Your Monthly Relationship Forecast

Jack and Liz, monthly cycles are not as strongly felt as yearly cycles, however, they can have short period of considerable intensity. This is by no means common, but when certain numbers are aligned just so, it can throw things of balance.

If you feel you might be experiencing some turmoil within your partnership, read the monthly compatibility and reflect on its meaning. You will almost always be able to recognize where the friction comes from, and this is a big step towards healing.

You may also want to refresh your memory by taking another look at your Relationship Compatibility Profile as well as your yearly cycles.

Jack, January is a 4 Personal Month in a 3 Personal Year.

January requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual and this makes it harder to keep up with your duties and responsibilities. However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed. This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

Liz, January is a 1 Personal Month in a 9 Personal Year.

January brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

Liz, you experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Your Personal Month's Compatibility for January, 2017 is 4 and 1

Jack and Liz, as a rule, when the 4 and 1 combination is found in this part of the chart, it is usually not very compatible. Although both cycles represent a strong drive and the need to put forth effort, they express it quite differently.

Liz is motivated in large part by enthusiasm, dreams, hope, and a can-do attitude. This is a time of opportunity for her, and she should take advantage of this period to focus on her goals.

Jack, your drive is born more from frustration and the need to break free from a shell that has felt restrictive for some time. (This frustration could increase before things change.) Your challenge is to keep from directing it toward your loved ones. The 4 cycle is rarely an easy one, but it invariably brings progress and a breakthrough of some kind. Try to keep that in mind as you move through this demanding period.

The two of you are experiencing very different cycle challenges. Liz will have to be sensitive to your need to stay focused on your tasks, and you will have to recognize her need to move boldly ahead.

Jack, February is a 5 Personal Month in a 3 Personal Year.

Jack, February brings changes, excitement, and perhaps some upheaval. You may move, travel, or go on an unexpected trip. Carefully prepared plans confront the unexpected: events and people you had not expected. If you are flexible and not afraid of changes will enjoy this month. However, if you rigidly try to stick to expectations and refuse to adapt, you may experience a difficult time in which almost nothing works out, no matter how hard you try.

February is a month to allow the forces of nature to guide your ship. Despite these disruptions, do not give in to impulsiveness or irresponsibility. Make the plans you can; adhere to them as well as possible, and be flexible.

Love is exciting, adventurous, and playful. You uplift your partner and reveal your deeper self. Hidden thoughts and desires that you have kept hidden during the past two years come freely to the surface. Jack, you are open and childlike and for that reason very attractive to others. A word of caution for those who are uncomfortable with this kind of openness: Do not allow fear to turn this wonderful urge to share your thoughts and feelings into a superficial act.

If you have a tendency to self-indulgence, this month's cycles are dangerous. Be cautious and control your appetite for whatever excesses tempt you.

Liz, February is a 2 Personal Month in a 9 Personal Year.

Liz, February awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

Your Personal Month's Compatibility for February, 2017 is 5 and 2

Jack and Liz, the 2 and the 5 get along well in many ways. They happily play together, love together, and enjoy each other's company - as long as everything is in harmony. However, the moment they hit a bump in the road, things can become problematic.

The trick is to avoid disagreements as much as possible. Although it is not usually recommended, this may be one of those times it is best to keep things somewhat superficial and not dig too deep.

For Liz, the enhanced emotional vulnerability typical of a 2 cycle could open the door to negative feelings that are out of proportion with what is really going on. A minor criticism could become a major source of discontent for her during this period. At the same time, you may not be as sensitive and aware as usual which could lead to impulsive comments that hurt your partner's feelings. Your mind will be particularly active and less likely to show restraint.

You should both be careful not to take one another's remarks too seriously (especially those spoken in the heat of the moment). It is likely that neither of you will be at your best when expressing yourself during this cycle. You may be too impulsive, and Liz too emotional. It will help if you keep this in mind and allow each other a little leeway, especially with sensitive issues.
