a good team for resolving conflicts and taking on added responsibility, which will be helpful in both your personal and professional life.

There are also areas where this combination causes difficulties. The 9 tends to be somewhat aloof, and in extreme cases downright arrogant and unapproachable (despite its idealistic nature). And while the 6 is warm and approachable, it can be gullible and easily taken advantage of.

The locations the numbers appear in your chart also determine the way they will affect you. As your Essence number, the 9 influences your feelings and state of mind. It lends a serious, philosophical, idealistic mindset. Your 6 Year has a more

external influence, delivering the events and circumstances you will encounter during this period. The 6, largely concerned with the well-being of people close to you, will place you in positions that require you to be involved and supportive (which may include emotional and sometimes melodramatic situations and relationships).

Although both numbers are loving, one is more intimate and the other more abstract; one is emotional, the other aloof. The 6 wants to hug you and dry your tears. The 9 wants to change the system for the greater good but isn't particularly interested in personal affairs.

Due to these differences, your closest relationships are the most vulnerable. With your 9 Essence lending a somewhat solitary, distant state of mind, it could be a challenge to meet the emotional needs of those close to you. By giving attention to both cycles, this can be a year to strengthen close bonds, as well as increase awareness of humanitarian issues.

### **Your Dualities in 2018 is 9 and 7**

Odd numbers tend to be more idealistic and impractical than even numbers. When a 9 Essence takes place during a 7 Personal Year it is time to slow down and re-evaluate who you are and the direction you want to take. This cycle combination, more than any other, can help you recognize what you really want and where your happiness lies.

Your Essence cycle is an internal influence that affects your feelings and state of mind. A 9 in this position indicates you are at a stage in life when you want to get rid of excess baggage. It inspires you to discard unproductive concepts and habits, and to streamline your life so you can move forward less encumbered.

Your Personal Year is a more external influence, affecting the events and circumstances you will encounter during this period. The 7 produces situations that require forethought and self-reflection. It asks you to "dig deep" into life's important questions. Fortunately, it also enhances your ability to analyze your circumstances. The insight and self-knowledge you gain can help you set a new course.

Your greatest asset this year will be your ability to view your circumstances objectively, which is the first step in making smart choices. Your challenge will be to go as deeply into your experiences and psyche as you can. Although it may not come easily with life's daily distractions, this is a time for inner-growth.

Relationship issues, including romance, are less favorable under this

combination. This is a year to focus on you, so you may not be as attentive to the needs of others as usual. Make dual efforts to honor important relationships without detracting from your needs, dreams, and hopes.

## **Personal Months**

*The influence of a Personal Month gradually changes from one month to the next over approximately five days at the end and the beginning of each month.*

*Please note: Your daily forecasts for the next three months are included and updated each month. You always have at least three months of daily forecasts ahead of you.*

### **Your Personal Month for January 2017 is 7**

John, January brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet. If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally and you could be a little self-righteous. Try to be more flexible.

### **Your Personal Month for February 2017 is 8**

February may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

## **Your Personal Month for March 2017 is 9**

Whenever the 6 and 9 team up, it is often emotional because you may have to let go of someone close to you. You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

## **Your Personal Month for April 2017 is 1**

John, this month brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April (this month) or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life. Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9 year cycle.

## **Your Personal Month for May 2017 is 2**

John, May is a 2 Personal Month in a 6 Personal Year and focuses on harmony and diplomacy in all relationships, including the work-environment. You are more sensitive and aware of the feelings of others than you were last month and you will be called upon to use those abilities. You will find yourself in the role of mediator/peacemaker in order to maintain harmony in the work place. Become a hard-nosed yet diplomatic negotiator. Find a balance between tact and sensitivity on one hand, and persistence and conviction on the other. You will be able to meet these challenges and will come through with flying colors.

Financial rewards will come. Keep things organized and take care of details or else you may find yourself in chaos by the end of this month. If you are involved in a legal tangle, and quite a few people in this stage of their Personal Rhythm Cycle are, you will gain some ground and find good reasons to be optimistic.

Romance is highly favored now, especially for new relationships.

### **Your Personal Month for June 2017 is 3**

This is an excellent time to give yourself a break. Take some time off. Enjoy yourself. Don't be too serious. This is a time of enhanced creativity and originality. Become involved in playful activities. Participate in social events. You will meet new people who offer a welcome change to the routine aspects of your life.

Your career may seem unpredictable now but will be much better next month. "Luck" in financial affairs is likely now. Romance is also favorable.

The emphasize of this month is on fun and leisure. Enjoy.

### **Your Personal Month for July 2017 is 4**

John, it is a time to seriously apply yourself to your duties and responsibilities. Take charge in home, career, and community affairs. Be patient and apply yourself to routine and details diligently. Organize your personal life and your career. Tie up loose ends. Start projects that will improve your living situation such as repairing the house or starting a garden.

Someone in your circle of friends and relatives needs help. Usually, this is a younger person who has not yet found stability or purpose in life.

This month may well bring an excellent opportunity in your own career. Focus on legal affairs. Discipline and effort are the key-words for this month.

Romance takes a more serious turn. Expectations are expressed and commitments made.

### **Your Personal Month for August 2017 is 5**

John, August brings some changes in work and your personal life. It is a dynamic time and nothing goes according to plans. Play things by ear.

Your career progresses well as a result of your enhanced ability to find creative solutions. You make a good impression on some people who are in a position to reward you. There will, however, be a confrontation between you and a co-

worker, with long-ranging affects. The outcome will depend on your personal strength and self-confidence. If you are involved in business deals or legal affairs, some surprising changes may take place. In all areas of your life, flexibility and adaptability are important. John, your friends and family require a lot of attention. Social gatherings are frequent and will bring new relationships into your life.

Traveling, perhaps across the ocean, is possible and favorable.

Romance is exciting. Be socially active. If you are single, you could meet someone who will be a permanent part of your life.

### **Your Personal Month for September 2017 is 6**

John, September will force you to deal with the issues of responsibility and loyalty. Devote your time and energy to the needs of family and community. Become involved in some sort of activity that will benefit others financially. You will, and should be, concerned less with your own financial affairs, than with those involving others. Be selfless and generous in all areas of your life. It is a time to forgive and heal. You are highly aware of your bond with the people you love, as well as with neighbors and co-workers.

Legal affairs you might be involved in come to the foreground.

Financially, September has the potential to be very good.

Romance is shaky. Choose your words well and follow up on promises. Don't forget birthdays.

### **Your Personal Month for October 2017 is 7**

John, distance yourself somewhat from the affairs and troubles of other people. During the course of this year you have been asked to help, counsel, and advise others many times. Now, give yourself a break. Spend time alone for contemplation and meditation. Study and reading are also favorable. Your workload does not decrease but much of it is routine and allows you to mentally drift. Still, your mind is sharp and you can easily concentrate when you want to.

Inner healing takes place. Old wounds may be reopened. There is some sadness and nostalgia, but the healing is real and needed. This is a time of spiritual growth. Postpone decisions regarding financial affairs, if possible, until next month.

Matters of the heart are also a low priority. You are not very clear this month and

would rather not be bothered with it. Emphasize your personal well-being. Diet, exercise, and go for walks. Don't distract yourself from soul-searching by watching television or other mind-numbing practices.

In many ways, your experience of this month will set the tone and direction for next year.

### **Your Personal Month for November 2017 is 8**

John, November is an excellent time for business ventures, financial affairs, and all things related to the material world. You receive recognition for past effort in the form of financial rewards, respect, and possibly promotion. Implement any changes you have been considering in your business affairs. As always, when the 8 shows up in the chart, a certain amount of balancing takes place. Punishment and reward are both possible. If you have put out sincere effort, the reward will be there. However, for some people, an 8 month may bring bad news, after all, the 8 is balance, including the balance between effort and reward.

This is a good time to straighten out financial dealings you may have with friends or relatives as well. This is not a good time to go into debt. But it is a good time for love. Strong feelings and passionate exchanges on the emotional and physical level make this an exciting month.

### **Your Personal Month for December 2017 is 9**

John, December is the second time this year that some letting go has to be done. A relationship is going to end. This can cause some distress, but there are also feelings of gratitude. Your feelings run deep, but you have difficulty expressing them. You feel vulnerable and emotional. You are attracted to giving your time and energy to something outside of yourself. Clean out the garage or attic and donate the excess to charity.

There are changes in the work situation, such as a shift in personnel. In a strange turn of events, you may find yourself having to defend your actions and motivations. Your honesty may be questioned. If you are single, you may meet someone later this month. If you are committed, you may feel you are involved in a roller-coaster kind of relationship. Not to worry, things calm down by the end of the month.
