Your Yearly Relationship Forecast

People change, sometimes dramatically, sometimes subtly. When people form a close relationship, their individual evolution can affect the stability and harmony of their partnership.

John, and Pat, keep in mind the core numbers in your profiles (your Life Path, Expression, Heart's Desire, Personality, and Birth Day number) tend to carry more weight than cycles do. However, cycles can cause upheaval in areas where you previously had no issues. When that is the case, try to remember they are most likely temporary.

Personal Year

Your Personal Year number is a strong indication of the trends and circumstances you experience during the year ahead.

Your Personal Year cycles are based on the Universal Year cycles and, therefore, run concurrently with the calendar year. (Transits and Essence cycles are based on the letters of your name and run from birthdate to birthdate.)

There are nine personal year numbers in a complete Epicycle. Each Epicycle reveals the progression of a specific part of your personal evolution. Your progress along this Epicycle can be seen quite logically, from the beginning of a growth period to the conclusion or culmination of that process.

The 1 personal year describes your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle.

Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

John, your Personal Year is 6

This is a year of progress and financial advancement. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges. This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heartfelt emotions and some sacrifice. It is a time for comforting and caring. You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need. Deep feelings bring renewal to relationships and often a birth in the family.

You must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self- reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year's Compatibility is 6 and 6

As a couple, John and Pat, you should have much to offer to each other and those who share your world during this period. Your 6 will find you focused on family, friends, and your relationship. It is a time to share your love and commitment, a time when you easily understand and strengthen each other.

If there is a potential for discord (and there always is), it would be in taking these loving traits too far. Sometimes caring and nurturing can become intrusive or smothering. It is also possible that one or both of you could become controlling, creating a competitive atmosphere. Another contradiction during these otherwise loving cycles can be lowered tolerance, causing each of you to become irritated more easily over trivial matters.

Although you will probably be more focused on your family, friends, and relationship, practical concerns are favorable as well. This is a good time for finances, promotions, and projects. Material improvement is possible for both of you, although you might also be asked to take on more responsibility.

Essence Cycle

Your Essence and your Personal Year are the two essential indicators of the forces that influence your life during the course of any year.

Your Personal Year runs from January through December, while the Essence is most strongly felt from birthday to birthday. For example, if your essence number is 8 for a particular year, you would begin to feel the influence of that 8 most powerfully after your birth day in that year. The influence begins to wane during the next year and end around your birth day that year.

Your Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year; which types of behavior will be supported by your milieu and which ones will be less effective.

If one or more of your Transits change after your birthday this year, you will find two Essence cycles. If you only have one Essence, it means none of your Transits changed.

John, your Essence Cycle is 1

You will now begin an entirely new phase of your life. You are on the threshold of a new beginning. Not only will fresh ideas come into your life, but you will accept and even embrace them. It is a time of radical change, and in all likelihood you are ready for it. Now is the time to advance the new, and let go of the old. All inefficient methods will have to be eliminated from your life. In the same way, you must let go of relationships that no longer serve your future. Discard habits and liabilities that you have been holding on to. A new identity is emerging, one that is efficient, innovative, highly creative, and courageous.

Your leadership qualities will rush to the surface. Your environment will demand that you stand up to challenges, and face difficulties head on. You can no longer hide from the truths of your life. The facts are now blatantly clear. John, you must make a stand. Change is a given. But you possess the power to make those changes. All you need is the will and the energy to enact your plan.

This is a period of struggle and great reward. You have the chance to achieve independence. But it will not be handed to you. You must wrest from old habits and inertia of the past.

As with all beginnings, this one will be marked by false starts and blind alleys. You will be forced to start again and again. You are like a baby learning to walk. There will be falls. You will have to persevere. This is a period in which your willpower will be tested. You are, in fact, forging your own determination. You must not give up. But the rewards are great. The general influences are raising you to new heights of independence, courage, and self-esteem. At the conclusion of this 1 Essence, your self-knowledge and self-respect will be greatly increased, as will your capacity to stand on your own two feet.

Pat, your Essence Cycle is 4

This a period of much work, attention to detail, and advancement in your career. Your rewards will be directly proportional to your effort. Much will be demanded of you, but you now have the opportunity to lay a sound foundation for your life. You must be orderly and disciplined. Attention to detail in all areas -- especially in personal finances and business -- is a necessity. Your workload will likely increase. Only through the correct management of time and resources will you be able to apportion your energies correctly to meet the increased

demands made of you.

You are now being trained in the ways of the world, and only sound practical management will bring you the results you desire. Any flimsy or unsound business practices will likely bring trouble and increased work for you. Only by dealing with reality -- that is, by facing situations exactly as they are, and not how you might like them to be -- will you be able to find the correct path to success.

Avoid feelings of restriction or limitation. Be economical in all your expenditures. Be sure to care for your health. Maintain a healthy diet and follow a sound exercise routine. Pay attention to preventive health methods and get the rest you need. But know when to allow yourself some breathing room. Be moderate in all things, including moderation. Balance is the key to this period.

In-laws and family members can be demanding during this period. People see you as a rock of stability and are naturally attracted to you for support. Be helpful without allowing yourself to be used.

You are being called upon to work hard and establish a firm foundation upon which your life will rest for many years to come.

Your Essence Cycle's Compatibility is 1 and 4

John and Pat, as a rule, when the 1 and 4 combination is found in this part of the chart, it is usually not very compatible. Although both cycles represent a strong drive and the need to put forth effort, they express it quite differently.

John, you are motivated in large part by enthusiasm, dreams, hope, and a can-do attitude. This is a time of opportunity for you. Take advantage of this period to focus on your goals.

Pat's drive is born more from frustration and the need to break free from a shell that has felt restrictive for some time. (This frustration could increase before things change.) Her challenge will be to keep from directing it toward you and other loved ones. The 4 cycle is rarely an easy one, but it invariably brings progress and a breakthrough of some kind. You should both try to keep that in mind as Pat moves through this demanding period.

The two of you are experiencing very different cycle challenges. John, you will have to be sensitive to your partner's need to stay focused on her tasks, and Pat will have to recognize your need to move boldly ahead.
